10. To transact such other business as may come properly before the Meeting or any adjournments thereof.

YOUR VOTE IS VERY IMPORTANT.

The affirmative vote of the holders of a majority of the votes cast in person or by proxy at the Meeting is necessary for the approval of each Proposal. In addition, the approval of Proposals 2 and 4 are also subject the fulfillment of one of the following additional voting requirements; (i) the majority of the shares that are voted at the Meeting in favor of the relevant proposal, excluding abstentions, include at least a majority of the votes of shareholders who are not controlling shareholders and do not have a personal interest in the proposal (excluding personal interest that is not due to a relationship with the controlling shareholder) or (ii) the total number of shares held by the shareholders mentioned in clause (i) above that are voted against the proposal does not exceed two percent of the aggregate voting rights in the Company. The approval of Proposal 8 is also subject to the fulfillment of one of the following additional voting requirements: (i) the majority of the shares that are voted at the Meeting in favor of the relevant proposal, excluding abstentions, include at least a majority of the votes of shareholders who are not controlling shareholders and do not have a personal interest in the proposal or (ii) the total number of shares held by the shareholders mentioned in clause (i) above that are voted against the proposal does not exceed two percent of the aggregate voting rights in the Company.

Under the Companies Law, a personal interest means a personal interest of a person in an act or transaction of a company, including: (i) a personal interest of that person's relative; or (ii) a personal interest of another entity in which that person or his or her relative holds 5% or more of such entity's issued shares or voting rights, has the right to appoint a director or the chief executive officer of such entity, or serves as director or chief executive officer of such entity, including the personal interest of a person voting pursuant to a proxy whether or not the proxy grantor has a personal interest. A personal interest resulting merely from holding the Company's shares will not be deemed a personal interest. If you do not state whether you have personal interest your shares will not be voted for Items 2, 4 and 8.

Broker non-votes occur when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed "non-routine." Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. In the event that a broker, bank, or other agent indicates on a proxy that it does not have discretionary authority to vote certain shares on a non-routine proposal, then those shares will be treated as broker non-votes and will not be treated as either a vote "for" or "against" a proposal. Under Israeli law, broker non-votes will not be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business. Only Proposal 9 (ratification of the reappointment of the independent public auditor) is considered a routine matter on which brokers will be entitled to vote without instructions from the beneficial owner.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE PROPOSALS.

The Board is soliciting proxies for use at the Meeting. A form of proxy card for use at the Meeting is attached. The completed proxy card should be mailed to the Company in the pre-addressed envelope provided and should be received by the Company not less than two (2) hours before the time fixed for the Meeting. Upon the receipt of a properly executed proxy card in the form enclosed, the persons named as proxies in the proxy card will vote the ordinary shares covered by the proxy in accordance with the directions of the shareholder executing the proxy. In the absence of instructions, the persons named as proxies intend to vote the ordinary shares covered by the proxy cards IN FAVOR of each proposal. You may revoke the authority granted by your execution of proxies at any time until two (2) hours before the Meeting (a) by presenting to the Company at its registered office proof of your identity as it appears on the proxy and withdrawing the proxy or (b) at the Meeting itself, in which case you may only vote your shares by attending the Meeting in person and voting at the Meeting. Any shareholder that holds, as of the record date set for determining the shareholders entitled to notice of and to vote at the Meeting, either (i) five percent (5%) or more of the total voting rights in the Company, or (ii) five percent (5%) or more of the total voting rights in the Company held by all shareholders that are not control persons, may, directly or through a representative after the Meeting is held, review, at the Company's registered office, all proxies received by the Company with respect to the Meeting.

Only shareholders of record at the close of business on March 14, 2014 will be entitled to vote at the Meeting. Proxies are being mailed to shareholders on or about March 19, 2014 and will be solicited mainly by mail; however, certain officers, directors, employees and agents of the Company, none of whom will receive additional compensation, may solicit proxies by telephone, fax or other personal contact. We will furnish copies of solicitation materials to brokerage firms, nominees, fiduciaries and other custodians for forwarding to their respective principals. We will bear the cost of soliciting proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of ordinary shares. You may vote shares directly held in your name in person at the Meeting. If you want to vote in person at the Meeting shares held in street name, you must request a legal proxy from the broker, bank or other nominee that holds the shares, and must present such legal proxy at the Meeting.

On March 14, 2014, the Company had outstanding 17,826,595 ordinary shares, each of which is entitled to one vote upon each of the matters to be presented at the Meeting. Two (2) or more shareholders, present in person or by proxy and holding shares conferring in the aggregate more than thirty three and one third percent (33.33%) of the voting power of the Company, will constitute a quorum at the Meeting. Abstentions may be specified on all proposals. Abstentions will be counted as present for purposes of determining a quorum and will not be counted as voting on the proposal in question. Submitted proxies which are left blank will also be counted as present for purposes of determining a quorum. If a quorum is not present within thirty (30) minutes from the time appointed for the Meeting, the Meeting will be adjourned to the same day in the following week, at the same time and place, or to such day and at such time and place as the Chairman of the Meeting may determine. At such adjourned Meeting, two (2) or more members, present in person or by proxy and holding shares conferring in the aggregate more than thirty three and one third percent (33.33%) of the voting power of the Company, will constitute a quorum.

If you wish to express your position on an agenda item for the Meeting, you may do so by submitting a written position statement to the Company's offices, c/o Chief Financial Officer, at 19 Hartom Street, Binat Building 5th Floor, Har Hotzvim, Jerusalem 9777518, Israel. Our Amended and Restated Articles of Association provides that the Board will consist of not less than two (2) nor more than eleven (11) directors. The Board presently consists of six (6) members, four (4) of whom are not considered external directors under the Companies Law. The expiration dates of the terms of office of our directors who are not considered external directors are as follows:

- Donald A. Burns, Richard Harris, Dr. Yuen Wah Sing and Gerald Vento— at the annual general meeting of the Company's shareholders to be held in 2014 (at which time they may be re-appointed as directors).

In the event that one or more vacancies is created in the Board, including without limitation a situation in which the number of directors is less than the maximum number permitted under the Amended and Restated Articles of Association, the continuing directors may appoint directors to temporarily fill any such vacancy, provided, however, that if the number of directors is less than four (4), they may only act in (i) an emergency; or (ii) to fill the office of director which has become vacant; or (iii) in order to call a general meeting of the Company for the purpose of electing directors to fill any or all vacancies, so that at least four (4) directors are in office as a result of said meeting. Five of our six current directors, Donald A. Burns, Richard Harris, Dr. Yuen Wah Sing, Gerald Vento and Tal Yaron-Eldar, have been nominated for election at the Meeting. Tal Yaron-Eldar is currently an external director of the Company. The term of office for an external director is a three-year term in accordance with the provisions of the Companies Law.

Directors (except for external directors) are elected at the annual general meeting or an extraordinary meeting of the Company by the vote of the holders of a majority of the voting power represented at such meeting in person or by proxy and voting on the election of directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named. In the event that the nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board may propose. The nominees for election have agreed to serve if elected, and management and the Board have no reason to believe that the nominees will be unable to serve. There are no family relationships among any of the Company's directors, the director nominees, or executive officers. Each of the nominees has attested to the Board and the Company that he or she meets all the requirements in connection with the election of directors under the Companies Law, per the statement in the form attached hereto as Appendix A. Shareholder Communications with the Board

We provide a process by which our shareholders may send communications to the Board, any committee of the Board, the non-management directors or any particular director. Shareholders can contact our non-management directors by sending such communications to the attention of the Secretary, c/o magicJack Vocaltec Ltd., 19 Hartom Street, Binat Building 5th Floor, Har Hotzvim, Jerusalem 9777518, Israel or at www.vocaltec.com. Shareholders wishing to communicate with a particular Board member, a particular Board committee or the Board as a whole, may send a written communication to the same address. The Secretary will forward such communication to the full Board, to the appropriate committee or to any individual director or directors to whom the communication is addressed, unless the communication is unrelated to the duties and responsibilities of the Board (such as spam, junk mail and mass mailings, ordinary course disputes over fees or services, personal employee complaints, business inquiries, new product or service suggestions, resumes and other forms of job inquiries, surveys, business solicitations or advertisements) or is unduly hostile, threatening, illegal, or harassing, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

Code of Ethics

We have adopted a written code of ethics that applies to our directors, executive officers, and other employees. A copy of our code of ethics is available on the Company's Internet Website: <http://www.vocaltec.com> under the "Corporate" tab. Amendments to and waivers from the code of ethics, as applicable, will be disclosed on the Company's website.

Board Leadership Structure

Our Amended and Restated Articles of Association does not contain a policy on whether the roles of Chairman of the Board and Chief Executive Officer should be separate or combined, with this decision being made by the Board based on the best interests of the Company considering the circumstances at the time. In addition, the Companies Law provides that the Chief Executive Officer may not also serve as the Chairman of the Board unless the term does not exceed three years and such appointment is approved by the company shareholders in which (i) the majority includes at least two-thirds of votes of non-controlling shareholders and who do not have a personal interest in the approval or (ii) the total number of votes against the approval among the shareholders described in clause (i) does not exceed two percent (2%) of the voting rights in the company. Currently, the offices of the Chairman of the Board and the Chief Executive Officer are held by two different people. The Chairman of the Board is Donald Burns, while our Chief Executive Officer is Gerald Vento. The Board believes that its independent, non-management directors, which currently make up four (4) of six (6) directors, provide a range of strong and independent views and opinions and sufficiently balance the governance needs of the Company. In addition, the Company's non-management directors meet in periodic executive sessions without any members of management present. The purpose of these executive sessions is to promote open and candid discussion among the non-management directors.

Board Involvement in Risk Oversight and Risk Assessment of Compensation Practices

Day-to-day management of risk is the direct responsibility of the Company's Chief Executive Officer and the senior leadership team. The Board has oversight responsibility for managing risk at the Company, focusing on the adequacy of the Company's risk management and risk mitigation processes. The Board recognizes that an important part of its responsibilities is to evaluate the Company's exposure to risk and to monitor the steps management has taken to assess and control risk. In addition to the discussion of risk at the Board level in connection with these strategic and operational areas, the Board's standing committees also focus on risk exposure as part of their on-going responsibilities. As such, our Audit Committee focuses on oversight of financial risks relating to the Company, including financial reporting and disclosure risks.

Meetings and Committees of the Board

The Board

Each director is expected to devote sufficient time, energy and attention to ensure diligent performance of his duties and to attend all Board and applicable committee meetings. The Board met in person or by conference calls 12 times during the fiscal year ended December 31, 2013. Each director attended at least 75% of all Board and applicable committee meetings during fiscal year 2013.

The Board has not adopted a policy with respect to Board members' attendance at annual meetings of shareholders. One director attended last year's annual meeting.

The Committees

The Board has the following standing committees: (1) Audit Committee, (2) Compensation Committee and (3) Nominating Committee. The composition of the committees for fiscal year 2013 is presented below. The Board has affirmatively determined that each director who currently serves on the Audit, Compensation and Nominating Committees is independent, as the term is defined by applicable NASDAQ and SEC rules.

Audit Committee

Under the Companies Law, the board of directors of any publicly traded company must also appoint an audit committee, comprised of at least three directors, including all of the external directors, but excluding: the chairman of the board of directors, any controlling shareholder or a relative of a controlling shareholder (as defined below), any director employed by the company or by its controlling shareholder or by an entity controlled by the controlling shareholder, any director who regularly provides services to the company or to its controlling shareholder or to an entity controlled by the controlling shareholder, and any director who derives most of its income from the controlling shareholder.

Under the Companies Law, a controlling shareholder is someone who has the ability to direct the activities of the company (other than due to a position in the company), including a shareholder who holds 25% or more of the voting rights in a public company if there is no other shareholder holding more than 25% of the voting rights at such time. There is a presumption that a shareholder that holds more than 50% of the voting rights in a public company is deemed to be a controlling shareholder.

In addition, the Companies Law requires that a majority of the audit committee members be “independent directors”. An “independent director” is defined under the Companies Law as an external director or a director who meets the following conditions and who is appointed or classified as such according to the Companies Law: (i) the conditions for his or her appointment as an external director (as described above) are satisfied and the audit committee approves the director having satisfied such conditions; and (ii) he or she has not served as a director of the company for over nine consecutive years with any interruption of up to two years of his or her service not being deemed a disruption to the continuity of his or her service. An independent director is entitled to compensation and reimbursement of expenses similar to such entitlement of an external director.

The purpose of our Audit Committee is to provide assistance to our Board in fulfilling its legal and fiduciary obligations with respect to matters involving the oversight of the quality and integrity of the accounting, auditing, financial reporting and internal control functions of the Company and its subsidiaries as well as complying with the legal requirements under Israeli law, the rules and regulations of the Securities and Exchange Commission and the Nasdaq Stock Market. The following are examples of functions within the authority of the Audit Committee:

- To recommend to the Board and the shareholders the appointment, termination and approval of the compensation of, and oversee, the Company's independent auditor.
- To communicate on a regular basis with the Company's outside auditors and review their operation and remuneration.
- To discuss with management and the Company's independent auditor significant risks or exposures and assess the steps management has taken to minimize such risks to the Company; and
- To decide whether to approve acts or transactions involving directors, executive officers, controlling shareholders and third parties in which directors, executive officers or controlling shareholders have an interest.

Our Audit Committee may not approve an action or a transaction with an office holder –or a controlling shareholder or an entity in which either of them has a personal interest unless at the time of approval the two external directors are serving as members of the Audit Committee and at least one of the external directors is present at the meeting in which an approval is granted.

As of the date hereof, our Audit Committee is comprised of Yoseph Dauber, Tal Yaron-Eldar and Richard Harris. The audit committee met in person or by conference call five times during the fiscal year ended December 31, 2013. Our Board has determined that Tal Yaron-Eldar qualifies as an “audit committee financial expert” as defined by Item 407(d) of Regulation S-K. A copy of the Audit Committee Charter is available on the Company’s Internet Website: <http://www.vocaltec.com> under the “Corporate” tab.

Compensation Committee

Under the Companies Law, the board of directors of any publicly traded company must also appoint a compensation committee, comprised of at least three directors, including all of the external directors, whom must comprise the majority of the compensation committee, but excluding: the chairman of the board of directors, any controlling shareholder or a relative of a controlling shareholder, any director employed by the company or by its controlling shareholder or by an entity controlled by the controlling shareholder, any director who regularly provides services to the company or to its controlling shareholder or to an entity controlled by the controlling shareholder, and any director who derives most of his or her income from the controlling shareholder. The remaining members of the compensation committee must be directors who qualify to serve as members of the compensation committee under the Companies Law, the rules and regulations of the Securities and Exchange Commission and the Nasdaq Stock Market.

As of the date hereof, our Compensation Committee is comprised of Tal Yaron-Eldar, Richard Harris, and Yoseph Dauber. The Compensation Committee has been appointed to recommend to our Board the compensation paid to our executive officers. The Compensation Committee has adopted a written charter. . A copy of the Compensation Committee Charter is available on the Company’s Internet Website: <http://www.vocaltec.com> under the “Corporate” tab. Please see “Compensation Discussion and Analysis” for discussion about our processes and procedures for the consideration and determination of executive and director compensation, the role of executive officers in determining or recommending the amount or form of executive and director compensation, and information regarding the Company’s use of compensation consultants. The Compensation Committee met in person or by conference call six times during the fiscal year ended December 31, 2013

Nominating Committee and Director Nominating Process

As of the date hereof, our Nominating Committee is comprised of Donald A. Burns, Yoseph Dauber and Tal Yaron-Eldar.

Nominations for the election of directors may be made by the Board or a committee appointed by the Board or by any shareholder holding at least one percent (1%) of the outstanding voting power in the Company. However, and without limitation of Section 63 of the Companies Law, any such shareholder may nominate one or more persons for election as a director at a general meeting only if a written notice of such shareholder's intent to make such nomination or nominations has been given to the Secretary of the Company not later than (i) with respect to an election to be held at an annual general meeting of shareholders, ninety (90) days prior to the anniversary date of the immediately preceding annual meeting, and (ii) with respect to an election to be held at an extraordinary general meeting of shareholders for the election of directors, at least ninety (90) days prior to the date of such meeting. Each such notice shall set forth:

- the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated;
- a representation that the shareholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice;
- a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; and
- the consent of each nominee to serve as a director of the Company if so elected and a declaration signed by each of the nominees declaring that there is no limitation under the Companies Law for the appointment of such a nominee and that all the information that is required under the Companies Law to be provided to the Company in connection with such an appointment has been provided.

The Chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The Nominating Committee does not have a charter. It evaluates all aspects of a candidate's qualifications in the context of the needs of the Company with a view to creating a Board with a diversity of experience and perspectives. The same evaluating procedures apply to all candidates for director nomination, including candidates submitted by shareholders. Among a candidate's qualifications and skills considered important are personal and professional integrity, ethics, and values; a commitment to representing the long-term interests of shareholders; experience in corporate management, such as serving as an officer or former officer of a publicly held company; experience and/or academic expertise in the Company's industry and with relevant social policy concerns; experience as a board member of another publicly held company; and practical and mature business judgment. The Nominating Committee gives consideration to a wide range of diversity factors as a matter of practice when evaluating candidates to the Board and incumbent directors, but there is no formal policy regarding Board diversity.

Special Committee to Negotiate with Daniel Borislow

At its meeting on September 23, 2013, the Board formed a Special Committee consisting of independent directors, Richard Harris and Tal Yaron-Eldar. The Special Committee was formed for the purpose of negotiating an agreement with Daniel Borislow concerning his future relationship with the Company. The Special Committee ultimately negotiated an Omnibus Agreement between the Company and Mr. Borislow which was executed on November 5, 2013, along with a letter agreement providing for the negotiation of an agreement between the Company and a company controlled by Mr. Borislow through which Mr. Borislow's company would provide customer care services to the Company on terms consistent with competitive practices in the industry. The letter agreement provided that, if the Company and Mr. Borislow could not agree to terms by December 20, 2013, negotiations would terminate and the Company would pay Mr. Borislow a single one-time payment of \$1.5 million. The Company and Mr. Borislow did

not reach terms by December 20, 2013 and the Company made the \$1.5 million payment per the terms of the letter agreement.

Following the execution of the Ominbus Agreement by the Company and Mr. Borislow, disputes arose regarding the agreement. The Board extended the charter of the Special Committee through the first quarter of 2014 to attempt to amicably resolve those disputes with Mr. Borislow.

Certain Relationships and Related Transactions

On January 2, 2013, a subsidiary of the Company entered into a Lease Agreement with Fast Transport, LLC, a limited liability company owned by Daniel Borislow, the Company's former Chief Executive Officer. During the original lease term, which ends on December 31, 2014, rent of \$8,000 per month is payable. There is also an option to renew for one year, at rent of \$8,800 per month.

Other than as described above, in our last fiscal year, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of our ordinary shares or any members of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

Approval of Related Party Transactions Under Israeli Law

Under the Companies Law, an engagement by the Company with an officer who is not a director or the chief executive officer regarding his or her service and terms of employment, including an undertaking to indemnify, exculpate or insure such officer, must be approved by the Compensation Committee and the Board, provided that the compensation is approved in accordance with the Company's compensation policy to be adopted under the Companies Law. If the engagement is not in accordance with the Company's compensation policy, approval of the engagement by the shareholders requires a Special Majority. In special cases, the Compensation Committee and the Board may decide to adopt the terms of such an engagement despite the objection of the shareholders, so long as such decision is based on detailed reasons and after discussing again such engagement and reexamining it in light of the shareholder objection.

An engagement with the chief executive officer of the Company regarding his or her service and terms of employment must be approved by our Compensation Committee, our Board of Directors, and by a Special Majority. In special cases, the compensation of the chief executive officer may be approved without shareholder approval if the candidate for chief executive officer is independent and the compensation committee determines, on the basis of detailed reasons, that convening a shareholder meeting to approve the engagement will frustrate the engagement, but only if the engagement complies with the compensation policy to be adopted under the Companies Law.

For all other transactions between an officer and the Company, the Companies Law requires audit committee approval followed by board of director approval if the transaction is deemed to be extraordinary, and only board of director approval if the transaction is not deemed to be extraordinary. Under the Companies Law, an “extraordinary transaction” is a transaction:

- other than in the ordinary course of business;
- that is not on market terms; or
- that is likely to have a material impact on a company’s profitability, assets or liabilities.

Under the Companies Law, an engagement by the Company with a director regarding the terms of service as a director and other positions of employment (if employed) requires the approval of the compensation committee, the board of directors and a regular majority of the shareholders, provided that such terms of employment are in accordance with the Company’s compensation policy. Such an engagement that is not in accordance with the Company’s compensation policy may be obtained in special cases but only if approved by a Special Majority.

A person who has a personal interest in the approval of a transaction that is submitted to approval of the audit committee or the board of directors generally may not be present during the deliberations and shall not take part in the voting of the audit committee or of the board of directors on such transaction. However, such person may be present at the meeting for the purpose of presenting the transaction if the chairman of the board of directors or the chairman of the audit committee, as the case may be, has determined that the presence of such director is required for presenting the transaction. Notwithstanding the above, a director may be present at a deliberation of the audit committee and the board of directors and may take part in the voting, if the majority of the members of the audit committee or the board of directors, as the case may be, have a personal interest in the approval of the transaction, in which case the transaction shall also require the approval of the shareholders of the company.

In addition, under the Companies Law, extraordinary transactions of a public company with a controlling shareholder or in which a controlling shareholder has a personal interest, and the terms of engagement of the company, directly or indirectly, with a controlling shareholder or his or her relative regarding the receipt by the company of services from the controlling shareholder, require the approval of the audit committee (or the compensation committee, if the engagement is related to the terms of service and employment), the board of directors and a Special Majority, in that order. In addition, any such extraordinary transaction with a term of more than three years requires the abovementioned approval every three years unless, with respect to transactions not involving the receipt of services or compensation, the audit committee determines that a longer term is reasonable under the circumstances.

Compensation Discussion and Analysis

The following discussion and analysis contains statements regarding individual and company performance targets and goals used in setting compensation for our named executive officers. These targets and goals are disclosed in the limited context of the Company's compensation programs and should not be understood to be statements of management's future expectations or estimates of future results or other guidance. The Company specifically cautions investors not to apply these statements to other contexts.

Compensation Philosophy and Objectives

The goals of our executive officer compensation program are to attract, retain, and reward executive officers who contribute to our success, to align executive officer compensation with our performance, and to motivate executive officers to achieve our business objectives. We compensate our senior management through a mix of base salary, bonus, and equity compensation designed to align management's incentives with the long-term interests of our shareholders. In addition, we provide our named executive officers with benefits that are generally available to all employees of the Company. Compensation paid to our executive officers is made on a discretionary basis by our Board following approval by the Compensation Committee. In addition, shareholders must approve certain executive compensation, as described in more detail below.

Our Named Executive Officers in 2013 were Gerald Vento, Chief Executive Officer, President and Director; Peter Russo, Chief Financial Officer and Treasurer through May 10, 2013; Jose Gordo, Chief Financial Officer since May 10, 2013; Timothy R. McDonald, Chief Operating Officer since December 13, 2013; and Dr. Yuen Wah Sing, President of Tiger Jet Network, Inc., a subsidiary of the Company, and Director.

As of January 1, 2011, we ceased to be a foreign private issuer, and we are no longer permitted to follow home country corporate governance practices in lieu of those followed by U.S. companies under the listing standards of NASDAQ. In connection with this transition to domestic issuer status, we have appointed a Compensation Committee consisting of independent members to recommend executive compensation to our Board.

Setting Executive Compensation

At the 2013 annual general meeting of shareholders held on July 3, 2013, our shareholders approved the compensation policy that we submitted to the shareholders for their approval (the "Compensation Policy"). Under Amendment No. 20 to the Companies Law which came into effect in December 2012, public companies were required to adopt a compensation policy with respect to the terms of service and employment of their directors and officers no later than September 2013. The Companies Law requires that a compensation policy be reviewed and re-approved every three years.

Amendment No. 20 to the Companies Law provides that the compensation policy shall be based, among others, on promoting the company's objectives, its work plan and long term strategy, creating appropriate incentives for the company's directors and officers, considering, among others, the risk management of the company, the company's size and nature of its operations and, with respect to terms of service and employment that include non-fixed compensation, the contribution of the director or officer to achievement of corporate goals and increased profits, all with a long term view and taking into account the officer's position.

The Compensation Policy includes both long term and short term compensation elements and is to be reviewed from time to time by the Company's Compensation Committee and Board as required by the Companies Law. In general, the compensation package for officers will be examined while taking into consideration, amongst others, the following parameters: (i) the education, qualifications, expertise, seniority (in the Company in particular, and in the officer's profession in general), professional experience and achievements of the officer; (ii) the officer's position, the scope of his responsibility and previous wage agreements that were signed with him; (iii) the officer's contribution to the Company's business, profits and stability; (iv) the degree of responsibility imposed on the officer; and (v) the Company's need to retain officers who have skills, know-how or unique expertise. Additionally, prior to the approval of a compensation package for an officer, the Company will conduct a wage survey that compares and analyzes the level and cost of the compensation package offered to an officer of the Company with the compensation packages offered to officers in similar positions in other companies of the same type and/or financial structure. The surveys are to be conducted internally or through an external consultant recommended by the Compensation Committee.

As provided in the Compensation Policy, the Company is entitled to grant to officers (to all or part of them) a compensation package which may include a base salary, commissions, annual cash bonus and share-based compensation, or any combination thereof, and additional standard benefits.

An engagement with an officer who is not a director or the chief executive officer regarding his or her service and terms of employment must be approved by the Compensation Committee and the Board, provided that the compensation is approved in accordance with the Company's Compensation Policy. Other approval requirements apply if the engagement is not in accordance with the Company's Compensation Policy. An engagement with the Chief Executive Officer regarding his or her service and terms of employment must be approved by our Compensation Committee, our Board of Directors, and by a Special Majority of our shareholders. In special cases, the compensation of the Chief Executive Officer may be approved without shareholder approval. Arrangements between the Company and a director as to the terms of his office or regarding compensation for non-directorial duties requires the approval of the Compensation Committee, Board and shareholders.

During 2013, the Compensation Committee selected and directly retained the services of Pay Governance, an independent compensation consulting firm, to provide a wage survey in accordance with the requirements of our Compensation Policy, prior to the approval of the compensation package of our new Chief Executive Officer, Chief Financial Officer and Chief Operating Officer. In conducting its review, Pay Governance was at times required to work with our management in order to obtain compensation information and data to perform its tasks. Other than as described above, Pay Governance was not asked to perform any other services for us. The Compensation Committee reviewed the independence of Pay Governance in light of new SEC rules and NASDAQ listing standards regarding compensation consultants and concluded that Pay Governance's work for the Compensation Committee during 2013 did not raise any conflict of interest and Pay Governance is independent. The Compensation Committee paid Pay Governance a total of \$58,912 in 2013 related to its executive compensation analysis for the Company.

2013 Surveys for Chief Executive Officer, Chief Financial Officer and Chief Operating Officer

As a first step, Pay Governance developed a Peer Group for the purpose of comparing and analyzing the level and cost of the compensation package to be offered to the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer considering companies of similar size, as measured by trailing twelve months revenue, market capitalization and enterprise value, that operated in the same or complimentary industries, specifically telecommunications services, mobile services and solutions, cloud-based services, content-delivery network services and communications services.

The peer group companies approved by the Compensation Committee are as follows:

- 8x8 Inc.
- Boingo Wireless, Inc.
- Brightcove, Inc.
- inContact, Inc.
- Iridium Communications Inc.
- j2 Global, Inc.
- Limelight Networks, Inc.
- ORBCOMM, Inc.
- Premiere Global Services, Inc.
- RigNet
- ShoreTel, Inc.
- Synacor, Inc.
- Towerstream Corporation
- Vonage Holdings Corporation

When making decisions regarding the compensation package for the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, the Compensation Committee considered the data and analyses prepared by Pay Governance that included the appropriateness of: (i) the amount of base salary, (ii) the annual incentive bonus potential and the performance metrics for achieving such bonus, (iii) the existence and amount of a signing bonus, (iv) the mix and vesting schedule for equity compensation, and (v) market practice with respect to other employment terms, with respect to each of the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer compared to that of the peer group companies listed above. The peer group data was collected from Equilar and proxy filings reflecting the most recently disclosed compensation.

PayGovernance reviewed with the Compensation Committee its analysis of the (1) base salaries, (2) bonus, (3) total cash compensation (salary plus annual bonus opportunity), (4) long-term incentive (“LTI”) awards and (4) total direct compensation (“TDC”) (salary plus annual bonus opportunity plus value of LTI payable to each NEO) to the 25th percentile, the 50th percentile and 75th percentile target opportunity of the peer group. The Compensation Committee used this peer group data to obtain a general understanding of current compensation practices consistent with our Compensation Policy, ensure that it was acting in an informed and responsible manner and to make sure our executive compensation program is competitive. The Compensation Committee did not seek to set any elements of compensation at a specific percentile of the relevant peer group but, it did want to understand and be cognizant of the divergence of any of the compensation elements from the 25th percentile, 50th percentile and 75th percentile.

Compensation Program

The primary components of the executive compensation program of our Company consist of base salary, discretionary bonuses, grants of ordinary shares, and health benefits.

Base Salary

In accordance with our Compensation Policy, the base salary of a new officer in the Company will be determined based on the parameters set forth in the Compensation Policy and discussed above. The Compensation Committee and the Board may update the base salary of the officers (other than (i) officers who are controlling shareholders or their relatives or other officers’ compensation in which the controlling shareholder has a personal interest and (ii) officers who serve as directors) consistent with the terms of the Compensation Policy including the parameters specified above, provided that the Compensation Committee alone may approve an amendment to an officer’s base salary that does not increase such base salary by more than fifteen percent (15%).

Mr. Vento’s base salary in 2013 for his service as Chief Executive Officer of the Company, was \$500,000. Dr. Sing received a base salary of \$158,124 in 2013 for his service as President of TigerJet Network, Inc. Mr. Gordo’s base salary for 2013 for his service as Chief Financial Officer of the Company was \$325,000, and he received payment of \$208,125 in 2013, which represents the pro rata portion of base salary for his services beginning May 10, 2013. Mr. McDonald’s base salary for 2013 for his service as Chief Operating Officer of the Company was \$350,000, and he received payment of \$15,929 in 2013, which represents the pro rata portion of base salary for his services beginning December 13, 2013. Prior to leaving the Company, Mr. Russo’s base salary was \$200,000, and he received \$72,821 pro rated for his services ending on May 10, 2013. We believe we provided the above executive officers with a level of base salary that recognized appropriately each individual officer’s scope of responsibility, role in the organization, experience, contributions to the success of our Company and the results of the peer group survey conducted by PayGovernance in the case of Messrs. Vento, Gordo and McDonald.

Signing Bonus

Under our Compensation Policy, we may grant a signing bonus to an officer, which may not exceed the officer's initial annual base salary and will be subject to the limitations in the Compensation Policy. A signing bonus will not be considered in calculating the maximum amount of the bonus (described below) payable to an officer following his initial year of employment.

Both as an inducement to retaining the services of Messrs. Vento, Gordo and McDonald and in recognition of certain unique circumstances regarding opportunity costs and foregone compensation at prior employers, the Compensation Committee determined to award Mr. Vento a signing bonus of \$500,000, Mr. Gordo a signing bonus of \$325,000 and Mr. McDonald a signing bonus of \$350,000.

Annual Cash Incentive Bonus

Under the terms of our Compensation Policy, our annual cash bonus will be based mainly (at least 80%) on measurable criteria, and, with respect to its less significant part (up to 20%), at the Board and management's discretion, based on non-measurable criteria. Measurable criteria may include financial targets, meeting sales and marketing objectives, productivity indices and growth in the volume of activity, cost savings, implementation and promotion of planned projects, promoting strategic targets, promoting innovation in the Company and/or success in raising capital.

The remaining portion of the annual cash bonus (not exceeding 20% of the annual cash bonus) will be determined according to non-measurable criteria, such as the contribution of the officer to the Company's business, its profitability and stability, the need for the Company to retain an officer with skills, know-how, or unique expertise, the responsibility imposed on the officer, changes that occurred in the responsibility imposed on the officer during the year, satisfaction with the officer's performance, assessing the officer's ability to work in coordination and cooperation with other employees of the Company, the officer's contribution to appropriate control environment and ethical environment and such other elements as recommended by the Compensation Committee and approved by the Board.

Based on our Compensation Policy and the peer group survey, the Compensation Committee established the following annual bonus structure for each of Messrs. Vento, Gordo and McDonald under the terms of their employment agreements.

Executive	Target Annual Bonus	Bonus Milestones:	Bonus Payout Levels
Gerald Vento	\$500,000	50% based on meeting at least 80% and up to 120% of target revenue for the year	Revenue: Range from thirty-five percent (35%) to two hundred percent (200%) of the target annual bonus.
		50% based on meeting at least 80% and up to 120% of target EBITDA for the year	EBITDA: Range from thirty-five percent (35%) to two hundred percent (200%) of the target annual bonus.

		50% based on meeting at least 80% and up to 120% of target EBITDA for the year	EBITDA: Range from thirty-five percent (35%) to two hundred percent (200%) of the target annual bonus.

		50% based on meeting at least 80% and up to 120% of target EBITDA for the year	EBITDA: Range from thirty-five percent (35%) to two hundred percent (200%) of the target annual bonus.

For bonus purposes, fiscal 2013 net revenues of \$143.5 million were 88.5% of the 2013 target of \$162.1 million and calculated EBITDA of \$52.3 million was 90.6% of the target of \$57.7 million. Based on the achievement of the target range, Mr. Vento and Mr. Gordo earned \$329,375 and \$98, 813 for 2013, respectively, which is approximately 66% of their target bonus amounts.

Mr. Russo did not receive an annual cash bonus for the year ended December 31, 2013 as a result of his stepping down as Chief Financial Officer effective May 10, 2013. Dr. Yuen Wah Sing earned \$31,625 in annual bonus for the year ended December 31, 2013.

Sales Commissions

Under our Compensation Policy, we may pay our officers, sales and other commissions based on a pre-determined commission plan, which commissions will be considered part of the officer's aggregate compensation package subject to limitations in the Compensation Policy. None of our executive officers received commissions for the year ended December 31, 2013.

Grants of Restricted Stock and Ordinary Share Options

Equity compensation consists of periodic grants of restricted stock and options exercisable for ordinary shares to certain of our executives under our magicJack VocalTec Ltd. 2013 Stock Incentive Plan and our magicJack VocalTec Ltd. 2013 Israeli Stock Incentive Plan (together the “2013 Plans”), to provide additional incentive to work to maximize long-term total return to shareholders. Award levels are determined based on market data and may vary among participants based on their positions within the Company, assessment of job performance, and other factors, including the terms of their employment agreements with the Company. A committee appointed by the Board is specified to act as the plan administrator. In 2013, our Board of Directors administered the plan directly and not through a committee.

Employment Agreements and Potential Payments Upon Termination or Change of Control

Vento Agreement

On April 2, 2013, the Company entered into a definitive employment agreement and compensation arrangements with Gerald Vento (the "Vento Agreement"), in connection with his services as Chief Executive Officer and President of the Company. Under the terms of the Vento Agreement, Mr. Vento's compensation was retroactive to January 1, 2013 to coincide with Mr. Vento's start date as Chief Executive Officer.

The term of employment is for three (3) years, beginning on January 1, 2013. Mr. Vento is paid an annual base salary of \$500,000, subject to review each calendar year and possible increases in the sole discretion of the Board. Mr. Vento also received a signing bonus of \$500,000. For each fiscal year of employment during which the Company employs Mr. Vento, he shall be eligible to receive a bonus based on the Company meeting certain performance criteria. Mr. Vento's target annual bonus equals his annual base salary (the "Target Annual Bonus"). The annual bonus ranges from thirty-five percent (35%) to two hundred percent (200%) of the Target Annual Bonus. The annual bonus formula and performance criteria for each fiscal year is based: (i) fifty percent (50%) on the Company meeting at least eighty percent (80%) and up to one hundred and twenty percent (120%) of its target revenue for the fiscal year; and (ii) fifty percent (50%) on the Company meeting at least eighty percent (80%) and up to one hundred and twenty percent (120%) of its target EBITDA for the fiscal year.

Except as described below, Mr. Vento will only be entitled to receive an Annual Bonus if he is employed by the Company pursuant to the Vento Agreement at the close of business on the last day of the applicable fiscal year with respect to the Annual Bonus.

Mr. Vento was granted stock options to purchase 722,782 shares of the Company's common stock at an exercise price equal to the fair market value of the Company's common stock on the date of grant (the "Options"). In addition, Mr. Vento was granted 80,266 restricted shares (the "Restricted Stock"). The Options and Restricted Stock are to vest as follows: 1/3 of the Options and Restricted Stock will vest on December 31, 2013, December 31, 2014 and December 31, 2015, subject to Mr. Vento's continued employment by the Company. In the event that Mr. Vento's employment is terminated by the Company without "Cause" or by Mr. Vento for "Good Reason" (as such terms are defined in Mr. Vento's Stock Option Agreement), Mr. Vento will be credited with service through the date that is three (3) months after the termination date (the "Final Vesting Date"), and the Restricted Stock and Options will vest on a pro-rata basis through the Final Vesting Date. By way of example only, if Mr. Vento's employment is terminated by the Company without Cause or by Mr. Vento for Good Reason on June 1, 2014, he will be credited with service through August 30, 2014, and 20/36th of the Restricted Stock and Options will be vested, representing (a) (i) 17 months of employment (through May 31, 2014), plus (ii) an additional three months, divided by (b) the 36 month vesting schedule. In addition, all unvested Options and Restricted Stock in the Company will immediately become one hundred percent (100%) vested upon a Change of Control (as defined in the Vento Agreement). The Options will expire immediately upon termination of Mr. Vento's employment for Cause, and ninety (90) days after termination of Mr. Vento's employment for any reason other than Cause. The Restricted Stock and any shares purchased through exercise of the Options will be subject to sale restrictions for the term of the Agreement, as more particularly set forth in the agreements granting those equity interests.

Either Mr. Vento or the Company may terminate Mr. Vento's employment under the Vento agreement for any reason upon not less than thirty (30) days prior written notice.

(i) Upon termination of Mr. Vento's employment prior to a Change in Control by Mr. Vento for Good Reason or by the Company without Cause (as defined in the Vento Agreement, Mr. Vento will be entitled to a termination payment equal to one (1) times the sum of (a) Mr. Vento's annual base salary at the time of such termination and (b) Mr. Vento's Target Annual Bonus for the fiscal year in which his employment is terminated (as if the applicable performance criteria have been met at the level that would result in payment of the Target Annual Bonus at the 100% level irrespective of whether or not that is the case);

(ii) Upon termination of Mr. Vento's employment by the resignation of Mr. Vento for Good Reason or the Company with Cause, death or disability or for any other reason except as provided in the immediately preceding paragraph above or the immediately following paragraph below, Mr. Vento will be due no further compensation other than what is due and owing through the effective date of Mr. Vento's resignation or termination (including any Annual Bonus that may be due and payable to Mr. Vento);

(iii) If upon or within six months subsequent to a Change of Control, Mr. Vento's employment is terminated by Mr. Vento for Good Reason or by the Company without Cause, Mr. Vento will be entitled to and paid a termination payment equal to three (3) times the sum of (a) Mr. Vento's annual base salary at the time of such termination and (b) Mr. Vento's Target Annual Bonus for the fiscal year in which his employment is terminated (as if the applicable performance criteria have been met at the level that would result in payment of the Target Annual Bonus at the 100% level irrespective of whether or not that is the case);

(iv) If Mr. Vento's employment is terminated by Mr. Vento for Good Reason or by the Company without Cause 180 days prior to the Company's execution of an agreement which, if consummated, would constitute a Change of Control, then upon consummation of such Change of Control, Mr. Vento will receive an additional payment equal to the difference between (i) the change of control termination payment described in clause (iii) and (ii) any termination payment previously provided to Mr. Vento as described in clause (i).

Mr. Vento will not be entitled to any Severance Payment (as defined in the Vento Agreement) unless (i) Mr. Vento executes and delivers to the Company a general release of claims upon terms described in the Vento Agreement. The Company will deliver to Mr. Vento a copy of the release after the Company's termination of Mr. Vento's employment without Cause or Mr. Vento's termination of Employment for Good Reason.

Mr. Vento agrees (i) during the term of his employment and until two years after termination of employment, (A) he will not engage in any business or activity which is the same as or competitive with any business or activity conducted by the Company or any of its majority owned subsidiaries or (B) become an officer, employee or consultant of or otherwise assume a substantial role or relationship with, any governmental entity, agency or political subdivision that is a client or customer of the Company or any subsidiary or affiliate of the Company, provided that Mr. Vento may invest in securities of any public company so long as he does not beneficially own more than five percent (5%) of the class of public securities. During the period of Mr. Vento's employment and until three years after the termination of employment, Mr. Vento will not, without the Company's prior written consent, seek to employ or otherwise seek the services of any employee or consultant of the Company or any of its majority-owned subsidiaries. Mr. Vento also agrees to restrictive covenants with respect to confidentiality and work product.

PROPOSAL 6

APPROVAL OF THE AMENDMENT TO THE COMPANY'S 2013 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF ORDINARY SHARES SUBJECT TO AWARDS AND AMEND THE TERM OF OPTIONS GRANTED UNDER THE PLAN

General

On July 3, 2013, our shareholders approved the 2013 Stock Incentive Plan (the "2013 Plan") that had been approved by our Board of Directors, subject to shareholder approval, (the "2013 Plan"). The 2013 Plan provided that a maximum of 2,250,000 ordinary shares would be available for awards under the 2013 Plan less any ordinary shares issued pursuant to the 2013 Israeli Plan (discussed below). If our shareholders approve the proposed option grant to Dr. Yuen Wah Sing pursuant to Proposal 5 and the proposed restricted share grants to the Company's independent directors pursuant to Proposals 3 and 4, we will have only 164,180 ordinary shares available to be granted for awards under the 2013 Plan and the 2013 Israeli Plan. As a result, our Board of Directors on March 12, 2014, approved an amendment to the 2013 Plan (the "Amended 2013 Plan") to increase the shares available to be granted under the 2013 Plan by an additional 1,350,000 ordinary shares, with a maximum limit of 800,000 of such additional 1,350,000 shares available for issuance as new restricted stock awards, less any ordinary shares issued pursuant to the 2013 Israeli Plan and to modify the term of future options granted under the 2013 Plan so that no option may be exercised more than five years after the date of grant. If such increase is approved, a maximum number of 3,600,000 ordinary shares will be available to be granted under the Amended 2013 Plan, of which a maximum of 964,180 shares will be available for restricted stock awards. Our Board of Directors believes that the approval of the Amended 2013 Plan is in the best interests of the Company so that the Company may continue to attract new employees as well as properly incentivize existing employees with equity compensation. If our shareholders do not approve the Amended 2013 Plan, the 2013 Plan will continue in effect, in the absence of further action by the Board.

If approved, the Amended 2013 Plan will go into effect for periods commencing on and after April 23, 2014.

Description of the 2013 Plan

The following is a summary of the material features of the Amended 2013 Plan, as proposed. The summary is qualified in its entirety by reference to the full text of the Amended 2013 Plan, a copy of which is attached as Appendix B and is also available at no charge upon request to the Company. Unless otherwise specified, capitalized terms used herein have the meanings assigned to them in the Amended 2013 Plan.

Eligibility

The Amended 2013 Plan authorizes the grant of Options (including Incentive Stock Options and Nonqualified Stock Options), Restricted Stock, Restricted Stock Units, Performance Awards, Dividends and Dividend Equivalents and Other Stock-Based Awards, or any combination of the foregoing to all persons who are at the time of the grant of an award Employees (including persons who may become Employees), members of the Board or the board of directors of an Affiliate, or consultants or independent contractors to the Company or of any Affiliate, as may be selected from time to time. As of the date hereof, 54 Employees (including officers) and 4 members of the Board are eligible to receive grants under the Amended 2013 Plan. The number of consultants or independent contractors to the Company eligible to receive grants under the Amended 2013 Plan is not determinable.

Administration

The Amended 2013 Plan may be administered by the Compensation Committee or by such other committee or subcommittee appointed by the Board or an authorized Committee of the Board (all of which will hereinafter be referred to as the “Administrator”). The Amended 2013 Plan is currently administered by the Board. The Administrator has all the powers vested in it by the terms of the Amended 2013 Plan, including the authority to determine eligibility and the terms of Awards, and otherwise administer the Amended 2013 Plan. In making these determinations, the Administrator may take into account the nature of the services rendered or to be rendered by the Award recipients, their present and potential contributions to the success of the Company and its Affiliates, and such other factors as the Administrator in its discretion shall deem relevant. The Administrator may delegate its authority to the extent it deems desirable and is consistent with the requirements of applicable law.

Shares Available For The Plan

If the shareholders approve the Amended 2013 Plan, a maximum of 3,600,000 shares will be available for Awards (including Incentive Stock Options), with a maximum limit of 964,180 new restricted stock awards, less any Shares issued pursuant to the Amended 2013 Israeli Plan (discussed below).

If an Option expires or terminates unexercised, if shares of Restricted Stock are forfeited, or if Shares covered by an Award are not issued or are forfeited, the unissued or forfeited Shares that had been subject to the Award shall be available for the grant of additional Awards (except for Shares withheld to pay the Exercise Price of an Option or withholding taxes) under the Amended 2013 Plan. The number of Shares subject to the Amended 2013 Plan (and the number of Shares and terms of any Award) shall be adjusted by the Administrator in the event of any change in the outstanding Ordinary Shares by reason of any stock dividend, stock split, reverse stock split, spin-off, recapitalization, reclassification, merger, consolidation, liquidation, and the like.

A maximum of 2,000,000 Shares may be awarded to an individual during any calendar year period (whether settled in Shares or the cash equivalent thereof).

Options

The Amended 2013 Plan authorizes the grant of Incentive Stock Options and Nonqualified Stock Options. Incentive Stock Options are stock options that satisfy the requirements of Section 422 of the Internal Revenue Code (the “Code”). Nonqualified Stock Options are stock options that do not satisfy the requirements of Section 422 of the Code. Options granted under the Amended 2013 Plan would entitle the grantee, upon exercise, to purchase a specified number of Ordinary Shares from the Company at a specified exercise price per share. The period of time during which an option may be exercised, as well as any vesting schedule, is determined by the Administrator, except that no option may be exercised more than [five] years after the date of grant. All options granted under the Amended 2013 Plan must have an exercise price at least equal to the Fair Market Value of stock underlying the option on the date of grant. Additionally, no Incentive Stock Option may be granted under the Amended 2013 Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of the Company or any parent corporation or subsidiary corporation, as defined in Sections 424(e) and (f) of the Code, respectively, of the Company, unless the option’s exercise price is at least 110% of the Fair Market Value of the stock subject to the option on the Date of Grant, and the term of the option does not exceed five years from the Date of Grant.

Other Awards

In addition to Options, the Amended 2013 Plan authorizes the grant of Restricted Stock, Restricted Stock Units, Performance Awards and Other Stock-Based Awards.

The Amended 2013 Plan authorizes the grant of Restricted Stock Awards and Other Stock-Based Awards on terms and conditions, which terms and conditions may condition the vesting or payment of such Awards on the achievement of one or more Performance Goals (as described below) established by the Administrator.

In addition, the Amended 2013 Plan authorizes the grant of Restricted Stock Units in the form of Awards denominated in stock-equivalent units on terms and conditions, which terms and conditions may condition the vesting or payment of such Awards on the achievement of one or more Performance Goals (as described below), established by the Administrator. An Award of Restricted Stock Units may be settled in cash, Shares, or a combination thereof, as specified in the agreement.

The Amended 2013 Plan also authorizes the grant of Performance Awards, which become payable upon attainment of one or more Performance Goals established by the Administrator. Performance Awards may be paid in cash, Shares, or a combination thereof, as specified in the agreement. The maximum cash amount payable to any Employee pursuant to all Performance Awards granted to an Employee during a calendar year shall not exceed \$2,000,000. The Committee may, in its discretion, grant Performance Awards pursuant to which the amount and payment of the Award is determined by reference to a percentage of a bonus or incentive pool that applies to more than one Participant, and the amount of the bonus or incentive pool may, in the discretion of the Committee, be either fixed in amount or determined based upon the achievement of one or more Performance Goals.

The terms of an Award may provide a Participant with the right, subject to such terms and conditions as the Committee may specify (including without limitation, terms that condition the issuance of grant, vesting or payment of dividends or dividend equivalents upon the achievement of one or more specified Performance Goals), to receive dividend payments or dividend equivalent payments with respect to Shares covered by an Award, which payments may be either made currently or credited to an account established for the Participant, and may be settled in cash or Shares, as determined by the Committee.

Performance Goals

In its discretion, the Administrator may condition the grant, vesting or payment of Awards on the attainment of Performance Goals. The term "Performance Goals" means performance goals established by the Administrator which may be based on earnings, earnings growth, sales, revenues, expenses (including plant costs and sales and general administrative expenses), return on assets, cash flow, total shareholder return, equity or investment, regulatory compliance, satisfactory internal or external audits, improvement of financial ratings, achievement of balance sheet or income statement objectives, implementation or completion of one or more projects or transactions (including mergers, acquisitions, dispositions, and restructurings), working capital, or any other objective goals the Committee establishes, and which may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated. Such performance goals may be particular to a Participant, or may be based on the performance of the Company, one or more Affiliates, or the Company and one or more Affiliates, and may cover such period as may be specified by the Administrator.

Transferability

Except as otherwise determined by the Administrator, Awards granted under the Amended 2013 Plan are not transferable except to the extent provided in an agreement.

Amendment and Termination

The Board of Directors may amend, alter or terminate the Amended 2013 Plan, or any portion thereof, at any time. However, after the shareholders of the Company have approved the Plan, the Board may not amend or terminate the Plan without approval of (a) the Company's shareholders to the extent applicable law or regulations or the requirements of the principal exchange or interdealer quotation system on which the Ordinary Shares are listed or quoted, if any, requires shareholder approval of the amendment or termination, and (b) each affected Participant if the amendment or termination would adversely affect the Participant's rights or obligations under any Award granted prior to the date of the amendment or termination.

No award may be granted under the Amended 2013 Plan after the close of business on April 2, 2023. Subject to other applicable provisions of the Plan, all awards made under the Amended 2013 Plan prior to the termination of the Amended 2013 Plan will remain in effect until those Awards have been satisfied or terminated.

Summary of Certain Federal Income Tax Considerations

General

The following discussion briefly summarizes certain federal income tax aspects of Stock Options, Restricted Stock Awards, Restricted Stock Units, and Performance Awards granted under the Amended 2013 Plan. The rules governing the tax treatment of Awards and the receipt of ordinary shares and/or cash in connection with such Awards are quite technical, so the following description of tax consequences is necessarily general in nature and does not purport to be complete. Moreover, statutory provisions are subject to change, as are their interpretations, and their application may vary in individual circumstances. Finally, the tax consequences under applicable state and local law may not be the same as under the federal income tax laws.

Incentive Stock Options

In general, a grantee will not recognize income on the grant or exercise of an Incentive Stock Option. However, the difference between the exercise price and the Fair Market Value of the stock on the exercise date is an adjustment item for purposes of the alternative minimum tax. Further, if a grantee does not exercise an incentive stock within certain specified periods after termination of employment, the grantee will recognize ordinary income on the exercise of an Incentive Stock Option in the same manner as on the exercise of a nonqualified stock option, as described below.

Nonqualified Stock Options, Restricted Stock Units, Performance Awards and Other Stock-Based Awards

A grantee generally is not required to recognize income on the grant of a Nonqualified Stock Option, Restricted Stock Units, a Performance Award or an Other Stock-Based Award. Generally, ordinary income is instead, required to be recognized on the date the Nonqualified Stock Option is exercised, or in the case of an award of Restricted Stock Units, a Performance Award or an Other Stock-Based Award, on the date of payment of such Award in cash or Ordinary Shares. In general, the amount of ordinary income required to be recognized, (a) in the case of a Nonqualified Stock Option, is an amount equal to the excess, if any, of the Fair Market Value of the Ordinary Shares on the exercise date over the exercise price, and (b) in the case of an Award of Restricted Stock Units, a Performance Award or an Other Stock-Based Award, the amount of any cash and the Fair Market Value of any Ordinary Shares received.

Restricted Stock Awards

Unless a grantee of Ordinary Shares of restricted stock makes an election under Section 83(b) of the Code as described below, the grantee generally is not required to recognize ordinary income on the award of restricted stock. Instead, on the date the Ordinary Shares vest (i.e. become transferable or are no longer subject to a substantial risk of forfeiture), the grantee will be required to recognize ordinary income in an amount equal to the excess, if any, of the Fair Market Value of the Ordinary Shares on such date over the amount, if any, paid for such Ordinary Shares. If a grantee makes a Section 83(b) election to recognize ordinary income on the date the Ordinary Shares are awarded, the amount of ordinary income required to be recognized is an amount equal to the excess, if any, of the Fair Market Value of the Ordinary Shares on the date of award over the amount, if any, paid for such Ordinary Shares. In such case, the grantee will not be required to recognize additional ordinary income when the Ordinary Shares vest.

Gain or Loss On Sale or Exchange of Amended 2013 Plan Shares

In general, gain or loss from the sale or exchange of Ordinary Shares granted or awarded under the Amended 2013 Plan will be treated as capital gain or loss, if the Ordinary Shares are held as capital assets at the time of the sale or exchange. However, if certain holding period requirements are not satisfied at the time of a sale or exchange of Ordinary Shares acquired upon exercise of an incentive stock option (a “disqualifying disposition”), a grantee generally will be required to recognize ordinary income upon such disposition.

Deductibility By Company

The Company generally is not allowed a deduction in connection with the grant or exercise of an Incentive Stock Option. However, if a grantee is required to recognize income as a result of a disqualifying disposition, the Company generally will be entitled to a deduction equal to the amount of ordinary income so recognized. In general, in the case of a Nonqualified Stock Option (including an Incentive Stock Option that is treated as a Nonqualified Stock Option, as described above), a Stock Award, Restricted Stock, Restricted Stock Unit, a Performance Award, or an Other Stock-Based Award, the Company generally will be allowed a deduction in an amount equal to the amount of ordinary income recognized by the grantee, provided that certain income tax reporting requirements are satisfied.

Parachute Payments

Where payments to certain persons that are contingent on a change in control exceed limits specified in the Code, the person generally is liable for a 20% excise tax on, and the corporation or other entity making the payment generally is not entitled to any deduction for, a specified portion of such payments. If the Administrator, in its discretion, grants Awards, the exercise date, vesting or payment of which is accelerated by a change in control of the Company, such acceleration of the exercise date, vesting or payment would be relevant in determining whether the excise tax and deduction disallowance rules would be triggered.

Performance-Based Compensation

Subject to certain exceptions, Section 162(m) of the Code disallows federal income tax deductions for compensation paid by a publicly held corporation to certain executives to the extent the amount paid to the executive exceeds \$1 million for the taxable year. The Amended 2013 Plan has been designed to allow the Administrator to make Awards under the Amended 2013 Plan that qualify under an exception to the deduction limit of Section 162(m) for “performance-based compensation.”

Tax Rules Affecting Nonqualified Deferred Compensation Plans

Section 409A of the Code imposes tax rules that apply to “nonqualified deferred compensation plans.” Failure to comply with, or qualify for an exemption from, the rules with respect to an Award could result in significant adverse tax results to the grantee of such Award, including immediate taxation upon vesting and an additional income tax of 20 percent of the amount of income so recognized. The Amended 2013 Plan is intended to allow the granting of Awards which are intended to comply with or qualify for an exemption from Section 409A of the Code.

(2) Consists of the 2003 Master Stock Plan prior to its amendments on December 17, 2010.

On December 17, 2010, the Company's shareholders approved at an annual general meeting of shareholders amendments to the 2003 Master Stock Plan (the "2003 Plan") to allow grants of ordinary shares and restricted shares and allow an increase of the number of ordinary shares underlying the Company's 2003 Plan by 400,000 ordinary shares every second year, starting in 2010 (each such increase to be effected immediately following the annual general meeting of the Company's shareholders in every second year).

It is proposed that the following resolution be adopted at the Meeting:

"RESOLVED, that the terms of the magicJack VocalTec Ltd. Amended 2013 Stock Incentive Plan, as presented to the Company's shareholders, are hereby approved and authorized."

The Board recommends a vote "FOR" Proposal 6.

PROPOSAL 7

APPROVAL OF THE AMENDMENT TO THE COMPANY'S 2013 ISRAELI STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF ORDINARY SHARES SUBJECT TO AWARDS AND AMEND THE TERM OF OPTIONS GRANTED UNDER THE PLAN

General

On July 3, 2013, our shareholders approved the 2013 Israeli Stock Incentive Plan that had been approved by our Board of Directors, subject to shareholder approval (the "2013 Israeli Plan"). The 2013 Israeli Plan provided that a maximum of 2,250,000 ordinary shares would be available for awards under the 2013 Israeli Plan less any ordinary shares issued pursuant to the 2013 Plan (discussed above). If our shareholders approve the proposed option grant to Dr. Yuen Wah Sing pursuant to Proposal 5 and the proposed restricted share grants to the Company's independent directors pursuant to Proposals 3 and 4, we will have only 164,180 ordinary shares available to be granted for awards under the 2013 Plan and the 2013 Israeli Plan. As a result, our Board of Directors on March 12, 2014, approved an amendment to the 2013 Plan (the "Amended 2013 Plan") to increase the shares available to be granted under the 2013 Plan by an additional 1,350,000 ordinary shares, with a maximum limit of 800,000 of such additional shares available for issuance as new restricted stock awards, less any ordinary shares issued pursuant to the 2013 Israeli Plan and to modify the term of future options granted under the 2013 Plan so that no option may be exercised more than five years after the date of grant. If such increase is approved, a maximum number of 3,600,000 ordinary shares will be available to be granted under the Amended 2013 Plan, of which a maximum of 964,180 shares will be available for restricted stock awards. Our Board of Directors believes that the approval of the Amended 2013 Israeli Plan is in the best interests of the Company so that the Company may continue to attract new employees as well as properly incentivize existing employees with equity compensation. If our shareholders do not approve the Amended 2013 Israeli Plan, the 2013 Israeli Plan will continue in effect, in the absence of further action by the Board.

If approved, the Amended 2013 Israeli Plan will go into effect for periods commencing on and after April 23, 2014.

Description of the Amended 2013 Israeli Plan

The following is a summary of the material features of the Amended 2013 Israeli Plan, as proposed. The summary is qualified in its entirety by reference to the full text of the Amended 2013 Israeli Plan, a copy of which is attached as Appendix C and is also available at no charge upon request to the Company. Unless otherwise specified, capitalized terms used herein have the meanings assigned to them in the Amended 2013 Israeli Plan.

Eligibility

The Amended 2013 Israeli Plan authorizes the grant of Options Restricted Stock, Restricted Stock Units, Performance Awards, Dividends and Dividend Equivalents and Other Stock-Based Awards, or any combination of the foregoing to all persons who are at the time of the grant of an award Employees (including persons who may become Employees) and members of the Board of the Company or an Affiliate, or non-employee agents, consultants or independent contractors of the Company or of any Affiliate, as may be selected from time to time. As of the date hereof, 6 Employees (including officers) and 2 members of the Board are eligible to receive grants under the Amended 2013 Israeli Plan. The number of consultants or independent contractors to the Company eligible to receive grants under the Amended 2013 Israeli Plan is not determinable.

Administration

The Amended 2013 Israeli Plan is administered by the Compensation Committee or by such other committee appointed by the Board (all of which will hereinafter be referred to as the “Administrator”). The Administrator has all the powers vested in it by the terms of the Amended 2013 Israeli Plan, including the authority to determine eligibility and the terms of Awards, and otherwise administer the Amended 2013 Israeli Plan. In making these determinations, the Administrator may take into account the nature of the services rendered or to be rendered by the Award recipients, their present and potential contributions to the success of the Company and its Affiliates, and such other factors as the Administrator in its discretion shall deem relevant. The Administrator may delegate its authority to the extent it deems desirable and is consistent with the requirements of applicable law.

Shares Available For The Plan

If the shareholders approve the Amended 2013 Israeli Plan, a maximum of 3,600,000 shares will be available for Awards (including Incentive Stock Options), with a maximum limit of 964,180 new restricted stock awards, less any Shares issued pursuant to the Amended 2013 Plan (discussed above).

If an Option expires or terminates unexercised, if shares of Restricted Stock are forfeited, or if Shares covered by an Award are not issued or are forfeited, the unissued or forfeited Shares that had been subject to the Award shall be available for the grant of additional Awards (except for Shares withheld to pay the Exercise Price of an Option or taxes) under the Amended 2013 Israeli Plan. The number of Shares subject to the Amended 2013 Israeli Plan (and the number of Shares and terms of any Award) shall be adjusted by the Administrator in the event of any change in the outstanding Ordinary Shares by reason of any stock dividend, stock split, reverse stock split, spin-off, recapitalization, reclassification, merger, consolidation, liquidation, and the like.

Options

Options granted under the Amended 2013 Israeli Plan would entitle the grantee, upon exercise, to purchase a specified number of Ordinary Shares from the Company at a specified exercise price per share. The period of time during which an option may be exercised, as well as any vesting schedule, is determined by the Administrator, except that no option may be exercised more than [five] years after the date of grant.

Other Awards

In addition to Options, the Amended 2013 Israeli Plan authorizes the grant of Restricted Stock, Restricted Stock Units, Performance Awards and Other Stock-Based Awards.

The Amended 2013 Israeli Plan authorizes the grant of Restricted Stock Awards on terms and conditions, which terms and conditions may condition the vesting or payment of such Awards on the achievement of one or more Performance Goals (as described below) established by the Administrator.

In addition, the Amended 2013 Israeli Plan authorizes the grant of Restricted Stock Units in the form of Awards denominated in stock-equivalent units on terms and conditions, which terms and conditions may condition the vesting or payment of such Awards on the achievement of one or more Performance Goals (as described below), established by the Administrator. An Award of Restricted Stock Units may be settled in cash, Shares, or a combination thereof, as specified in the agreement.

The Amended 2013 Israeli Plan also authorizes the grant of Performance Awards, which become payable upon attainment of one or more Performance Goals established by the Administrator. Performance Awards may be paid in cash, Shares, or a combination thereof, as specified in the agreement. The Committee may, in its discretion, grant Performance Awards pursuant to which the amount and payment of the Award is determined by reference to a percentage of a bonus or incentive pool that applies to more than one Participant, and the amount of the bonus or incentive pool may, in the discretion of the Committee, be either fixed in amount or determined based upon the achievement of one or more Performance Goals.

The terms of an Award may provide a Participant with the right, subject to such terms and conditions as the Committee may specify (including without limitation, terms that condition the issuance of grant, vesting or payment of dividends or dividend equivalents upon the achievement of one or more specified Performance Goals), to receive dividend payments or dividend equivalent payments with respect to Shares covered by an Award, which payments may be either made currently or credited to an account established for the Participant, and may be settled in cash or Shares, as determined by the Committee and subject to the terms of the Amended 2013 Israeli Plan.

Performance Goals

In its discretion, the Administrator may condition the grant, vesting or payment of Awards on the attainment of Performance Goals. The term "Performance Goals" means performance goals established by the Administrator which may be based on earnings, earnings growth, sales, revenues, expenses (including plant costs and sales and general administrative expenses), return on assets, cash flow, total shareholder return, equity or investment, regulatory compliance, satisfactory internal or external audits, improvement of financial ratings, achievement of balance sheet or income statement objectives, implementation or completion of one or more projects or transactions (including mergers, acquisitions, dispositions, and restructurings), working capital, or any other objective goals the Committee establishes, and which may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated. Such performance goals may be particular to a Participant, or may be based on the performance of the Company, one or more Affiliates, or the Company and one or more Affiliates, and may cover such period as may be specified by the Administrator.

Transferability

Except as otherwise determined by the Administrator, Awards granted under the Amended 2013 Israeli Plan are not transferable except to the extent provided in an agreement.

Amendment and Termination

The Board of Directors may amend, alter or terminate the Amended 2013 Israeli Plan, or any portion thereof, at any time. However, after the shareholders of the Company have approved the Amended 2013 Israeli Plan, the Board may not amend or terminate the Amended 2013 Israeli Plan without approval of (a) the Company's shareholders to the extent applicable law or regulations or the requirements of the principal exchange or interdealer quotation system on which the Ordinary Shares are listed or quoted, if any, requires shareholder approval of the amendment or termination, and (b) each affected Participant if the amendment or termination would adversely affect the Participant's rights or obligations under any Award granted prior to the date of the amendment or termination.

No award may be granted under the Amended 2013 Israeli Plan after the close of business on April 2, 2023. Subject to other applicable provisions of the Amended 2013 Israeli Plan, all awards made under the Amended 2013 Israeli Plan prior to the termination of the Amended 2013 Israeli Plan will remain in effect until those Awards have been satisfied or terminated.

Summary of Certain Israeli Income Tax Considerations

General

The following discussion briefly summarizes certain Israeli income tax aspects of Stock Options, Restricted Stock Awards, Restricted Stock Units, and Performance Awards granted under the Amended 2013 Israeli Plan to persons residing in the State of Israel and/or on account of services performed in Israel. The rules governing the tax treatment of Awards and the receipt of ordinary shares and/or cash in connection with such Awards are quite technical, so the following description of tax consequences is necessarily general in nature and does not purport to be complete. Moreover, statutory provisions are subject to change, as are their interpretations, and their application may vary in individual circumstances.

Stock Options/Restricted Stock Units and Stock Based Performance Awards under Section 102 of the Israeli Tax Ordinance

In general, employees and directors (who are not controlling shareholders) can be granted awards (Stock Options, Restricted Stock, Restricted Stock Units, and certain Stock Based Performance Awards) (the "Awards") under Section 102 of the Israeli Income Tax Ordinance ("Section 102" and the "Ordinance"). "Control" and "controlling shareholder" under Section 102 is a person that (i) holds 10% or more of the capital shares of a company or voting rights (or the right to acquire any of the above), or (ii) holds the right to receive 10% or more of the company's profits, or (iii) has the right to appoint a director.

The common track for granting Awards to employees in the high-tech industry under Section 102 is a capital gains track with a trustee (the "Capital Gains Track") under which the Awards are issued to a trustee nominated solely for this purpose (the "Section 102 Trustee") to be held in trust (or only under his supervision, if a ruling is obtained) on behalf of the holder of the Awards for a minimum period of 24 months commencing on the date on which the Awards were deposited with the Section 102 Trustee (the "Holding Period").

The Award holder will not be required to pay any tax at the time of the grant or exercise of the Awards. Only the sale or disposition of the Awards or the underlying shares from the Section 102 Trustee triggers a taxable event. Upon sale or disposition of the Awards or underlying shares from the Section 102 Trustee, the proceeds received by the Award holder (less exercise price (if any) and other expenses incurred by the employee for such sale) will be subject to tax.

If the Awards were held in trust by the Section 102 Trustee until the end of the Holding Period, the income upon sale or disposition of the Awards from the Section 102 Trustee will be considered as capital gains and the Award holder will be subject to tax on such capital gains at a rate of 25% in 2013. No social payments such as national insurance (the Israeli equivalent of social security) or health tax will be due on the amount of capital gains.

However, if the company is a public company or is listed for trading on any stock exchange within a period of 90 days from the date of grant, any difference between the exercise price of the Awards (if any) and the average closing price of the company's shares at the 30 trading days preceding the grant date (when the company is listed on a stock exchange) or 30 trading days following the listing of the company, as applicable (the "Immediate Benefit"), will be taxed as "earned income" at the Awards holder's marginal tax rate (the top marginal rate in the tax year 2013 is 50%). In addition, national insurance tax and health tax will be imposed on such Immediate Benefit.

If the Awards or the underlying shares are sold or removed from the Section 102 Trustee before the lapse of the Holding Period, the income generated or deemed as generated by the Awards holder will be taxed upon the date of such breach as 'earned income' at the Awards holder's marginal tax rate (instead of the capital gains tax rate of 25%). In addition, national insurance tax and health tax shall be imposed on such income.

Restricted Stock Units and certain Performance Awards may be entitled to the benefits of the Capital Gains Track under certain circumstances to the extent that a tax ruling will be obtained from the Israeli Tax Authority.

A Non-Trustee Track

Employees and directors (who are not controlling shareholders) may be granted Awards under a track without a trustee (the "Non-Trustee Track"). This tax track does not require that a Section 102 Trustee hold the Awards and accordingly there is no Holding Period.

The tax event is triggered upon the sale of granted Awards by the employee (unless the Awards are registered for trade). Resulting income is classified as 'earned income' and is taxed at the employee's marginal tax rate (up to 50% in 2013). In addition, national insurance tax and health tax will be imposed on such income.

To the extent that an employee is issued shares (whether registered for trade or not), the employee will be required to recognize ordinary income on the date of issuance of the shares equal to the excess, if any, of the fair market value of such shares on such date over the amount, if any, paid for such shares. Israeli national insurance tax and health tax will be imposed on such income (see above).

The gain derived by the employee upon the sale of the underlying shares is taxed as capital gains (generally at the rate of 25%).

Non Statutory Options

Section 3(i) of the Ordinance ("Section 3(i)") applies to options granted by a company to its employees and directors who are controlling shareholders or to non-employee persons who render services to the Company (i.e. consultants, advisors, independent contractors, among other things). This section applies only to options and not to the issuance of shares to such persons.

Section 3(i) imposes tax on the income deemed attributed to the optionee in respect of the granted options. The tax event is triggered upon the exercise of the option into shares (whether or not such shares are sold) and the taxable income is calculated as the difference between the fair market value of the shares upon exercise and the exercise price of the options. The difference is taxed as "earned income" in accordance with the optionee's marginal tax rate (up to 50% in 2013). In addition, Israeli national insurance and health tax will be imposed on such income. The gain derived by the grantee upon the sale of the underlying shares will be subject to tax as capital gains (generally 25%). 'Material shareholders' will be subject to tax at a rate of 30%. A "material shareholder" is a person who holds, directly or indirectly, alone or together with another, 10% or more of any of the company's "means of control" (including, among other things, the right to receive profits of the company, voting rights, the right to receive the company's liquidation proceeds and the right to appoint a director)) at the time of sale or at any time during the preceding 12-month period.

Deductibility by Company

The Company generally is not allowed a deduction in connection with the grant, vesting or exercise, as the case may be, of Awards under the Capital Gains Track, except for the amount of the Immediate Benefit, provided that certain terms and conditions are met. The Company will not be allowed a deduction in connection with the grant or exercise of stock options under the Non-Trustee Track and/or Section 3(i).

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that the terms of the magicJack VocalTec Ltd. Amended 2013 Israeli Stock Incentive Plan, as presented to the Company’s shareholders, are hereby approved and authorized.”

The Board recommends a vote “FOR” Proposal 7.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary to approve this resolution.

PROPOSAL 8

APPROVAL OF THE PURCHASE OF OFFICERS AND DIRECTORS LIABILITY
INSURANCE COVERAGE

The Companies Law requires that insurance coverage for officers and directors must be approved first by the Compensation Committee in light of the Company's Compensation Policy, and then by the Board, and, with respect to directors and the chief executive officer, subsequently by the Company's shareholders.

Following approval of the Compensation Committee and Board with respect to the directors and officers of the Company, it is proposed to approve and ratify an initial directors and officers liability insurance policy ("Initial D&O Policy") for the period from July 16, 2014 through July 15, 2015 with coverage in the aggregate amount of \$25 million, an aggregate premium of approximately \$450,000 and a deductible to the Company in the amount of \$500,000 for a corporate indemnification claim on a securities and \$250,000 for a corporate indemnification claim other than a securities claim (the directors and officers do not bear the deductible sum), with respect to the directors and the chief executive officer. It is also proposed to approve the purchase by the Company of renewals of the Initial D&O Policy or the acquisition of other officers and directors liability insurance polic(ies) following expiration of the Initial D&O Policy from the same or a different insurance company, for a period of up to five (5) years from the beginning of the term of the Initial D&O Policy (the "Future D&O Policies"), subject to the following conditions: (i) the determination by the Compensation Committee and Board of Directors that there will be no substantive changes between the Initial D&O Policy and the Future D&O Policies; a change to the scope of coverage under the Future D&O Policies will not be deemed to be substantive so long as the premium paid by the Company for such Future D&O Policies will be as described in section (ii) below; (ii) the premium paid for the Future D&O Policies will not increase by more than the greater of (A) 25% over the cost of the premium paid for the insurance policy of the previous year; or (B) 25% over the cost of the premium paid for the Initial D&O Policy; and (iii) that such policy is in accordance with the Company's Compensation Policy. The approval of the shareholders of this proposed resolution at the Meeting will extend to any renewal or substitution of the Initial D&O Policy, from time to time, within the foregoing limitations. The approval of the Initial D&O Policy and Future D&O Policies will apply to directors and the chief executive officer of the Company who served, serve and will serve in such capacities for the Company and its subsidiaries from time to time.

It is proposed that at the Meeting the following resolution be adopted:

“RESOLVED, to approve and ratify the purchase of a directors’ and officers’ liability insurance policy for the period from July 16, 2013 through July 15, 2014 on the terms described above, and upon the expiration of the Initial D&O Policy to approve in advance the renewal or purchase of new directors’ and officers’ liability insurance from the same or a different insurance company, for a period of up to five (5) years commencing on the beginning of the Initial D&O Policy, subject to the conditions described above, which will apply to directors and the chief executive officer who served, serve or will serve in such capacity for the Company and its subsidiaries from the time to time.”

The Board and Compensation Committee recommend a vote “FOR” Proposal 8.

The affirmative vote of the holders of a simple majority of the votes cast in person or by proxy at the Meeting is required to approve this resolution, provided that one of the following is satisfied: (i) the majority of the shares voted at the Meeting in favor of the proposal, excluding abstentions, include at least a majority of the votes of shareholders who are not controlling shareholders and have no personal interest in the proposal or (ii) the total number of shares held by the shareholders mentioned in clause (i) above that are voted against the proposal does not exceed two percent of the aggregate voting rights in the Company.
