Item 8.01 Other Events.

On November 22, 2011, American Standard Energy Corp. (the “Company”) entered into a letter of intent (the “LOI”) with Cross Border Resources, Inc., (“Cross Border”) which memorialized the Company’s intent to acquire Cross Border (the “Proposed Business Combination”) and granted to the Company the exclusive right to enter into such a transaction with Cross Border between November 22, 2011 and January 31, 2012 (the “Term”).

Pursuant to the Proposed Business Combination, Cross Border would merge with and into a wholly owned subsidiary of the Company, with such subsidiary continuing as the surviving entity. The Company has the right to alter the structure of the Proposed Business Combination during the Term. The consideration payable to stockholders of Cross Border will be a number of shares of the Company’s common stock determined within 30 days of the date of the LOI based on an agreed price for Cross Border and the relative net asset value of the Company.

The Proposed Business Combination is subject to the execution and delivery by the Company and Cross Border of a mutually satisfactory, definitive merger agreement containing customary representations, warranties, covenants, indemnities and closing conditions. The anticipated closing date would be on or before March 31, 2012.

The Company and Cross Border agreed to use their best efforts to complete their respective due diligence investigations by December 31, 2011. During the Term, the Company has the exclusive right to enter into the Proposed Business Combination. Cross Border agreed that none of it, its officers, directors, employees, any investment banker, financial adviser, attorney, accountant or other representative of Cross Border would submit, solicit, initial, encourage or discuss with third parties (or facilitate or furnish information with respect to) any proposal or offer from any person relating to a transaction alternative to the Proposed Business Combination.

If Cross Border breaches its exclusivity obligations during the Term and closes an alternative transaction with a third party within 12 months of the end of the Term, Cross Border will be obliged to reimburse the Company for all of the Company’s due diligence and financing-related costs, together with all expenses and out-of-pocket costs, incurred in connection with the preparation, review, negotiation, execution and delivery of the LOI and the definitive merger agreement, if any, and any other documents related thereto, in an amount up to \$200,000.

The LOI may be terminated by mutual consent; by either party upon completion of its due diligence investigation; by the Company if, on or prior to December 31, 2011, Cross Border has not obtained the approval of its board of directors for the Proposed Business Combination and confirmed that it is satisfied with its due diligence investigation of the Company; or by either party if they have not executed a definitive merger agreement on or prior to January 31, 2012.

The foregoing summary of the terms of the LOI is qualified in its entirety by reference to the full text of the LOI, a copy of which is attached hereto as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The Company announced today that it executed the LOI described above: please see the press release (released pursuant to Rule 425 under the Securities Act of 1933) attached as Exhibit 99.1 hereto.
