PROXY STATEMENT

**Annual Meeting of Stockholders to Be Held on
Wednesday, May 21, 2014**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Harvard Apparatus Regenerative Technology, Inc. (the Company or we) for use at the Annual Meeting of Stockholders of the Company to be held on May 21, 2014, at 11:00 a.m. Boston time at the offices of Burns & Levinson LLP, 125 Summer Street, Boston, Massachusetts 02110, and any adjournments or postponements thereof. You may obtain directions to the Annual Meeting at www.proxyvote.com. At the Annual Meeting, the stockholders of the Company will be asked to consider and vote upon:

1. The election of the Director Nominee as a Class I Director, nominated by the Board of Directors, for a three-year term, such term to continue until the annual meeting of stockholders in 2017 and until such Director's successor is duly elected and qualified or until his earlier resignation or removal;
2. The ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014; and
3. Such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Under rules and regulations of Securities and Exchange Commission, or SEC, instead of mailing a printed copy of our proxy materials to each shareholder of record or beneficial owner of our common stock, we are now furnishing proxy materials, which include our Proxy Statement and Annual Report, to our shareholders over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. The Notice of Internet Availability of Proxy Materials is first being mailed to stockholders of the Company on or about April 11, 2014, in connection with the solicitation of proxies for the Annual Meeting. The Board of Directors has fixed the close of business on March 27, 2014 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting (the Record Date). Only holders of Common Stock, par value \$.01 per share, of the Company (the Common Stock) of record at the close of business on the Record Date will be entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were 7,802,573 shares of Common Stock outstanding and entitled to vote at the Annual Meeting

and approximately 184 stockholders of record. Each holder of a share of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held of record with respect to each matter properly submitted at the Annual Meeting.

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares held of record by stockholders or their nominees who do not return a signed and dated proxy, properly deliver proxies via the Internet or telephone, or attend the Annual Meeting in person will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum.

Consistent with applicable law, we intend to count abstentions and broker non-votes only for the purpose of determining the presence or absence of a quorum for the transaction of business. A broker non-vote refers to shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter. Applicable rules no longer permit brokers to vote in the election of Directors if the broker has not received instructions from the beneficial owner. Accordingly, it is important that beneficial owners instruct their brokers how they wish to vote their shares.

With respect to the election of a Class I Director in Proposal 1, such Director is elected by a plurality of the votes cast if a quorum is present. Votes may be cast for the Director or withheld. In a plurality election,

TABLE OF CONTENTS

votes may only be cast in favor of or withheld from the nominee; votes that are withheld will be excluded entirely from the vote and will have no effect. This means that the person receiving the highest number of FOR votes will be elected as the Director.

Approval of Proposal No. 2 regarding the ratification of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 requires the affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy.

Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal for approval of each other matter expected to be voted on at the Annual Meeting.

The corporate actions described in this Proxy Statement will not afford stockholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

You will not receive a printed copy of the proxy materials unless you request to receive these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Instead, the Notice of

Internet Availability of Proxy Materials will instruct you how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you how you may submit your proxy via the Internet or mail. To the extent you receive a proxy card, such proxy card will also contain instructions on how you may also vote by telephone. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

We encourage you to vote either online, by telephone or by completing, signing, dating and returning a proxy card or if you hold your shares through a brokerage firm, bank or other financial institution, by completing and returning a voting instruction form. This ensures that your shares will be voted at the Annual Meeting and reduces the likelihood that we will be forced to incur additional expenses soliciting proxies for the Annual Meeting.

Voting over the Internet, by telephone or mailing a proxy card will not limit your right to vote in person or to attend the Annual Meeting. Any record holder as of the Record Date may attend the Annual Meeting in person and may revoke a previously provided proxy at any time by: (i) executing and delivering a later-dated proxy to the corporate secretary at Harvard Apparatus Regenerative Technology, Inc., 84 October Hill Road, Holliston, Massachusetts 01746-1371; (ii) delivering a written revocation to the corporate secretary at the address above before the meeting; or (iii) voting in person at the Annual Meeting.

Beneficial holders who wish to change or revoke their voting instructions should contact their brokerage firm, bank or other financial institution for information on how to do so. Beneficial holders who wish to attend the Annual Meeting and vote in person should contact their brokerage firm, bank or other financial institution holding shares of Common Stock on their behalf in order to obtain a legal proxy, which will allow them to vote in person at the meeting. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Our Board of Directors recommends an affirmative vote on all proposals specified in the notice for the Annual Meeting. Proxies will be voted as specified. If your proxy is properly submitted, it will be voted in the manner you direct. **If you do not specify instructions with respect to any particular matter to be acted upon at the meeting, proxies will be voted in favor of the Board of Directors' recommendations.**

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on May 21, 2014: The Proxy Statement and the Company's Annual Report on Form 10-K for the year ended December 31, 2013, are available at *www.proxyvote.com*. The Annual Report, however, is not part of the proxy solicitation material.

TABLE OF CONTENTS

PROPOSAL 1 ELECTION OF DIRECTOR

The Board of Directors of the Company currently consists of five members and is divided into three classes of Directors, with one Director in Class I, two Directors in Class II and two Directors in Class III. Directors serve for three-year terms with one class of Directors being elected by our stockholders at each annual meeting to succeed the Directors of the same class whose terms are then expiring.

At the Annual Meeting, one Class I Director, nominated by the Board of Directors, will stand for re-election to serve until the 2017 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal.

At the recommendation of the Governance Committee, the Board of Directors has nominated Mr. James J. McGorry for election as the Class I Director of the Company. Unless otherwise specified in the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy FOR the election of Mr. James J. McGorry. The nominee has agreed to stand for re-election and, if re-elected, to serve as a Director. However, if such person nominated by the Board of Directors is unable to serve or will not serve, the proxies will be voted for the election of such other person or persons as the Governance Committee and the Board of Directors may recommend.

Vote Required

The affirmative vote of a plurality of the votes cast by holders of shares of Common Stock present or represented by proxy and entitled to vote on the matter at the Annual Meeting is required for the election of the nominee as a Class I Director of the Company.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE FOLLOWING NOMINEE OF THE BOARD OF DIRECTORS: JAMES J. MCGORRY. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED FOR THE NOMINEE UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

INFORMATION REGARDING DIRECTORS

Set forth below is certain information regarding the Directors of the Company, including the Class I Director who has been nominated for election at the Annual Meeting, based on information furnished to the Company by each Director.

The biographical description below for each Director includes his age, all positions he holds with the Company, his principal occupation and business experience over the past five years, and the names of other publicly-held companies for which he currently serves as a director or has served as a Director during the past five years. The biographical description below for each Director also includes the specific experience, qualifications, attributes and skills that led to the conclusion by the Board of Directors that such person should serve as a director of the Company. In addition to such specific information, we also believe that all of our Directors have a reputation for integrity, honesty and adherence to high ethical standards. Further, they have each demonstrated business acumen and an ability to exercise sound judgment as well as a commitment of service to the Company and our Board.

The Board of Directors has determined that the Director nominee and all the incumbent Directors listed below are independent as such term is currently defined by applicable NASDAQ rules, except for Mr. Green who is also an executive officer of the Company. Our director John F. Kennedy is also currently a director of Harvard Bioscience, Inc., our former parent. One of our former directors, Chane Graziano, who retired from Harvard Bioscience and resigned from our Board on May 14, 2013, was not independent while he was our director because until such retirement he was the Chief Executive Officer and Chairman of Harvard Bioscience, our former parent.

The positions of Chairman of the Board, President and Chief Executive Officer are currently occupied by one individual, David Green. Our Board of Directors does not currently have a separate lead director. Our Board of Directors believes that the combined role of Chairman of the Board and Chief Executive Officer promotes and facilitates information flow between management and the Board of Directors, which is essential to effective governance. Our Board of Directors believes that this leadership structure has served our

TABLE OF CONTENTS

Company well in the past and continues to serve it well at present, as Mr. Green's experience relating to and knowledge and understanding of the Company, along with his significant ownership interest in the Company, uniquely qualify him to serve as Chairman, President and Chief Executive Officer. In his combined role, Mr. Green sets the strategic direction for our Company and provides day-to-day leadership. He also sets the agenda for Board meetings and presides over all meetings of the full Board. This promotes unified leadership and direction for the Board and management.

The following information is current as of April 1, 2014, based on information furnished to the Company by each Director:

During the year ended December 31, 2013, our Board of Directors held six meetings. Each of the Directors attended at least 90% of the total number of meetings of the Board of Directors and of the committees of which he was a member. The Board of Directors encourages Directors to attend in person the Annual Meeting of Stockholders of the Company, or Special Meeting in lieu thereof, or, if unable to attend in person, to participate by other means, if practicable. In recognition of this policy, the Board of Directors typically schedules a regular meeting of the Board of Directors to be held on the date of, and immediately following, the Annual Meeting of Stockholders. The non-employee Directors meet regularly in executive sessions outside the presence of management.

The Board of Directors has established an Audit Committee (the Audit Committee), a Compensation Committee (the Compensation Committee) and a Governance Committee (the Governance Committee). Each of these committees was established on November 1, 2013 following the spin-off of our company by Harvard Bioscience, Inc.

Audit Committee

The Audit Committee currently consists of Messrs. Kennedy and Canepa. Mr. Kennedy serves as the Chairman. The Audit Committee is comprised entirely of independent Directors and it operates under a Board approved charter that sets forth its duties and responsibilities. The Audit Committee was established on November 1, 2013 and met one time during 2013.

Under its charter, the Audit Committee is responsible for:

reviewing with the independent registered public accounting firm and management the adequacy and effectiveness of internal controls over financial reporting;
reviewing and consulting with management and the independent registered public accounting firm on matters related to the annual audit, the published financial statements, earnings releases and the accounting principles applied;
appointing, retaining and evaluating the Company's independent auditors; and
the compensation, retention and oversight of the Company's independent auditors and the evaluation of the independent auditors' qualifications, performance and independence.

The Audit Committee is responsible for reviewing and discussing with management our policies with respect to risk assessment and risk management. The Board and the Audit Committee discuss matters relating to risks that arise or may arise.

The Audit Committee has established policies and procedures for the pre-approval of all services provided by the independent auditors. The Audit Committee has also established procedures for the receipt, retention and treatment,

Edgar Filing: Harvard Apparatus Regenerative Technology, Inc. - Form DEF 14A

on a confidential basis, of complaints received by the Company. The Board of Directors and the Audit Committee adopted a Code of Business Conduct and Ethics, a current copy of which is available on the Corporate Governance page in the Investor section of our website at www.harvardapparatusregen.com.

The Board of Directors has determined that Messrs. Kennedy and Canepa are independent as such term is currently defined by NASDAQ rules, meet the criteria for independence set forth under the rules of the Securities and Exchange Commission, and are able to read and understand fundamental financial

The Governance Committee is comprised entirely of independent directors and it operates under a Board approved charter that sets forth its duties and responsibilities. The Governance Committee also may consider whether the nominee has direct experience in the biotechnology, pharmaceutical and/or life sciences industries or in the markets in which the Company operates.

EXECUTIVE COMPENSATION

We are an emerging growth company within the meaning of the Jumpstart Our Business Startups Act of 2012. As a result, we have elected to comply with the reduced disclosure requirements applicable to emerging growth companies in accordance with SEC rules. We have only two executive officers, David Green, our Chief Executive Officer, and Thomas McNaughton, our Chief Financial Officer, who are our named executive officers. No compensation was paid to our executive officers during the fiscal year ended December 31, 2012 or fiscal 2013 through October 31, 2013. During such time periods, our officers were paid by Harvard Bioscience, our former parent, and the expense of such compensation was allocated to us in connection with the preparation of our financial statements. Separation Grants

In connection with their transition to our company as part of the spin-off of our company by Harvard Bioscience, Mr. Green and Mr. McNaughton were granted options to acquire our common stock, the Separation Grants. These options were granted on November 18, 2013 and except as noted below with respect to certain Milestone Grants, vest annually in four equal annual installments on January 1 of each year for four consecutive years commencing with the January 1 immediately following the date of grant. the Milestone Grants. With respect to the Milestone Grant, each option shall vest in one third increments subject to certain performance milestones established determined by our Board of Directors.

These grants were intended to:

provide the named executive officers an immediate equity interest in our company in order to align their interests with those of our stockholders; and induce the named executive officers to execute their employment agreements with our company and to waive their rights under their employment agreements with Harvard Bioscience to terminate their employment for good reason due to a substantial diminution or other substantive adverse change in their responsibilities, powers, or duties arising from their new roles at our company.

The following table sets forth information regarding the beneficial ownership of our outstanding Common Stock as of March 31, 2014 by: (i) all persons known by us to own beneficially more than 5% of our Common Stock; (ii) each of our Directors and nominees for Director; (iii) each of the named executive officers; and (iv) all of our Directors and executive officers as a group.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC and includes voting or investment power with respect to securities. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and includes any shares as to which the individual or entity has the right to acquire beneficial ownership within 60 days after March 31, 2014 through the exercise of any warrant, stock option or other right. The inclusion in this Proxy Statement of such shares, however, does not constitute an admission that the named stockholder is a direct or indirect beneficial owner of such shares. Common stock subject to options currently exercisable, or exercisable within 60 days after March 31, 2014, are deemed outstanding for the purpose of computing the percentage ownership of the person holding those options, but are not deemed outstanding for computing the percentage ownership of any other person.

Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of Common Stock, except to the extent spouses share authority under community property laws.

TRANSACTIONS WITH RELATED PERSONS

The Audit Committee charter sets forth the standards, policies and procedures that we follow for the review, approval or ratification of any related person transaction that we are required to report pursuant to Item 404(a) of Regulation S-K promulgated by the Securities and Exchange Commission. Under the Audit Committee charter, which is in writing, the Audit Committee must conduct an appropriate review of these related person transactions on an ongoing basis, and the approval of the Audit Committee is required for all such transactions. The Audit Committee relies on management to identify related person transactions and bring them to the attention of the Audit Committee. We do not have any formal policies and procedures regarding the identification by management of related person transactions.

During the 2013 fiscal year, we were not a participant in any related person transactions that required disclosure under this heading except as it relates to our commercial agreements with Harvard Bioscience that were entered into in connection with the spin-off of our company due to our named executive officers' positions as executive officers of Harvard Bioscience at the time that these agreements were entered into. As Mr. Green and Mr. McNaughton were executive officers of Harvard Bioscience at the time of these transactions, and are now executive officers, and

Chairman as to Mr. Green, of our company, Mr. Green and Mr. McNaughton may be deemed to have an interest as a related party in such agreements. These commercial agreements with Harvard Bioscience include: (i) a Separation and Distribution Agreement to effect the separation and spin-off distribution and provide other agreements to govern our relationship with Harvard Bioscience after the spin-off; (ii) an Intellectual Property Matters Agreement, which governs various intellectual property related arrangements between our company and Harvard Bioscience, including the separation of intellectual property rights between us and Harvard Bioscience, as well as certain related cross-licenses between the two companies; (iii) a Product Distribution Agreement, which provides that each company will become the exclusive distributor for the other party for products such other party develops for sale in the markets served by the other; (iv) a Tax Sharing Agreement, which governs the parties respective rights, responsibilities and obligations with respect to tax liabilities and benefits, tax attributes, the preparation and filing of tax returns, the control of audits and other tax proceedings and other matters regarding taxes for periods before, during and after the spin-off; and (v) a Transition Services Agreement, which provides for certain services to be performed on a transitional basis by Harvard Bioscience to facilitate our transition into a separate public reporting company. As part of the Transition Services Agreement, and for one year following the spin-off date, Harvard Bioscience has agreed to provide certain support services to us, including, among

TABLE OF CONTENTS

others, accounting, payroll, human resources and information technology services, with the charges for the transition services generally intended to allow Harvard Bioscience to fully recover the costs directly associated with providing the services, plus all out-of-pocket costs and expenses. In connection with the spin-off and in accordance with these agreements, Harvard Bioscience contributed capital of approximately \$15.0 million to us to fund our operations, and transferred to us approximately \$0.8 million in assets, made up primarily of property, plant and equipment. As these agreements evidence ongoing commercial arrangements which may involve varying amounts over time, we are unable to provide an approximate dollar value of the amount involved in the transaction. Mr. Green and Mr. McNaughton do not receive any amounts from the transactions with Harvard Bioscience relating to their roles as executive officers, and a Director as to Mr. Green, of our company, and it is our understanding that Mr. Green and Mr. McNaughton do not receive any direct amounts from such agreements and the transactions in relation to their former roles as executive officers of Harvard Bioscience, and Mr. Green's continued role as a director of such company, and their interest is limited to benefits they may receive solely relating to their ongoing roles as executive officers, Chairman as to Mr. Green, and stockholders of our company. As a non-employee director of Harvard Bioscience, Mr. Green also is entitled to receive director compensation that all non-employee directors are entitled to receive under Harvard Bioscience's director compensation programs.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Our executive officers, Directors and beneficial owners of more than 10% of our Common Stock are required under Section 16(a) of the Securities Exchange Act of 1934 to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Copies of those reports must also be furnished to us.

Based solely on a review of the copies of the reports furnished to us, and written representations from certain reporting persons that no other reports were required, we believe that during the year ended December 31, 2013, the reporting persons complied on a timely basis with all Section 16(a) filing requirements applicable to them.
