Arrow Resources Development, Inc. (the "Registrant") was not able to complete its Form 10-Q for the fiscal quarter ended September 30, 2008, by the close of business on November 14, 2008, because certain supporting documents required for the completion of the audit of the Registrant's consolidated financial statements for the period ended September 30, 2008, could not, without unreasonable effort or expense, be prepared and provided to the Registrant's independent accountants early enough to allow for the completion of the audit of the Registrant's consolidated financial statements. Thus, the Registrant requires additional time to properly complete and file its Form 10-Q for the fiscal quarter ended September 30, 2008.

The Registrant will file its Form 10-Q for the fiscal quarter ended September 30, 2008, no later than the fifth calendar day after the due date of such Form 10-Q.
