Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 15, 2008, the Board of Directors of East Fork Biodiesel, LLC (the “Company”) appointed Chris L. Daniel to serve as the Company’s Chief Executive Officer. His responsibilities include providing strategic business direction as well as implementation of the Company’s business plan and oversight of its business and facility operations, including personnel matters. Chris Daniel follows Kenneth M. Clark, who will continue to serve as the Company’s President.

As Chief Executive Officer, Chris Daniel, age 44, will serve as the Company’s principal executive officer. Since 2006, Chris Daniel has served as General Manager of Northern Bio Energy, Huxley, IA, a start-up renewable fuels company focused on establishing facilities and partnerships for biodiesel production. Between 2005 and 2006, he served as General Manager of Western Iowa Energy, Wall Lake, IA, a biodiesel producer. From 1992 through 2005 he served in various capacities with Bandag Inc., Muscatine, IA, a provider of truck tire re-treading materials, including Project Manager of Business Process Redesign from 2002 through 2005.

Under the terms of the Company’s Management Services Agreement (the “Management Agreement”) with Renewable Fuels Management, LLC (“Renewable Fuels”):

- The Management Agreement will be for an initial period of two years;

- Chris Daniel will report to the Company’s Chairman of the Board of Directors as well as to Renewable Fuels’ Chief Executive Officer;

- Chris Daniel will remain an employee of Renewable Fuels;

- Renewable Fuels will be responsible for all of Mr. Daniels’ compensation and benefits;

- The Company will pay Renewable Fuels a flat fee of \$20,000.00 per month (prorated for the first month of the Management Agreement) to be paid regardless of the gallons of biodiesel produced for the first 12 months of the Management Agreement. The fee structure of the Management Agreement will be reviewed in 12 months to determine if adjustments are necessary; and

- Subject to meeting certain performance measurements, the Company will offer, over the course of the Management Agreement, up to 2,500 of its membership units to Renewable Fuels through unit purchase options. The purchase price of units to be granted upon achievement of the performance measurements will be \$600 per unit.
