On May 17, 2007, ArvinMeritor, Inc. (ArvinMeritor or seller) completed the sale of its emissions technologies business (ET business) to EMCON Technologies Holdings Limited, a private equity affiliate of J. P. Morgan Securities, Inc. (purchaser). Total consideration (including a \$20 million note and assumption of certain liabilities) was \$310 million, and is subject to subsequent adjustment for working capital and other items. In the second quarter of fiscal year 2007, ArvinMeritor recorded a \$115 million (\$90 million after-tax) non-cash impairment charge against the long-lived assets of the ET business to record ET at fair value based upon the sale agreement. The impairment charge may be different than the ultimate loss recorded on the sale of ET and is subject to final reserves and adjustments after closing.

The sale of the ET business was consummated pursuant to an Amended and Restated Purchase Agreement between ArvinMeritor and the purchaser, dated as of February 2, 2007 (Amended Agreement), which is filed as Exhibit 2 to this Form 8-K . The Amended Agreement contains customary representations, warranties and covenants of the seller and purchaser. The Amended Agreement also includes provisions governing the retention by the seller and assumption by the purchaser of responsibilities with regard to environmental, warranty and other liabilities; transition of employees and responsibility for employee compensation and benefits; tax matters and post-closing taxes; use of trademarks and logos; treatment of joint venture interests; and post-closing indemnities between the seller and purchaser for losses arising from specified events. This description is only a summary of, and is qualified in its entirety by reference to, the terms of the Amended Agreement, which is incorporated herein by reference.

An affiliate of the purchaser is the administrative agent and a lender under ArvinMeritor ' s \$900 million senior secured credit facility. In addition, affiliates of the purchaser have in the past provided and may from time to time in the future provide to ArvinMeritor certain commercial banking, financial advisory, investment banking and other services, for which they have received and will be entitled to receive fees.
