## Item 11. Executive Compensation

### Compensation Discussion and Analysis

This section discusses the compensation of our “named executive officers” for the fiscal years ended June 30, 2011 and 2010, consisting of Richard E. Gathright, Chairman of the Board, Chief Executive Officer and President; Michael S. Shore, Chief Financial Officer, Senior Vice President and Treasurer; and L. Patricia Messenbaugh, Vice President – Finance and Accounting, Chief Accounting Officer and Principal Accounting Officer.

## Roles of our Compensation Committee and Chief Executive Officer in Compensation Decisions, Use of Compensation Consultants and Compensation Philosophy and Objectives

The Company strives to attract, motivate, and retain high-quality executives by providing total compensation that is performance-based and competitive within the labor market in which the Company competes for executive talent as a public company in a very specialized industry. Our compensation program is intended to align the interests of management with the interests of stockholders by linking pay with performance, thereby incentivizing performance and furthering the ultimate objective of improving stockholder value.

Base salary amounts of executive officers are reviewed annually. The Compensation Committee sets the base salary level of our Chief Executive Officer, and, based on input from the Chief Executive Officer, of the other executive officers. In September 2010, the Compensation Committee established a policy that, beginning in fiscal 2012, all executive officers would receive 3% annual increases in their base salaries unless the Committee, after review of the appropriateness of such increases, took action to increase or decrease the amount. By doing so, the Committee determined that a 3% annual increase in salary for executive officers was a reasonable expectation for the executive officers and a reasonable base line for the Company that could be varied by the Committee, based on its evaluation of individual performance and the Company's overall performance and available resources, on an annual basis. For fiscal 2012, the first year of the policy, the Committee reviewed the impact of the pre-set 3% increases on the various executive officers' salaries and determined that the increases were in fact reasonable and appropriate. As a result of those 3% increases, the salaries of Messrs. Gathright and Shore and Ms. Messenbaugh were increased to \$384,190, \$245,140, and \$188,490, respectively, effective July 1, 2011.

The Compensation Committee has the authority to retain and terminate compensation consultants or other experts to assist the Committee in its evaluation of the Chief Executive Officer, his compensation or the compensation of any of the other executive officers. While the Company has never engaged any compensation consultants or similar firms, it has utilized compensation evaluation material provided by such compensation evaluation firms.

### Bonus Pool

Pursuant to the terms of our employment agreement with Mr. Gathright, we are obligated to set aside 10% of our annual pretax profits in a bonus pool (the "Bonus Pool") to be allocated among Mr. Gathright and our other eleven officers, as determined by the Committee. While the Company earned a pretax profit of approximately \$497,000 in fiscal 2010, Mr. Gathright waived the agreement's requirement for payment of a Bonus Pool that year. The Bonus Pool for fiscal 2011 of \$157,282 was allocated by the Committee to various officers based upon its evaluation, including management's input, of the relative contributions of those officers to our success in fiscal 2011 and prior years. The grants made by the Committee included grants of \$55,049 to Mr. Gathright, \$20,447 to Mr. Shore and \$11,010 to Ms. Messenbaugh.

### Restricted Stock Grants

On September 26, 2011, our Compensation Committee (the "Committee") granted 93,500 restricted shares of our common stock to Richard E. Gathright, our President and Chief Executive Officer, under our Equity Incentive Plan. This grant completed the grants promised by the Committee in September of 2010, when it granted Mr. Gathright 31,500 restricted shares, of a total of 125,000 of restricted stock to replace the stock options previously issued to Mr. Gathright that expired in 2010. The September 2011 restricted stock grant included 31,500 shares vesting on November 1, 2011, 31,000 shares vesting on November 1, 2012 and 31,000 shares vesting on November 1, 2013. The Committee also resolved that, as was done for the September 2010 restricted stock grants, we would make a cash payment to Mr. Gathright equal to 50% of the market value of the 2011 restricted stock grants as each tranche vests in order to mitigate the tax impact of the grants. The closing market price of our common stock on the grant date

of the stock award was \$2.47 per share. On the same date, the Committee also fulfilled its previously declared intent to make restricted stock grants to the other 11 officers under the Plan. The 60,000 shares of restricted stock granted to the other 11 officers included grants to Michael S. Shore, our Chief Financial Officer, and L. Patricia Messenbaugh, our Chief Accounting Officer, who received 15,000 shares and 6,000 shares, respectively. All of the officers' grants will vest over a three year period, with 33% vesting on each anniversary date. The closing market price of our common stock on the grant date of the stock award was \$2.47 per share.

## Pension and Retirement Plans

We do not provide any of our executive officers with pension benefits, deferred compensation or other similar plans other than a tax qualified 401(k) defined contribution plan in which an executive officer is able to participate on the same terms as those offered to other employees, subject to plan qualification rules that limit or prohibit such participation by highly compensated employees. We have not made any employee matching contributions to our 401(k) plan since its adoption.

## Change in Control Benefits

Section 14 of our 2009 Equity Incentive Plan provides for accelerated vesting of all unvested stock options, restricted stock and other awards under the Plan if the Company or its stockholders dispose of all or substantially all of the assets or stock of the Company (whether by sale, merger or other reorganization, liquidation, or otherwise) if our shareholders immediately before the contemplated transaction do not own 50% or more of the voting power of the surviving entity. In such an event, 445 shares of the Company's unvested stock options, none of which are held by the named executive officers, would vest and 153,500 shares of restricted stock, including 93,500, 15,000 and 6,000 shares held by Mr. Gathright, Mr. Shore and Ms. Messenbaugh, respectively, would vest. There is no corresponding provision in the Plan, however, for accelerated vesting of stock options or other equity awards if there are changes in our management or the composition of our Board of Directors. We have no other agreements that would require us to provide consideration in the event of a transaction or other event resulting in a change in control of the Company other than Mr. Gathright's employment agreement, which permits him to resign "for good reason" and obtain full severance benefits under the agreement if his duties or responsibilities are materially changed, or if he no longer holds the positions of Chairman, Chief Executive Officer and President of the Company. See the discussion of Mr. Gathright's employment agreement under "Employment Agreements and Compensation of Named Executive Officers", below.

#### Employment Agreements and Compensation of Named Executive Officers

Richard E. Gathright. Under Mr. Gathright’s employment agreement, which was amended and restated on September 23, 2010, his minimum annual base salary is \$373,000. Mr. Gathright’s salary may be increased if the Compensation Committee determines an increase is warranted under the circumstances. After the 2010 restatement, Mr. Gathright’s agreement continues to provide, as it has since 2000, that 10% of our annual pretax profits must be set aside in a bonus pool to be allocated among our officers as may be recommended by Mr. Gathright and ultimately determined by the Board, in its sole discretion. The bonus pool for fiscal 2011 was \$157,282, and was allocated by the Committee to various officers based upon its evaluation, including management’s input, of the relative contributions of the officers to our success in fiscal 2011 and prior years. The grants made by the Committee included a grant of \$55,049 to Mr. Gathright, \$20,447 to Mr. Shore and \$11,010 to Ms. Messenbaugh.

If Mr. Gathright’s employment agreement is terminated by the Company without cause or he voluntarily resigns for good reason, as those terms are defined in the agreement, Mr. Gathright would receive a severance payment equal to eighteen months base salary and severance benefits for the same period of time. The Company therefore estimates its liability for terminating Mr. Gathright’s employment at the end of fiscal 2011 at \$590,997, comprised of \$559,500 for 18 months of salary, together with \$18,000 in auto allowance, \$9,346 in employer health insurance contributions, and \$4,151 for club membership dues for the 18 month period of time. The agreement provides that the severance payment, which the Company may elect to pay in a lump sum or ratably over the eighteen months, is subject to the limitations on severance payments imposed by the American Jobs Creation Act of 1986 and Section 409A of the Internal Revenue Code. If the agreement is terminated for cause, Mr. Gathright would not be entitled to the severance payments and severance benefits specified in the Agreement. Termination of the agreement on account of Mr. Gathright’s death or disability is treated as a termination without cause so the total severance payments would be \$590,997 in either event.

Michael Shore. By letter agreement dated February 7, 2002, the Company and Mr. Shore had agreed to his employment as our Chief Financial Officer, Senior Vice President and Treasurer. The letter agreement also provides that the Company will give Mr. Shore six month's notice prior to terminating his employment without cause and that Mr. Shore will give a corresponding six month notice to the Company prior to any resignation. Effective May 24, 2010, Mr. Shore's base salary was increased from \$210,000 per annum to \$238,000. All other terms of Mr. Shore's letter agreement remained the same. The Company therefore estimates its liability for terminating Mr. Shore's employment at the end of fiscal 2011 would have been approximately \$128,081, comprised of \$119,000 for six months of salary, together with \$6,000 in auto allowance, and \$3,081 in employer health insurance contributions for the six month period of time. Mr. Shore's entitlement to receive such payments and compensation would, however, require him to continue to provide services as a full time employee for the six month period unless the Company declines to accept those services.

L. Patricia Messenbaugh. By letter agreement dated April 6, 2007, the Company and Ms. Messenbaugh agreed to her employment as our Vice President of Finance and Accounting. Effective May 24, 2010, Mr. Messenbaugh's base salary was increased from \$160,000 per annum to \$183,000.

- (1) Amounts shown do not reflect compensation actually received by our directors or the actual value that may be recognized by the directors with respect to these awards in the future. Instead, the amounts shown are the grant date fair values determined in accordance with FASB ASC Topic 718 for stock-based awards granted pursuant to our 2009 Equity Incentive Plan. The calculation of those amounts are included in Note 8 to our audited financial statements for the fiscal year ended June 30, 2011, included in our Annual Report on Form 10-K filed with the SEC on September 28, 2011.
- (2) Includes a \$5,000 payment per quarter for management consultation and oversight duties as liaison between management and the other non-employee directors.
- (3) This amount represents cash payments in the amount of \$2,210 in connection with tax reimbursements with regard to grants of restricted stock, as well as reimbursable out-of-pocket expenses if applicable.
- (4) Includes a \$4,000 payment per quarter for duties as the Chairman of the Audit Committee.
- (5) Includes a \$1,500 payment per quarter for duties as the Chairman of the Compensation Committee.
- (6) Includes a \$1,000 payment per quarter as Chairman of the Corporate Governance Committee.
- (7) Includes a \$1,000 payment per quarter as Chairman of the Nominating Committee.
- (8) Joined the Board of Directors on May 11, 2011. This amount represents reimbursable out-of-pocket expenses.

During the fiscal year ended June 30, 2011, we compensated each non-employee director with a director's fee of \$5,000 per quarter. In addition, our directors are reimbursed for any out-of-pocket expense incurred by them for attendance at meetings of the Board of Directors or committees thereof. The Chairman of the Audit Committee received an additional fee of \$4,000 per quarter, the Chairmen of the Compensation, Corporate Governance and Nominating Committees received additional fees of \$1,500, \$1,000 and \$1,000 per quarter, respectively.

Each non-employee who served as a member of our Board of Directors as of May 10, 2001, the effective date of the 2001 Directors Stock Option Plan (the "2001 Directors Plan") received a fully vested option to purchase 4,445 shares of stock at an exercise price equal to the Fair Market Value (as determined under the 2001 Directors Plan) of a share of stock on the Grant Date. In addition, on the last day of each fiscal quarter until and including December 31, 2009, each non-employee director received an additional grant of an option to purchase 334 shares at an exercise price equal to the Fair Market Value (as determined under the 2001 Directors Plan) of a share of stock on the Grant Date. Prior to March 31, 2007, the grant was 162 shares (as adjusted for our reverse stock split).

On December 10, 2009, our stockholders approved the adoption of our 2009 Equity Incentive Plan (the "Plan"). The Plan authorizes the Compensation Committee (the "Committee") to grant to eligible participants, including officers, directors, employees and certain consultants to the Company, (i) stock options (which may be non-qualified options or incentive stock options for tax purposes), (ii) stock appreciation rights (which may be issued in tandem with stock options), (iii) restricted stock awards, (iv) performance units (which may be denominated in shares of our Common Stock, cash or a combination thereof), and (v) supplemental cash payments (collectively, "Awards"). Any of the Awards may be conditioned upon the achievement of stated performance objectives, as selected by the Committee, vesting after the completion of a stated period of service with the Company, or both. Under the Plan, the Committee may also waive any conditions or restrictions on Awards, in whole or in part, based on performance or such other factors as it determines, in its sole discretion.

The Committee determined that it was reasonable and appropriate to commence a program of making stock grants under the Plan to the non-employee members of the Board of Directors in lieu of our historical practice of quarterly stock option grants to those directors. The Committee resolved that, in order to better align the interests of the non-employee directors with those of our stockholders and to provide additional non-cash compensation to the non-employee directors commensurate with their increased duties and responsibilities, each non-employee director will receive an automatic grant of 1,000 shares of restricted stock under the Plan on the last day of each fiscal quarter. The Committee determined that, in light of the limitations imposed by law and by our insider trading policy on any sale of stock by the non-employee directors, it was reasonable and appropriate to waive any restrictions on

these quarterly Awards upon delivery of the shares to non-employee directors, and to make an additional cash payment equal to 50% of the value of the shares to such director valued at the closing price of the Common Stock on Nasdaq on the trading day immediately preceding the date of the grant in order to encourage the directors to hold on to the stock rather than selling all or a portion thereof to pay taxes due therefor.

#### Compensation Committee Interlocks and Insider Participation

Messrs. Moore, Mulkey and Picow served as members of the Compensation Committee during the last fiscal year. No member of the Compensation Committee during fiscal 2011 was an officer, former officer or employee of the Company or had any financial relationship with the Company other than the compensation they received for serving as independent directors of the Company. The Company is not aware of any interlocks or insider trading participation required to be disclosed under applicable rules of the Securities and Exchange Commission.

### Item 13. Certain Relationships, Related Transactions, and Director Independence

#### Independence of the Board of Directors

After considering all of the relevant facts and circumstances, our Board of Directors has determined that each of Messrs. Goldberg, Moore, Mulkey, Picow and Woodward is independent from our management and qualifies as an "independent director" pursuant to Nasdaq Rule 5605(a)(2). The Board of Directors determined that none of the above referenced directors (1) is an officer or employee of the Company or its subsidiaries or (2) has any direct or indirect relationship that would interfere with the exercise of his independent judgment in carrying out the responsibilities of a director. A majority of our directors are therefore independent directors as required by Nasdaq Rule 5605(b)(1).

#### Certain Relationships and Related Transactions

C. Rodney O'Connor, a Director of the Company, also is Chairman of Cameron Associates, Inc., a financial consulting and investor relations public relations firm, that has provided investor relations services to the Company since 1997. During fiscal 2011, the Company paid \$78,000, plus \$1,105.58 for expenses, to Cameron Associates, Inc. for such services, compared to \$78,000 during fiscal 2010.

We have a stated policy against any conflict of interest transaction in our Code of Business Conduct, which was most recently revised by the Board of Directors in November 2010. The Code of Business Conduct specifically prohibits officers, directors and employees from employment by, or investment in, any current or prospective customer, supplier or competitor of the Company. The Code of Business Conduct also prohibits acceptance of commissions, compensation or excessive gifts or entertainment from persons or firms with which the Company does or may do business, as well as any exploitation of a corporate opportunity for personal profit. Exceptions to the prohibitions on conflict of interest transactions may be made on a case-by-case basis to avoid undue hardship, such as investments made before employment or other pre-existing relationships, such as our longstanding business relationship with Cameron Associates, Inc.

The Charter of the Corporate Governance Committee includes a requirement for that committee to approve any transaction involving the Company and a related party in which the parties' relationship could enable the negotiation of terms on other than an independent, arm's length basis. For these purposes, a "related party transaction" includes any transaction that is required to be disclosed pursuant to Item 404 of SEC Regulation S-K. In making any determination concerning whether to approve a related party transaction, the Corporate Governance Committee is guided by our Code of Business Conduct. The Corporate Governance Committee Charter specifically provides that the Committee shall review with management actions taken to ensure compliance with the Code of Conduct. The Charter also requires the Corporate Governance Committee to review any conduct of executive officers or directors that is alleged to be in violation or potential violation of the Code and, in appropriate instances, grant a waiver or exception for specific individuals. The Corporate Governance Committee has the authority to cause the Company to take remedial, disciplinary or other measures against executive officers and directors who violate the Code of Conduct and to cause the prompt public disclosure of any waiver of or change to the Code as it relates to executive officers or directors.
