Employment Agreement of Phillip Louis Gomez, III

On October 13, 2016 SIGA Technologies, Inc. (“SIGA” or the “Company”) entered into an Employment Agreement (the “Gomez Employment Agreement”) with Phillip Louis Gomez, III, 49, pursuant to which he became SIGA’s Chief Executive Officer.

Prior to joining SIGA, Dr. Gomez was a Principal in the Pharma & Life Sciences Management Consulting Practice at PricewaterhouseCoopers LLP (“PwC”) since 2011. At PwC, and at PRTM Management Consultants (“PRTM”), where he was a Director from 2007-2011 prior its acquisition by PwC, Dr. Gomez led the team that focused on the development and execution of business strategies for leading pharmaceutical companies, governmental agencies, academic medical centers, and foundations with respect to product development and manufacturing of pharmaceutical products. Dr. Gomez joined PRTM from the Vaccine Research Center at the National Institute of Allergy and Infectious Diseases at the National Institutes of Health (“NIH”), where he worked from 2001 – 2007 and established the Vaccine Production Program, which manufactured vaccines for clinical trials against HIV, SARS, Ebola, West Nile Virus and Influenza. Prior to NIH, Dr. Gomez spent more than nine years in the pharmaceutical industry at Abbott Laboratories, Sanofi Pasteur, and Baxter Healthcare Corporation in positions of increasing responsibility, leading process/product development initiatives and project teams for the development of multiple biologic products. Dr. Gomez holds a Bachelor of Arts degree from Dartmouth College, a Master of Science and a Doctor of Philosophy in chemical engineering from Lehigh University, and a Master of Business Administration from the Smith School of Business at the University of Maryland.

Pursuant to his employment agreement, SIGA agrees to pay to Dr. Gomez an annual base salary of \$750,000, subject to an automatic increase of three percent (3%) above the amount of his base salary in effect at the end of the prior calendar year, beginning with January 1, 2018 and ending on the third (3rd) anniversary of the occurrence of a Change of Control (as such term is defined in the Gomez Employment Agreement). The Board of Directors of the Company (the “Board”) may increase Dr. Gomez’s base salary by additional discretionary amounts but any such additional discretionary amounts shall be disregarded when calculating the amount of any automatic increase in Dr. Gomez’s base salary; provided that, no such additional discretionary increase shall be implemented prior to the date the Company’s covenants under its Plan of Reorganization (the “Plan”) terminate in accordance with the Plan without the prior written consent of PharmAthene, Inc. (“PharmAthene”). On or as soon as practicable after the effective date of the Gomez Employment Agreement (but in no event later than January 15, 2017), the Company shall grant Dr. Gomez a one-time long term equity award, which shall have a value equal to \$2,100,000 and consist of restricted stock or restricted stock units of the Company, stock options to purchase shares of common stock of the Company (using a Black-Scholes pricing model) and/or cash (in each case as determined by the Board). Under the terms of his employment agreement, from the effective date of the Gomez Employment Agreement through its one-year anniversary, the Company shall pay Dr. Gomez a guaranteed bonus of \$750,000, provided that Dr. Gomez remains employed with the Company on the one-year anniversary of the Gomez Employment Agreement. With respect to the calendar year 2017, the Company shall pay Dr. Gomez an annual bonus, subject to the discretion of the Company, based upon a target bonus opportunity of \$750,000 and upon the achievement of performance criteria and goals approved by the Compensation Committee. The amount of the annual bonus earned and payable for calendar year 2017, if any, shall be prorated based on the number of days remaining in calendar year 2017 after the end of the guaranteed bonus period, divided by 365. For the 2018 calendar year and each subsequent calendar year during which Dr. Gomez is employed under the Gomez Employment Agreement, the Company shall pay Dr. Gomez an annual bonus, subject to the discretion of the Board, based upon a target bonus opportunity of 100% of Dr. Gomez’s then-current base salary, based upon the

achievement of performance criteria and goals approved by the Compensation Committee. In the event of a Change of Control of the Company, Dr. Gomez shall receive an annual cash bonus for the year in which the Change of Control occurs equal to the greater of (i) the target annual bonus for such year or (ii) the annual bonus determined based upon the applicable performance criteria and goals for such year, provided that Dr. Gomez remains employed on the last day of such calendar year. The term of his employment expires at the end of the two (2) year anniversary of the Gomez Employment Agreement becoming effective and will automatically renew for additional one (1) year periods unless notice of non-renewal is given; provided, however, that the agreement shall not automatically renew upon the expiration of any subsequent term that ends following the third (3rd) anniversary of the occurrence of a Change of Control.
