MARCH 14, 2012

March 14, 2012

To Our Fellow Cross Border Resources, Inc. Stockholders:

This Consent Statement and the enclosed **WHITE** consent card are being furnished by Red Mountain Resources, Inc. ("RMR"), its wholly owned subsidiary, Black Rock Capital, Inc. ("Black Rock" and together with RMR referred to herein as "Red Mountain," "we" or "us"), and its nominees listed below. Red Mountain owns in the aggregate approximately 29.9% of the outstanding shares of common stock of Cross Border Resources, Inc., a Nevada corporation ("Cross Border" or the "Company"), making us the Company's largest stockholder. We are soliciting your consent for a number of proposals, the effect of which will be to add six (6) highly qualified director nominees to the Board of Directors of Cross Border (the "Board"). By providing your consent, you will help to enable these proposals to reconstitute the Board to succeed and help ensure that stockholders' best interests are being looked after by the Board. We urge all stockholders to support this effort.

We are extremely dissatisfied with the current direction of the Company and have serious concerns about recent actions taken by the Board. For instance, while the Company has stated its strategic plan is to focus on oil and gas exploration in the Permian Basin, Cross Border recently entered into a letter of intent in furtherance of a merger with American Standard Energy Corp. ("American Standard"), whose area of focus is on regions in the Permian Basin of Southeast New Mexico and West Texas, the Eagle Ford Shale Formation of South Texas, and the Bakken Shale Formation in North Dakota. This letter of intent, which included uncustomary exclusivity provisions, was terminated less than a month after it was signed. We question the Board's decision to waste time and Company resources in pursuit of a merger transaction when it knew, or should have known, that such a merger transaction would not be supported by a vast majority of the Company's stockholders.

We also question the Company's recent corporate governance practices, which do not appear to be in the best interests of stockholders. For example, on November 14, 2011, just a week before signing the letter of intent with American Standard, the Board adopted an amendment to the Company's Bylaws that provides that any person or associated group of persons who acquire 30% or more of the outstanding Common Stock of Cross Border (a "controlling interest") (excluding certain shares as described in more detail elsewhere in this Consent Statement) obtains only such voting rights with respect to any shares of Common Stock such person(s) acquired after acquiring a controlling interest and any shares of Common Stock acquired within 90 days immediately preceding the date when such person(s) acquired a controlling interest as are conferred by a resolution of the stockholders of Cross Border approved by the holders of a majority of the voting power of Cross Border. The amendment to the Bylaws is silent as to whether

it would apply to a proxy or consent solicitation conducted in accordance with the provisions of Section 14 of the Exchange Act although Cross Border has indicated it believes such provision would apply. As a result, any stockholder executing a consent in connection with this Consent Solicitation would be deemed by Cross Border to be an associated person with Red Mountain thereby triggering the provision and effectively restricting the ability of stockholders to exercise their voting rights. Additionally, effective February 27, 2012, the Board adopted another amendment to the Company's Bylaws that purportedly restricts the ability of stockholders to act by written consent and renders this Consent Solicitation invalid. We intend to challenge the validity of this amendment, as described elsewhere in this Consent Statement. Furthermore, the Company has not held an annual meeting of stockholders for the election of directors since its inception in 2006. These facts taken together give us little reason to believe that the current Board truly has the best interests of its stockholders in mind. To us, it appears that the recent Bylaw amendments serve to disenfranchise stockholders and entrench the current Board members. We therefore believe it is time for a change in the Company's Board of Directors.

That is why we are conducting this solicitation seeking to add our six qualified nominees, Alan W. Barksdale, Paul N. Vassilakos, Richard Y. Roberts, Lynden B. Rose, Randell K. Ford and William F. Miller, III, as directors. These individuals are committed to maximizing stockholder value through re-focusing the direction of Cross Border to its stated strategic plan and through reinforcing good corporate governance practices to avoid board members and management from simply attempting to entrench themselves.

We urge you to carefully consider the information contained in the attached Consent Statement and then support our efforts by signing, dating and returning the enclosed WHITE consent card today. The attached Consent Statement and the enclosed WHITE consent card are first being furnished to the stockholders on or about March 20, 2012. We urge you not to sign any revocation of consent card that may be sent to you by Cross Border. If you have done so, you may revoke that revocation of consent by delivering a later dated WHITE consent card to Red Mountain or to the principal executive offices of Cross Border.

If you have any questions or require any assistance in executing your consent, please contact Morrow & Co., LLC at (800) 662-5200.

Thank you for your support,

CONSENT STATEMENT

OF

RED MOUNTAIN RESOURCES, INC. & BLACK ROCK CAPITAL, INC.

PLEASE SIGN, DATE AND MAIL THE ENCLOSED WHITE CONSENT CARD TODAY

This Consent Statement and the enclosed **WHITE** consent card are being furnished by Red Mountain Resources, Inc. (“RMR”), its wholly owned subsidiary, Black Rock Capital, Inc. (Black Rock” and together with RMR referred to herein as “Red Mountain,” “we” or “us”), and its six nominees listed below in connection with our solicitation of written consents from you, holders of shares of Common Stock, par value \$0.001 per share (the “Common Stock”), of Cross Border Resources, Inc., a Nevada corporation (“Cross Border” or the “Company”). A solicitation of written consents is a process that allows a company’s stockholders to act by submitting written consents to any proposed stockholder actions in lieu of voting in person or by proxy at an annual or special meeting of stockholders. We are soliciting written consents from the holders of shares of Common Stock to take the following actions (each, as more fully described in this Consent Statement, a “Proposal” and together, the “Proposals”), in the following order, without a stockholders’ meeting, as authorized by Nevada law:

Proposal No. 1 – Amend Article IV, Section 15 of Cross Border’s Bylaws (the “Bylaws”) to provide that stockholders have the ability to fix the size of the Company’s Board of Directors (the “Board”) and to increase the size of the Board to eleven directors (the “Board Size Proposal”);

Proposal No. 2 – Amend Article IV, Section 18 of the Bylaws to allow newly created directorships resulting from an increase in the size of the Board to be filled by a vote of the stockholders (the “Vacancy Proposal”);

Proposal No. 3 - Subject to approval of Proposals 1 and 2, elect each of Alan W. Barksdale, Paul N. Vassilakos, Richard Y. Roberts, Lynden B. Rose, Randell K. Ford and William F. Miller, III (each, a “Nominee” and collectively, the “Nominees”) to serve as a director of Cross Border (or, if any such Nominee is unable or unwilling to serve as a director of Cross Border, any other person designated as a Nominee by Red Mountain) (the “Election Proposal”);

Proposal No. 4 – Repeal the amendments to the Bylaws adopted by the Board on November 14, 2011 which added Article XIII – Acquisition of a Controlling Interest (the “Bylaw Amendment Repeal Proposal”); and

Proposal No. 5 – Remove the power of the Board to amend the Bylaws prior to the next annual meeting of stockholders and repeal any provision of the Bylaws adopted by the Board in effect at the time this proposal becomes effective that was not included in the Bylaws as of the date of the initial filing of this Consent

Solicitation on February 21, 2012 with the Securities and Exchange Commission (the “Bylaw Restoration Proposal”).

Red Mountain and Alan W. Barksdale, Paul N. Vassilakos, Richard Y. Roberts, Lynden B. Rose, Randell K. Ford and William F. Miller, III are members of a group formed in connection with this consent solicitation and are deemed participants in this consent solicitation. See “Additional Information Concerning the Participants.”

This Consent Statement and the enclosed **WHITE** consent card are first being sent or given to the stockholders of Cross Border on or about March 20, 2012 (the “Mailing Date”).

We are soliciting your consent in favor of approving the amendments to the Bylaws and electing the Nominees because we do not believe the current Board has been acting in the best interests of the Company’s stockholders. If successful in our consent solicitation, then the Board will be composed of the six Nominees and continuing directors Everett Willard Gray II, Lawrence J. Risley, Brad E. Heidelberg, Richard F. LaRouche Jr. and John Hawkins.

We are also soliciting your consent in favor of the adoption of the Vacancy Proposal to ensure that, if the size of the Board is increased to eleven directors, the stockholders have the ability to elect the Nominees to the Board to fill such newly created directorships.

Finally, we are soliciting your consent in favor of the adoption of the Bylaw Amendment Repeal Proposal and Bylaw Restoration Proposal to ensure that the incumbent Board does not take any additional action that could limit the effect of your consent to set the size of the Board at eleven and elect the Nominees as set forth herein.

Red Mountain has delivered a signed written consent to Cross Border at its principal place of business on February 21, 2012. Under Nevada law, this will represent the date used to determine stockholders entitled to give their written consent to the Proposals pursuant to this Consent Solicitation (the “Record Date”). Under the applicable provisions of the Bylaws, stockholders of record as of the close of business on the Record Date will be entitled to one vote for each share of Common Stock.

RED MOUNTAIN URGES YOU TO SIGN, DATE AND RETURN THE WHITE CONSENT CARD IN FAVOR OF THE PROPOSALS DESCRIBED HEREIN.

The effectiveness of each of the Proposals requires the affirmative consent of a majority of the Common Stock outstanding as of the close of business on the Record Date. Each Proposal will be effective without further action when we deliver to Cross Border such requisite number of consents. The Board Size Proposal, the Vacancy Proposal, the Bylaw Amendment Repeal Proposal and the Bylaw Restoration Proposal are not subject to, or conditioned upon, the effectiveness of the other Proposals. The Election Proposal is conditioned upon the authority of stockholders to fix the number of directors and to increase of the size of the Board to eleven directors pursuant to the Board Size Proposal and the ability of stockholders to fill newly created directorships resulting from an increase in the size of the Board pursuant to the Vacancy Proposal. If stockholders are not able to fix the size of the Board, do not increase the size of the Board to eleven directors and are not able to fill the newly created directorships, pursuant to the Board Size Proposal and the Vacancy Proposal, then stockholders will not be able to elect the Nominees pursuant to the Election Proposal.

In addition, none of the Proposals will be effective unless the delivery of the written consents complies with Section 78.320 of the Nevada Revised Statutes. While there is no deadline for submitting properly completed and unrevoked written consents to effectuate the Proposals, we intend to set April 20, 2012 as the goal for submission of written consents.

WE URGE YOU TO ACT TODAY TO ENSURE THAT YOUR CONSENT WILL COUNT. Red Mountain reserves the right to submit to Cross Border consents at any time following the earliest dated written consent delivered to Cross Border. See “Consent Procedures” for additional information regarding such procedures.

As of the Record Date, Red Mountain was the owner of an aggregate of 4,837,425 shares of Common Stock, which currently represents approximately 29.9% of the issued and outstanding shares of Common Stock. Red Mountain consented in favor of the Proposals with respect to all of such shares of Common Stock.

As of the Record Date, there were 16,151,946 shares of the Company’s Common Stock outstanding, as reported in the Company’s Preliminary Revocation Statement filed with the Securities and Exchange Commission (“SEC”) on March 7, 2012, each entitled to one consent per share. The mailing address of the principal executive offices of Cross Border is 22610 US Highway 281 N., Suite 218, San Antonio, Texas 78258.

We urge you to vote in favor of the Proposals by signing, dating and returning the enclosed **WHITE** consent card. The failure to sign and return a consent will have the same effect as voting against the Proposals. Please note that in addition to signing the enclosed **WHITE** consent card, you must also date it to ensure its validity.

IMPORTANT

PLEASE READ THIS CAREFULLY

If your shares of Common Stock are registered in your own name, please submit your consent to us today by signing, dating and returning the enclosed **WHITE** consent card in the postage-paid envelope provided.

If you hold your shares in “street” name with a bank, broker firm, dealer, trust company or other nominee, only they can exercise your right to consent with respect to your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to consent to the Proposals to your bank, broker firm, dealer, trust company or other nominee. Please follow the instructions to consent provided on the enclosed **WHITE** consent card. If your bank, broker firm, dealer, trust company or other nominee provides for consent instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed **WHITE** consent card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Red Mountain Resources, Inc., 2515 McKinney Avenue, Suite 900, Dallas, Texas 75201, Attn: Alan W. Barksdale, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

Execution and delivery of a consent by a record holder of shares of Common Stock will be presumed to be a consent with respect to all shares held by such record holder unless the consent specifies otherwise.

Only holders of record of shares of Common Stock as of the close of business on the Record Date will be entitled to consent to the Proposals. If you are a stockholder of record as of the close of business on the Record Date, you will retain your right to consent even if you sell your shares of Common Stock after the Record Date.

IF YOU TAKE NO ACTION, YOU WILL IN EFFECT BE REJECTING THE PROPOSALS. ABSTENTIONS, FAILURES TO CONSENT AND BROKER NON-VOTES WILL HAVE THE SAME EFFECT AS WITHHOLDING CONSENT.

If you have any questions regarding your **WHITE** consent card or need assistance in executing your consent, please contact Morrow & Co., LLC at (800) 662-5200.

QUESTIONS AND ANSWERS ABOUT THIS CONSENT SOLICITATION

The following are some of the questions you, as a stockholder, may have and answers to those questions. The following is not meant to be a substitute for the information contained in the remainder of this Consent Statement, and the information contained below is qualified by the more detailed descriptions and explanations contained elsewhere in this Consent Statement. We urge you to carefully read this entire Consent Statement prior to making any decision on whether to grant any consent hereunder.

WHO IS MAKING THE SOLICITATION?

The solicitation is being made by Red Mountain and the six Nominees. RMR is a public company organized under the laws of the state of Florida with its principal executive offices located at 2515 McKinney Avenue, Suite 900, Dallas, Texas 75201. RMR operates through its wholly owned subsidiaries, including Black Rock.

As of the Record Date, Red Mountain, directly and through its wholly owned subsidiary, Black Rock, held in the aggregate 4,837,425 shares of Common Stock, or approximately 29.9% of the Common Stock outstanding.

For additional information on the participants, please see “Additional Information Concerning the Participants” starting on page 17 of this Consent Statement.

WHAT ARE WE ASKING THAT THE STOCKHOLDERS CONSENT TO?

We are asking you to consent to five corporate actions: (1) the Board Size Proposal, (2) the Vacancy Proposal, (3) the Election Proposal, (4) the Bylaw Amendment Repeal Proposal and (5) the Bylaw Restoration Proposal.

We are asking you to consent to the Board Size Proposal, Vacancy Proposal and Election Proposal to set the size of the Board at eleven directors and to elect the Nominees. In addition, in order to ensure that your consent to set the size of the Board at eleven directors and elect the Nominees will not be eliminated, modified or diminished by actions already taken or that may be taken after the filing of this Consent Statement by the Board prior to the increase in the size of the Board and the election of the Nominees, we are asking you to consent to the Bylaw Amendment Repeal Proposal and the Bylaw Restoration Proposal.

WHO ARE THE NOMINEES THAT WE ARE PROPOSING TO ELECT TO THE BOARD?

We are asking you to elect each of Alan W. Barksdale, Paul N. Vassilakos, Richard Y. Roberts, Lynden B. Rose, Randell K. Ford and William F. Miller, III to serve as a director of Cross Border. They are highly qualified, experienced and well-respected members of the business community who are committed to act in the best interests of Cross Border and its stockholders.

For information regarding the Nominees, please see the section titled “PROPOSAL 3 – THE ELECTION PROPOSAL – THE NOMINEES” starting on page 9 of this Consent Statement.

WHY ARE WE SOLICITING YOUR CONSENT?

We are soliciting your consent because we believe the current Board is not acting with the best interests of stockholders in mind. This solicitation is being undertaken in order to elect six stockholder representatives to the Board.

-3-

WHO IS ELIGIBLE TO CONSENT TO THE PROPOSALS?

If you are a holder of Common Stock as of the close of business on the Record Date, you have the right to consent to the Proposals. Under Nevada law, the Record Date will be used to determine stockholders entitled to give their written consent to the Proposals pursuant to this Consent Solicitation. Under the applicable provisions of the Bylaws, stockholders of record as of the close of business on the Record Date will be entitled to one vote for each share of Common Stock.

WHEN IS THE DEADLINE FOR SUBMITTING CONSENTS?

We urge you to submit your consent as soon as possible. In order for our Proposals to be adopted, the Company must receive written unrevoked consents signed by a sufficient number of stockholders to adopt the Proposals. Red Mountain has delivered a signed written consent to Cross Border on February 21, 2012. While Nevada law does not set forth a deadline by which we must submit valid, unrevoked consents representing a sufficient number of shares of Common Stock to adopt the Proposals, we nevertheless intend to set April 20, 2012 as the goal for submission of written consents. **WE URGE YOU TO ACT AS SOON AS POSSIBLE TO ENSURE THAT YOUR CONSENT WILL COUNT.**

HOW MANY CONSENTS MUST BE RECEIVED IN ORDER TO ADOPT THE PROPOSALS?

The Proposals will be adopted and become effective when properly completed, unrevoked consents are signed by the holders of a majority of the outstanding shares of Common Stock as of the close of business on the Record Date and delivered to the Company. According to the Company's Preliminary Revocation Statement filed with the SEC on March 7, 2012, as of the Record Date, there were 16,151,946 shares of the Company's Common Stock outstanding, each entitled to one consent per share. Cumulative voting is not permitted. Therefore, the consent of the holders of at least 8,075,974 shares of Common Stock would be necessary to effect these Proposals.

WHAT SHOULD YOU DO TO CONSENT TO OUR PROPOSALS?

If your shares of Common Stock are registered in your own name, please submit your consent to us by signing, dating and returning the enclosed **WHITE** consent card in the postage-paid envelope provided.

If you hold your shares in "street" name with a bank, broker firm, dealer, trust company or other nominee, only they can exercise your right to consent with respect to your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to consent to the Proposals to your bank, broker firm, dealer, trust company or other nominee. Please follow the instructions to consent provided on the enclosed **WHITE** consent card. If your bank, broker firm, dealer, trust company or other nominee provides for consent instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed

WHITE consent card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Red Mountain Resources, Inc., 2515 McKinney Avenue, Suite 900, Dallas, Texas 75201, Attn: Alan W. Barksdale, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

WHOM SHOULD YOU CALL IF YOU HAVE QUESTIONS ABOUT THE SOLICITATION?

Please call Morrow & Co., LLC at (800) 662-5200.

IMPORTANT

Red Mountain urges you to express your consent on the **WHITE** consent card TODAY to:

the Board Size Proposal, Vacancy Proposal and the Election Proposal to set the size of the Board at eleven directors and elect the Nominees, Alan W. Barksdale, Paul N. Vassilakos, Richard Y. Roberts, Lynden B. Rose, Randell K. Ford and William F. Miller, III; and

the Bylaw Amendment Repeal Proposal and Bylaw Restoration Proposal to ensure that the incumbent Board does not limit the effect of your consent to set the size of the Board at eleven and elect the Nominees.

REASONS FOR OUR SOLICITATION

Red Mountain currently owns approximately 29.9% of the outstanding Common Stock of Cross Border. As the largest stockholder of Cross Border, we have a vested financial interest in the maximization of the value of the Company's Common Stock. **Our interests are aligned with the interests of all stockholders: We have one simple goal – to maximize the value of the Common Stock for all stockholders.**

We are extremely dissatisfied with the current direction of the Company, as we believe it is not following through on its originally stated business plan to focus on oil and gas exploration in the Permian Basin. For instance, the Company recently signed a letter of intent in furtherance of a merger with American Standard Energy Corp. ("American Standard"), whose area of focus is on regions in the Permian Basin of West Texas, the Eagle Ford Shale Formation of South Texas, and the Bakken Shale Formation in North Dakota. This letter of intent, which included uncustomary exclusivity provisions, was terminated less than a month after it was signed. We question the Board's decision to waste time and Company resources in pursuit of a merger transaction when it knew, or should have known, that such a merger transaction would not be supported by a vast majority of the Company's stockholders.

We also question the Company's recent corporate governance practices, which do not appear to be in the best interests of stockholders. For example, on November 14, 2011, just a week before signing the letter of intent with American Standard, the Board adopted an amendment to the Company's Bylaws that provides that any person or associated group of persons who acquire a controlling interest (excluding certain shares as described in more detail elsewhere in this Consent Statement) obtains only such voting rights with respect to any shares of Common Stock such person(s) acquired after acquiring a controlling interest and any shares of Common Stock acquired within 90 days immediately preceding the date when such person(s) acquired a controlling interest as are conferred by a resolution of the stockholders of Cross Border approved by the holders of a majority of the voting power of Cross Border. The amendment to the Bylaws is silent as to whether it would apply to a proxy or consent solicitation conducted in accordance with the provisions of Section 14 of the Exchange Act although Cross Border has indicated it believes such provision would apply. As a result, any stockholder executing a consent in connection with this Consent Solicitation would be deemed by Cross Border to be an associated person with Red Mountain thereby triggering the provision and effectively restricting the ability of stockholders to exercise their voting rights. Additionally, effective February 27, 2012, the Board adopted another amendment to the Company's Bylaws that purportedly restricts the ability of stockholders to act by written consent and renders this Consent Solicitation invalid. We intend to present a challenge to the validity of this amendment, as described below. Furthermore, the Company has not held an annual meeting of stockholders for the election of directors since its inception in 2006.

These facts taken together give us little reason to believe that the current Board truly has the best interests of stockholders in mind. To us, it appears that the recent Bylaw amendment serves to disenfranchise stockholders and entrench the current Board members. We therefore believe it is time for a change in the Company's Board of Directors.

As a result of the foregoing, we are seeking to add six directors in order to bolster the composition of the Board with directors committed to promoting an atmosphere of accountability and oversight. Each of the director nominees is qualified to serve on the Board. These individuals are committed to maximizing stockholder value through re-focusing the direction of Cross Border to its stated strategic plan and through reinforcing good corporate governance practices

to avoid board members and management from simply attempting to entrench themselves. We believe our six director nominees have the right skill-sets and qualifications to address any issues facing the Company as well as help to significantly improve the Company's corporate governance. If elected to the Board, the Nominees will, subject to their fiduciary duties as directors, endeavor to explore all opportunities to enhance stockholder value. We believe that the election of the Nominees will send a strong message to the Board that further operational and strategic changes are required in order to maximize stockholder value.

On December 12, 2011, Red Mountain filed a complaint in the District Court for Clark County, Nevada (the "District Court") seeking (i) an order directing Cross Border to conduct an annual meeting for the election of directors (the "Annual Meeting") and (ii) a declaration by the District Court that a proxy solicitation conducted by Red Mountain in connection with such Annual Meeting and in accordance with applicable rules and regulations would not, in and of itself, constitute or be deemed an "Association," for the purposes of, and as that term as defined, in Cross Border's Bylaws. Cross Border is contesting this action. We also intend to present a challenge to the validity of the February 27, 2012 Bylaw amendment in order to ensure that any consents lawfully delivered pursuant to this Consent Solicitation shall have the intended legal effect and represent valid legal action on the part of stockholders. The outcome of this litigation cannot be determined at this time.

PROPOSAL 1 – THE BOARD SIZE PROPOSAL

The Bylaws provide that the number of directors that constitute the Board shall be not less than one (1) nor more than nine (9), as fixed from time to time by resolution of the Board. Allowing stockholders to fix the number of directors comprising the Board and setting the size of the Board at eleven (11) directors will permit the stockholders of the Company to elect the Nominees. The text of the proposed amendment is set forth in Annex A to this Consent Statement.

The Election Proposal is conditioned upon the approval by the stockholders of this Board Size Proposal.

WE URGE YOU TO CONSENT TO THE BOARD SIZE PROPOSAL.

PROPOSAL 2 – THE VACANCY PROPOSAL

The Bylaws provide that vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by the affirmative vote of a majority of the directors then in office even though less than a quorum of the Board. Allowing newly created directorships resulting from an increase in the size of the Board to be filled by a vote of the stockholders will ensure that the stockholders have the ability to elect the Nominees to the Board. This proposal is also intended to in general give stockholders of the Company greater authority to elect directors of the Company who will be accountable to the stockholders. The text of the proposed amendment is set forth in Annex A to this Consent Statement.

The Election Proposal is conditioned upon the approval by the stockholders of this Vacancy Proposal. Assuming both are adopted, the nominees would immediately, upon delivery of the consents to Cross Border, be appointed to fill the vacancies without any ability by the Cross Border Board to fill the vacancies on their own.

WE URGE YOU TO CONSENT TO THE VACANCY PROPOSAL.

PROPOSAL 3 - THE ELECTION PROPOSAL

The Board is currently composed of five directors. For the reasons stated above, we are seeking your consent to elect the six Nominees, Alan W. Barksdale, Paul N. Vassilakos, Richard Y. Roberts, Lynden B. Rose, Randell K. Ford and William F. Miller, III.

THE NOMINEES

The following information sets forth the name, age, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of the Nominees. This information has been furnished to Red Mountain by the Nominees. The Nominees are citizens of the United States of America.

Alan Barksdale, 34 years old, has been the President, Chief Executive Officer and a director of RMR since June 2011 and served as its Interim Acting Chief Financial Officer from June 2011 to August 2011. Mr. Barksdale has also served as President of Black Rock since June 2010. Mr. Barksdale has also been the owner and president of the StoneStreet Group, Inc. ("SSG") since 2008. Mr. Barksdale formed SSG to provide advisory and management services and pursue merchant banking activities. At SSG, Mr. Barksdale oversees the firm's capital investments, manages its subsidiaries and serves as the senior advisor to SSG's clients. Through its wholly owned subsidiaries, SSG owns and operates upstream and midstream oil and gas assets, a portfolio of real assets and various investments in oilfield service companies. From January 2004 to April 2010, Mr. Barksdale was with Crews & Associates, an investment banking firm, where he served as a Director in the Capital Markets Group and served as senior banker for approximately 115 transactions. From August 2003 to October 2003, Mr. Barksdale served as an investment banker at Stephens Inc., an investment banking firm. From 2002 to August 2003, Mr. Barksdale was an investment banker at Crews & Associates.

In 2004, the National Association of Securities Dealers, Inc. alleged that Mr. Barksdale solicited an attorney to make contributions to officials of an issuer with which Stephens Inc. was engaging in municipal securities business. Mr. Barksdale was an investment banker of Stephens at the time. Without admitting or denying the allegations, Mr. Barksdale entered into an acceptance, waiver and consent decree that provided for a 30-day suspension from associating with any NASD member and a \$5,000 fine.

Mr. Barksdale graduated from the University of Arkansas at Little Rock in 2001 where he received a Bachelor of Business Administration with an emphasis in Finance. He is registered with FINRA, MSRB, PSA and various state securities departments throughout the US. Mr. Barksdale also holds Series 7 and Series 63 licenses.

We believe Mr. Barksdale is well-qualified to serve as a director of Cross Border as a result of his operational and managerial experience in the oil and gas industry.

Paul N. Vassilakos, 35 years old, has been a director of RMR since October 2011. Mr. Vassilakos also previously served as RMR's President and Chief Executive Officer from February 2011 to March 2011. From November 2011 through February 2012, Mr. Vassilakos served as Chief Executive Officer and Chief Financial Officer, and director of Soton Holdings Group Inc. Mr. Vassilakos has been the assistant treasurer of Cullen Agricultural Holding Corp. ("CAH") since October 2009. CAH is a publicly held development stage agricultural company which was formed in connection with the business combination between Triplecrown Acquisition Corp. and Cullen Agricultural Technologies, Inc. ("Cullen Agritech") in October 2009. At CAH, Mr. Vassilakos is responsible for business development, maintenance of financial accounts and public company reporting. Prior to CAH's formation, Mr. Vassilakos assisted Triplecrown Acquisition Corp. with the completion of its initial public offering and later the business combination with Cullen Agritech. In July 2007, Mr. Vassilakos founded Petrina Advisors, Inc. ("Petrina"), a privately held advisory firm formed to provide investment banking services for public and privately held companies, and has served as its president since its formation. None of the Nominees own any shares of Common Stock of Cross Border. However, each of the Nominees, as members of a “group” for the purposes of Rule 13d-5(b)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), may be deemed to beneficially own the 4,837,425 shares of Common Stock owned in the aggregate by Red Mountain. Each of the Nominees disclaims beneficial ownership of such shares of Common Stock not directly owned by him, except to the extent of his ultimate pecuniary interest therein, if any. For information regarding transactions during the past two years by Red Mountain of securities of Cross Border, see Schedule I.

The Nominees will not receive any compensation from Red Mountain for their services as directors of Cross Border. Other than as stated herein, there are no arrangements or understandings between Red Mountain and any of the Nominees or any other person or persons pursuant to which the nomination described herein is to be made, other than the consent by each of the Nominees to be named in this Consent Statement and to serve as a director of Cross Border if elected. None of the Nominees is a party adverse to Cross Border or any of its subsidiaries or has a material interest adverse to Cross Border or any of its subsidiaries in any material pending legal proceedings.

Although Red Mountain has no reason to believe that any of the Nominees will be unable or unwilling to serve as directors, if any of the Nominees is not available for election, Red Mountain may designate such other nominee or nominees to be elected to the Board. In such case, Red Mountain will disseminate a supplement to the Consent Statement and a revised consent card, and will otherwise comply with the Company’s Bylaws and applicable provisions under SEC rules and regulations. Each of the Nominees has agreed to be named in this Consent Statement and to serve as a director of Cross Border, if elected. If elected, each Nominee will hold office until his successor is elected and qualified at Cross Border’s 2012 annual meeting of stockholders or until his earlier death, resignation, retirement, disqualification or removal.

If Red Mountain is successful in its solicitation of written consents and the Proposals are approved by stockholders and the Nominees are elected, a “Change in Control” of the Board may be deemed to have occurred. However, based upon publicly available information we are not aware of any change in control provisions in any of the Company’s material contracts, plans or agreements that would be triggered in the event of such a change in control.

The Election Proposal is conditioned upon the approval by the stockholders of the Board Size Proposal and the Vacancy Proposal.

WE URGE YOU TO VOTE FOR THE ELECTION OF THE NOMINEES ON THE ENCLOSED WHITE CONSENT CARD.

PROPOSAL 4 - THE BYLAW AMENDMENT REPEAL PROPOSAL

On November 14, 2011, the Board of Cross Border adopted amendments to the Bylaws adding a new Article XIII, "Acquisition of a Controlling Interest." The amendments generally provide that any person or associated group of persons who acquire a controlling interest (excluding shares issuable upon exercise of any derivative securities of Cross Border that have not been exercised at that time) obtains only such voting rights with respect to any shares of Common Stock such person(s) acquired after acquiring a controlling interest and any shares of Common Stock acquired within 90 days immediately preceding the date when such person(s) acquired a controlling interest as are conferred by a resolution of the stockholders of Cross Border approved by the holders of a majority of the voting power of Cross Border, excluding shares of the acquirer and any person that has agreed to act in concert with the acquirer with respect to the Common Stock of Cross Border.

The amendments to the Bylaws are silent as to whether it would apply to a proxy solicitation conducted in accordance with the provisions of Section 14 of the Exchange Act, which we believe would be contrary to public policy. However, Cross Border has indicated it believes such provision would apply. As a result, any stockholder executing a consent in connection with this Consent Solicitation would be deemed by Cross Border to be an associated person with Red Mountain thereby triggering the provision and effectively restricting the ability of stockholders to exercise their voting rights. Accordingly, on December 12, 2011, Red Mountain filed a complaint with the District Court seeking a declaration by the District Court that a proxy solicitation conducted by Red Mountain in connection with such Annual Meeting and in accordance with applicable rules and regulations would not, in and of itself, constitute or be deemed an "Association," for the purposes of, and as that term as defined, in Cross Border's Bylaws. Cross Border is contesting this action. Accordingly, the outcome of this litigation cannot be determined at this time.

We are therefore asking you to consent to the adoption of the Bylaw Amendment Repeal Proposal to delete the newly added Article XIII.

WE URGE YOU TO CONSENT TO THE BYLAW AMENDMENT REPEAL PROPOSAL.

PROPOSAL 5 - THE BYLAW RESTORATION PROPOSAL

We are asking you to consent to the adoption of the Bylaw Restoration Proposal to ensure that the incumbent Board does not limit the effect of your consent to increase the size of the Board to eleven directors and elect the Nominees to fill such newly created directorships through changes to the Bylaws not filed with the SEC as of the initial filing of this Consent Statement. The Bylaws permit the Board to amend the current Bylaws, or enact new Bylaws, without stockholder approval. To this end, effective February 27, 2012, the Board adopted another amendment to the Company's Bylaws that purportedly restricts the ability of stockholders to act by written consent and renders this Consent Solicitation invalid, an action clearly aimed at limiting existing stockholders' rights and abilities to take action in their capacity as stockholders of Cross Border. We are therefore asking you to repeal this and any other modification by the Board of the Bylaws as filed with the SEC as of the initial filing of this Consent Statement on February 21, 2012 and to amend the Bylaws to prohibit any other modification of the Bylaws by the Board prior to the next annual meeting. The text of the proposed amendment is set forth in Annex A to this Consent Statement.

If the Board does not effect any change to the version of the Bylaws publicly available in filings by Cross Border with the SEC on or before the date of the initial filing of this Consent Statement, the Bylaw Restoration Proposal will have no effect. However, if the incumbent Board has made changes since that time, or proposes to do so prior to the next annual meeting, the Bylaw Restoration Proposal, if adopted, will restore the Bylaws to the version that was publicly available in filings by Cross Border with the SEC as of the date of the initial filing of this Consent Statement (after effecting the changes effected by any of the Proposals which are approved), without considering the nature of any changes the incumbent Board may have adopted. As a result, the Bylaw Restoration Proposal could have the effect of repealing bylaw amendments which one or more stockholders of the Company may consider to be beneficial to them or to the Company. However, the Bylaw Restoration Proposal will not preclude the Board from reconsidering any repealed bylaw changes following the consent solicitation. We are not currently aware of any specific bylaw provision that would be repealed by the adoption of the Bylaw Restoration Proposal.

WE URGE YOU TO CONSENT TO THE BYLAW RESTORATION PROPOSAL.

NUMBER OF CONSENTS REQUIRED FOR THE PROPOSALS

Each of the Proposals will be adopted and become effective when properly completed, unrevoked consents are signed by the holders of a majority of the outstanding shares of Common Stock as of the close of business on the Record Date and delivered to the Company. According to the Company's Preliminary Revocation Statement filed with the SEC on March 7, 2012, as of the Record Date, there were 16,151,946 shares of the Company's Common Stock outstanding, each entitled to one consent per share. Cumulative voting is not permitted. Therefore, the consent of the holders of at least 8,075,973 shares of Common Stock would be necessary to effect the Proposals.

IF YOU TAKE NO ACTION, YOU WILL IN EFFECT BE REJECTING THE PROPOSALS. ABSTENTIONS, FAILURES TO CONSENT AND BROKER NON-VOTES WILL HAVE THE SAME EFFECT AS WITHHOLDING CONSENT. "Broker non-votes" occur when a bank, broker or other nominee holder has not received instructions with respect to a particular matter, including the Proposals, and therefore does not have discretionary power to vote on that matter. As a result, we urge you to contact your broker, banker or other nominee **TODAY** if any shares of Common Stock you own are held in the name of a broker, banker or other nominee and you have not provided to them instructions to promptly consent to the Proposals. Please follow the instructions to consent provided on the enclosed **WHITE** consent card. If your bank, broker firm, dealer, trust company or other nominee provides for consent instructions to be delivered to them by telephone or internet, instructions will be included on the enclosed **WHITE** consent card.

The Board Size Proposal, the Vacancy Proposal, the Bylaw Amendment Repeal Proposal and the Bylaw Restoration Proposal are not subject to, or conditioned upon, the effectiveness of the other Proposals. The Election Proposal is conditioned upon the effectiveness of the Board Size Proposal and the Vacancy Proposal. If the size of the Board is not increased, and there are no resulting vacancies to fill, the Nominees cannot be elected pursuant to the Election Proposal.

CONSENT PROCEDURES

Section 78.320 of the Nevada Revised Statutes provides that, absent a contrary provision in a Nevada corporation's articles of incorporation or bylaws, any action that is required or permitted to be taken at a meeting of the corporation's stockholders may be taken without a meeting, without a vote, if consents in writing, setting forth the action so taken, are signed by the holders of outstanding stock having a majority of the voting power. Cross Border's Articles of Incorporation does not contain any such contrary provision and Article III, Section 13 of the Bylaws previously specifically authorizes stockholders to take action by written consent. However, after Red Mountain delivered a signed written consent to Cross Border, the Board subsequently adopted another amendment to the Company's Bylaws, effective February 27, 2012, that purportedly restricts the ability of stockholders to act by written consent.

Section 78.120(2) of the Nevada Revised Statutes provides that, unless a company's articles of incorporation grant the exclusive right to directors, holders of a majority of the outstanding common stock shall have the power to adopt, amend or repeal such company's bylaws. Cross Border's Articles of Incorporation does not contain any such provision granting exclusive right to directors to amend the Bylaws.

Red Mountain has delivered a signed written consent to Cross Border at its principal place of business on February 21, 2012, representing the Record Date. Under Nevada law, the Record Date will be used to determine stockholders entitled to give their written consent to the Proposals pursuant to this Consent Solicitation. Under the applicable provisions of the Bylaws, stockholders of record as of the close of business on the Record Date will be entitled to one vote for each share of Common Stock.

While Nevada law does not set forth a deadline by which we must submit valid, unrevoked consents representing a sufficient number of shares of Common Stock to adopt the Proposals, we nevertheless intend to set April 20, 2012 as the goal for submission of written consents. **WE URGE YOU TO ACT TODAY TO ENSURE THAT YOUR CONSENT WILL COUNT.** We reserve the right to submit to Cross Border consents at any time following the delivery of the earliest dated written consent to Cross Border.

If the Proposals become effective as a result of this consent solicitation by less than unanimous written consent, prompt notice of the Proposals will be given to stockholders who have not executed written consents. All stockholders will be notified as promptly as possible by press release of the results of the solicitation.

APPRAISAL/DISSENER RIGHTS

Stockholders are not entitled to appraisal or dissenters' rights under Nevada law in connection with the Proposals or this Consent Statement.

Please note that in addition to signing the enclosed **WHITE** consent card, you must also date it to ensure its validity.

-16-

WE URGE YOU TO CONSENT TO ALL THE PROPOSALS ON THE ENCLOSED WHITE CONSENT CARD

Revocation of Written Consents. An executed consent card may be revoked at any time by delivering a written consent revocation before the time that the action authorized by the executed consent becomes effective. Revocations may only be made by the record holder that granted such consent. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. The delivery of a subsequently dated **WHITE** consent card that is properly executed will constitute a revocation of any earlier consent. The revocation may be delivered either to Red Mountain, or to the principal executive offices of Cross Border. Although a revocation is effective if delivered to Cross Border, we request that either the original or photostatic copies of all revocations of consents be mailed or delivered to Red Mountain Resources, Inc., 2515 McKinney Avenue, Suite 900, Dallas, Texas 75201, Attn: Alan W. Barksdale, so that we will be aware of all revocations and can more accurately determine if and when sufficient unrevoked consents to the actions described in this Consent Statement have been received.

SOLICITATION OF CONSENTS

The solicitation of consents pursuant to this consent solicitation is being made by Red Mountain and the Nominees. Consents may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.
