Item 3. Source and Amount of Funds or Other Consideration

Telenor East Invest will use its working capital to settle its obligations from time to time under the Swap Agreement (as defined below), and Telenor ASA will use its working capital to settle its obligations under the Guarantee (as defined below). As of the date of this Amendment, the amount of such obligations cannot be determined.

Item 4. Purpose of the Transaction

As previously disclosed in Amendment No. 36 to this Statement, on June 2, 2006, Telenor ASA entered into a master confirmation (the Swap Agreement) with ING Bank N.V., London Branch (ING) providing for a total return equity swap (the Swap Transaction) in respect of up to 8,130,000 American Depositary Receipts of VimpelCom (ADRs) (evidencing up to 2,032,500 shares of Common Stock of VimpelCom). During the period from June 2, 2006 to September 30, 2006, ING executed and delivered to Telenor ASA supplemental confirmations in respect of 8,114,300 ADRs acquired by ING (the Underlying ADRs) under the Swap Agreement. As disclosed in Amendment No. 41 to this Statement, on March 30, 2007, ING, Telenor ASA and Telenor East Invest entered into an assignment, novation and amendment agreement (the Assignment Agreement), pursuant to which Telenor ASA transferred all of its rights and obligations under the Swap Agreement to Telenor East Invest. In addition, Telenor ASA and ING entered into a guarantee agreement (the Guarantee), pursuant to which Telenor ASA agreed to unconditionally and irrevocably guarantee the payment and performance of Telenor East Invest's obligations under the Swap Agreement.

As disclosed in Amendment No. 42 to this Statement, on May 11, 2007, Telenor East Invest and ING entered into an amendment agreement (the Second Amendment Agreement), pursuant to which Telenor East Invest and ING agreed to further amend the Swap Agreement to provide for physical settlement in respect of 7,666,900 of the Underlying ADRs acquired by ING under the Swap Agreement (then equivalent to 1,916,725 shares of Common Stock of VimpelCom) and to extend the Swap Agreement until June 2, 2008 in respect of 447,400 of the Underlying ADRs that remain subject to the Swap Agreement. Under the terms of the Second Amendment Agreement, Telenor East Invest agreed to acquire 7,666,900 ADRs from ING for \$97.15261 per ADR. On May 11, 2007, Telenor East Invest paid ING for such ADRs, and ING transferred such ADRs to Telenor East Invest.

On August 8, 2007, VimpelCom filed a Form 6-K with the Securities and Exchange Commission in which VimpelCom announced a change in the ratio of its ADRs from four ADRs for one common share to 20 ADRs for one common share, effective August 21, 2007. To implement the ratio change, VimpelCom ADR holders of record at the close of business on August 17, 2007 received four additional ADRs for every ADR held. As a consequence of this change, the number of Underlying ADRs subject to the Swap Agreement increased from 447,400 to 2,237,000.

Telenor East Invest and ING entered into an amendment agreement (the Third Amendment Agreement) dated June 2, 2008, with a trade date of May 28, 2008, pursuant to which Telenor East Invest and ING agreed to extend the Swap Agreement until June 1, 2009 in respect of the 2,237,000 Underlying ADRs that remain subject to the Swap Agreement. The Third Amendment Agreement also amended the termination provisions of the Swap Agreement to provide for optional monthly termination by either party on certain specified dates.

Telenor East Invest entered into the Third Amendment Agreement in order to continue to partially hedge itself against further increases in the price of VimpelCom ADRs.

After giving effect to the Third Amendment Agreement, under the Swap Agreement, Telenor East Invest will continue to make payments to, or receive payments from, ING that reflect the total return on the notional value of the remaining Underlying ADRs until June 1, 2009 (unless the Swap Transaction is fully terminated prior to such date), including receiving amounts equivalent to 85% of the amount of any dividends paid during the term of the Swap Transaction, and Telenor East Invest will make payments to ING equivalent to a floating rate of interest on a notional principal amount equal to the aggregate notional value of the remaining Underlying ADRs. The Swap Agreement will

continue to provide only for cash settlement with respect to the remaining Underlying ADRs. Neither Telenor East Invest nor any of the other Reporting Persons shall have any voting or investment power with respect to any of the remaining Underlying ADRs, and Telenor East Invest and each of the other Reporting Persons disclaim beneficial ownership of any such securities.

Other than the Second and Third Amendment Agreements, the Assignment Agreement, the Guarantee and the Swap Agreement (which incorporates by reference the 2002 ISDA Master Agreement and Schedule dated March 30, 2007 between ING and Telenor East Invest), none of the Reporting Persons has any contracts, arrangements, understandings or relationships with ING with respect to the Underlying ADRs subject to the Swap Agreement.

The preceding summary of the Second and Third Amendment Agreements, the Assignment Agreement, the Guarantee, the Swap Agreement and the Swap Transaction is not intended to be complete and is qualified in its entirety by reference to the full text of the Third Amendment Agreement, a conformed copy of which is attached hereto as Exhibit 99.1, the full text of the Second Amendment Agreement, a conformed copy of which is attached as Exhibit 99.1 to Amendment No. 42 to this Statement, the full text of the Assignment Agreement and the Guarantee, conformed copies of which are attached as Exhibits 99.1 and 99.2, respectively, to Amendment No. 41 to this Statement, and the full text of the Swap Agreement, a conformed copy of which is attached as Exhibit 99.1 to Amendment No. 36 to this Statement, each of which is incorporated herein by reference.

The Reporting Persons may, from time to time, and reserve the right to, change their plans or intentions and to take any and all actions that they deem appropriate to maximize the value of their investment in VimpelCom. In order to maximize the value of their investment in VimpelCom, the Reporting Persons may, from time to time, consider, evaluate or propose various possible transactions involving VimpelCom or its subsidiaries or affiliates, which could include, among other things:

- (i) the possible acquisition of additional securities of VimpelCom from time to time in the open market, in privately negotiated transactions or otherwise, including, without limitation, through entry into and exercise of call options or other derivative transactions;
 - (ii) the possible acquisition or disposition of debt securities or other debt instruments of third parties, in each case, that are secured by, convertible into or exchangeable for securities of VimpelCom, and the enforcement of any such security interest or the exercise of any such exchange or conversion right;
 - (iii) the possible disposition or exchange of any securities of VimpelCom owned by them, including the possible disposition of all of the shares of Common Stock of VimpelCom owned by them;
-

(iv) possible extraordinary corporate transactions (such as a merger, consolidation, reorganization or restructuring) involving VimpelCom or any of its subsidiaries, including with other telecommunication companies which may be affiliated with the Reporting Persons;

(ix) soliciting the votes of VimpelCom's shareholders in relation to any annual or extraordinary general meeting of shareholders of VimpelCom.

The Reporting Persons may also, from time to time, formulate other plans or proposals regarding VimpelCom or its securities to the extent deemed advisable in light of market conditions, subsequent developments affecting VimpelCom, the general business and future prospects of VimpelCom, tax considerations, or other factors.

or Relationships

with Respect to

Securities of the

Issuer

As described in Item 4 hereof, which is incorporated by reference herein in its entirety, on June 2, 2008, Telenor East Invest and ING entered into the Third Amendment Agreement.

In addition to the Swap Transaction, the Reporting Persons may, from time to time, enter into and unwind cash settled equity swap or other similar derivative transactions with respect to the securities of VimpelCom, which transactions may be significant in amount. These arrangements do not and will not give the Reporting Persons voting or investment control over the securities of VimpelCom to which these transactions relate and, accordingly, the Reporting Persons disclaim beneficial ownership of any such securities.

Except as provided in the documents described in the Statement on Schedule 13D and Amendments Nos. 1 through 48 hereto (inclusive), or as set forth herein, neither Telenor East Invest, Telenor Mobile Holding AS or Telenor ASA, nor to the best of Telenor East Invest's, Telenor Mobile Holding AS's or Telenor ASA's knowledge, any of the individuals named in Item 2 hereof has entered into any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of VimpelCom, including, but not limited to, transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangement, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
