GAMCO Asset Management Inc., together with the other participants named herein (collectively, “GAMCO”), has made a definitive filing with the Securities and Exchange Commission of a proxy statement and an accompanying BLUE proxy card to be used to solicit votes for the election of GAMCO’s slate of three highly-qualified director nominees to the Board of Directors of The E.W. Scripps Company, a Ohio corporation (the “Company”), at the Company’s upcoming 2018 annual meeting of shareholders, or any other meeting of shareholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof.

On April 3, 2018, GAMCO sent the following letter to shareholders of the Company.

April 3, 2018

Dear Fellow Shareholders:

GAMCO Asset Management Inc. (“GAMCO or “Gabelli Asset Management”), on behalf of its investment advisory clients, and certain of its affiliates, are beneficial owners of approximately 16.9% of the outstanding Class A common shares of The E.W. Scripps Company (“Scripps” or the “Company”) (NYSE:SSP), collectively making us the largest unaffiliated shareholder of the Company.

On March 26, 2018 GAMCO filed a definitive proxy statement with the Securities and Exchange Commission in connection with its solicitation of proxies to elect Ms. Colleen Birdnow Brown, Mr. Raymond H. Cole and Mr. Vincent L. Sadusky, to the Board of Directors (the “Board”) at the Company’s 2018 Annual Meeting of Shareholders. The 2018 Annual Meeting is scheduled to be held on May 10, 2018 in Cincinnati, Ohio.

HELP IS DEFINED AS “MAKING IT EASIER FOR (SOMEONE) TO DO SOMETHING BY OFFERING ONE’S SERVICES OR RESOURCES!”

GAMCO is asking shareholders to add three directors to the Board, all with years of experience in broadcasting and media companies directly related to Scripps' businesses and all with proven track records of value creation. These highly qualified individuals will help CEO Adam Symson and Brian Lawlor (President/TV Broadcasting) improve earnings and increase cash flow without making acquisitions. We are doing this as we believe this focus on "BCF" (industry jargon for Broadcast Cash Flow) should be the highest priority to boost SSP's public market price.

Table 2

Set forth below is a line graph comparing the cumulative return on the Company's Class A Common shares, assuming an initial investment of \$100 as of December 31, 2012, and based on the market prices at the end of each year and assuming dividend reinvestment, with the cumulative return of the Standard & Poor's Composite-500 Stock Index and an Index based on a peer group of media companies. The spin-off of [the Company's] newspaper business at April 1, 2015 is treated as a reinvestment of a special dividend pursuant to SEC rules. The companies that comprise [the Company's] Peer Group Index are Nexstar Broadcasting Group, TEGNA, Sinclair Broadcast Group, Tribune Media, Gray Television, Saga Communications and Beasley Broadcast Group. The Peer Group Index is weighted based on market capitalization.
