INFORMATION ABOUT VOTING

Who Can Vote at the Meeting

You are entitled to vote your shares of First Savings Financial Group common stock that you owned as of December 31, 2009. As of the close of business on December 31, 2009, 2,414,940 shares of First Savings Financial Group common stock were outstanding. Each share of common stock has one vote.

The Company’s Articles of Incorporation provides that record holders of the Company’s common stock who beneficially own, either directly or indirectly, in excess of 10% of the Company’s outstanding shares are not entitled to any vote with respect to those shares held in excess of the 10% limit.

Ownership of Shares; Attending the Meeting

You may own shares of First Savings Financial Group in one or more of the following ways:

- Directly in your name as the shareholder of record;
- Indirectly through a broker, bank or other holder of record in “street name”;
- Indirectly through the First Savings Bank, F.S.B. Employee Stock Ownership Plan; or

- Indirectly through the First Savings Bank Profit Sharing/401(k) Plan.

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the meeting.

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to provide voting instructions by telephone or by the Internet. Please see the instruction form provided by your broker, bank or other holder of record that accompanies this proxy statement. If you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or a letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of First Savings Financial Group common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank or other nominee who is the record holder of your shares.

If you own shares of Company common stock indirectly through the First Savings Bank, F.S.B. Employee Stock Ownership Plan or the First Savings Bank Profit Sharing/401(k) Plan, see "Participants in the ESOP or the 401(k) Plan" for voting information.

Quorum and Vote Required

Quorum. We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy.

Vote Required for Proposals. At this year's annual meeting, shareholders will elect four directors to serve for a term of three years. In voting on the election of directors, you may vote in favor of the nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected up to the maximum number of directors to be elected at the annual meeting. The maximum number of directors to be elected at the annual meeting is four.

In voting on the proposal to approve the First Savings Financial Group, Inc. 2010 Equity Incentive Plan, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the votes cast at the annual meeting.

In voting on the ratification of the appointment of Monroe Shine & Co., Inc. as the Company's independent registered public accounting firm, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To ratify the appointment of Monroe Shine & Co., Inc. as our independent registered public accounting firm for fiscal 2010, the affirmative vote of a majority of the votes cast at the annual meeting is required.

Routine and Non-Routine Proposals. Applicable stock exchange rules determine whether proposals presented at shareholder meetings are routine or non-routine. If a proposal is routine, a broker or other entity holding shares for an owner in street name may vote on the proposal without receiving voting instructions from the owner. If a proposal is non-routine, the broker or other entity may vote on the proposal only if the owner has provided voting instructions. A broker non-vote occurs when a broker or other entity is unable to vote on a particular proposal and the broker or other entity has not received voting instructions from the beneficial owner. The election of directors and the proposal to approve the First Savings Financial Group, Inc. 2010 Equity Incentive Plan are considered non-routine proposals, and

the proposal to ratify the appointment of Monroe Shine & Co., Inc. as the independent registered public accounting firm is considered a routine proposal.

How We Count Votes. If you return valid proxy instructions or attend the meeting in person, we will count your shares to determine whether there is quorum, even if you abstain from voting. Broker non-votes also will be counted to determine the existence of a quorum.

In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In counting votes on the proposal to approve the First Savings Financial Group, Inc. 2010 Equity Incentive Plan, abstentions and broker non-votes will have no effect on the outcome of the proposal.

In counting votes on the proposal to ratify the appointment of the independent registered public accounting firm, abstentions and broker non-votes will have no effect on the outcome of the proposal.

Voting by Proxy

The Company's Board of Directors is sending you this proxy statement to request that you allow your shares of Company common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Company common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote:

- FOR the election of the nominees for director;
- FOR the approval of the First Savings Financial Group, Inc. 2010 Equity Incentive Plan; and
- FOR the ratification of the appointment of Monroe Shine & Co., Inc. as the Company's independent registered public accounting firm.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your shares of Company common stock may be voted by the persons named in the proxy card on the new meeting date, provided that the new meeting occurs within 30 days of the annual meeting and you have not revoked your proxy. The Company does not currently know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your shares have been voted at the annual meeting, deliver a later-dated and properly executed proxy, or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

Participants in the ESOP or the 401(k) Plan

If you participate in the First Savings Bank, F.S.B. Employee Stock Ownership Plan (the “ESOP”) or if you invest in Company common stock through the First Savings Financial Group Stock Fund in the First Savings Bank Profit Sharing/401(k) Plan (the “401(k) Plan”), you will receive a voting instruction form for each plan that reflects all shares you may direct the trustees to vote on your behalf under the plan. Under the terms of the ESOP, all allocated shares of First Savings Financial Group common stock held by the ESOP are voted by the ESOP trustee, as directed by plan participants. All unallocated shares of Company common stock held by the ESOP and allocated shares for which no timely voting instructions are received are generally voted by the ESOP trustee in the same proportion as shares for which the trustee has received timely voting instructions, subject to the exercise of its fiduciary duties. Under the terms of the 401(k) Plan, a participant may direct the stock fund trustees of the 401(k) Plan how to vote the shares in the First Savings Financial Group stock fund credited to his or her account. The stock fund trustees will vote all shares for which timely voting instructions are not received in the same proportion as shares for which the trustees received voting instructions. The deadline for returning your voting instruction forms is February 17, 2010.

CORPORATE GOVERNANCE

Director Independence

The Company’s Board of Directors currently consists of eleven members, all of whom are independent under the listing requirements of the Nasdaq Stock Market, Inc., except for Larry W. Myers, John P. Lawson, Jr., Samuel E. Eckart and Vaughn K. Timberlake, whom we employ as executive officers. In determining the independence of directors, the Board of Directors considered the various deposit, loan and other relationships that each director has with First Savings Bank, including loans and lines of credit outstanding to Charles E. Becht, Jr., Cecile A. Blau, John P. Lawson, Jr., Robert E. Libs, Vaughn K. Timberlake and Frank N. Czeschin, in addition to the transactions disclosed under “Other Information Relating to Directors and Executive Officers—Transactions with Related Persons”, but determined in each case that these relationships did not interfere with their exercise of independent judgment in carrying out their responsibilities as directors.

Corporate Governance Policy

The Board of Directors has adopted a corporate governance policy to govern certain activities, including: the duties and responsibilities of directors; the composition, responsibilities and operations of the Board of Directors; the establishment and operation of Board committees; succession planning; convening executive sessions of independent directors; the Board of Directors’ interaction with management and third parties; and the evaluation of the performance of the Board of Directors and of the President and Chief Executive Officer.

Committees of the Board of Directors

The following table identifies our standing committees and their members at September 30, 2009. All members of each committee are independent in accordance with the listing requirements of the Nasdaq Stock Market, Inc. Each committee operates under a written charter that is approved by the Board of Directors and that governs its composition, responsibilities and operation. Each committee reviews and reassesses the adequacy of its charter at least annually. The charters of all three committees are available at the Investor Relations section of our website (www.fsbbank.net). During the fiscal year ended September 30, 2009, the Audit Committee has held eight meetings, the Compensation Committee has held two meetings and the Nominating/Corporate Governance Committee has held one meeting.

Audit Committee

The Audit Committee is responsible for providing oversight relating to our consolidated financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit function, annual independent audit and the compliance and ethics programs established by management and the Board. The Audit Committee is also responsible for engaging the Company's independent registered public accounting firm and monitoring its conduct and independence. The Company's Board of Directors has designated Douglas A. York, CPA as an audit committee financial expert under the rules of the Securities and Exchange Commission.

Compensation Committee

The Compensation Committee approves the compensation objectives for the Company and the Bank, establishes the compensation for the Company's and Bank's senior management and conducts the performance review of the President and Chief Executive Officer. The Compensation Committee reviews all components of compensation, including salaries, cash incentive plans, long-term incentive plans and various employee benefit matters. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Committee also assists the Board of Directors in evaluating potential candidates for executive positions.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee assists the Board of Directors in: (1) identifying individuals qualified to become Board members, consistent with criteria approved by the Board; (2) recommending to the Board the director nominees for the next annual meeting; (3) implementing policies and practices relating to corporate governance, including implementation of and monitoring adherence to corporate governance guidelines; (4) leading the Board in its annual review of the Board's performance; and (5) recommending director nominees for each committee.

Minimum Qualifications for Director Nominees. The Nominating/Corporate Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. A

candidate must meet the eligibility requirements set forth in the Company's Bylaws, which include an age limitation and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements set forth in any Board of Directors or committee governing documents.

If a candidate is deemed eligible for election to the Board of Directors, the Nominating/ Corporate Governance Committee will then evaluate the following criteria in selecting nominees:

- contributions to the range of talent, skill and expertise of the Board of Directors;
- financial, regulatory and business experience, knowledge of the banking and financial service industries, familiarity with the operations of public companies and ability to read and understand financial statements;
- familiarity with the Company's market area and participation in and ties to local businesses and local civic, charitable and religious organizations;
- personal and professional integrity, honesty and reputation;
- the ability to represent the best interests of the shareholders of the Company and the best interests of the institution;
- the ability to devote sufficient time and energy to the performance of his or her duties;
- independence as that term is defined under applicable Securities and Exchange Commission and stock exchange listing criteria; and
- current equity holdings in the Company.

The Nominating/Corporate Governance Committee also will consider any other factors it deems relevant, including diversity, competition, size of the Board of Directors and regulatory disclosure obligations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's attendance and performance at Board meetings and at meetings of committees on which he or she serves; length of Board service; the experience, skills and contributions that the existing director brings to the Board; and independence.

Director Nomination Process. The process that the Nominating/Corporate Governance Committee follows to identify and evaluate individuals to be nominated for election to the Board of Directors is as follows:

For purposes of identifying nominees for the Board of Directors, the Nominating/Corporate Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as its knowledge of members of the communities served by the Bank. The Nominating/Corporate Governance Committee will also consider director candidates recommended by shareholders according to the policy and procedures set forth below. The Nominating/Corporate Governance Committee has not previously used an independent search firm to identify nominees.

In evaluating potential nominees, the Nominating/Corporate Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the criteria set forth above. If such individual fulfills these criteria, the Nominating/ Corporate Governance Committee will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board.

Considerations of Recommendations by Shareholders. The policy of the Nominating/Corporate Governance Committee is to consider director candidates recommended by shareholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating/Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating/Corporate Governance Committee does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Nominating/Corporate Governance Committee's resources, the Nominating/Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Shareholders. To submit a recommendation of a director candidate to the Nominating/Corporate Governance Committee, a shareholder should submit the following information in writing, addressed to the Chairman of the Nominating/Corporate Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the shareholder making the recommendation, the name and address of such shareholder as they appear on the Company's books; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of shareholders, the recommendation must be received by the Nominating/Corporate Governance Committee at least 120 calendar days before the date the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, advanced by one year.

Board and Committee Meetings

During the fiscal year ended September 30, 2009, the Board of Directors of the Bank held 12 regular meetings and three special meetings, and the Board of the Directors of the Company held eight regular meetings and two special meetings. No director attended fewer than 75% of the total meetings of the Company's or the Bank's Board of Directors and the respective committees on which such director served during fiscal 2009.

Director Attendance at the Annual Meeting of Shareholders

The Board of Directors encourages each director to attend the Company's annual meeting of shareholders. All of the Company's then directors attended last year's annual meeting of shareholders, except for Douglas A. York.

Code of Ethics and Business Conduct

The Company has adopted a code of ethics and business conduct which applies to all of the Company's and the Bank's directors, officers and employees. A copy of the code of ethics and business conduct is available to stockholders on the Investor Relations portion of the Bank's website at www.fsbbank.net.

REPORT OF THE AUDIT COMMITTEE

The Company's management is responsible for the Company's internal controls and financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed pursuant to U.S. Auditing Standards No. 380 (The Auditor's Communication With Those Charged With Governance), including the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board and has discussed with the independent registered public accounting firm the firm's independence from the Company and its management. In concluding that the registered public accounting firm is independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the firm were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm who, in its report, express an opinion on the conformity of the Company's consolidated financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's consolidated financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's consolidated financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent registered public accounting firm is "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee has recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2009 for filing with the Securities and Exchange Commission. The Audit Committee also has approved, subject to shareholder ratification, the selection of the Company's independent registered public accounting firm for the fiscal year ending September 30, 2010.

Item 1 — Election of Directors

The Company's Board of Directors consists of eleven members. All of the nominees are currently directors of the Company and the Bank, with the exception of Frank N. Czeschin and Vaughn K. Timberlake who serve on the Company's Board only. The Board is divided into three classes, each with three-year staggered terms, with approximately one-third of the directors elected each year. The four nominees who have been nominated for election at the annual meeting to serve for a three-year term or until their successors have been duly elected and qualified are: Cecile A. Blau, Douglas A. York, John P. Lawson and Frank N. Czeschin.

Unless you indicate on the proxy card that your shares should not be voted for certain nominees, the Board of Directors intends that the proxies solicited by it will be voted for the election of each of the Board's nominees. If any nominee is unable to serve, the persons named in the proxy card would vote your shares to approve the election of any substitute proposed by the Board of Directors. At this time, we know of no reason why any nominee might be unable to serve.

The Board of Directors recommends that shareholders vote "FOR" the election of all of the nominees.

Item 2 — Approval of the First Savings Financial Group, Inc. 2010 Equity Incentive Plan

On December 16, 2009, the Company's Board of Directors adopted, subject to shareholder approval at the annual meeting, the First Savings Financial Group, Inc. 2010 Equity Incentive Plan (the "2010 Plan"). The 2010 Plan will become effective as of the date of approval by the Company's shareholders.

The Board of Directors has reserved a total of 355,885 shares of common stock for issuance upon the grant or exercise of awards made pursuant to the 2010 Plan. Of these shares, the Company may grant up to 101,681 shares in the form of restricted stock and may grant stock options for up to 254,204 shares. These figures represent 4% and 10%, respectively, of the shares of stock issued in our initial public offering, including shares issued to the charitable foundation. Each employee and director of the Company and its affiliates may participate in the 2010 Plan. A summary of the 2010 Plan follows. This summary is qualified in its entirety by the full text of the 2010 Plan, which is attached to this proxy statement as Appendix A.

The Board of Directors recommends that shareholders vote “FOR” the approval of the First Savings Financial Group, Inc. 2010 Equity Incentive Plan.

Summary of the 2010 Plan

Purpose. We believe the 2010 Plan promotes the Company’s success by linking the personal interests of the employees and directors of the Company and its affiliates to the interests of the Company’s shareholders, and by providing participants with an incentive for outstanding performance.

Permissible Awards. The 2010 Plan authorizes awards in any of the following forms:

- options to purchase shares of Company common stock, which may either be non-statutory stock options or incentive stock options under Section 422 of the U.S. Internal Revenue Code (the “Code”); and
- restricted stock grants, which may be subject to restrictions on transferability and forfeiture.

Shares Available for Awards. Subject to adjustment as provided in the 2010 Plan, the 2010 Plan reserves a total of 355,885 shares of common stock for issuance pursuant to awards granted under the 2010 Plan, of which up to 101,681 shares may be granted in the form of restricted stock awards and up to 254,204 shares may be granted in the form of stock options.

Limitations on Awards. We may grant stock options for a maximum of 63,551 shares of common stock under the 2010 Plan to any one person during any one calendar year.

Section 162(m) of the Internal Revenue Code. Section 162(m) of the Code denies a tax deduction to public companies for compensation paid to certain “covered employees” in a taxable year in excess of \$1,000,000, unless the compensation meets certain exceptions, such as performance-based compensation. Stock options granted at fair market value may qualify as “performance-based compensation” if the plan under which the options are granted is approved by the shareholders and the plan states the maximum number of options that may be granted any individual over a specified period of time. For grants of restricted stock shares to meet the requirements of Section 162(m) of the Code, shareholders must approve the material provision of the plan regarding performance goals under which the awards will vest. The 2010 Plan contains all of these features and will enable awards under the 2010 Plan to qualify for full tax deductibility to the Company under Section 162(m) of the Code, if we so desire.

Administration. We expect a committee appointed by the Board of Directors, which consists of at least two disinterested directors (the “Committee”), will administer the 2010 Plan. However, at times, the Board of Directors may administer the 2010 Plan. The Committee will designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions of awards; establish, adopt or revise any rules and regulations it deems advisable to administer the 2010 Plan; and make all other decisions and determinations necessary under the 2010 Plan.

Limitations on Transfer; Beneficiaries. Generally, participants may not assign or transfer awards, other than by will or the laws of descent and distribution or, except in the case of an incentive stock option, by a qualified domestic relations order. The Committee may permit other transfers, however, where it concludes that a transfer will not accelerate taxation, will not cause any option intended to be an incentive stock option to fail to qualify as such, and that a transfer is otherwise appropriate and desirable, taking into account any factors deemed relevant, including, without limitation, applicable state or federal tax or securities laws or regulations. A participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the participant and receive any distribution with respect to any award upon the participant's death.

Acceleration Upon Certain Events. Unless an award agreement provides otherwise, if a participant's service terminates by reason of death or disability, all of the participant's outstanding options and restricted stock awards will become fully exercisable and all time-based vesting restrictions on the outstanding awards will lapse. The vesting of awards will also accelerate upon a change in control, as defined in the 2010 Plan.

Adjustments. In the event of a stock split, a dividend payable in shares of Company common stock, or a combination or consolidation of the Company's common stock into a lesser number of shares, the 2010 Plan provides for the automatic proportionate adjustment of the share authorization limits, and the shares then subject to each award under the 2010 Plan, without any change in the aggregate purchase price for each award. If the Company is involved in another corporate transaction or event that affects its common stock, such as an extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the 2010 Plan will be adjusted proportionately and the Committee will adjust the 2010 Plan and outstanding awards as necessary to preserve the benefits or potential benefits of the awards.

New Plan Benefits. No grants have been made with respect to the shares reserved for issuance under the 2010 Plan. The number of shares that may be granted to any director, executive officer named in the Summary Compensation Table below or any other employee is not determinable at this time because such grants are subject to the discretion of the Committee.

Termination and Amendment

The Board of Directors or the Committee may, at any time and from time to time, terminate, modify or amend the 2010 Plan. Shareholders must approve amendments to the 2010 Plan that will materially increase the number of shares of stock issuable under the 2010 Plan, expand the types of awards provided under the 2010 Plan, materially expand the class of participants eligible to participate in the 2010 Plan, materially extend the term of the 2010 Plan, reduce the exercise price of stock options or otherwise constitute a material amendment requiring shareholder approval under applicable stock market or stock exchange listing requirements, laws, policies or regulations. In addition, the Board of Directors or the Committee may condition any amendment on the approval of the shareholders for any other reason. No termination or amendment of the 2010 Plan may adversely affect any award previously granted under the 2010 Plan without the written consent of the affected participant.

Prohibition on Repricing

As discussed above under “Termination and Amendment,” outstanding stock options cannot be repriced, directly or indirectly, without the prior consent of the Company’s shareholders. The exchange of an “underwater” option (i.e., an option having an exercise price in excess of the current market value of the underlying stock) for another award under the 2010 Plan would be considered an indirect repricing and would, therefore, require the prior consent of the Company’s shareholders.

Certain Federal Income Tax Effects

Non-statutory Stock Options. An option holder does not recognize any income upon the grant of a non-statutory stock option under the 2010 Plan. When the optionee exercises a non-statutory option, however, he or she will recognize ordinary income equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding federal income tax deduction, subject to any applicable limitations under Code Section 162(m). Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the optionee held the shares.

Incentive Stock Options. An option holder typically does not recognize any income upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for at least two years after the date we grant the option and for one year after receiving the shares upon exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the expiration of the required holding periods, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to that same amount. While the exercise of an incentive stock option may not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price may be an item of adjustment for purposes of determining the optionee’s alternative minimum taxable income.

Restricted Stock. Unless a participant makes an election to accelerate recognition of income to the date of grant as described below, a participant will not recognize income, and the Company will not be allowed a federal income tax deduction at the time a restricted stock award is granted, provided that the award is subject to restrictions on transfer and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock on that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future income recognized in the stock will be taxable to the participant at capital gains rates. However, if the participant later forfeits the stock, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Item 3 — Ratification of the Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors has appointed Monroe Shine & Co., Inc. to be the Company’s independent registered public accounting firm for the 2010 fiscal year, subject to ratification by shareholders. A representative of Monroe Shine & Co., Inc. is expected to be present at the annual meeting to respond to appropriate

questions from shareholders and will have the opportunity to make a statement should he desire to do so.

If the ratification of the appointment of the independent registered public accounting firm is not approved by a majority of the shares cast at the annual meeting, the Audit Committee of the Board of Directors may consider other independent registered public accounting firms.

The Board of Directors recommends that shareholders vote “FOR” the ratification of the appointment of Monroe Shine & Co., Inc. as the Company’s independent registered public accounting firm for the 2010 fiscal year.

Audit Fees. The following table sets forth the fees billed to the Company and the Bank by Monroe Shine & Co., Inc. for the fiscal years ended September 30, 2009 and 2008:

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm. The Audit Committee has adopted a policy for approval of audit and permitted non-audit services by the Company’s independent registered public accounting firm. The Audit Committee will consider annually and approve the provision of audit services by the independent registered public accounting firm and, if appropriate, approve the provision of certain defined audit and non-audit services. The Audit Committee also will consider on a case-by-case basis and, if appropriate, approve specific engagements.

Any proposed specific engagement may be presented to the Audit Committee for consideration at its next regular meeting or, if earlier consideration is required, to the Audit Committee or one or more of its members. The member or members to whom such authority is delegated shall report any specific approval of services at its next regular meeting. The Audit Committee will regularly review summary reports detailing all services being provided to the Company by its independent registered public accounting firm.

During the fiscal year ended September 30, 2009, all of the audit related fees, tax fees and all other fees set forth above were approved by the Audit Committee.

(1) For fiscal 2009, consists of employer contributions to the First Savings Bank Profit Sharing/401(k) Plan and shares allocated under the ESOP.

Employment Agreements. The Company and the Bank have entered into amended and restated employment agreements with Larry W. Myers and John P. Lawson, Jr. (each an “executive” and, collectively, the “executives”) effective October 7, 2009. The employment agreements each provide for three-year terms, subject to annual renewal by the Boards of Directors for an additional year beyond the then-current expiration date. The current base salaries under the employment agreements are \$185,200 and \$128,800 for Messrs. Myers and Lawson, respectively. The agreements also provide for participation in employee benefit plans and programs we maintain for the benefit of employees and senior management personnel, including incentive compensation, health and welfare benefits, retirement benefits and certain fringe benefits, as described in the agreements. We also agree to pay all reasonable costs and legal fees of the executives in relation to the enforcement of the employment agreements, provided the executives succeed on the merits in a legal judgment, arbitration proceeding or settlement. The employment agreements also provide for indemnification of the executives to the fullest extent legally permissible. See “Potential Post-Termination Benefits” for a discussion of the benefits and payments the executives may receive upon termination of employment.

Potential Post-Termination Benefits

Payments Made Upon Termination for Cause or Voluntary Termination Without Good Reason. If we terminate the employment of either Larry W. Myers or John P. Lawson, Jr. (collectively referred to in this section on Post-Termination Benefits as the “executives” and individually referred to as an “executive”) for cause, or if either executive terminates employment without good reason, under the terms of the employment agreements, the executive would receive his base salary through the date of his termination of employment and retain the rights to any vested benefits, subject to the terms of any applicable plan or agreement under which we provide those benefits. Upon termination of employment, each executive must adhere to a one-year non-competition provision and a two-year non-solicitation provision. In addition, all vested supplemental ESOP benefits credited under the supplemental executive retirement plan will be distributed to the executives in a lump sum as soon as practicable following the termination of employment.

Payments Made Upon Voluntary Termination With Good Reason and Termination Without Cause. If we terminate either executive for reasons other than cause, or if either executive resigns after the occurrence of specified circumstances that constitute constructive termination (in other words, for “good reason”), the executive will continue to receive his base salary for the remaining unexpired term of the employment agreement. In addition, we will continue or cause to be continued the executive’s medical benefits until the earlier of: (1) the date he becomes eligible for Medicare; (2) his death; or (3) the end of the remaining term of the employment agreement. Upon termination of employment, each executive must adhere to a one-year non-competition provision and a two-year non-solicitation provision.

Payments Made Upon Disability. Under the employment agreements, during any incapacity leading up to the termination of the executive’s employment due to disability, we will continue to pay the executive’s base salary, benefits (other than bonus) and perquisites until the executive becomes eligible for benefits under our disability plan. Upon termination of employment, each executive must adhere to a one-year non-competition provision and a two-year non-solicitation provision.

Payments Made Upon Death. Under the employment agreements, following an executive’s death, we will pay the executive’s estate the compensation due to the executive through the end of the month in which his death occurs.

Payments Made Upon a Change in Control. Under the employment agreements, if, in connection with or following a change in control (as described in the agreements), we, or our successor, terminate the executive without cause or if the executive terminates employment voluntarily under specified circumstances that constitute good reason, the executive will receive a payment equal to three times his average annual taxable compensation for the five preceding taxable years. In addition, we will continue or cause to be continued the executive’s medical benefits until the earlier of: (1) the date he becomes eligible for Medicare; (2) his death; or (3) the end of the remaining term of the employment agreement. The executives are not subject to any non-competition or non-solicitation provisions following their termination of employment upon or in connection with a change in control.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual’s “base amount” are deemed to be “excess parachute payments” if they are contingent upon a change in control. These amounts are referred to as “excess parachute payments.” Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and we would not be entitled to a federal income tax deduction for any amount above the base amount. For purposes of Section 280G, an individual’s “base amount” generally equals his average annual taxable compensation for the five taxable years preceding the year in which the change in control occurs. The agreements allow, but do not require, the executives to reduce their change in control payments to the extent necessary to ensure that they will not receive “excess parachute payments,” which otherwise would result in the imposition of an excise tax and loss of the tax deduction.

Under the terms of the ESOP, upon a change in control (as defined in the plan), the plan trustee will repay in full any outstanding stock acquisition loan. After repayment of the acquisition loan, all remaining shares of the Company’s common stock held in the loan suspense account, all other stock or securities, and any cash proceeds from the sale or other disposition of any shares of stock held in the loan suspense account will be allocated among the accounts of all participants in the plan who were employed by the Bank on the date immediately preceding the effective date of the change in control. The allocations of shares or cash proceeds shall be credited to each eligible participant in proportion to the opening balances in their accounts as of the first day of the valuation period in which the change in control occurred. Payments under the ESOP are not categorized as parachute payments and, therefore, do not count towards each executive’s Section 280G limit.

Upon a change of control before the complete scheduled repayment of the ESOP loan, the First Savings Bank, F.S.B. Supplemental Executive Retirement Plan provides the executives with a benefit equal to what the individual would have received under the ESOP had he remained employed throughout the term of the ESOP loan less the benefits actually provided under the ESOP. An individual's benefit under the supplemental executive retirement plan generally becomes payable upon the participant's separation from service.

OTHER INFORMATION RELATING TO DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These individuals are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to it from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in the Company's common stock during the fiscal year ended September 30, 2009.

Transactions with Related Persons

Loans and Extensions of Credit. The Sarbanes-Oxley Act of 2002 generally prohibits First Savings Financial Group from lending to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans made by the Bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. The Bank, therefore, is prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public. Notwithstanding this rule, federal regulations permit the Bank to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee. The Bank does not sponsor such a program.

According to the Company's Audit Committee Charter, the Audit Committee periodically reviews, no less frequently than quarterly, a summary of the Company's transactions with directors and executive officers of the Company and with firms that employ directors, as well as any other related person transactions, for the purpose of recommending to the disinterested members of the Board of Directors that the transactions are fair, reasonable and within Company policy and should be ratified and approved. Also, in accordance with banking regulations and Company policy, the Board of Directors reviews all loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, exceed the greater of \$25,000 or 5% of the Company's capital and surplus (up to a maximum of \$500,000) and such loan must be approved in advance by a majority of the disinterested members of the Board of Directors. Additionally, pursuant to the Company's Code of Ethics and Business Conduct, all executive officers and directors of the Company must disclose any existing or potential conflicts of interest to the President and Chief Executive Officer of the Company. Such potential conflicts of interest include, but are not limited to, the following: (1) the Company conducting business with or competing against an organization in which a family member of an executive officer or director has an ownership or employment interest

and (2) the ownership of more than 1% of the outstanding securities or 5% of total assets of any business entity that does business with or is in competition with the Company.

The aggregate outstanding balance of loans extended by the Bank to its executive officers, employees and directors and related parties was \$9.5 million at September 30, 2009. These loans were performing according to their original terms at September 30, 2009. In addition, these loans were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to First Savings Bank, and did not involve more than the normal risk of collectibility or present other unfavorable features when made.

Other Transactions. Since October 1, 2008, there have been no transactions and there are no currently proposed transactions in which the Company or the Bank were or are to be a participant and the amount involved exceeds \$120,000, and in which any of the Company's executive officers and directors had or will have a direct or indirect material interest.

SUBMISSION OF BUSINESS PROPOSALS AND SHAREHOLDER NOMINATIONS

The Company must receive proposals that shareholders seek to include in the proxy statement for the Company's next annual meeting no later than September 21, 2010. If next year's annual meeting is held on a date that is more than 30 calendar days from February 24, 2011, a shareholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation materials for such annual meeting. Any shareholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's Bylaws provide that, in order for a shareholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a shareholder must deliver notice of such nomination and/or proposals to the Company's Secretary not less than 60 days nor more than 90 days before the date of the annual meeting. However, if less than 71 days' notice or prior public disclosure of the annual meeting is given to shareholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the annual meeting was mailed to shareholders or public disclosure of the meeting date was made. A copy of the Bylaws may be obtained from the Company.

All communications from shareholders should be addressed to First Savings Financial Group, Inc., 501 East Lewis & Clark Parkway, Clarksville, Indiana 47129. APPENDIX A

FIRST SAVINGS FINANCIAL GROUP, INC.
2010 EQUITY INCENTIVE PLAN

ARTICLE 1
PURPOSE

The purpose of the First Savings Financial Group, Inc. 2010 Equity Incentive Plan (the “Plan”) is to promote the success, and enhance the value, of First Savings Financial Group, Inc. (the “Company”) by linking the personal financial and economic interests of employees, officers and directors of the Company or any Affiliate (as defined below) to those of Company shareholders and by providing such persons with an incentive for performance. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract and retain the services of employees, officers and directors upon whose judgment, interest and effort the successful conduct of the Company’s operation largely depends. Accordingly, the Plan permits the grant of equity incentive awards from time to time to selected employees, officers and directors of the Company and its Affiliates.

ARTICLE 4
ADMINISTRATION

4.1 COMMITTEE. The Plan shall be administered by a Committee appointed by the Board of Directors (which Committee shall consist of at least two disinterested directors) or, at the discretion of the Board of Directors from time to time, the Plan may be administered by the full Board of Directors. It is intended that at least two of the directors appointed to serve on the Committee shall be “non-employee directors” (within the meaning of Rule 16b-3 promulgated under the 1934 Act) and “outside directors” (within the meaning of Code Section 162(m) and the regulations thereunder) and that any such members of the Committee who do not so qualify shall abstain from participating in any decision to make or administer Awards that are made to Eligible Participants who, at the time of consideration for such Award, (i) are persons subject to the short-swing profit rules of Section 16 of the 1934 Act, or (ii) are reasonably anticipated to become Covered Employees during the term of the Award. However, the mere fact that a Committee member shall fail to qualify under either of the foregoing requirements or shall fail to abstain from such action shall not invalidate any Award made by the Committee which Award is otherwise validly made under the Plan. The members of the Committee shall be appointed by, and may be changed at any time and from time to time in the discretion of, the Board of Directors. The Board of Directors may reserve for itself any or all of the authority and responsibility of the Committee under the Plan or may act as administrator of the Plan for any and all purposes. To the extent the Board of Directors has reserved any authority and responsibility or during any time that the Board of Directors is acting as administrator of the Plan, it shall have all the powers of the Committee hereunder, and any reference herein to the Committee (other than in this Section 4.1) shall include the Board of Directors. To the extent any action of the Board of Directors under the Plan conflicts with actions taken by the Committee, the actions of the Board of Directors shall control.

4.2 ACTION AND INTERPRETATIONS BY THE COMMITTEE. For purposes of administering the Plan, the Committee may from time to time adopt rules, regulations, guidelines and procedures for carrying out the provisions and purposes of the Plan and make such other determinations, consistent with the Plan, as the Committee may deem appropriate. The Committee’s interpretation of the Plan, any Awards granted under the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties. Each member of the Committee is entitled, in good faith, to rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, by the Company’s or an Affiliate’s independent certified public accountants, by Company counsel or by any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

4.3 **AUTHORITY OF COMMITTEE.** Except as provided below, the Committee has the exclusive power, authority and discretion to:

- (a) Grant Awards;
- (b) Designate Participants;
- (c) Determine the type or types of Awards to be granted to each Participant;
- (d) Determine the number of Awards to be granted and the number of Shares to which an Award will relate;
- (e) Determine the terms and conditions of any Award granted under the Plan, including, but not limited to, the exercise price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, based in each case on such considerations as the Committee in its sole discretion determines;
- (f) Accelerate the vesting, exercisability or lapse of restrictions of any outstanding Award in accordance with Articles 9 and 10 of the Plan, based in each case on such considerations as the Committee in its sole discretion determines;
- (g) Prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (h) Decide all other matters that must be determined in connection with an Award;
- (i) Establish, adopt or revise any rules, regulations, guidelines or procedures as it may deem necessary or advisable to administer the Plan;
- (j) Make all other decisions and determinations that may be required under the Plan or as the Committee deems necessary or advisable to administer the Plan; and
- (k) Amend the Plan or any Award Agreement as provided herein.

Notwithstanding the above, the Board of Directors or the Committee may also delegate, to the extent permitted by applicable law, to one or more officers of the Company, the Committee's authority under subsections (a) through (h) above, pursuant to a resolution that specifies the total number of Options or Restricted Stock Awards that may be granted under the delegation; provided that no officer may be delegated the power to designate himself or herself as a recipient of such Awards; and provided further, that no delegation of its duties and responsibilities may be made to officers of the Company with respect to Awards to Eligible Participants who as of the Grant Date are persons subject to the short-swing profit rules of Section 16 of the 1934 Act, or who as of the Grant Date are reasonably anticipated to become Covered Employees during the term of the Award. The acts of such delegates shall be treated hereunder as acts of the Committee and such delegates shall report to the Committee regarding the delegated duties and responsibilities.

4.4 **AWARD AGREEMENTS.** Each Award shall be evidenced by an Award Agreement. Each Award Agreement shall include such provisions, consistent with the Plan, as may be specified by the Committee.

ARTICLE 5
SHARES SUBJECT TO THE PLAN

5.1 NUMBER OF SHARES. Subject to adjustment as provided in Article 10 of the Plan, the aggregate number of Shares reserved and available for issuance pursuant to Awards granted under the Plan shall be 355,885.

5.2 SHARE COUNTING. To the extent that an Award is canceled, terminates, expires, is forfeited or lapses for any reason, any unissued Shares subject to the Award will again be available for issuance pursuant to Awards granted under the Plan.

5.3 STOCK DISTRIBUTED. Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4 LIMITATION ON AWARDS. Notwithstanding any provision in the Plan to the contrary (but subject to adjustment as provided in Article 10), the maximum number of Shares that may be delivered pursuant to Awards under the Plan is 355,885, of which the maximum number of Shares that may be delivered pursuant to Award of Restricted Stock under the Plan is 101,681 and the maximum number that may be delivered pursuant to Option exercises is 254,204. The maximum number of Shares with respect to which Options may be granted during any one calendar year under the Plan to any one Participant shall be 63,551.

ARTICLE 6
ELIGIBILITY

Awards may be granted only to Eligible Participants; except that Incentive Stock Options may be granted only to Eligible Participants who are employees of the Company or a Parent or Subsidiary of the Company.

ARTICLE 7
STOCK OPTIONS

7.1 GENERAL. The Committee is authorized to grant Options to Participants on the following terms and conditions:

- (a) Exercise Price. The exercise price of an Option shall not be less than the Fair Market Value per Share as of the Grant Date.
- (b) Time and Conditions of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part, subject to Section 7.1(d) of the Plan. The Committee shall also determine the conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested. The Committee may waive any exercise or vesting provisions at any time in whole or in part based upon factors as the Committee may determine in its sole discretion so that the Option becomes exercisable or vested at an earlier date.
- (c) Payment. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, Shares, or other property (including “cashless exercise” arrangements), and the methods by which Shares shall be delivered or deemed to be delivered to Participants.

(d) Exercise Term. In no event may any Option be exercisable for more than ten (10) years from the Grant Date.

7.2 INCENTIVE STOCK OPTIONS. The terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

(a) Lapse of Option. Subject to any earlier termination provision contained in the Award Agreement, an Incentive Stock Option shall lapse upon the earliest of the following circumstances; provided, however, that the Committee may, prior to the lapse of the Incentive Stock Option under the circumstances described in subsections (3), (4) or (5) below, provide in writing that the Option will extend until a later date, but if an Option is so extended and is exercised after the dates specified in subsections (3) and (4) below, it will automatically become a Non-Statutory Stock Option:

- (1) The expiration date set forth in the Award Agreement.
- (2) The tenth anniversary of the Grant Date.
- (3) Three (3) months after termination of the Participant's Continuous Status as a Participant for any reason other than the Participant's Disability or death.
- (4) One (1) year after the Participant's Continuous Status as a Participant by reason of the Participant's Disability.
- (5) One (1) year after the Participant's death if the Participant dies while employed or during the three-month period described in paragraph (3), or during the one-year period described in paragraph (4), but before the Option otherwise lapses.

Unless the exercisability of the Incentive Stock Option is accelerated as provided in Articles 9 or 10 of the Plan, if a Participant exercises an Option after termination of employment, the Option may be exercised only with respect to the Shares that were otherwise vested on the Participant's termination of employment. Upon the Participant's death, any exercisable Incentive Stock Options may be exercised by the Participant's Beneficiary, determined in accordance with Section 9.4 of the Plan.

(b) Individual Dollar Limitation. The aggregate Fair Market Value (determined as of the Grant Date) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000 (or any higher value as may be permitted under Section 422 of the Code).

(c) Ten Percent Owners. No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least one hundred and ten percent (110%) of the Fair Market Value per Share at the Grant Date and the Option expires no later than five (5) years after the Grant Date.

(d) Expiration of Authority to Grant Incentive Stock Options. No Incentive Stock Option may be granted pursuant to the Plan after the day immediately prior to the tenth anniversary of the date the Plan was approved by shareholders, or the termination of the Plan, if earlier.

- (e) Right to Exercise. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.
- (f) Eligible Grantees. The Committee may not grant an Incentive Stock Option to a person who is not at the Grant Date an employee of the Company or of an Affiliate.
- (g) Limitations of Option Grants for Section 162(m) of the Code. The Committee may not grant more than 63,551 Options to any individual in any single calendar year.

ARTICLE 8 RESTRICTED STOCK

8.1 **GRANT OF RESTRICTED STOCK.** The Committee is authorized to make Awards of Restricted Stock to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee.

8.2 **ISSUANCE AND RESTRICTIONS.** Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Except as otherwise provided in an Award Agreement, the Participant shall have all of the rights of a shareholder with respect to the Restricted Stock.

8.3 **FORFEITURE.** Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of Continuous Status as a Participant during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in connection with a Change in Control or in the event of terminations resulting from death or disability, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

8.4 **DELIVERY OF RESTRICTED STOCK.** Unless otherwise held in a trust and registered in the name of the trustee, reasonably promptly after the Grant Date with respect to shares of Restricted Stock, the Company shall cause to be issued a stock certificate, registered in the name of the Participant to whom the Restricted Stock was granted, evidencing such shares. Each such stock certificate shall bear the following legend:

"The transferability of this certificate and the shares of stock represented hereby are subject to the restrictions, terms and conditions (including forfeiture provisions and restrictions against transfer) contained in the First Savings Financial Group, Inc. 2010 Equity Incentive Plan and in the Award Agreement entered into between the registered owner of such shares and First Savings Financial Group, Inc. or its Affiliates. A copy of the Plan and the Award Agreement is on file in the office of the Corporate Secretary of First Savings Financial Group, Inc."

Such legend shall not be removed until the Participant vests in such shares pursuant to the terms of the Plan and the Award Agreement. Each certificate issued pursuant to this Section 8.4, in connection with a Restricted Stock Award, shall be held by the Company or its Affiliates, unless the Committee determines otherwise.

8.5 VOTING RIGHTS. Unless otherwise determined by the Committee at the time of grant, a Participant holding Restricted Stock shall be entitled to exercise full voting rights with respect to those Shares during the restriction period.

8.6 DIVIDENDS AND OTHER DISTRIBUTIONS. During the restriction period, a Participant holding Restricted Stock may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares. Such dividends shall be paid to the Participant at times determined by the Committee in its sole discretion. The Committee may apply any restrictions to the dividends that the Committee deems appropriate.

8.7 PERFORMANCE AWARDS. Subject to the limitations of this Plan, the Committee may, in its discretion, grant performance awards to eligible individuals upon such terms and conditions and at such times as the Committee shall determine. Performance awards may be in the form of performance shares. An award of a performance share is a grant of a right to receive shares of Stock which is contingent upon the achievement of performance or other objectives during a specified period and which has a value on the date of grant equal to the Fair Market Value of a share of Stock.

Subject to the terms of this Plan and the requirements of Section 409A of the Code, the Committee has the authority to determine the nature, length and starting date of the period during which a Participant may earn a performance award and will determine the conditions that must be met in order for a performance award to be granted or to vest or be earned. These conditions may include specific performance objectives, continued service or employment for a certain period of time, or a combination of such conditions. Performance awards granted under the Plan may be based on one or more of the following business criteria: basic earnings per common share, basic cash earnings per common share, diluted earnings per common share, diluted cash earnings per common share, net income, cash earnings, net interest income, non-interest income, general and administrative expense to average assets ratio, cash general and administrative expense to average assets ratio, efficiency ratio, cash efficiency ratio, return on average assets, cash return on average assets, return on average stockholders' equity, cash return on average stockholders' equity, return on average tangible stockholders' equity, cash return on average tangible stockholders' equity, core earnings, operating income, operating efficiency ratio, net interest rate spread, loan production volume, nonperforming loans, cash flow, strategic business objectives, consisting of one or more objectives based upon meeting specified cost targets, business expansion goals, and goals relating to acquisitions or divestitures, or goals relating to capital raising and capital management, or any combination of the foregoing.. Each goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on internal targets, past performance of the Company or any subsidiary, operating unit or division of the Company and/or the past or current performance of other companies, and in the case of earnings-based measures, may use or employ comparisons relating to capital, stockholders' equity and/or shares of common stock outstanding, or to assets or net assets.

No later than ninety (90) days following the commencement of a performance period (or such other time as may be required by Section 162(m) of the Code), the Committee shall, in writing (i) select the performance goal or goals applicable to the performance period, (ii) establish the various targets and bonus amounts which may be earned for such performance period, and (iii) specify the relationship between the performance goals and targets and the amounts to be earned by each Participant for the performance period.

ARTICLE 9
GENERAL PROVISIONS APPLICABLE TO AWARDS

9.1 **STAND-ALONE AND TANDEM AWARDS.** Awards granted under the Plan may, in the sole discretion of the Committee, be granted either alone or in addition to or, in tandem with, any other Award granted under the Plan.

9.2 **TERM OF AWARD.** The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Incentive Stock Option exceed a period of ten (10) years from its Grant Date (or, if Section 7.2(c) applies, five (5) years from its Grant Date).

9.3 **LIMITS ON TRANSFER.** No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if that Code section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be an option described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

9.4 **BENEFICIARIES.** Notwithstanding Section 9.3 of the Plan, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and the Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

9.5 **STOCK CERTIFICATES.** All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

9.6 **ACCELERATION UPON DEATH OR DISABILITY.** Except as otherwise provided in the Award Agreement, upon the Participant's death or Disability during his or her Continuous Status as a Participant, all of such Participant's outstanding Options and other Awards in the nature of rights that may be exercised shall become fully exercisable and all time-based vesting restrictions on the Participant's outstanding Awards shall lapse. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Agreement. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(b) of the Plan, the excess Options shall be deemed to be Non-Statutory Stock Options.

9.7 **TERMINATION OF EMPLOYMENT.** Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined in each case by the Committee at its discretion and in accordance with the terms of the Plan, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three (3) months from the date a Participant is deemed to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Non-Statutory Stock Options.

ARTICLE 10
CHANGE IN CAPITAL STRUCTURE; CHANGE IN CONTROL

10.1 **CHANGES IN CAPITAL STRUCTURE.** In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Article 5 shall be adjusted proportionately, and the Committee shall adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of Shares which may be delivered under the Plan; (ii) adjustment of the number and kind of Shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. Without limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Article 5 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor.

10.2 **ACCELERATED VESTING AND PAYMENT.** Subject to the provisions of Section 10.3 of the Plan or as otherwise provided in the Award Agreement, in the event of a Change in Control, unless otherwise specifically prohibited under law or by the rules and regulations of an Exchange:

- (a) Any and all Options granted hereunder shall become immediately exercisable; additionally, if a Participant's employment or service is involuntarily terminated or constructively terminated for any reason except cause (as determined by the Committee) within twelve (12) months of the Change in Control, the Participant shall have until the expiration of the term of the Option to exercise such Options;
- (b) Any time-based and other restrictions imposed on Restricted Stock shall lapse; and
- (c) The Committee shall have the ability to unilaterally determine that all outstanding Awards are cancelled upon a Change in Control, and the value of such Awards, as determined by the Committee in accordance with the terms of the Plan and the Award Agreement, be paid out in cash in an amount based on the Change in Control Price within a reasonable time subsequent to the Change in Control.

10.3 **ALTERNATIVE AWARDS.** Notwithstanding Section 10.2 of the Plan, no cash settlement or other payment shall occur with respect to any Award if the Committee reasonably determines in good faith prior to the occurrence of a Change in Control that such Award shall be honored or assumed, or new rights substituted therefor (such honored, assumed or substituted Award hereinafter called an "Alternative Award") by any successor as described in Section 12.16 of the Plan; provided, however, that any such Alternative Award must:

A-11

- (a) Be based on stock which is traded on an established U.S. securities market, or that the Committee reasonably believes will be so traded within sixty (60) days after the Change in Control;
- (b) Provide the Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award;
- (c) Have substantially equivalent economic value to such Award (determined at the time of the Change in Control); and
- (d) Have terms and conditions which provide that, in the event the Participant's employment is involuntarily terminated or constructively terminated, any conditions on a Participant's rights under, or any restrictions on transfer or exercisability applicable to, each Alternative Award shall be waived or shall lapse, as the case may be.

ARTICLE 11
AMENDMENT, MODIFICATION AND TERMINATION

11.1 AMENDMENT, MODIFICATION AND TERMINATION. The Board of Directors or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without shareholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board of Directors or the Committee, either (i) materially increase the number of Shares available under the Plan, (ii) expand the types of awards under the Plan, (iii) materially expand the class of Eligible Participants, (iv) materially extend the term of the Plan, or (v) otherwise constitute a material change requiring shareholder approval under applicable laws, policies or regulations or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to shareholder approval; and provided, further, that the Board of Directors or Committee may condition any other amendment or modification on the approval of shareholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable to (i) permit Awards made hereunder to be exempt from liability under Section 16(b) of the 1934 Act, (ii) comply with the listing or other requirements of an Exchange, or (iii) satisfy any other tax, securities or other applicable laws, policies or regulations.

11.2 AWARDS PREVIOUSLY GRANTED. At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

- (a) Subject to the terms of the applicable Award Agreement, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, or otherwise settled on the date of such amendment or termination (with the per-share value of an Option for this purpose being calculated as the excess, if any, of the Fair Market Value per Share as of the date of such amendment or termination over the exercise price of such Award);
- (b) The original term of an Option may not be extended without the prior approval of the shareholders of the Company;

- (c) Except as otherwise provided in Article 10 of the Plan, the exercise price of an Option may not be reduced, directly or indirectly, without the prior approval of the shareholders of the Company; and
- (d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be “adversely affected” by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, or otherwise settled on the date of such amendment (with the per-share value of an Option for this purpose being calculated as the excess, if any, of the Fair Market Value per Share as of the date of such amendment over the exercise or base price of such Award).

ARTICLE 12 GENERAL PROVISIONS

12.1 **NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS.** No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not Eligible Participants are similarly situated).

12.2 **NO SHAREHOLDER RIGHTS.** Except as otherwise provided in this Plan or in an Award Agreement, no Award gives a Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

12.3 **WITHHOLDING.** The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant’s FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy withholding obligations in excess of the minimum withholding obligation, such Shares must have been held by the Participant as fully vested shares for such period of time, if any, as necessary to avoid variable accounting for the Option. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares such number of Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

12.4 **NO RIGHT TO CONTINUED SERVICE.** Nothing in the Plan, in any Award Agreement or in any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant’s employment or status as an officer, director or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director or consultant of the Company or any Affiliate, whether for the duration of a Participant’s Award or otherwise.

12.5 **UNFUNDED STATUS OF AWARDS.** The Plan is intended to be an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or in any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.

12.6 RELATIONSHIP TO OTHER BENEFITS. No payment under the plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the company or any affiliate unless expressly provided otherwise in such other plan.

12.7 EXPENSES. The expenses of administering the plan shall be borne by the company and its affiliates.

12.8 TITLES AND HEADINGS. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

12.9 GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

12.10 FRACTIONAL SHARES. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

12.11 GOVERNMENT AND OTHER REGULATIONS.

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

12.12 GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Agreements shall be construed in accordance with and governed by the laws of Indiana.

12.13 ADDITIONAL PROVISIONS. Each Award Agreement may contain such other terms and conditions as the Committee may determine; provided, however, that such other terms and conditions are not inconsistent with the provisions of the Plan.

12.14 INDEMNIFICATION. To the extent allowable under applicable law, each member of the Committee shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which such member may be a party or in which he or she may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit, or proceeding against him or her provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify or hold them harmless.

12.15 NO LIMITATIONS ON RIGHTS OF COMPANY. Subject to Section 12.16 of the Plan, the grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume Awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

12.16 SUCCESSORS. Any obligations of the Company or an Affiliate under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company or Affiliate, respectively, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company or Affiliate, as applicable.
