Match Facility for which a share election can be satisfied in full. ScottishPower Shareholders will be entitled to receive 400 pence in cash and 0.1646 of a New Iberdrola Share for every ScottishPower Share in respect of the balance of their ScottishPower Shares on which a share or cash election cannot be satisfied in full. ScottishPower Shareholders who elected for Loan Notes instead of cash under the Loan Note Alternative will be entitled to receive £1.00 Loan Notes for every 100 pence in cash.

In respect of ScottishPower Shares for which no valid election under the Mix and Match Facility or the Loan Note Alternative has been made, ScottishPower Shareholders will receive the basic offer consideration which, in economic terms, is equivalent to 400 pence in cash and 0.1646 of a New Iberdrola Share per ScottishPower Share.

Fractions of New Iberdrola Shares will not be allotted, but will be aggregated and sold in the market and the net proceeds of such sale will be paid in cash to such ScottishPower Shareholders entitled thereto in accordance with their fractional entitlements. No assurance can be given as to the price that will be received for such New Iberdrola Shares as described in this paragraph.

The Offer remains conditional upon the confirmation of the Capital Reduction comprised within the Scheme by the Court of Session, Edinburgh, Scotland (the "**Court**") and a certified copy of the Court Order confirming the Capital Reduction and the minute of the Capital Reduction being delivered to, and registered by, the Registrar of Companies (which is expected to take place later today).
