On February 6, 2017, our compensation committee approved and recommended to our board, and our board approved, a retention compensation program for our Chief Executive Officer, Chief Financial Officer, and other executive officers subject to Section 16 of the Securities Exchange Act of 1934, as amended. The retention program, which is structured in the same manner as a retention program implemented for other employees, provides for (i) a lump sum cash payment if the individual executive officer remains employed with us through January 1, 2019 and (ii) the grant of stock options and restricted stock units pursuant to our 2011 Equity Incentive Plan that will vest in accordance with our standard vesting terms.

Cash and equity awards under the retention program as approved by our compensation committee and board of directors for our chief executive officer, chief financial officer, and other current executive officers named in our most recent proxy statement were as set forth in the table below. In his discussions with the compensation committee and our board, our chief executive officer elected to receive the equity compensation set forth below in lieu of participating in the cash element of the retention program.
