## Edgar Filing: COMMERCIAL FEDERAL CORP - Form 8-K

### Item 7. Financial Statements, Pro Forma Financial Information and Exhibits:

---

#### (c) Exhibits

Exhibit 99.1                      Press release dated January 29, 2004

### Item 9. Regulation FD Disclosure

---

On January 29, 2004, Commercial Federal Corporation ("the Registrant") announced a \$5.6 million award relating to a supervisory goodwill claim against the United States filed by the former Mid Continent Bancshares, Inc., which was acquired in 1998 by Commercial Federal Bank, a Federal Savings Bank, a wholly-owned subsidiary of the Registrant. For further information, see the press release attached to this report as Exhibit 99.1, which is furnished herewith.

### Item 12. Results of Operations and Financial Condition:

---

On January 29, 2004, the Registrant issued its press release announcing earnings for the three and twelve months ended December 31, 2003. The press release also announced adjustments to the Registrant's consolidated financial statements related to the accounting treatment for a Bank Owned Life Insurance ("BOLI") policy. The \$5.6 million award relating to the supervisory goodwill claim is also announced. The press release is attached to this report as Exhibit 99.1, which is furnished herewith.

The Registrant anticipates it will file with the Securities and Exchange Commission in early February 2004, the Annual Report Form 10-K/A for the year ended December 31, 2002 (Amendment No. 2) and the Quarterly Report Form 10-Q/A (Amendments No. 1) for the quarters ended September 30, 2003, June 30, 2003 and March 31, 2003. These amended filings will reflect the correction to the Registrant's consolidated financial statements for the error in accounting for certain components of a BOLI policy ("BOLI adjustment") as discussed in the attached Exhibit 99.1. The effects of the error were spread over a 12-quarter period beginning with the three months ended December 31, 2000, when the policy was acquired, through the September 30, 2003 quarter. In addition, the amended filings will reflect the restatement of prior period consolidated financial statements to conform to current financial statement presentation primarily with respect to certain government agency-guaranteed loans serviced for the Government National Mortgage Association ("GNMA adjustment"). Accordingly, the Registrant is increasing loans held for sale and other borrowings each by identical amounts totaling \$17.9 million and \$6.4 million at December 31, 2002 and 2001, respectively, related to GNMA loans eligible for repurchase at those dates. In addition, the Registrant will reclassify from other assets to loans held for sale the principal amount of loans actually repurchased from GNMA totaling \$28.0 million and \$37.9 million at December 31, 2002 and 2001, respectively.

The following tables reflect the effects of the accounting restatements to prior reporting periods:
