GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors of SBE, Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on Tuesday, March 18, 2003, at 5:00 p.m. local time (the "Annual Meeting"), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Company intends to mail this proxy statement and accompanying proxy card on or about February 10, 2003 to all stockholders entitled to vote at the Annual Meeting.

SOLICITATION

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to such beneficial owners. The Company may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of the Company. No additional compensation will be paid to directors, officers or other regular employees for such services.

VOTING RIGHTS AND OUTSTANDING SHARES

Votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved.

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing with the Secretary of the Company at the Company's principal executive office, 2305 Camino Ramon, Suite 200, San Ramon, California 94583, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation and Bylaws provide that the Board of Directors shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy (including a vacancy created by an increase in the Board of Directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

The Board of Directors is presently composed of four members. Mr. Heye is currently a director of the Company who was previously elected by the stockholders and is the current director in the class whose term of office expires in 2003. If elected at the Annual Meeting, Mr. Heye would serve until the 2006 annual meeting and until his successor is elected, or until his earlier death, resignation or removal.

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote on the matter at the meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named below. In the event that the nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. The person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve.

Set forth below is biographical information for the person nominated and each person whose term of office as a director will continue after the Annual Meeting.

BOARD COMMITTEES AND MEETINGS

During the fiscal year ended October 31, 2002 the Board of Directors held nine meetings and acted by unanimous written consent one time. The Board has an Audit Committee and a Compensation Committee but does not have a nominating committee or any committee performing a similar function.

The Audit Committee meets with the Company's independent auditors quarterly to review the results of the auditors' quarterly review of the Company's financial statements, and at year end, to review the annual audit; recommends to the Board the independent auditors to be retained; oversees the independence of the independent auditors; evaluates the independent auditors' performance; receives and considers the independent auditors' comments as to controls, adequacy of staff and management performance and procedures in connection with audit and financial controls; and performs other related duties delegated to such committee by the Board. The Audit Committee, which consists of three non-employee directors, Dr. Caudill, Mr. Conlisk and Mr. Ritchie, held five meetings during fiscal 2002. All members of the Company's Audit Committee are independent (as independence is defined in Rule 4200(a)(14) of the NASD listing standards. During the fiscal year ended October 31, 2002, each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served, held during the period for which he was a director or committee member, respectively.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS1

The Committee has reviewed and discussed the audited financial statements of the Company for the year ended October 31, 2002. The Committee has also discussed the audited financial statements with management and PricewaterhouseCoopers LLP.

The Committee has discussed with PricewaterhouseCoopers LLP the matters

Edgar Filing: SBE INC - Form DEF 14A

required to be discussed by Statements on Auditing Standards No. 61, Communication with Audit Committees, as amended.

The Committee has discussed with PricewaterhouseCoopers LLP the auditor's independence from the Company and its management including the matters in the written disclosures required by the Independence Standards Board Standard No. 1. The Committee has also received the letter from PricewaterhouseCoopers LLP required by the Independence Standards Board Standard No. 1.

Based on the foregoing discussions with management and PricewaterhouseCoopers LLP, the Committee has recommended to the Board, and the Board approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended October 31, 2002, to be filed with the Securities and Exchange Commission. The Committee and the Board also have recommended, subject to stockholder approval, the selection of the Company's independent auditors for the year ending October 31, 2003.

Audit Committee Members:

Randall L-W. Caudill
Raimon L. Conlisk
Ronald J. Ritchie

1 The material in this report is not "soliciting material," is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended (the "1933 Act") or the Securities Exchange Act of 1934, as amended (the "1934 Act") whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board of Directors has selected PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending October 31, 2003 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting.

Edgar Filing: SBE INC - Form DEF 14A

PricewaterhouseCoopers LLP or its predecessor, Coopers & Lybrand LLP, has audited the Company's financial statements since 1974. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent auditors is not required by the Company's Bylaws or otherwise. However, the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

AUDIT FEES

During the fiscal year ended October 31, 2002, the aggregate fees billed by PricewaterhouseCoopers LLP for the audit of the Company's financial statements for such fiscal year and for the review of the Company's interim financial statements was \$75,890.

ALL OTHER FEES

During fiscal year ended October 31, 2002, the aggregate fees billed by PricewaterhouseCoopers LLP for professional services other than audit fees was \$43,305.

The Audit Committee has determined the rendering of non-audit services by PricewaterhouseCoopers LLP is compatible with maintaining the auditor's independence.

During the fiscal year ended October 31, 2002, 100% of the total hours expended on the Company's financial audit by PricewaterhouseCoopers LLP were provided by PricewaterhouseCoopers LLP full-time permanent employees.

EXECUTIVE COMPENSATION

COMPENSATION OF DIRECTORS

During fiscal 2002, each non-employee director of the Company received for his services a quarterly retainer of \$3,000 plus fees of \$1,000 for each Board and Committee meeting attended and a fee of \$500 for each telephonic Board or Committee meeting in which such director participated. Each Committee chairman also receives an additional quarterly fee of \$750. The Chairman of the Board receives, in lieu of all other fees, a fee of \$40,000. In December 2001, the Board approved the payment of 50% of the director fees and committee member fees for the non-employee directors for meetings held between March 1, 2002 and October 31, 2002 to be paid in the form of stock bonuses under the 1996 Plan. In December 2002, the Board extended this arrangement until October 31, 2003. The exact number of shares issued in each case is determined by dividing the gross amount of the cash payment foregone by the closing price of the Company's Common Stock on the Nasdaq National Market on the business day prior to the date of the applicable Board or committee meeting. During fiscal 2002, the Company granted 13,425 shares to the non-employee directors in the form of stock bonuses in lieu

Edgar Filing: SBE INC - Form DEF 14A

of 50% of their cash compensation for attendance at Board and Committee meetings. In December 2002, the Company granted 10,668 shares to the non-employee directors in the form of stock bonuses in lieu of 50% of their cash compensation for attendance at the December 4, 2002 Board and Committee meetings. In the fiscal year ended October 31, 2002 the total compensation paid in cash or stock consideration to non-employee directors was \$88,750. The members of the Board of Directors are also eligible for reimbursement for their expenses incurred in connection with attendance at Board meetings in accordance with Company policy.

In addition, each non-employee director of the Company also receives stock option grants under the 2001 Non-Employee Directors' Stock Option Plan. In January 1991, the Board adopted, and the stockholders subsequently approved, the Company's 1991 Non-Employee Directors' Stock Option Plan (the "1991 Directors' Plan"). In January 2001, the Board approved, and the stockholders subsequently approved, an amended and restated 1991 Directors' Plan, and renamed the 1991 Directors' Plan the 2001 Non-Employee Directors' Stock Option Plan (the "2001 Directors' Plan"). Options granted under the 2001 Directors' Plan are non-discretionary. Upon initial election a non-employee director is granted an option to purchase 15,000 shares of Common Stock of the Company. In addition, on April 1 of each year (or the next business day should such date be a legal holiday), each non-employee director is automatically granted under the Directors' Plan, without further action by the Company, the Board or the stockholders of the Company, an option to purchase 5,000 shares of Common Stock of the Company. Prior to the adoption of the 2001 Directors' Plan in March 2001, upon initial election to the Board of Directors a non-employee director was granted an option to purchase 5,000 shares of Common Stock. Options granted under the 2001 Directors' Plan have a seven year term and become vested on the one year anniversary of the date of option grant, provided that the optionee has, during the entire year preceding the one year anniversary date, provided continuous service to the Company or an affiliate of the Company. Options granted under the 1991 Directors' Plan have a five-year term and vest in four equal installments commencing on the date one year after the grant of the option, provided that the optionee has, during the entire year prior to each such vesting date, provided continuous service to the Company or an affiliate of the Company. The exercise price of options granted under the 2001 Directors' Plan is 100% of the fair market value of the Common Stock subject to the option on the date of the option grant. In the event of a merger of the Company with or into another corporation or a consolidation, acquisition of assets or other change-in-control transaction involving the Company, the vesting of each option will accelerate and the option will terminate if not exercised prior to the consummation of the transaction unless any surviving corporation assumes such options or substitutes similar options for such options. During fiscal 2002, the Company granted options covering an aggregate of 15,000 shares to the non-employee directors of the Company at an exercise price of \$1.80 per share, the fair market value of such Common Stock on the date of grant (based on the closing sales price as reported on the Nasdaq National Market on the date of grant). As of December 31, 2002, no options had been exercised under the Directors' Plan.

Report of the Compensation Committee of the Board of Directors on Executive Compensation

The Compensation Committee of the Board is responsible for the administration of the compensation programs in effect for the Company's executive officers. The Committee currently consists of Ronald J. Ritchie, Randall L-W. Caudill and Raimon L. Conlisk, none of whom is an employee of the Company. The compensation programs have been designed to ensure that the compensation paid to the executive officers is substantially linked to both Company and individual performance. Accordingly, a significant portion of the compensation for which an executive officer is eligible is comprised of variable components based upon individual achievement and Company performance measures.

Executive Compensation Principles

The design and implementation of the Company's executive compensation programs are based on a series of general principles. These principles may be summarized as follows:

- o Align the interests of management and stockholders to build stockholder

Edgar Filing: SBE INC - Form DEF 14A

value by the encouragement of consistent, long-term Company growth.

- o Attract and retain key executive officers essential to the long-term success of the Company.
- o Reward executive officers for long-term corporate success by facilitating their ability to acquire an ownership interest in the Company.
- o Provide direct linkage between the compensation payable to executive officers and the Company's attainment of annual and long-term financial goals and targets.
- o Emphasize reward for performance at the individual and corporate level.

Components of Executive Compensation in Fiscal 2002

For fiscal 2002, the Company's executive compensation programs included the following components:

- o Base Salary
- o Cash Bonus
- o Long-Term Incentives
- o Benefits and Perquisites

Each component is calibrated to a competitive market position, with market information provided by compensation surveys prepared by independent consulting firms and information collected from companies selected by the Company's Compensation Committee as appropriate comparators of compensation practices. The companies selected by the Compensation Committee as appropriate comparators are generally represented in the Nasdaq Computer Manufacturing Index, whose performance over the past five years is compared to that of the Company in the chart appearing under the heading "Performance Measurement Comparison."

Base Salary

The base salary for each executive officer is determined on the basis of individual performance, the functions performed by the executive officer and the scope of the executive officer's ongoing responsibilities, and the salary levels in effect for comparable positions based on information provided by the compensation surveys referenced above and comparator information. The weight given to each of these factors varies from individual to individual. In general, base salary is designed primarily to be competitive within the relevant industry and geographic market.

Each executive officer's base salary is reviewed annually to ensure appropriateness, and increases to base salary are made to reflect competitive market increases and individual factors. Company performance does not play a significant role in the determination of base salary.

Cash Bonus

2 The material in this report is not "soliciting material," is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of the Company under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The Company's Management Incentive Plan provides for the funding of a bonus pool based upon the Company's year-to-year rate of revenue growth and profit before tax. No funding of the bonus pool occurs if profit before tax does not exceed a threshold determined by comparing the cost of capital to the return on assets employed. Executive officers are eligible to receive cash performance bonuses ranging from 0% to 150% of their salary. In fiscal 2002, no executive officer received a cash bonus under this plan. Additionally, each officer is eligible to participate in the Company's Savings and Investment Plan and Trust and receive matching and profit sharing contributions as determined by the Board of Directors.

Long-Term Incentives

Long-term incentives are provided through stock option grants. These option grants are intended to motivate the executive officers to manage the business to improve long-term Company performance. Customarily, option grants are made with exercise prices equal to the market price of the shares on the date of grant and will be of no value unless the market price of the Company's outstanding common shares appreciates, thereby aligning a substantial part of the executive officer's compensation package with the return realized by the stockholders.

The size of each option grant is designed to create a meaningful opportunity for stock ownership and is based upon several factors, including relevant information contained in the compensation surveys described above, an assessment of the option grants of comparable companies and the individual performance of each executive officer.

Each option grant allows the executive officer to acquire shares of the Company's Common Stock at a fixed price per share (customarily the market price on the grant date) over a specified period of time (customarily seven years). The option generally vests in equal installments over a period of four years, contingent upon the executive officer's continued employment with the Company.

Accordingly, the option will provide a return to the executive officer only if the executive officer remains employed by the Company and the market price of the underlying shares appreciates over the option term.

In fiscal 2002, the Committee granted stock options to its executive officers as set forth in the table entitled "Stock Option Grants During Fiscal 2002" contained elsewhere in this proxy statement. The Committee believes that stock options, particularly incentive stock options, encourage long-term Company stock ownership, and therefore that such grants are in the best interests of the Company and its stockholders.

Benefits and Perquisites

The benefits and perquisites component of executive compensation is generally similar to that which is offered to all of the Company's employees or that are typical in the industry for an executive's position or circumstances.

Chief Executive Officer (CEO) Compensation

In setting the compensation payable to the Chief Executive Officer, William B. Heye, Jr., the goal is to provide compensation competitive with other companies in the industry while at the same time making a significant percentage of Mr. Heye's potential earnings subject to consistent, positive, long-term Company performance. In general, the factors utilized in determining Mr. Heye's compensation were similar to those applied to the other executive officers in

Edgar Filing: SBE INC - Form DEF 14A

the manner described in the preceding paragraphs.

Compensation Committee Interlocks and Insider Participation

As noted above, during the fiscal year ended October 31, 2002, the Compensation Committee consisted of Mr. Ritchie, Mr. Conlisk and Dr. Caudill. None of these non-employee directors has any interlocking or other type of relationship that would call into question his independence as a committee member.

CERTAIN TRANSACTIONS

In November 1998, the Company amended a stock option that entitled William B. Heye, Jr., the Company's President and Chief Executive Officer, to acquire 139,400 shares of the Company's Common Stock at \$4.25 per share to provide that such option could be exercised pursuant to a deferred payment alternative. Thereafter, Mr. Heye exercised such option pursuant to the deferred payment alternative, with a net value realized (the difference between the exercise price and the fair market value of such shares, based on the closing sales price reported on the Nasdaq National Market for the date of exercise) of \$331,075. In connection with such exercise, Mr. Heye borrowed \$743,950 from the Company, an amount equal to the sum of the exercise price for such option and certain taxes payable by Mr. Heye upon such exercise. Such loan was evidenced by a full recourse promissory note in the amount of \$743,950, the payment of which is secured by all shares of the Company's Common Stock (including after-acquired shares) held by Mr. Heye. In October 2000, the Board of Directors extended the

Edgar Filing: SBE INC - Form DEF 14A

term of the note to November 2001. In December 2001, the Board of Directors amended, restated and consolidated the note to extended the term of the note to December 2003 and to require certain mandatory repayments of principal of between \$25,000 to \$100,000 each year while the note is outstanding. Such loan bears interest at a rate of 2.48% per annum, with interest payments due annually and the entire principal amount due in December 2003. At December 31, 2002, \$718,950 of the principal amount of such note was outstanding and all due and payable accrued interest and mandatory repayments of principal had been paid.

The Company has entered into indemnity agreements with certain officers and directors that provide, among other things, that the Company will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings to which he is or may be made a party by reason of his position as a director, officer or other agent of the Company, and otherwise to the full extent permitted under Delaware law and the Company's Certificate of Incorporation, as amended, and the Company's By-Laws.

DELIVERY OF THIS PROXY STATEMENT

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are SBE, Inc. stockholders will be "householding" our proxy materials. A single proxy

Edgar Filing: SBE INC - Form DEF 14A

statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to David Brunton, Chief Financial Officer, SBE, Inc., 2305 Camino Ramon, Suite 200, San Ramon, California 94583 or contact David Brunton at (925) 355-7700.

Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

ANNUAL REPORT

A copy of the Company's Annual Report to the Securities and Exchange Commission on Form 10-K for the fiscal year ended October 31, 2002 is included with the Proxy Statement.
