## Edgar Filing: FELLOWS ENERGY LTD - Form 8-K

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

In connection with the Company's filing of Form 10-Q for the period ended June 30, 2008 (the "Form 10-Q") with the Securities and Exchange Commission (the "Commission"), we had been in communication with our independent certified public accountant in order to complete the required review of our financial statements, who has not yet completed their review of our financial statements prior to our filing the Form 10-Q. The Board of Directors has determined as of the date hereof that, under these circumstances, the present filing should be made. The Board of Directors has attempted to discuss the matters disclosed in this filing, and will continue to work toward obtaining proper review of the referenced Form 10-Q.

We are aggressively seeking any additional comments required to complete the review for filing an amended Form 10-Q for the period ended June 30, 2008.

The Company intends to file such amended Form 10-Q to rectify the filing, at the earliest practicable date.
