(1) As reported in the beneficial ownership table and director compensation section of the company's proxy statement for 2008, Fiserv allocated notional units to the reporting person's Fiserv, Inc. Non-Employee Director Deferred Compensation Plan (the "Plan") account during 2008. Under the Plan, director fees otherwise payable in cash may be deferred in exchange for the allocation of notional units under the Plan. The number of notional units credited is calculated by dividing the amount of compensation that is deferred by the closing price of the company's common stock on the date of deferral. Upon termination of the reporting person's service to the company, each
