Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) requires a company’s directors, officers and stockholders who beneficially own more than 10% of any class of equity securities of the company registered pursuant to Section 12 of the Exchange Act, collectively referred to herein as the Reporting Persons, to file

initial statements of beneficial ownership of securities and statements of changes in beneficial ownership of securities with respect to the company's equity securities with the Securities Exchange Commission (the "SEC"). All Reporting Persons are required by SEC regulation to furnish us with copies of all reports that such Reporting Persons file with the SEC pursuant to Section 16(a).

Based solely on our review of the copies of such forms received by us, we believe that there has been compliance with all Section 16(a) filing requirements applicable to our Reporting Persons during the fiscal year ended June 30, 2016.

Code of Business Ethics and Conduct

On March 17, 2003, our board adopted a Code of Business Ethics and Conduct, or Code of Ethics, which may be found on our website at www.seviontherapeutics.com. The Code of Business Ethics and Conduct applies to the our principal executive officers, principal financial officer, principal accounting officer, and other persons who perform similar functions for Sevion, in addition to our corporate directors and employees.

Our Code of Ethics contains written standards designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

- full, fair, accurate, timely, and understandable disclosure in reports and documents filed with the SEC and in other public communications made by the Company;

- compliance with applicable governmental laws, rules and regulations;

- the prompt internal reporting of violations of our Code of Ethics to an appropriate person or persons identified in our Code of Ethics; and

- accountability for adherence to our Code of Ethics.

Each of our employees, officers and directors completed a signed certification to document his or her understanding of and compliance with our Code of Ethics.

Audit Committee

Our Audit Committee was established in July 1999. On March 11, 2011, our board adopted an Amended and Restated Audit Committee Charter. The primary responsibilities of our Audit Committee include:

- appointing, approving the compensation of, and assessing the independence of our independent registered public accounting firm;

- overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of certain reports from our independent registered public accounting firm;

- reviewing and discussing with management and our independent registered public accounting firm our annual and quarterly financial statements and related disclosures;

· monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;

The NYSE MKT currently requires an Audit Committee comprised solely of independent directors. Messrs. Braca and Rubin are “independent” members of our board as defined in Rule 10A-3 under the Exchange Act, and Section 803 of the NYSE MKT Company Guide. Narrative Explanation of Certain Aspects of the Summary Compensation Table

Each of our named executive officers is eligible to receive (i) a base salary and (ii) an annual performance bonus payable in cash, stock or a combination at the discretion of the compensation committee of the board of directors, or the Compensation Committee.

Cash Compensation

The base salary for each of our named executive officers for our Fiscal 2016, is listed in the table below:

Name	Fiscal 2016 Base Salary	
David Rector	\$ 60,000	(1)
Vaughn Smider, M.D., Ph.D.	\$ 40,000	(2)
James Graziano, Ph.D.	\$ 122,500	(3)
Miguel de los Rios Ph.D.	\$ 87,500	(4)

(1) From June 30, 2015 through March 22, 2016, base salary was \$180,000. Effective March 23, 2016, base salary was decreased to \$60,000.

(2) From June 30, 2015 through March 22, 2016, base salary was \$200,000. Effective March 23, 2016, base salary was decreased to \$40,000.

(3) From June 30, 2015 through March 22, 2016, base salary was \$175,000. Effective March 23, 2016, base salary was decreased to \$122,500.

(4) From June 30, 2015 through March 22, 2016, base salary was \$175,000. Effective March 23, 2016, base salary was decreased to \$87,500.

On March 23, 2016, our senior management team recommended to our board of directors that certain executive level salaries be reduced by upwards of 80%, depending on position, to support our goal of cutting expenses and preserving our cash on hand. The salary reductions listed above were a result of such decision.

The Compensation Committee determined, as a result of reviewing several factors, and primarily because of our limited cash resources reserved for research and development activities, that no bonuses were or would be granted for Fiscal 2016.

Equity Compensation

During Fiscal 2016, the Compensation Committee, determined that the performance metrics for the Fiscal 2016 grants had not been fully met. Therefore, a percentage of the options granted in Fiscal 2015 were forfeited as follows:

Edgar Filing: Sevion Therapeutics, Inc. - Form 10-K/A

Name	Original Grant Date	Original Grant	Percentage Forfeited	Options Forfeited	Grant Date Fair Value
Vaughn Smider, M.D., Ph.D.	11/18/2014	42,210	40	% 16,884	\$ 15,297
Miguel de los Rios, Ph.D.	11/18/2014	34,020	25	% 8,505	\$ 15,411
James Graziano, Ph.D.	11/18/2014	28,140	45	% 12,663	\$ 9,348

The grant date fair values used to calculate such compensation costs were not adjusted to take into account the effect of the forfeitures.

Option Exercises and Stock Vested

There were no option exercises and stock vested activity for our named executive officers during the year ended June 30, 2016.

Executive Benefits and Perquisites

In General – The named executive officers are also provided with certain market competitive benefits, described below. It is the Compensation Committee’s belief that such benefits are necessary for us to remain competitive and to attract and retain top caliber executive officers, since such benefits are typically provided by companies in the biotechnology industry and with other companies with which we compete for executive talent.

Retirement Benefits – The named executive officers may participate in our 401(k) plans administered by Sevion and Fabrus, Sevion’s wholly-owned subsidiary

Other Benefits and Perquisites – All administrative employees, including the named executive officers, are eligible to receive standard health, disability, and life insurance. We do not provide any additional benefits and perquisites.

Severance and Change in Control Benefits

Retention Policy

On October 9, 2012, our board of directors approved a Retention Policy for those officers who do not have an employment agreement as of the date of their termination (the “Policy”). Pursuant to the terms and provisions of the Policy, in the event that an officer is terminated or resigns for good reason (as such term is defined in the Policy) in connection with a change of control transaction (as such term is defined in the Policy), such officer will be entitled to receive the following (subject to the limitation discussed below):

- (i) The involuntary termination benefits provided in the officer’s employment agreement, if any, including unpaid compensation and benefits.

- (ii) The full incentive bonus allocated to the officer for the calendar year in which termination occurs, as determined by the Board.

- (iii) A multiple of the officer’s annual base salary: (CEO=2x, CFO=1.5x, VP R&D=1.5x, VP Clinical=1.5x, other officers=1x).

- (iv) Medical coverage with term equal to base salary continuation under the Company’s group health insurance.

- (v) Allowance for all vested options to be exercisable for the remainder of each such vested option’s full remaining exercise period.

- (vi) Immediate vesting of all unvested options granted to the officer.

Notwithstanding the foregoing, if the aggregate compensation set forth in clauses (i), (ii), (iii) and (iv) above to be paid to all officers exceeds 10% of the value of the transaction as determined by the parties (as reflected in a definitive agreement, including the fair market value of any publicly traded securities), or if not reflected in a definitive

agreement, then as determined by a qualified, independent third party selected by our board of directors, then the board of directors shall have the discretion to reduce such compensation pro-rata to the extent necessary to consummate the change of control transaction.

The Policy also provides that our board of directors shall have discretion to grant a termination package in the event an officer is terminated by the board without cause (as such term is defined in the Policy) or resigns for good reason (as such term is defined in the Policy).

The Compensation Committee believes that the severance benefits under the Policy provide financial protection against the potential loss of employment in designated circumstances and will allow our executive officers to focus attention on changes that are in the best interests of the stockholders, without undue concern as to each officer's own financial situation. The Compensation Committee also believes the accelerated vesting of equity awards is justified because those awards are designed to serve as the primary vehicle for the executives to accumulate financial resources for retirement. Finally, given the time periods and risks involved in pharmaceutical development, the Compensation Committee believes that the extended exercise period is an appropriate way to provide the officers with an opportunity to realize financial gains from decisions made during his or her tenure as an officer.

Executive Compensation Agreements

Consulting Agreement

On January 9, 2015, we entered into a consulting agreement with The David Stephen Group LLC, an entity controlled by David Rector, our interim President and Chief Executive Officer, setting forth Mr. Rector's monthly compensation amount for the provision of his services as our interim President and Chief Executive Officer, as well as certain other standard provisions, such as confidentiality and invention assignment. Effective as of March 23, 2016, our consulting agreement with The David Stephen Group LLC was amended to reflect a reduction in the compensation payable under such agreement.

Director Compensation

We pay our non-employee directors cash compensation, paid in quarterly increments as consideration for their service on our board for each fiscal year as follows:

Annual (Base) Retainer	\$10,000
Per Scheduled Board Meeting Fee	\$1,500 ⁽¹⁾
Per Committee Meeting Fee	\$750 ⁽²⁾
Additional Annual Retainer:	
Chairman of the Board	\$5,000
Audit Committee Chair	\$3,500
Compensation Committee Chair	\$3,500
Nominating and Corporate Governance Committee Chair	\$1,500
Non-Chair Committee Member Additional Retainer (All Committees)	\$1,000
Maximum Per Diem For All Meetings	\$2,000

- (1) \$750 for telephonic meetings (less than 30 minutes: \$375).
(2) \$375 for telephonic meetings.

Equity Compensation***Equity Election Program***

A director may elect to receive, in lieu of such cash retainer and meeting fees, either (i) restricted stock units, or RSUs, covering that number of shares having a fair market value on the grant date equal to such cash award or (ii) a number of option shares equal to twice the number of RSU's that would have been received, with an exercise price per share equal to the fair market value of our common stock on the option grant date. Such election must be timely made and generally applies for the entire year. The awards are fully-vested on the grant date and each option has a maximum term of 10 years subject to earlier termination 3 months following cessation of board service. The RSUs or options are generally granted quarterly, effective two (2) days following the filing of our quarterly reports on Form 10-Q for that quarter, and are fully vested as of the grant date.

Edgar Filing: Sevion Therapeutics, Inc. - Form 10-K/A

For Fiscal 2016, all of the directors elected to receive options in lieu of cash. Accordingly, the directors received options to purchase shares of our common stock pursuant to the provisions of the 2008 Stock Plan and their equity elections with the exercise price per share equal to the closing price on the option grant date. The dollar amount of the fees paid in equity pursuant to such program by each director for Fiscal 2016 and the number of shares subject to such equity awards was as follows:

Director	Grant Date	\$ Amount of Fees paid in Equity	Number of Shares subject to Options
Harlan W. Waksal, M.D.(1)	11/19/15	\$ 10,000	40,000
John N. Braca	11/19/15	\$ 10,625	42,500
	6/13/16	\$ 9,875	89,773
Phillip Frost, M.D.	11/19/15	\$ 8,125	32,500
	6/13/16	\$ 8,625	78,409
Steven Rubin	11/19/15	\$ 10,000	40,000
	6/13/16	\$ 9,875	89,773

(1) Such director resigned from the board on March 4, 2016.

Our Compensation Committee reviews the equity program each year and determines the appropriate level of the equity awards to be made for that year. The Compensation Committee did not approve any grant of options or other equity to our non-employee board members during Fiscal 2016.

Certain Relationships and Related Transactions

Consulting Agreement with David Rector

On January 9, 2015, we entered into a consulting agreement with The David Stephen Group LLC, an entity wholly-owned and controlled by David Rector, our interim President and Chief Executive Officer, setting forth Mr. Rector's monthly compensation amount for the provision of his services as our interim President and Chief Executive Officer, as well as certain other standard provisions, such as confidentiality and invention assignment. Under this agreement, we have agreed to pay Mr. Rector \$10,000 per month as compensation for his services provided under the agreement. Effective June 2015, the Compensation Committee increased the monthly compensation to \$15,000 per month for his services. Effective March 23, 2016, the Compensation Committee amended the consulting agreement with The David Stephen Group LLC to reflect a decrease of the monthly compensation payable under the agreement to \$5,000 per month for his services. We paid \$150,000 to Mr. Rector pursuant to the consulting agreement during the fiscal year ended June 30, 2016.

Debt / Equity Transactions

July 2015 Transaction with OPKO Health, Inc.

On July 27, 2015, we entered into a subscription agreement with OPKO Health, Inc., ("OPKO") pursuant to which OPKO purchased 666,667 Units consisting of Series C Convertible Preferred Stock for a purchase price of \$500,000. Review and Approval of Related Person Transactions

Our Audit Committee Charter requires that our Audit Committee review and approve or ratify transactions involving us and any executive officer, director, director nominee, 5% stockholder and certain of their immediate family members, also referred to herein as a related person. The policy and procedures cover any transaction involving a related person, also referred to herein as a related person transaction, in which the related person has a material interest and which does not fall under an explicitly stated exception set forth in the applicable disclosure rules of the SEC.

A related person transaction will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction. In considering related person transactions, the Audit Committee will consider any information considered material to investors and the following factors:

- the related person's interest in the transaction;
- the approximate dollar value of the transaction;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that we could have reached with an unrelated third party; and
- the purpose and potential benefit to us of the transaction.

Director Independence

The Company is not a listed issuer and so is not subject to the director independence requirements of any exchange or interdealer quotation system. Although we are not currently subject to director independence requirements, we have, nevertheless, in determining whether our directors and director nominees are independent, we use the definition of independence provided under Section 803 of the NYSE MKT Company Guide. Under this definition of independence, a director will, among other things, qualify as an “independent director” if, in the determination of our board, that person does not have a relationship that would interfere with his or her exercise of independent judgment in carrying out the responsibilities of a director. Our board has determined that each of Messrs. Braca and Rubin and Dr. Frost is an “independent director” under Section 803 of the NYSE MKT Company Guide. Mr. Rector and Dr. Smider would not be considered independent because they currently serve or have served as officers of the Company.
