2011 ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

PennyMac Mortgage Investment Trust (we, our, us or the Company) is furnishing this Proxy Statement in connection with our solicitation of proxies to be voted at our 2011 Annual Meeting of Shareholders (the Meeting). We will hold the Meeting at our principal executive offices, located at 27001 Agoura Road, Third Floor, Calabasas, California 91301, on Tuesday, May 17, 2011 at 9:00 a.m. Pacific time, and any postponements or adjournments thereof. We are sending this Proxy Statement and the enclosed proxy to our shareholders commencing on or about April 15, 2011.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What am I voting on?

You will be entitled to vote on the following proposals at the Meeting:

The election of three (3) Trustees, Joel S. Marcus, Stacey D. Stewart and Mark Wiedman, each for a term expiring at the 2014 annual meeting of shareholders;

The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2011;

The approval, by non-binding vote, of our executive compensation program; and

The recommendation, by non-binding vote, of the frequency of the vote on our executive compensation program.

How does our Board of Trustees recommend that I vote on these proposals?

Our Board of Trustees (the Board) recommends you vote **FOR** the election of each of the nominees as Trustees, **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year, **FOR** the approval, by non-binding vote, of our executive compensation program, and **FOR** the

recommendation, by non-binding vote, of holding the vote on our executive compensation program every three years.

Who can attend the Meeting?

If you were the record owner of our common shares as of the close of business on the record date, you are entitled to attend the Meeting, although seating is limited. Our Board has set April 11, 2011 as the record date for the Meeting. If you plan to attend, please check the box on your proxy card and return it as directed on the proxy card.

If you hold your common shares through a broker and you would like to attend, please either (1) write us at Investor Relations, PennyMac Mortgage Investment Trust, 27001 Agoura Road, Third Floor, Calabasas, California 91301, (2) email us at *investorrelations@pnmac.com*, or (3) bring to the Meeting a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker).

TABLE OF CONTENTS

In addition, you must bring valid, government-issued photo identification, such as a driver's license or a passport. No cameras or recording devices of any kind, or signs, placards, banners or similar materials, may be brought into the Meeting. Anyone who refuses to comply with these requirements will not be admitted.

Who is entitled to vote at the Meeting?

If you were the record owner of our common shares as of the close of business on the record date, you are entitled to vote at the Meeting. Each shareholder of record on the record date is entitled to notice of, and to vote at, the Meeting and any adjournments thereof. As of the record date, 27,763,243 common shares were issued and outstanding. If you were the record owner of our common shares at the close of business on the record date, you may vote at the Meeting. You are entitled to one vote on each proposal for each common share you held on the record date.

How many shares must be present to hold the Meeting?

The presence of a majority of the shares entitled to vote constitutes a quorum, which is required in order to hold the Meeting and conduct business. Since there were 27,763,243 eligible votes as of the record date, we will need at least 13,881,622 votes present in person or by proxy at the Meeting for a quorum to exist. If a quorum is not present at the Meeting, we expect that the Meeting will be adjourned to solicit additional proxies.

What shareholder approvals are required to approve the proposals?

Trustees will be elected by a plurality of the votes cast by the holders of the common shares voting in person or by proxy at the Meeting. Ratification of the appointment of our independent registered public accounting firm and approval, by non-binding vote, of our executive compensation program will require the affirmative vote of a majority of the votes cast by the holders of the common shares voting in person or by proxy at the Meeting. The frequency of the non-binding vote on our executive compensation program (i.e. every one, two or three years) that receives the highest number of votes cast will be treated as the option recommended by shareholders.

How will voting on any other business be conducted?

Other than the four proposals described in this Proxy Statement, we know of no other business to be considered at the Meeting. If any other matters are properly presented at the Meeting, your signed proxy card authorizes Stanford L. Kurland, our Chairman of the Board and Chief Executive Officer, and Jeffrey P. Grogin, our Secretary, to vote on those matters according to their best judgment.

How do I vote my shares as a shareholder of record?

If you are a shareholder of record, you may vote by using one of the following methods:

by mail, or
in person at the Meeting,
as instructed on the enclosed proxy card.

If you vote now, it will assure that your vote is counted. Whether you vote by mail or in person at the Meeting, the proxies identified on the back of the enclosed proxy card will vote the shares as to which you are the shareholder of record in accordance with your instructions. If the proxy card is signed and returned and no instructions are marked, the shares will be voted as recommended by our Board in this Proxy Statement.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares. However, you still are considered the beneficial owner of those shares, and your shares are said to be held in street name. Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares.

TABLE OF CONTENTS

If my broker holds my shares in street name, how do I vote my shares?

If you own your shares in street name, you must vote your shares in the manner prescribed by your broker or other nominee. Your broker or other nominee has provided a voting instruction form for you to use in directing the broker or nominee how to vote your shares. Please follow the instructions provided on such voting instruction form.

If you do not provide your broker with instructions on how to vote your street name shares, your broker will be able to vote them only on the proposal to ratify the appointment of our independent registered public accounting firm. Your broker will not be able to vote them on the proposals relating to the election of Trustees, our executive compensation program, or the frequency of the vote on our executive compensation program. You should, therefore, be sure to provide your broker with instructions on how to vote your shares. See your voting instruction form for instructions.

How do I vote my shares in person at the Meeting?

If you are a shareholder of record, to vote your shares at the Meeting you should bring the enclosed proxy card and proof of identification. If you own your shares in street name, to vote your shares at the Meeting you must obtain a proxy from your broker or nominee and bring that proxy to the Meeting.

Even if you plan to attend the Meeting, we encourage you to vote by proxy card in advance of the Meeting, so your vote will be counted if you later decide not to attend the Meeting.

What if I do not specify how I want my shares voted?

If you submit a signed proxy card and do not specify how you want to vote your shares, we will vote your shares as follows:

FOR the election of three (3) Class II Trustees, Joel S. Marcus, Stacey D. Stewart and Mark Wiedman, each for a term expiring at the 2014 annual meeting of shareholders;

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year;

FOR the approval, by non-binding vote, of our executive compensation program; and

FOR the recommendation, by non-binding vote, of holding the vote on our executive compensation program every three years.

May I revoke my proxy and change my vote after submitting my proxy?

Yes. You may revoke your proxy and change your vote before it is taken at the Meeting by (1) delivering a written notice of revocation to the attention of the Secretary of the Company at 27001 Agoura Road, Third Floor, Calabasas, California 91301, (2) delivering a duly executed proxy bearing a later date, or (3) attending the Meeting and voting in person. As noted above, if you own your shares through a brokerage account or in another nominee form, you cannot vote in person at the Meeting unless you obtain a proxy from your broker or nominee and bring that proxy to the Meeting.

What does it mean if I receive more than one proxy card?

It probably means your shares are registered differently and are in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

How are votes counted?

You may either vote **FOR** or **WITHHOLD** authority to vote for each nominee for the Board. You may vote **FOR**, **AGAINST** or **ABSTAIN** on the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year and the proposal to approve, by non-binding vote, our executive compensation program. You may vote **ONE YEAR**, **TWO YEARS**, or **THREE YEARS** on the proposal to recommend, by non-binding vote, the frequency of the vote on our executive compensation program and you may also **ABSTAIN**. An abstention is the voluntary act of not voting by a shareholder who is present at a meeting and entitled to vote.

TABLE OF CONTENTS

If you submit your proxy but abstain from voting or withhold authority to vote on one or more matters, your shares will be counted as present at the Meeting for the purpose of determining a quorum. Your shares also will be counted as present at the Meeting for the purpose of calculating the vote on the particular matter with respect to which you abstained from voting or withheld authority to vote. However, because an abstention is not counted as a vote cast, if you abstain from voting on a proposal, your abstention will have no effect on the proposal in question.

If you hold your shares in street name and do not provide voting instructions to your broker or other nominee, your shares will be considered to be broker non-votes and will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote under the rules of the New York Stock Exchange (NYSE). Under NYSE rules, brokers that hold our common shares in street name for customers that are the beneficial owners of those shares may not give a proxy to vote those shares on certain matters, including the election of Trustees, our executive compensation program and the frequency of the vote on our executive compensation program, without specific instructions from those customers. Shares that constitute broker non-votes will be counted as present at the Meeting for the purpose of determining a quorum, but will not be considered entitled to vote on the proposal in question.

Who will count the vote?

Representatives of Broadridge Financial Solutions, Inc. will count the votes for shares held in street name and BNY Mellon Shareholder Services (BNY) will count the votes of shareholders of record. Representatives of BNY will also serve as the independent Inspector of Elections.

How will we solicit proxies for the Meeting?

We are soliciting proxies by mailing this Proxy Statement and proxy card to our shareholders. In addition to solicitation by mail, some of our Trustees and officers and some employees of PNMAC Capital Management, LLC, which we refer to as our Manager or PCM, may make additional solicitations by telephone or in person. In addition, we may retain BNY to assist in the solicitation of proxies.

What does it cost the Company to solicit proxy materials?

We will pay the cost of the solicitation of proxies, including preparing and mailing the Notice of 2011 Annual Meeting of Shareholders, this Proxy Statement and the proxy card or voting instruction form. To the extent any of our Trustees or officers, or any employees of our Manager, solicit proxies by telephone, facsimile transmission or other personal contact, such persons will receive no additional compensation. Brokerage houses and other nominees, fiduciaries and custodians who are holders of record of common shares will be requested to forward proxy soliciting materials to the beneficial owners of such shares and will be reimbursed by us for their charges and expenses in connection therewith at customary and reasonable rates. In addition, we may retain BNY to assist in the solicitation of proxies, in which case we will pay BNY a total solicitation fee of \$7,500 per six-month period, plus reimbursement of expenses.

Can I access the Company's proxy materials and Annual Report to Security Holders electronically?

This Proxy Statement and our 2010 Annual Report to Security Holders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 (Fiscal 2010), are available in the Investor Relations section of our website, www.pennymacmortgageinvestmenttrust.com.

Will our External Manager be present at the Meeting?

Officers of our Manager will be present at the Meeting.

When are shareholder proposals due for the 2012 Annual Meeting of Shareholders?

If you are submitting a proposal for possible inclusion in next year's Proxy Statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), we must receive the proposal no later than December 17, 2011. If you are submitting a proposal for possible inclusion in next year's Proxy Statement other than pursuant to Rule 14a-8 of the Exchange Act, we must receive the proposal no earlier than November 17, 2011 and no later than December 17, 2011.

CORPORATE GOVERNANCE, TRUSTEE INDEPENDENCE, BOARD MEETINGS AND COMMITTEES

Corporate Governance

We believe that we have implemented effective corporate governance policies and observe good corporate governance procedures and practices. We have adopted a number of written policies, including our Corporate Governance Guidelines, our Code of Business Conduct and Ethics, and charters for the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Independence of Our Trustees

The NYSE rules require that at least a majority of our Trustees be independent of our company and management. The rules also require that our Board affirmatively determine that there are no material relationships between a Trustee and us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us) before such Trustee can be deemed independent. We have adopted independence standards consistent with NYSE rules and the rules of the Securities and Exchange Commission (SEC). Our Board has reviewed both direct and indirect transactions and relationships that each of our Trustees had or maintained with us and our management.

As a result of this review, our Board, based upon the fact that certain of our non-employee Trustees do not have any material relationships with us other than as Trustees and holders of our common shares, affirmatively determined that six of our Trustees are independent Trustees under NYSE rules. Our independent Trustees are Messrs. Carnahan, Hadley, Halvorsen, Marcus and Willey and Ms. Stewart.

Board Leadership Structure and Independent Lead Trustee

The positions of Chairman of the Board and Chief Executive Officer are currently held by Stanford L. Kurland, and we have determined not to separate the positions at this time. This determination is based, in part, on our belief that independent Trustees and management have different perspectives and roles in strategy development. Our independent Trustees bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings company-specific experience and expertise. We believe our Chief Executive Officer is thus better situated to serve as Chairman of the Board because he is able to utilize the in-depth focus and perspective gained in running the Company to effectively and efficiently guide our Board. As the Trustee most familiar with our business

and industry, he is most capable of identifying new initiatives, strategic priorities and other critical and/or topical agenda items for discussion by our Board and then leading the discussion to ensure proper oversight of these issues by our Board. Our Board believes that the combined role of Chairman of the Board and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and our Board, which are essential to effective governance.

This determination is also based on what we consider to be a strong governance structure already in place, including the appointment of an influential Independent Lead Trustee with a strong voice. The Independent Lead Trustee works with our Chairman of the Board and other Board members to provide strong, independent oversight of our management and affairs. Among other things, the Independent Lead Trustee reviews and provides input on Board meeting agendas as well as the quality, quantity and timeliness of information sent to our Board, coordinates with committee chairs to ensure the committees are fulfilling the

TABLE OF CONTENTS

responsibilities set forth in their respective charters, serves as the principal liaison between our Chairman of the Board and the independent Trustees, and chairs an executive session of the independent Trustees at each regularly scheduled Board meeting. Our Board has appointed Randall D. Hadley as Independent Lead Trustee.

Together, our Chairman of the Board and the Independent Lead Trustee provide leadership to our Board and work with our Board to define its structure and activities in the fulfillment of its responsibilities.

Risk Oversight

Our Board and its committees oversee our risk management process, while supporting organizational objectives, improving long-term organizational performance and creating shareholder value. A fundamental part of risk management oversight is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in our business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. While the Board has the ultimate oversight responsibility for the risk management process, particularly with respect to credit risk, interest rate risk, market risk and other risks specific to the mortgage and REIT industries, the committees of our Board also share responsibility for overseeing risk management. For example, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from our internal auditors. The Nominating and Corporate Governance Committee focuses on risks associated with the independence of our Trustees and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about the nature of all such risks.

Board Committees and Charters

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical questions that may arise in the workplace and in the conduct of our business. This code is applicable to all of our officers and Trustees, as well as to the employees, officers and directors of our Manager and Servicer when such individuals are acting for or on our behalf.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines which, in conjunction with the charters and key practices of our board committees, provide the framework for the governance of our company.

Other Charters

The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee have also adopted written charters that govern their conduct.

Where You Can Find These Documents

Our Code of Business Conduct and Ethics, Corporate Governance Guidelines, Audit Committee Charter, Compensation Committee Charter and Nominating and Corporate Governance Committee Charter are available on our website (www.pennymacmortgageinvestmenttrust.com). We will provide copies of these documents free of charge to any shareholder who sends a written request to Investor Relations, PennyMac Mortgage Investment Trust, 27001 Agoura Road, Third Floor, Calabasas, California 91301.

Audit Committee

Our Board has established an Audit Committee, which is comprised of three independent Trustees, Messrs. Carnahan, Hadley and Willey. Mr. Hadley chairs the Audit Committee, and he and Mr. Carnahan each serve as an audit committee financial expert, as that term is defined by the SEC. Each of the members of the Audit Committee is financially literate under the rules of the NYSE. The Audit Committee assists our Board in overseeing:

- our accounting and financial reporting processes;

TABLE OF CONTENTS

- the integrity and audits of our financial statements;
- our compliance with legal and regulatory requirements;
- the qualifications and independence of our independent registered public accounting firm; and
- the performance of our independent registered public accounting firm and any internal auditors.

The Audit Committee is also responsible for engaging our independent registered public accounting firm, reviewing with our independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by our independent registered public accounting firm, considering the range of audit and non-audit fees, and reviewing the adequacy of our internal accounting controls.

Our Board has determined that all of the Trustees serving on the Audit Committee are independent members of the Audit Committee under the current NYSE independence requirements and SEC rules. The activities of the Audit Committee are described in greater detail below under the caption Report of the Audit Committee.

Compensation Committee

Our Board has established a Compensation Committee, which is comprised of three independent Trustees, Messrs. Halvorsen and Marcus and Ms. Stewart. Mr. Marcus chairs the Compensation Committee, the principal functions of which are to:

- evaluate the performance of our officers;
- evaluate the performance of our Manager;
- review the compensation and fees payable to our Manager under our management agreement (the management agreement);
- recommend to the Board the compensation for our independent Trustees; and
- administer the issuance of any securities under our equity incentive plan.

Our Board has determined that all of the Trustees serving on the Compensation Committee are independent members of the Compensation Committee under the current NYSE independence requirements and SEC rules. For additional information on the Compensation Committee, please see the section below entitled Compensation Committee Report.

Nominating and Corporate Governance Committee

Our Board has established a Nominating and Corporate Governance Committee, which is comprised of three independent Trustees, Messrs. Halvorsen and Marcus and Ms. Stewart. Ms. Stewart chairs the Nominating and Corporate Governance Committee, which is responsible for seeking, considering and recommending to the full Board qualified candidates for election as Trustees and then recommending nominees for election as Trustees at the annual meeting of shareholders. It also periodically prepares and submits to our Board for adoption the Nominating and Corporate Governance Committee's selection criteria for Trustee nominees. It reviews and makes recommendations on matters involving general operation of our Board and our corporate governance, and annually recommends to our Board nominees for each of its committees. In addition, the Nominating and Corporate Governance Committee annually facilitates the assessment of the performance of the individual committees and our Board as a whole and reports thereon to our Board.

The Nominating and Corporate Governance Committee is responsible for developing the general criteria, subject to approval by the full Board, for use in identifying, evaluating and selecting qualified candidates for election or re-election to our Board. The Nominating and Corporate Governance Committee periodically reviews with our Board the appropriate skills and characteristics required of Board members in the context of the current make up of our Board. Final approval of trustee candidates is determined by the full Board, and invitations to join our Board are

extended by our Chairman of the Board on behalf of the entire Board.

The Nominating and Corporate Governance Committee, in accordance with our Corporate Governance Guidelines, seeks to create a board that is strong in its collective knowledge and has skills and experience

TABLE OF CONTENTS

with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, risk management, corporate governance, and knowledge of the mortgage industry and the global markets.

The Nominating and Corporate Governance Committee also focuses on issues of diversity, such as diversity of gender, race and national origin, education, professional experience, and differences in viewpoints and skills. We do not have a formal policy with respect to diversity; however, our Board and Nominating and Corporate Governance Committee believe that it is essential that our Trustees represent diverse viewpoints and backgrounds. In considering candidates for our Board, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards and in light of the needs of our Board and the Company at that time, given the then current mix of Trustee attributes. The Nominating and Corporate Governance Committee also considers a candidate's accessibility and availability to serve effectively on our Board, and it conducts inquiries into the background and qualifications of potential candidates. With respect to the nomination of continuing Trustees for re-election, the individual's past contributions to our Board are also considered.

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating nominees for Trustee. The Nominating and Corporate Governance Committee assesses the appropriate size of our Board and whether any vacancies on our Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for Trustee. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board.

Candidates may come to the attention of the Nominating and Corporate Governance Committee through current members of our Board, professional search firms or other persons. The Nominating and Corporate Governance Committee will also consider properly submitted nominations for nominees recommended by our shareholders. These recommendations should be submitted in writing to our Secretary at our principal executive offices, located at 27001 Agoura Road, Third Floor, Calabasas, California 91301. If any materials are provided by a shareholder in connection with the nomination of a Trustee candidate, such materials are forwarded to the Nominating and Corporate Governance Committee. Following verification of the shareholder status of persons proposing candidates, recommendations are aggregated and considered by the Nominating and Corporate Governance Committee at a regularly scheduled or special meeting.

Our Board has determined that all of the Trustees serving on the Nominating and Corporate Governance Committee are independent members of the Nominating and Corporate Governance Committee under the current NYSE independence requirements.
