The Board would like to thank Mr. Lentz for his 24 years of dedicated and loyal service to the Company.

New Executive Chairman and Lead Director Roles; CEO Transition Plans and Compensation Decisions

As previously announced, the Company’s Chief Executive Officer, W. Matt Ralls, age 64, plans to retire as of the Meeting Date and, subject to his reelection at the Annual Meeting, will assume the role of Executive Chairman of the Board as of such date. Dr. Thomas P. Burke will assume the role of Chief Executive Officer on the Meeting Date and has been nominated by the Board for election at the Annual Meeting as a director. As part of the succession transition, the Board has determined that Mr. Ralls’ extensive experience and leadership in the energy industry and as President and CEO of the Company since 2009 are invaluable and his continued role as Executive Chairman will help the Board leverage his expertise and knowledge during the transition period as Dr. Burke assumes the role of CEO. Mr. Ralls has agreed to serve as Executive Chairman for a transition period of two years until the 2016 Annual General Meeting of Shareholders, at which time he plans to retire from the Board. The Board will appoint Sir Graham Hearne to be the independent Lead Director as of the Meeting Date.

Dr. Burke, age 46, most recently served as President and Chief Operating Officer of the Company. He became Chief Operating Officer in July 2011 and was promoted to President in March 2013. Dr. Burke initially joined the Company in December 2009 to serve as President and Chief Executive Officer of LeTourneau Technologies, Inc. and served in such capacity until the sale of LeTourneau in June 2011. Prior to such time, Dr. Burke was employed by Complete Production Services, an oilfield services company, as a Division President from 2006 to 2009, and as Vice President Corporate Development from 2004 to 2006. Before joining Complete Production Services, Dr. Burke held various positions at Schlumberger and McKinsey & Company. He holds a DPhil (PhD) in Engineering Science from Trinity College, Oxford and an MBA with High Distinction from Harvard Business School.

The Compensation Committee and the Board approved the following compensation arrangements for these position changes, effective as of the Meeting Date:
