XTL Biopharmaceuticals – Immediate Report

Below is a summary English translation (from Hebrew) of an immediate report by XTL Biopharmaceuticals Ltd. as published on the Tel-Aviv Stock Exchange Ltd.

Herzliya, Israel – January 30, 2013 – XTL Biopharmaceuticals Ltd. (the “**Company**”) announces that on January 29, 2013, the Company filed, with the District Court of Tel Aviv-Jaffa (the “**Court**”), an urgent request for settlement between the Company and its shareholders and between the Company and its Series 2 warrant holders (the “**Warrantholders**”) pursuant to Section 350 of the Israeli Companies Law-1999 (the “**Settlement**”). The Court was asked to permit the Company to convene an Extraordinary General Meeting of Shareholders of the Company and Warrantholders in order to extend the exercise period of the warrants (Series 2) (the “**Warrants**”) to December 31, 2013 (the “**Extended Exercise Period**”). The Extended Exercise Period would enable each Warrantholder a better opportunity to exercise the Warrants. Any resulting proceeds will be deposited into the Company's bank account. However, there is no certainty that the Extended Exercise Period will ensure that the Warrants or any part of them will be exercised.

The Warrants will expire on February 27, 2013. According to the instructions and guidelines of the Tel Aviv Stock Exchange (“**TASE**”), the Company is required to provide to TASE, until February 20, 2013, a judicial order directing the extension of the Warrants. Because it is not viable to complete the necessary procedures by that date, the Company filed with the Court, in addition to the above Settlement request, a request for a temporary order whereby the expiration of the Warrants would be extended until April 30, 2013 in order to provide sufficient time to complete the necessary procedures.

On January 30, 2013, the Court accepted the Company's request to convene the meetings mentioned above.

The Company has issued, among others, shares and 18,457,500 Warrants pursuant to its public prospectus dated March 7, 2011. The exercise price for each Warrant is 1 NIS, linked to the US dollar. The exercise period runs until February 27, 2013.

Prior to the submission of the aforesaid requests, of the 18,457,500 Warrants outstanding, 6,154,095 Warrants were exercised.

Respectfully,

XTL Biopharmaceuticals Ltd.
