This statement on Schedule 13D (this "Schedule 13D") relates to the Common Stock, Par Value \$0.01 Per Share (the "Common Stock") of Movie Star, Inc., a New York corporation (the "Issuer"), and amends and restates a statement on Schedule 13D filed on February 18, 2004. The Issuer's principal executive offices are located at 1115 Broadway, New York, New York 10010.

The Covered Person is presently principally employed as the Managing Member of The Tokarz Group, LLC, an entity that makes and oversees various investments and Chairman of MVC Capital, Inc., an entity that makes and oversees various investments. The Covered Person directly owns no Common Stock.

The Reporting Person originally purchased its shares of Common Stock based on its belief that the Common Stock represented an attractive investment opportunity. Whether or not a transaction of the type described in the previous paragraph is consummated, and depending on overall market conditions, other investment opportunities available to the Reporting Person, and the availability of shares of Common Stock at prices that would make the purchase of additional shares of Common Stock desirable, the Reporting Person may endeavor to increase its position in the Issuer through, among other things, the purchase of shares of Common Stock on the open market or in private transactions, on such terms and at such times as the Reporting Person may deem advisable.

If the Reporting Person decides to increase its position in the Issuer, the Reporting Person may also evaluate various possible alternatives with respect to its investment in the Common Stock, including alternatives intended to increase shareholder value in the Common Stock. Although no course of action has presently been decided upon, the Reporting Person may consider possible courses of action with respect to the Issuer, including some or all of those set forth in clauses (a) through (c) and (e) through (j) of Item 4 of the Schedule 13D form.

The Reporting Person intends to review, from time to time, the possible courses of action referred to above and to take such action with respect to the Issuer as it considers desirable in light of the circumstances then prevailing. It also may determine to hold shares of the Common Stock as an investment or to dispose of all or a portion of such shares.

Item 5. Interest in Securities of the Issuer.

The information set forth, or incorporated by reference, in Items 4 and 6 is hereby incorporated by reference.

(a) The aggregate percentage of the Common Stock reported owned by the Reporting Person named herein is based upon 15,738,574 shares of Common Stock outstanding, which is the total number of shares of Common Stock outstanding as reported in the Issuer's Annual Report on Form 10-K for the fiscal year ended June 30, 2006.
