("Deloitte") as the Company's auditors for the fiscal year ending September 30, 2004. In connection with the proposal to ratify the Company's auditors, the following additional information is provided in this Supplement for your consideration.

The following table represents the aggregate fees billed for professional audit services rendered to the Company by Deloitte for the audit of the Company's annual financial statements for the years ended September 30, 2002 and 2003, and all fees billed for other services rendered by Deloitte during those periods.

Edgar Filing: TUTOGEN MEDICAL INC - Form DEF 14A

- (3) TAX FEES. These are fees for professional services with respect to tax compliance, tax advice, and tax planning.
- (4) ALL OTHER FEES. These are fees for permissible work that does not fall within any of the other fee categories, i.e., Audit Fees, Audit-Related Fees, or Tax Fees.

PRE-APPROVAL POLICY FOR AUDIT AND NON-AUDIT SERVICES

The Company's Audit Committee has responsibility for the approval of all audit and non-audit services before the Company engages an accountant. All of the services rendered to the Company by Deloitte for the fiscal years ended September 30, 2003 and 2002 were pre-approved by the Audit Committee before the engagement of the auditors for such services.

The Company and the Audit Committee are working with the Company's legal counsel to establish formal pre-approval policies and procedures for all future engagements of the Company's accountants. In accordance with the rules and regulations of the U.S. Securities and Exchange Commission relating to the independence of auditors, the Company's new pre-approval policies and procedures will be detailed as to particular services, will require that the Audit Committee be informed of each service, and will prohibit the delegation of any pre-approval responsibilities to the Company's management.

The Company's pre-approval policy will expressly provide for the annual pre-approval of all audit, audit-related and all non-audit services proposed to be rendered by the independent auditor for the fiscal year, as specifically described in the auditor's engagement letter, such annual pre-approval to be performed by the Audit Committee. The new policy will also provide that all additional engagements of the auditor that were not approved in the annual pre-approval process, and all engagements that are anticipated to exceed previously approved thresholds, shall be presented by the President or Chief Financial Officer of the Company to the Audit Committee for pre-approval, on a case-by-case basis, before management engages the auditors for any such purposes. The Audit Committee may be authorized to delegate, to one or more of its members, the authority to pre-approve certain permitted services, provided that the estimated fee for any such service does not exceed a specified dollar amount.

All pre-approvals shall be contingent on a finding, by the Audit Committee, or delegates thereof, as the case may be, that the provision of the proposed services by the Company's auditor is compatible with the maintenance of the auditor's independence in the conduct of its auditing functions. In no event shall any non-audit related service be approved that would result in the independent auditor no longer being considered independent under the applicable rules and regulations of the Securities and Exchange Commission.

The foregoing additional information was provided for your consideration in connection with the proposal to ratify Deloitte as our auditors for the fiscal year ending September 30, 2004. Your vote at the 2004 Annual Meeting of Shareholders is important. The Board of Directors of the Company encourages you to participate by returning your proxy card today. We appreciate your continued support of Tutogen Medical, Inc.
