The cost of making the solicitation includes the cost of preparing and mailing the Notice of Annual Meeting, Proxy Statement and proxy and the payment of charges made by brokerage houses and other custodians, nominees and fiduciaries for forwarding documents to stockholders. In certain instances, officers of the Company may make special solicitations of proxies either in person or by telephone. Expenses incurred in connection with special solicitations are expected to be nominal. The Company will bear all expenses incurred in connection with the solicitation of proxies for the Annual Meeting.

Voting and Revocation of Proxies

A stockholder giving a proxy on the enclosed form may revoke it at any time prior to the actual voting at the Annual Meeting by filing written notice of the termination of the appointment with an officer of the Company, by attending the Annual Meeting and voting in person or by filing a new written appointment of a proxy with an officer of the Company. The revocation of a proxy will not affect any vote taken prior to the revocation. Unless a proxy is revoked or there is a direction to abstain on one or more proposals, it will be voted on each proposal and, if a choice is made with respect to any matter to be acted upon, in accordance with such choice. If no choice is specified, the proxies intend to vote the shares represented thereby to approve Proposals No. 1 through 3 as set forth in the accompanying Notice of Annual Meeting of Stockholders, and in accordance with their best judgment on any other matters that may properly come before the Annual Meeting.

Voting at the Meeting

Broker nonvotes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under applicable Nevada law, the effect of broker nonvotes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority.

Proposal No. One**ELECTION OF DIRECTORS
(Item 1 on the Proxy Card)****General Information**

The Bylaws of the Company provide that the Company is authorized to have up to seven directors, and that stockholders will elect the directors of the Company at each annual meeting. Directors are elected to serve a one-year term. Directors being elected at the Annual Meeting will serve until the Company's next annual meeting of stockholders, or until their successors have been duly elected and qualified. The Board of Directors does not contemplate that any of the persons it will nominate will be unable or unwilling to serve as a director. However, if that should occur, the Board of Directors reserves the right to name a substitute nominee at the Annual Meeting and persons named as nominees may exercise their discretion to vote for such nominee.

The board is currently comprised of seven members. Six of the seven members are standing for re-election.

The seven nominees receiving the highest number of affirmative votes of the shares present in person or represented by proxy and entitled to vote for them, a quorum being present, shall be elected as directors. Only votes cast for a nominee will be counted, except that the accompanying proxy will be voted for all nominees in the absence of instruction to the contrary. Abstentions, broker nonvotes and instructions on the accompanying proxy to withhold authority to vote for one or more nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action. Mr. Caton replaced Mr. Moody in mid-term. Mr. Moody had to resign for personal reasons and not due to any disagreements with the Company or otherwise. Mr. Moody has chosen not to seek re-election for this term. Mr. Soper has also chosen not to seek re-election for this term for personal reasons and not due to any disagreements with the Company or otherwise.

Proposal No. Two

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS FOR FISCAL 2007-08
(Item 2 on your Proxy Card)**

The Audit Committee along with the Board of Directors has appointed Kabani & Company, Inc. (Kabani) as independent auditors of the Company with respect to its operations for fiscal year 2007-08, and has further directed that management submit such appointment for ratification by the holders of the Common Stock at the annual meeting of Stockholders. In taking this action, the members of the Audit Committee along with the Board considered carefully Kabani's reputation in providing accounting services to other public and private companies in the software and retail industries, its independence with respect to the services to be performed, its general reputation for adherence to professional auditing standards and the performance of Kabani during the audit of the Company's consolidated financial statements for fiscal 2002 through current.

Stockholder ratification of the selection of Kabani as the Company's independent auditors is not required by the Company's Bylaws or otherwise. The Board, however, is submitting the selection of Kabani to the stockholders for ratification as a matter of good corporate practice. Therefore, there will be present at the Annual Meeting a proposal for the ratification of this appointment, which the Board of Directors believes is advisable and in the best interests of the stockholders. If the appointment of Kabani is not ratified, the Board of Directors will consider the matter of the appointment of independent public accountants.

Audit Fees

Kabani & Co. audited the Company's financial statements for the fiscal years ended June 30, 2006 and June 30, 2005. The aggregate fees billed by Kabani & Co. for the annual audit and review of financial statements included in the Company's Form 10-KSB or services that are normally provided by Kabani & Company that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the year ended June 30, 2005 was \$41,500, and for the year ended June 30, 2006 was \$135,500.

Audit Related Fees

The aggregate fees billed by Kabani & Co. during fiscal 2006 including assurance and related audit services not covered in the preceding paragraph was \$46,500. These Audit Related Fees were primarily for services in connection with the review of quarterly financial statements and the Company's filing of a Registration Statement and amendments thereto on Form SB-2, the Company's filing of a Registration Statement on Form S-8, the audit of Silicon Space, Inc. For 2006, the aggregate fees billed by Kabani & Company including assurance and related audit services not covered in the preceding paragraph was \$31,500. These Audit Related Fees were primarily for services in connection with the review of quarterly financial statements and the Company's filing of a Registration Statement on Form S-8.

Tax Fees

Tax fees for fiscal year 2006 were \$21,500 and consisted of the preparation of the Company's federal and state tax returns for the fiscal years 2004 and 2005. Tax fees for fiscal year 2005 were \$14,000 and consisted of preparation of the Company's federal and state tax returns for the fiscal years 2001, 2002 and 2003.

All Other Fees

There were no other fees billed by Kabani & Co. or services rendered to NetSol during the fiscal years ended June 30, 2006 and 2005, other than as described above.

Pre-Approval Procedures

The Audit Committee and the Board of Directors are responsible for the engagement of the independent auditors and for approving, in advance, all auditing services and permitted non-audit services to be provided by the independent auditors. The Audit Committee maintains a policy for the engagement of the independent auditors that is intended to maintain the independent auditor's independence from NetSol. In adopting the policy, the Audit Committee considered the various services that the independent auditors have historically performed or may be needed to perform in the future. The policy, which is to be reviewed and re-adopted at least annually by the Audit Committee:

(i)

Approves the performance by the independent auditors of certain types of service (principally audit-related and tax), subject to restrictions in some cases, based on the Committee's determination that this would not be likely to impair the independent auditors' independence from NetSol;

(ii)

Requires that management obtain the specific prior approval of the Audit Committee for each engagement of the independent auditors to perform other types of permitted services; and

(iii)

Prohibits the performance by the independent auditors of certain types of services due to the likelihood that their independence would be impaired.

Any approval required under the policy must be given by the Audit Committee, by the Chairman of the Committee in office at the time, or by any other Committee member to whom the Committee has delegated that authority. The Audit Committee does not delegate its responsibilities to approve services performed by the independent auditors to any member of management.

The standard applied by the Audit Committee in determining whether to grant approval of an engagement of the independent auditors is whether the services to be performed, the compensation to be paid therefore and other related factors are consistent with the independent auditors' independence under guidelines of the Securities and Exchange Commission and applicable professional standards. Relevant considerations include, but are not limited to, whether the work product is likely to be subject to, or implicated in, audit procedures during the audit of NetSol's financial statements; whether the independent auditors would be functioning in the role of management or in an advocacy role; whether performance of the service by the independent auditors would enhance NetSol's ability to manage or control risk or improve audit quality; whether performance of the service by the independent auditors would increase efficiency because of their familiarity with NetSol's business, personnel, culture, systems, risk profile and other factors; and whether the amount of fees involved, or the proportion of the total fees payable to the independent auditors in the period that is for tax and other non-audit services, would tend to reduce the independent auditors' ability to exercise independent judgment in performing the audit.

The affirmative vote of holders of a majority of the aggregate voting power of Common Stock issued, outstanding and entitled to vote, present or represented at the Annual Meeting, a quorum being present, is required for the adoption of this proposal. Broker nonvotes with respect to this matter will be treated as neither a vote for nor a vote against the matter, although they will be counted in determining if a quorum is present. However, abstentions will be considered in determining the number of votes required to attain a majority of the shares present or represented at the Annual Meeting and entitled to vote. Accordingly, an abstention from voting by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote against the matter because it represents a share present or represented at the Annual Meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KABANI & COMPANY, INC. AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL 2007.

Deadline for Submission of Stockholder Proposals for Fiscal 2007

The Rules of the Securities and Exchange Commission permit stockholders of the Company, after notice to the Company, to present proposals for stockholder action in the Company's proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for stockholder action and are not properly omitted by Company action in accordance with the proxy rules published by the Securities and Exchange Commission.
