Item 1.01 Entry Into a Material Definitive Agreement.

On June 29, 2016, Bio-Path Holdings, Inc. (the “Company”) and certain healthcare focused institutional investors entered into a securities purchase agreement (the “Purchase Agreement”), pursuant to which the Company agreed to sell an aggregate of 5,882,352 shares of its common stock and warrants to purchase up to 2,941,176 shares of its common stock in a registered direct offering with gross proceeds of approximately \$10.0 million.

The common stock and warrants are being sold in units, with each unit consisting of one share of common stock and a warrant to purchase one half (0.5) of a share of common stock. The purchase price per unit is \$1.70. Subject to certain ownership limitations, the warrants will be exercisable after six months from issuance, have a term of five years after they become exercisable and an exercise price of \$2.30 per share of common stock. The shares and warrants are immediately separable. The warrants will not be listed on the Nasdaq Capital Market or any other securities exchange.

On June 24, 2016, the Company entered into an engagement letter (the “Engagement Letter”) with H.C. Wainwright & Co., LLC (the “Placement Agent”), pursuant to which the Placement Agent agreed to serve as the exclusive placement agent for the Company, on a reasonable best efforts basis, in connection with the proposed placement of shares of the Company’s common stock and warrants to purchase shares of the Company’s common stock in a registered direct public offering. The Company has agreed to pay the Placement Agent an aggregate cash fee equal to 6.0% of the gross proceeds received in the offering. In addition, the Company has agreed to grant to the Placement Agent a warrant to purchase up to 250,000 shares of the Company’s common stock. The Company has also agreed to pay to the Placement Agent a non-accountable expense allowance of \$25,000 and up to \$75,000 expense reimbursement; however, the Placement Agent has agreed to deduct the expense reimbursement up to \$75,000 from the Placement Agent’s cash fees in connection with the offering.

The net proceeds to the Company from the registered direct public offering, after deducting the Placement Agent’s fees and expenses, the Company’s estimated offering expenses, and excluding the proceeds, if any, from the exercise of the warrants issued in the offering, are expected to be approximately \$9.3 million. The offering is expected to close on or about July 5, 2016, subject to the satisfaction of customary closing conditions. The Company currently intends to use these net proceeds for working capital and general corporate purposes.

The units, shares of common stock, warrants to purchase common stock and shares of common stock issuable upon exercise of the investor warrants will be issued pursuant to a prospectus supplement dated as of June 29, 2016, which was filed with the Securities and Exchange Commission in connection with a takedown from the Company’s shelf registration statement on Form S-3, as amended (File No. 333-192102), which became effective on January 13, 2014, and the base prospectus dated as of January 13, 2014 contained in such registration statement.

The legal opinion of Winstead PC relating to the legality of the issuance and sale of the shares of common stock, warrants and shares of common stock issuable upon exercise of the warrants in the offering is attached as Exhibit 5.1 to this Current Report on Form 8-K.

The description of terms and conditions of the Engagement Letter, the Purchase Agreement and the form of warrant set forth herein do not purport to be complete and are qualified in their entirety by the full text of the Engagement Letter, the form of warrant and the form of Purchase Agreement, which are attached hereto as Exhibits 1.1, 4.1 and 10.1, respectively, and incorporated herein by reference.
