PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of WidePoint Corporation, a Delaware corporation (referred to herein as “WidePoint,” the “Company,” “we” or “our”), of proxies of stockholders to be voted at the 2014 WidePoint Annual Meeting of Stockholders to be held at the Washington, D.C. offices of Foley & Lardner LLP, located at 3000 K Street, N.W., Sixth Floor, Washington, D.C. 20007 at 10:00 a.m., EST, on Thursday, December 18, 2014, and any and all adjournments thereof.

Any stockholder executing a proxy retains the right to revoke it at any time prior to its being exercised by giving written notice to the Secretary of the Company.

This Proxy Statement and the accompanying proxy are first being sent to stockholders of the Company on or about October 31, 2014.

Notice of Electronic Availability of Proxy Materials

In accordance with regulations adopted by the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials, including our annual report to stockholders, to each stockholder of record, we may now furnish these materials by mail or e-mail. On or about October 31, 2014, we mailed to our stockholders who have not previously requested to receive these materials by mail or e-mail a Notice of Internet Availability of Proxy Materials containing instructions on how to access this proxy statement and our annual report and to vote online. The Notice instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice also instructs you as to how you may submit your proxy on the Internet or by telephone. If you received the Notice by mail, you will not automatically receive a printed copy of our proxy materials or annual report unless you follow the instructions for requesting these materials included in the Notice. For directions to the Annual Meeting, please contact James McCubbin at jmccubbin@widepoint.com or at (703) 349-2577.

Voting Procedures and Securities

Your Vote is Very Important

Whether or not you plan to attend the meeting, please take the time to vote your shares as soon as possible. You may submit your vote by completing, signing, dating and returning the proxy card by mail. We encourage you to vote via the Internet or by telephone. These methods save us significant postage and processing charges.

Vote Required, Abstentions and Broker Non-Votes

Shares of WidePoint common stock represented by proxy will be voted according to the instructions, if any, given in the proxy. Unless otherwise instructed, the person or persons named in the proxy will vote (1) FOR the election of the nominees for director listed herein (or a substitute in the event any of the nominees are unavailable for election); (2) FOR the ratification of the selection of Moss Adams LLP as the independent accountants for the Company for the current fiscal year; and (3) in their discretion, with respect to such other business as may properly come before the meeting. The Board of Directors has designated Steve L. Komar and James T. McCubbin, and each or any of them, as proxies to vote the shares of common stock solicited on its behalf.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by an inspector of election appointed by the Company for the meeting. A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of common stock of the Company entitled to vote are present at the Annual Meeting in person or by proxy. A director is elected by a plurality of the votes cast at the Annual Meeting, which means that the nominees who receive the highest number of properly executed votes will be elected as a director, even if that nominee did not receive a majority of the votes cast. The ratification of the appointment of Moss Adams LLP as the Company's independent accountants requires the affirmative vote of the majority of the votes present, in person or by proxy, and voting at the Annual Meeting.

The inspector of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Your broker, bank or other nominee is permitted to vote your shares on the ratification of the appointment of Moss Adams LLP as our independent auditor without receiving voting instructions from you. All other items are "non-discretionary" items. This means brokerage firms that have not received voting instructions from their clients on any proposal other than the appointment of Moss Adams LLP will not be permitted to vote such shares for any other matters at the Annual Meeting. These "broker non-votes" will be included in the calculation of the number of votes considered to be present at the Annual Meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and will have no effect on the outcome of any of the proposals because in tabulating the voting results, shares that constitute broker non-votes are not considered votes cast on that proposal.

The cost of soliciting proxies will be borne by the Company. Certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Shares Outstanding

As of October 24, 2014, the record date for determining stockholders entitled to vote at the Annual Meeting, a total of 73,590,728 shares of common stock of the Company, par value \$.001 per share, which is the only class of voting securities of the Company, were issued and outstanding. All holders of record of the common stock as of the close of business on October 24, 2014 are entitled to one vote for each share held when voting at the Annual Meeting, or any adjournment thereof, upon the matters listed in the Notice of Annual Meeting. Cumulative voting is not permitted.

Other Business

The Board knows of no other matters to be presented for stockholder action at the meeting. If other matters are properly brought before the meeting, the persons named as proxies in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Proposal One – Election of Directors

The Company’s Board is classified into three classes of directors, with one class of directors being elected at each annual meeting of stockholders of the Company to serve for a term of three years or until the earlier expiration of the term of their class of directors or until their successors are elected and take office as provided below. To maintain the staggered terms of election of directors, stockholders of the Company are voting upon the election of two Class II directors to serve for a three-year period until the 2017 Annual Meeting of Stockholders. As a result, stockholders will only vote on the election of the two Class II director nominees at the Annual Meeting.

The Bylaws of the Company provide that the Board will determine the number of directors to serve on the Board. The Company’s Board presently consists of seven members. There is currently a director vacancy in Class I. The Board will appoint a qualified person to fill this vacancy when the Board decides upon such a qualified person to fill such vacancy.

Proxies will be voted at the Annual Meeting, unless authority is withheld, FOR the election of the persons named below. The Company does not contemplate that the persons named below will be unable or will decline to serve; however, if such nominee is unable or declines to serve, the persons named in the accompanying proxy will vote for a substitute, or substitutes, in their discretion.

Board Meetings – Committees of the Board

The Board of Directors held 4 meetings during 2013. During this period, all of the directors attended or participated in more than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all Committees of the Board of Directors on which each such director served.

The Board currently has the following Committees: Audit; Corporate Governance and Nominating; and Compensation. Each Committee consists entirely of independent, non-employee directors in accordance with the listing standards of the NYSE MKT. Membership and principal responsibilities of the Board's Committees are described below. Each Committee of the Board has adopted a charter and each such charter is available free of charge on our website, www.widepoint.com, or by writing to WidePoint Corporation, 7926 Jones Branch Drive, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary.

Audit Committee

Morton S. Taubman (Chair)
James M. Ritter
George W. Norwood

The Audit Committee met four times in 2013. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities and Exchange Act of 1934. The primary functions of the Audit Committee are to: appoint (subject to stockholder approval), and be directly responsible for the compensation, retention and oversight of, the firm that will serve as the Company's independent accountants to audit our financial statements and to perform services related to the audit (including the resolution of disagreements between management and the independent accountants regarding financial reporting); review the scope and results of the audit with the independent accountants; review with management and the independent accountants, prior to the filing thereof, the annual and interim financial results (including Management's Discussion and Analysis) to be included in our Forms 10-K and 10-Q, respectively; consider the adequacy and effectiveness of our internal accounting controls and auditing procedures; review, approve and thereby establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; review and approve related person transactions in accordance with the policies and procedures of the Company; and consider the accountants' independence and establish policies and procedures for pre-approval of all audit and non-audit services provided to WidePoint by the independent accountants who audit its financial statements. Company's Executive Vice President and Chief Financial Officer.

9

The Board has determined that Messrs. Taubman, Ritter and Norwood each meet the definition of "independent directors" for purposes of serving on an audit committee under applicable rules of the Securities and Exchange Commission and the listing standards of the NYSE MKT. In addition, the Board has determined that Mr. Taubman satisfies the "financially sophisticated" requirements set forth in the NYSE MKT Company Guide, and has designated Mr. Taubman as the "audit committee financial expert," as such term is defined in the rules and regulations of the SEC.

Corporate Governance and Nominating Committee

The members of the Corporate Governance and Nominating Committee are:

.	James M. Ritter (Chair)
.	Morton S. Taubman
.	Otto J. Guenther

The Corporate Governance and Nominating Committee met 1 time in 2013. The primary functions of this Committee are to: identify individuals qualified to become Board members and recommend to the Board the nominees for election to the Board at the next Annual Meeting of Stockholders; review annually and recommend changes to the Company's Corporate Governance Guidelines; lead the Board in its annual review of the performance of the Board and its committees; review policies and make recommendations to the Board concerning the size and composition of the Board, the qualifications and criteria for election to the Board, retirement from the Board, compensation and benefits of non-employee directors, the conduct of business between WidePoint and any person or entity affiliated with a director, and the structure and composition of the Board's Committees; review the Company's policies and programs relating to compliance with its Code of Business Conduct and such other matters as may be brought to the attention of the Committee regarding WidePoint's role as a responsible corporate citizen. See "Identification and Evaluation of Director Candidates" and "Director Compensation" in this proxy statement.

Compensation Committee

The members of the Compensation Committee are:

.	James M. Ritter (Chair)
.	Morton S. Taubman
.	George W. Norwood

The Compensation Committee met 2 times in 2013. The primary functions of the Compensation Committee are to: evaluate and approve executive compensation plans, policies and programs, including review of relevant corporate and individual goals and objectives, as submitted by the Chief Executive Officer; evaluate the Chief Executive Officer's performance relative to established goals and objectives and, together with the other independent directors, determine and approve the Chief Executive Officer's compensation level based on this evaluation; review and approve the annual salary and other remuneration of all other officers; review the management development program, including executive succession plans; review with management, prior to the filing thereof, the executive compensation disclosure included in this proxy statement; recommend individuals for election as officers; and review or take such other action as may be required in connection with the bonus, stock and other benefit plans of WidePoint and its subsidiaries.

Director Independence

The listing standards of the NYSE MKT require that our Board be comprised of a majority of "independent directors" and that the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee each be comprised solely of "independent directors," as defined under the listing standards of the NYSE MKT.

The Company's Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board and its Committees and reports its findings to the full Board of Directors. Based on the report and recommendation of the Corporate Governance Committee, the Board has determined that each of the Company's non-employee directors—Messrs. Taubman, Ritter, Guenther, and Norwood—satisfy the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the listing standards of the NYSE MKT and Securities and Exchange Commission rules. Each of the Board's Committees consists entirely of independent, non-employee directors.

Identification and Evaluation of Director Candidates

The Corporate Governance and Nominating Committee is charged with seeking individuals qualified to become directors and recommending candidates for all directorships to the full Board of Directors. The Committee considers director candidates in anticipation of upcoming director elections and other potential or expected Board vacancies.

The Committee considers director candidates suggested by members of the Committee, other directors, senior management and stockholders.

Director candidates are reviewed by the Committee based on the needs of the Board and the Company's various constituencies, their relative skills, characteristics and age, and against the following qualities and skills that are considered desirable for Board membership: exemplification of the highest standards of personal and professional integrity; independence from management under applicable securities laws, listing standards, and the Company's Corporate Governance Principles; experience and industry and educational background; potential contribution to the composition, diversity and culture of the Board; and ability and willingness to constructively challenge management through active participation in Board and committee meetings and to otherwise devote sufficient time to Board duties.

The Committee's charter includes diversity as one of the criteria used to evaluate director candidates. The Corporate Governance and Nominating Committee may consider diversity in its broadest sense when evaluating candidates. Though we do not have a formal policy regarding how diversity will be considered in identifying potential director nominees, our Corporate Governance Guidelines direct that the evaluation of nominees should include (but not be limited to) an assessment of whether a nominee would provide the Board with a diversity of viewpoints, backgrounds, experiences, and other demographics.

In evaluating the needs of the Board, the Committee considers the qualifications of sitting directors and consults with other members of the Board, the Chief Executive Officer and other members of senior management. All recommended candidates must possess the requisite personal and professional integrity, meet any required independence standards, and be willing and able to constructively participate in, and contribute to, Board and committee meetings. Additionally, the Committee conducts regular reviews of current directors whose terms are nearing expiration, but who may be proposed for re-election, in light of the considerations described above and their past contributions to the Board.

The Corporate Governance and Nominating Committee has adopted a policy pursuant to which a stockholder who has owned at least 5% of the Company's outstanding shares of common stock for at least two years may recommend a director candidate that the Committee will consider when there is a vacancy on the Board either as a result of a director resignation or an increase in the size of the Board. Such recommendation must be made in writing addressed to the Chairman of the Corporate Governance and Nominating Committee at the Company's principal executive offices and must be received by the Chairman at least 120 days prior to the anniversary date of the release of the prior year's proxy statement.

Although the Committee has not formulated any specific minimum qualifications that the Committee believes must be met by a nominee that the Committee recommends to the Board, the factors it will take into account will include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. There will be no differences between the manner in which the Committee evaluates a nominee recommended by a stockholder and the manner in which the Committee evaluates nominees recommended by other persons.

The Company did not receive in a timely manner, in accordance with the Securities and Exchange Commission's requirements, any recommendation of a director candidate from a stockholder, or group of stockholders, that beneficially owned more than 5% of the Company's common stock for at least two years as of the date of recommendation.

Process for Communicating with Board Members

Interested parties may communicate directly with the Board, or the presiding director for an upcoming meeting or the non-employee directors as a group, by writing to WidePoint Corporation, 7926 Jones Branch, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary. Communications may also be sent to individual directors at the above address.

Director Attendance at Annual Meetings

The Company has adopted a policy that each director should attempt to attend and/or be available via online access or phone for each Annual Meeting of Stockholders. All members of the Board were available and/or attended last year's Annual Meeting of Stockholders.

Board Leadership Structure and Role in Risk Oversight

Our Corporate Governance Guidelines allow flexibility as to whether the role of Chief Executive Officer and Chairman of the Board are separated or combined. The Board's policy is to adopt the practice that best serves the Company at any point in time. At this time, the Board believes that combining the role of Chairman of the Board with the role of Chief Executive Officer provides the most effective and efficient leadership model for the Company. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy. Currently, Steve L. Komar serves as our Chief Executive Officer and as our Chairman of the Board.

Because we have combined the Chairman and Chief Executive Officer roles, pursuant to our Corporate Governance Guidelines, our independent directors have designated Mr. Ritter to serve as the Presiding Independent Director to further strengthen our governance structure. The Presiding Independent Director is responsible for coordinating the activities of the independent directors, calling for meetings or sessions of the independent directors, presiding at executive sessions and coordinating the agenda for such sessions with at least two such meetings being held annually, facilitating communications and functioning as principal liaison on Board-wide issues between independent directors and the Chairman of the Board, and when necessary, recommending the retention of outside advisors and consultants who report directly to Board.

Non-management members of the Board of Directors conduct at least two regularly scheduled meetings per year without members of management being present. Following an executive session of non-employee directors, the

Presiding Independent Director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

The Board oversees the management of the risks inherent in the operation of the Company's business. This is accomplished principally through the Audit Committee. Additionally, the Compensation Committee is responsible for overseeing the assessment of risks associated with the Company's compensation policies and programs. Each of these committees receives and discusses reports regularly with members of management who are responsible for applicable day-to-day risk management functions of the Company, and reports regularly to the Board. The Board's, the Audit Committee's and the Compensation Committee's respective roles in our risk oversight process have not affected our Board leadership structure.

Statements of Changes in Beneficial Ownership of Securities on Form 4 are generally required to be filed before the end of the second business day following the day on which the change in beneficial ownership occurred. Based on the Company's review of Forms 3 and 4 filed during 2013, all such Forms 3 and Forms 4 were filed on a timely basis except for one late Form 4 filed by Daniel Turissini reporting the purchase of shares and one late Form 4 filed by Michael Mansouri reporting the purchase of shares.
