**Item 1.01. Entry into a Material Definitive Agreement.**

On April 27, 2018, WestRock Company, a Delaware corporation (the “Company”), entered into a credit agreement (the “Credit Agreement”) by and among the Company, as parent, WRK Luxembourg S.à r.l., a private limited liability company incorporated under the laws of Luxembourg, WRK International Holdings S.à r.l., a private limited liability company incorporated under the laws of Luxembourg, Multi Packaging Solutions Limited, a limited company incorporated under the laws of England and Wales, and WestRock Packaging Systems Germany GmbH, a private limited liability company incorporated under the laws of Germany, as borrowers, the other borrowers from time to time party thereto, the lenders party thereto and Coöperatieve Rabobank U.A., New York Branch, as administrative agent. The Credit Agreement provides for a three-year revolving credit facility in an aggregate committed principal amount of €500,000,000 (the “Credit Facility”). The proceeds of the Credit Facility will be used (i) to fund the repayment of the Existing Credit Agreement (as defined below), (ii) to pay fees and expenses incurred in connection with the transactions contemplated by the Credit Agreement and (iii) for working capital and general corporate purposes of the borrowers and their subsidiaries. The Credit Agreement is unsecured and, as of April 27, 2018, is guaranteed by the Company, WestRock RKT Company, a Georgia corporation and a wholly owned subsidiary of the Company, and WestRock MWV, LLC, a Delaware limited liability company and a wholly owned subsidiary of the Company.

At the option of the borrowers, loans issued under the Credit Facility may be denominated in U.S. dollars, euro or pound sterling and will bear interest at, in the case of loans denominated in U.S. dollars, either adjusted LIBOR or an alternate base rate, and in the case of loans denominated in euro or pound sterling, adjusted LIBOR, in each case plus an applicable interest rate margin. The interest rate will fluctuate between adjusted LIBOR plus 0.825% to 1.575% per annum (or between the alternate base rate plus 0.000% to 0.575% per annum) based on the Company’s corporate credit rating at such time. In addition, the borrowers will be required to pay fees that will fluctuate between 0.100% per annum to 0.275% per annum on the unused amount of the commitments under the Credit Facility based on the Company’s corporate credit ratings. Loans under the Credit Facility may be prepaid at any time without premium.

The Credit Agreement contains usual and customary representations and warranties and affirmative and negative covenants, including: financial covenants (including maintenance of a maximum consolidated debt to capitalization ratio and a minimum consolidated interest coverage ratio) and limitations on liens, additional subsidiary indebtedness and asset sales and mergers. The Credit Agreement also contains usual and customary events of default, including in respect of: non-payment under the credit agreement; breaches of covenants, representations or warranties; cross-acceleration of other material debt; bankruptcy or insolvency; incurrence of certain material ERISA liabilities; material judgments; impairment of loan documentation; change of control; and material breach of obligations under securitization programs.

The foregoing summary of the Credit Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.
