revolution! When it comes to low fares in Europe Ryanair is No 1. Other airlines pretend to be low fares but when it comes to low fares Ryanair leaves the others in our slipstream. Our new route commences on 11th April 2005 with fares starting from just EUR2.99\*!

"This new low fares route is good news for consumers and good news for Galicia. Ryanair will carry 100,000 passengers on its 1st year on this new low fares route and will deliver 75,000 visitors to Santiago and wider Galicia. This translates to the direct creation of 100 jobs for the region and savings of EUR10 M for these consumers over the high fares airlines".
