Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The 616 shares of phantom stock represent the deferral of one quarter of the reporting person's annual payment for Board service for the 2007-2008 Board year and are deferred under CONSOL Energy Inc.'s (the "Company's") 1999 Director Deferred Compensation Plan, as amended (the "Deferred Compensation Plan"). Each share of phantom stock is the economic equivalent of one share of common stock, \$0.01 par value per share, of the Company. The shares of phantom stock are payable in cash and generally only after the reporting person is no longer a member of the Company's board of directors. These shares of phantom stock are in addition to the 29,494 shares of phantom stock previously held by the reporting person in the Deferred Compensation Plan.

An adjustment of 24 additional shares has been made to the total number of shares of phantom stock. The adjustment was made to reconcile a discrepancy between what was reported previously and the actual number of shares of phantom stock held by the reporting person as determined by a recent review of the Company's records. It is believed that the discrepancy in the numbers reported are the result of rounding and discrepancies in calculations made.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
