These reporting persons are also required to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on the review of the copies of these forms furnished to us and representations that no other reports were required, all Section 16(a) reporting requirements were complied with during the year ended July 27, 2013.

Code of Ethics

Our board of directors has adopted a code of ethics that applies to our directors, officers and employees as well as those of our subsidiaries. Our code of ethics can be found on our corporate website at www.fohgroup.com. In addition, copies of the code of ethics are available free of charge, upon request sent in writing to Frederick's of Hollywood Group Inc., 6255 Sunset Boulevard, Hollywood, California 90028, Attention: Corporate Secretary.

Committees of the Board of Directors

We have standing audit, compensation and nominating and governance committees. Copies of our committee charters are available free of charge on our corporate website at www.fohgroup.com.

Audit Committee

Our audit committee consists of Milton J. Walters (chairman), Peter Cole and John L. Eisel, each of whom meets the requirements for independence under the rules of the SEC and the NYSE MKT for board members and for members of the audit committee. Based upon a review by the board of directors of all relevant information, the board of directors has determined that John L. Eisel and Milton J. Walters each qualifies as an “audit committee financial expert” as that term is defined under the rules and regulations of the SEC. The functions of the audit committee include oversight of the integrity of our financial statements, compliance with legal and regulatory requirements, and the performance, qualifications and independence of our independent auditors. The purpose and responsibilities of our audit committee are set forth in a written audit committee charter which has been adopted by the board.

Compensation Committee

Our compensation committee is currently comprised of Peter Cole (chairman), William F. Harley and John L. Eisel, each of whom meets the requirements for independence under the rules of the SEC and the NYSE MKT. The compensation committee does not have a formal written charter. The responsibilities of the compensation committee include:

- establishing the general compensation policy for our executive officers, including the chief executive officer;
- administering our equity compensation plans; and
- determining who participates in each of these plans, establishing performance goals and target payouts, and determining specific grants and bonus awards to participants.

Our compensation committee makes all final approvals with respect to compensation of executive officers based on its assessment of the value of each executive's contribution, the results of recent past fiscal years in light of prevailing business conditions, our goals for the ensuing fiscal year and, to a lesser extent, prevailing compensation levels at companies considered to be comparable to our company. Our compensation committee considers recommendations from our chief executive officer relating to the compensation of our other executive officers, but the chief executive officer does not make recommendations regarding his own compensation. Executive officers other than our chief executive officer generally are not involved in determining executive compensation. The compensation committee did not engage any compensation consultants during fiscal year 2013.

Nominating and Governance Committee

Our nominating and governance committee is currently comprised of John L. Eisel (chairman), Milton J. Walters and William F. Harley, each of whom meets the requirements for independence under the rules of the SEC and the NYSE MKT. The nominating and governance committee is responsible for overseeing the selection of persons to be nominated to serve on the board of directors. The nominating and governance committee considers persons identified by its members, management, shareholders and others. There have been no changes to the procedures by which shareholders may recommend nominees to the board from those procedures set forth in our proxy statement for our 2013 Annual Meeting of Shareholders, the last proxy statement that we filed with the SEC. Our board of directors has adopted a written charter for the nominating and governance committee and established guidelines for selecting nominees and a method by which shareholders may propose to the nominating committee candidates for selection as nominees for directors.

Potential Termination or Change of Control Payments

Messrs. Lynch and Rende each have an employment agreement with us that provides for the potential payments described below in the event of their termination. To the extent necessary to comply with Internal Revenue Code Section 409A, all cash amounts due may be paid in a lump-sum cash payment on the six-month anniversary of the date of termination of employment, except for the change of control payment described below, which is to be paid in two installments as follows: (i) the first installment will be paid ten days after the date the executive's employment is terminated, in an amount equal to two times the lesser of: (a) the sum of the executive's total compensation (including salary and bonus) for the calendar year preceding the year in which executive's employment is terminated (adjusted for any increase during that year that was expected to continue indefinitely if the executive's employment had not terminated), or (b) the maximum amount that may be taken into account under a qualified plan under Internal Revenue Code section 401(a)(17) for the year in which the executive's employment is terminated; and (ii) the second installment will be paid on the first business day following the day that is six months after the date the executive's employment is terminated, in an amount equal to the balance, if any, of the change of control payment.

Thomas J. Lynch

Payment Upon Death or Disability. In the event of death or termination due to "disability" (as defined in his employment agreement), Mr. Lynch, or his designated beneficiary, as the case may be, will be entitled to receive:

base salary through the date of death or disability;

any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;

all valid business expense reimbursements; and

all accrued but unused vacation pay.

In addition, in the case of death, his beneficiary will be entitled to receive proceeds from a company-paid life insurance policy to be provided to Mr. Lynch in his name. During the year ended July 27, 2013, Mr. Lynch did not elect to receive life insurance. We also maintain a long-term disability insurance policy for Mr. Lynch, which, upon his disability, will provide a non-taxable benefit of at least \$10,000 per month, payable to him. We currently provide him with a policy that pays a benefit of \$12,000 per month if he becomes disabled.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Lynch terminates his employment for “good reason” (as defined in his employment agreement) or is terminated by us without “cause” (as defined in his employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, he will be entitled to receive the following:

base salary through the end of the employment term (January 2, 2014);

the sum of \$450,000;

any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;

life and disability insurance benefits through the end of the employment term;

company-paid continuation of medical coverage for one year after the end of the term;

all valid business expense reimbursements; and

all accrued but unused vacation pay.

The stock option granted and the restricted stock issued to Mr. Lynch in June 2010 also will continue to vest as scheduled.

Payment Upon Termination Following a Change of Control. On December 21, 2012, we amended Mr. Lynch's employment agreement to add a "change of control" provision, which provides that if (1) a "change of control" occurs and (2) within 24 months thereafter, Mr. Lynch's employment is terminated by us without "cause" or he terminates his employment for "good reason" (as each term is defined in the respective employment agreements), or his employment as an "at will" employee is terminated following the expiration of the term in which the agreement has not been renewed, Mr. Lynch will be entitled to receive an amount equal to 125% of his base salary (\$675,000), in addition to all other compensation and benefits otherwise to be paid pursuant to his employment agreement as described above under *Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason*. A "change of control" is defined in the amendment as: (i) an acquisition by any one person, or more than one person acting as a group (not including TTG Apparel, LLC, Tokarz Investments, LLC and members of our board of directors or management or their affiliates as of the amendment date), of the ownership of our stock that, together with the stock held by such person or group, constitutes more than 50% of the total fair market value or combined voting power of our stock; (ii) the replacement, during any period of 12 months, of a majority of members of our board of directors by directors whose appointment or election is not endorsed by a majority of the members of our board of directors as of the amendment date; or (iii) an acquisition by any one person, or more than one person acting as a group (not including TTG Apparel, LLC, Tokarz Investments, LLC and members of our board of directors or management or their affiliates as of the date hereof), or an acquisition during the 12-month period ending on the date of the most recent acquisition by such person or persons, of assets from us that have a total gross fair market value equal to or more than 40% of the total gross fair market value of all of our assets immediately before such acquisition or acquisitions.

Thomas Rende

Payment Upon Death or Disability. In the event of death or termination due to “disability” (as defined in his employment agreement), Mr. Rende, or his designated beneficiary, as the case may be, will be entitled to receive:

base salary through the date of death or disability;

any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;

all valid business expense reimbursements; and

all accrued but unused vacation pay.

In addition, in the case of death, his beneficiary will be entitled to receive proceeds from a company-paid life insurance policy provided to him in his name. We also maintain a long-term disability insurance policy for Mr. Rende, which will provide a non-taxable benefit of at least \$10,000 per month, payable to him.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Rende terminates his employment for “good reason” (as defined in his employment agreement) or is terminated by us without “cause” (as defined in his employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, he will be entitled to receive the following:

base salary through the end of the employment term (December 31, 2013);

the sum of \$250,000;

company-paid continuation of medical coverage for one year after the end of the term;

all valid business expense reimbursements; and

all accrued but unused vacation pay.

Payment Upon Termination Following a Change of Control. On December 21, 2012, we amended Mr. Rende's employment agreement to add a "change of control" provision identical to Mr. Lynch's change of control provision described above, except that Mr. Rende would be entitled to receive an amount equal to 125% of his base salary (\$387,500), in addition to all other compensation and benefits otherwise to be paid pursuant to his employment agreement as described above under *Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason*.

Compensation Plans

Non-Equity Compensation Plan

Annual Incentive Bonus Plan

On June 29, 2010, our board of directors adopted the Annual Incentive Bonus Plan. Our compensation committee selects employees to participate in the plan. Participants are eligible to receive an annual cash bonus of up to a percentage of the participant's base salary as determined by the compensation committee. The maximum cash bonus award for the named executive officers participating in the Annual Incentive Bonus Plan, expressed as a percentage of base salary as set forth in their respective employment agreements, is as follows: Thomas J. Lynch, 65%, and Thomas Rende, 35%.

The bonus payment for each participant is calculated based on two components: (1) our annual financial performance (“Company Performance Component”), representing up to 80% of the total eligible bonus; and (2) the participant’s individual performance (“Individual Performance Component”), representing up to 20% of the total eligible bonus. If we achieve less than 80% of the Target Adjusted EBITDA (as defined below), no participant will be eligible to receive any bonus. Since we achieved less than 80% of the Target Adjusted EBITDA established by the board of directors for the year ended July 27, 2013, no bonuses were given to any participant under the Annual Incentive Bonus Plan for fiscal year 2013.

Company Performance Component. The Company Performance Component is based upon an evaluation of our Adjusted EBITDA (defined as earnings before interest, taxes, depreciation, amortization, stock compensation expense, any bonus awarded under the plan, and adjustments for non-recurring items as determined by the board of directors) against a target Adjusted EBITDA approved annually by the board of directors (“Target Adjusted EBITDA”). If we achieve 100% or more of the Target Adjusted EBITDA, each participant’s total eligible bonus will range from 10% of the total eligible bonus upon achievement of 100% of the Target Adjusted EBITDA up to a maximum of 80% of the total eligible bonus upon achievement of 140% or more of the Target Adjusted EBITDA.

Individual Performance Component. The Individual Performance Component is based on an individual’s achievement of performance objectives, as approved annually by the compensation committee. If we achieve 80% or more of the Target Adjusted EBITDA, up to 20% of the participant’s total eligible bonus may be paid out upon the achievement of such individual performance objectives.

Equity Compensation Plans

Amended and Restated 1988 Non-Qualified Stock Option Plan

On December 13, 1988, our shareholders approved the 1988 Non-Qualified Stock Option Plan covering up to 833,333 shares of common stock to provide an additional continuing form of long-term incentive to selected officers. On September 19, 2006, our board of directors approved an amended and restated 1988 plan, which (i) increased the time period in which an employee terminated for any reason other than death or disability has to exercise the portion of the option which is exercisable on the date of termination from 30 days to 90 days following the date of termination; (ii) provided for continued exercisability of options after termination in the discretion of the compensation committee as set forth in the stock option agreement at the time of grant; (iii) increased the time period in which an employee terminated due to disability has to exercise the option from 180 days to one year from the date of termination; and (iv) increased the time period in which the legal representative or legatee under the will of an employee who dies within 90 days (instead of 30 days) after the date of termination of employment or while employed by us or a subsidiary has to exercise the decedent employee's option from 180 days to one year from the date of death. Unless terminated by the board, the 1988 plan will remain effective until no further options may be granted and all options granted under the plan are no longer outstanding. No options were granted under this plan during fiscal years 2013 and 2012. As of November 15, 2013, there were options outstanding to purchase an aggregate of 632,500 shares, exercisable at prices ranging from \$0.38 to \$2.90 per share of our common stock at a weighted average exercise price of \$0.83 per share. Amended and Restated 2000 Performance Equity Plan

On February 22, 2000, the board of directors adopted the 2000 Performance Equity Plan covering 375,000 shares of common stock under which our officers, directors, key employees and consultants are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, stock reload options and other stock based awards. Shareholders approved the 2000 plan on November 28, 2000. On January 23, 2008, our shareholders approved an amended and restated 2000 plan, which increased the number of shares of our common stock available for issuance under the plan from 375,000 shares to 2,000,000 shares, added a 500,000 share limit on grants to any individual in any one calendar year in order for the plan to comply with Section 162(m) of the Internal Revenue Code and made other changes to comply with Section 409A of the Internal Revenue Code. The 2000 plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options no longer may be granted. To the extent permitted under the provisions of the 2000 plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price and other conditions of awards. No awards were granted under this plan during fiscal years 2013 and 2012. Our Non-Employee Director Compensation Plan provides that each non-employee director may elect to receive the annual stipend and meeting fees in cash and/or shares of our common stock under our 2000 plan in such proportion as is determined by each non-employee director. As of November 15, 2013, an aggregate of 794,776 shares of common stock have been issued to non-employee directors under the 2000 plan.

Amended and Restated 2003 Employee Equity Incentive Plan

The plan was amended and restated as of December 1, 2006, primarily to increase the number of shares covered under the plan and to permit the issuance of nonqualified stock options to independent directors. On January 28, 2008, the 2003 plan and underlying options were assumed by us. As of November 15, 2013, there were options outstanding to purchase an aggregate of 62,341 shares, exercisable at prices ranging from \$2.46 to \$4.52 per share of our common stock at a weighted average exercise price of \$3.46 per share. No additional grants may be made under the 2003 plan.

2010 Long-Term Incentive Equity Plan

On June 29, 2010, the board of directors adopted the 2010 Long-Term Incentive Equity Plan covering 4,000,000 shares of common stock under which our officers, directors, key employees and consultants are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, stock reload options and other stock based awards. This plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until June 28, 2020. To the extent permitted under the provisions of the plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price and other conditions of awards.

During fiscal years 2013 and 2012, options were granted and shares of restricted stock were issued under the 2010 plan to the individuals in the amounts listed in the chart below. The 360,000 options granted and the 25,000 shares of restricted stock issued during fiscal year 2013 vest in two equal installments on the first and second anniversaries of the respective grant dates, and the options have exercise prices ranging from \$0.17 to \$0.20 per share. The options granted and shares of restricted stock issued during fiscal year 2012 vested or will vest in three equal installments on each of the grant date and the first and second anniversaries of the grant date, and the options have an exercise price of \$0.40 per share. On September 8, 2011, we issued 80,000 shares of restricted stock and granted 150,000 options at an exercise price of \$0.62 per share to our former President. These shares and options are fully vested. As of November 15, 2013, there were options outstanding under the 2010 plan to purchase an aggregate of 1,645,000 shares, exercisable at prices ranging from \$0.17 to \$1.05 per share of our common stock at a weighted average exercise price of \$0.61 per share. Compensation Arrangements for Directors

We pay our non-employee directors in accordance with the terms of our Non-Employee Director Compensation Plan, which was adopted by our board of directors in December 2004 and became effective on January 1, 2005. Under the plan, each non-employee director receives (i) an annual stipend of \$20,000, payable quarterly in arrears, (ii) \$2,000 per day for board or committee meetings attended in person, regardless of the number of meetings held that day and (iii) \$1,000 per meeting for board or committee meetings attended telephonically, unless two or more teleconference call meetings are held back-to-back on the same call, in which case each non-employee director will receive \$1,000 for the entire call. Payment of the annual stipend and meeting fees are made, at the election of each non-employee director, in cash and/or shares of common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. If a non-employee director elects to be paid in stock, either in full or in part, the number of shares of common stock to be issued is determined by dividing the dollar amount of the stipend and meeting fees earned during the quarter (or a percentage thereof, if the non-employee director elects to receive stock payment in part) by the last sale price of our common stock on the last trading day of each calendar quarter in which the fees were earned.

We also pay or reimburse each non-employee director for all transportation, hotel and other expenses reasonably incurred by the non-employee director in connection with attendance at board and committee meetings against

itemized reports and receipts submitted with respect to any such expenses and approved in accordance with our customary procedures.

On November 8, 2010, we made a one-time issuance of 20,000 shares of fully vested common stock to each of our non-employee directors under the 2000 Performance Equity Plan.

On January 12, 2011, each non-employee director was issued 7,500 shares of restricted stock and options to purchase 17,500 shares of common stock at an exercise price of \$1.05 per share under the 2010 Long-Term Incentive Equity Plan. 33.3% of the shares and options vested on each of January 12, 2011, 2012 and 2013.

On January 11, 2012, each non-employee director was issued 9,000 shares of restricted stock and options to purchase 21,000 shares of common stock at an exercise price of \$0.40 per share under the 2010 Long-Term Incentive Equity Plan. 33.3% of the shares and options vested on each of January 11, 2012 and 2013, and 33.3% will vest on January 11, 2014.

(2) Our Non-Employee Director Compensation Plan provides that each non-employee director may elect to receive his annual stipend and meeting fees in cash and/or shares of our common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. If a non-employee director elects to be paid in stock, either in full or in part, the number of shares of common stock to be issued is determined by dividing the dollar amount of the stipend and meeting fees earned during the quarter (or a percentage thereof, if the non-employee director elects to receive stock payment in part) by the last sale price of our common stock on the last trading day of each calendar quarter in which the fees were earned. In addition, on November 8, 2010, we made a one-time issuance of 20,000 shares of fully vested common stock to each of our four non-employee directors under the 2000 Performance Equity Plan. ITEM 13. – CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Related Party Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee). Related party transactions are defined under SEC rules as transactions in which (1) the aggregate amount involved will or may be expected to exceed the lesser of \$120,000 or one percent of the average of our total assets in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any related party, which includes (a) an executive officer, director or nominee for election as a director, (b) a greater than 5 percent beneficial owner of our common stock, or (c) an immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest. A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The audit committee will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related party, but that director is required to provide the audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire on an annual basis that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related Party Transactions

In addition, we issued to TTG Apparel, LLC three, five, and seven year warrants, each to purchase 500,000 shares of common stock (for an aggregate of 1,500,000 shares of common stock). TTG Apparel, LLC, together with its affiliate, Tokarz Investments, LLC, currently own an aggregate of 10,153,299 shares of our common stock, or approximately 25.9% of the outstanding shares, and are participating in the proposed going private transaction described below. The terms of the Series A Convertible Preferred Stock are described in *Note 8 – Series A Convertible Preferred Stock Transaction*, included in the notes to the consolidated financial statements appearing in our Annual Report on Form 10-K filed with the SEC on October 25, 2013.

Series B Convertible Preferred Stock Transaction

On March 15, 2013, we entered into a Series B Preferred Stock Purchase Agreement, pursuant to which we sold \$10.0 million of Series B Convertible Preferred Stock to Five Island Asset Management LLC, a subsidiary of Harbinger Group Inc. In addition, we issued to Five Island warrants to purchase up to an aggregate of 10,246,477 shares of common stock (69,500 of which have expired as of July 27, 2013) at exercise prices ranging from \$0.01 to \$1.21 per share. The terms of the Series B Convertible Preferred Stock are described in *Note 9 – Series B Convertible Preferred Stock Transaction*, included in the notes to the consolidated financial statements appearing in our Annual Report on Form 10-K filed with the SEC on October 25, 2013.

Proposed Going Private Transaction

On September 26, 2013, our board of directors received a non-binding proposal letter from HGI Funding, TTG Apparel, LLC, Tokarz Investments, LLC, Fursa Alternative Strategies LLC, and Arsenal Group, LLC (collectively, the "Consortium Members"), pursuant to which they proposed to acquire all of the outstanding shares of our common stock not currently owned by them at a proposed price of \$0.23 per share as part of a going private transaction, subject to certain conditions.

HGI Funding is an affiliate of Five Island; TTG Apparel is the holder of our Series A Convertible Preferred Stock, and together with Tokarz Investments, own approximately 25.9% of the outstanding shares of our common stock; and Fursa and Arsenal are controlled by William F. Harley, a member of our board of directors, and own, in the aggregate, approximately 43.4% of the outstanding shares of our common stock as of November 15, 2013.

The board of directors has appointed Milton J. Walters, its sole disinterested independent director, to serve as the lead director in connection with the full board's review and consideration of the proposed transaction. Any proposed transaction must be approved by the lead director. Although discussions continue between the Company and the Consortium Members, there can be no assurance that any definitive agreement will be reached or that this or any other transaction will be approved or consummated.

Independence of Directors

Although our common stock is no longer listed on the NYSE MKT, we continue to follow the rules of the NYSE MKT in determining whether a director is independent. The board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The current NYSE MKT listing standards define an "independent director" generally as a person, other than an officer or employee of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. Consistent with these considerations, the board of directors affirmatively has determined that Peter Cole, John L. Eisel, William F. Harley and Milton J. Walters will be our independent directors for the ensuing year. Thomas Lynch is not independent because he is a current executive officer. All members of our audit, compensation and nominating and governance committees are independent under the NYSE MKT independence standards for such committees.
