The Company held a conference call on July 19, 2010, at 4:00 p.m. EDT (the "Conference"), to provide a business update, discuss its product pipeline and provide an update on matters from the 2010 Annual Meeting. During the Conference, in addition to reviewing the disclosures discussed in the Company's recent press releases, Mr. Bupp provided an update regarding the status of the Company's pending New Drug Application ("NDA") for its investigational new drug, Lymphoseek. In his remarks, Mr. Bupp noted that preparations for the NDA were progressing to the point where the Company expected to be in position to file the NDA prior to the end of the quarterly period ending September 30, 2010. Mr. Bupp noted

that the Company has requested such a meeting, but that the earliest possible dates for the meeting were near the end of the third quarter. Mr. Bupp further explained that the Company anticipates filing the NDA within weeks of the completion of a successful pre-NDA meeting with FDA.
