PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON THURSDAY, JUNE 6, 2013

ABOUT THE MEETING

Solicitation of Proxies. This proxy statement and the accompanying proxy are furnished to stockholders of Resource Capital Corp. in connection with the solicitation by our Board of Directors, which we refer to as the Board, of proxies for use at the 2013 annual meeting of stockholders of Resource Capital Corp. to be held on June 6, 2013, at 1:00 p.m., which we refer to as the Meeting, at One Crescent Drive, Suite 203, Navy Yard Corporate Center, Philadelphia, Pennsylvania, and at any and all adjournments thereof.

Mailing Date. In accordance with rules and regulations adopted by the SEC, instead of mailing a printed copy of our proxy materials to each stockholder of record, we are now furnishing proxy materials to our stockholders on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials, unless specifically requested. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy via the internet, telephone or by mail. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about April 18, 2013.

Who Can Vote. Only stockholders of record at the close of business on April 15, 2013 will be entitled to notice of and to vote at the Meeting. Each of the approximately 124,531,623 shares of our common stock issued and outstanding on that date is entitled to one vote at the Meeting.

How to Vote Proxy Instructions. If you are a holder of record of Resource Capital Corp. common stock, you may vote your shares over the Internet, by telephone, by using a traditional proxy card or in person at the Meeting. Refer to the Notice of Internet Availability of Proxy Materials or your proxy or voting instruction card to see which options are available to you and how to use them. Stockholders who hold their shares in street name will receive a Notice of Internet Availability of Proxy Materials from the institution that holds their shares and should follow the voting instructions given by that institution.

You may specify whether your shares should be voted for all, some or none of the nominees for director (Proposal 1); and you may further specify whether your shares should be voted for, against or abstain on the ratification of the appointment of Grant Thornton LLP (Proposal 2) as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

If you do not specify how you want to vote your shares on your proxy card, or you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, and your shares are not designated as broker non-votes, we will vote them For the election of all nominees for director as set forth under Proposal 1 below and For ratification of approval of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 as set forth under Proposal 2 below.

Edgar Filing: Resource Capital Corp. - Form DEF 14A

Broker Non-Votes. A broker non-vote occurs when a nominee, such as a bank or broker, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial

owner. Generally banks and brokers may vote their customers' shares on proposals considered routine and may not vote their customers' shares on proposals that are not considered routine if the customers have not furnished voting instructions within a specified period of time prior to the annual meeting. Proposal 1 described below is not considered a routine matter. Proposal 2 described below is considered a routine matter.

Revocation of Proxies. If you are a holder of record, you may revoke your proxy at any time before it is exercised in any of three ways:

- 1) by submitting written notice of revocation to our Secretary;
- 2) by submitting another proxy by mail that is later dated and properly signed; or
- 3) by voting in person at the Meeting.

If your shares are held in street name, you must contact your broker or nominee to revoke and vote your proxy.

Quorum. A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders representing a majority of the votes entitled to be cast by the stockholders at the Meeting are present, in person or by proxy. Broker non-votes and abstentions are counted as present at the Meeting for purposes of determining the existence of a quorum, but since they are neither a vote cast in favor of, nor a vote cast opposing, a proposed action, abstentions and broker non-votes typically will not be counted as a vote cast on any matter.

Required Vote. In order to be elected as a director as described in Proposal 1 below, a nominee must receive a plurality of all of the votes cast at the Meeting at which a quorum is present. The plurality standard means the nominees who receive the largest number of for votes cast are elected as directors. Thus, the number of shares not voted for the election of a nominee (and the number of withhold votes cast with respect to that nominee) will not affect the determination of whether that nominee has received the necessary votes for election. If any nominee is unable or declines to serve, proxies will be voted for the balance of those named and for such person as shall be designated by the Board to replace any such nominee. However, the Board does not anticipate that this will occur.

In order to ratify the appointment of Grant Thornton as our independent registered public accounting firm for the fiscal year ending December 31, 2013, as described in Proposal 2 below, the affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present is required, either in person or by proxy. The shares not voted for approval and abstentions will be counted as votes against the ratification.

Other Business. We do not intend to bring any business before the meeting other than that set forth in the Notice of the Annual Meeting and described in this proxy statement. However, if any other business should properly come before the meeting, the persons named in the proxy card intend to vote in accordance with their best judgment on such business and on any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted in the proxy.

Costs. We pay for the preparation and mailing of the Notice of the Annual Meeting and proxy statement. We have also made arrangements with brokerage firms and other custodians, nominees, and fiduciaries for forwarding proxy-soliciting materials to the beneficial owners of our common stock at our expense.

Stockholders Sharing an Address. Stockholders sharing an address with another stockholder may receive only one annual report or one set of proxy materials at that address unless they have provided contrary instructions. Any such stockholder who wishes to receive a separate copy of the annual report or a separate set of proxy materials now or in the future may write or call us to request a separate copy of these materials from: Investor Relations, 712 Fifth Avenue, New York, NY 10019; telephone number (212) 506-3870. We will promptly deliver a copy of the requested materials. Similarly, stockholders who have received multiple copies of the proxy materials, and share an address with another stockholder, may write the above address or call the above phone number to request delivery of a single copy of these materials.

SECURITY OWNERSHIP

The following table sets forth the number and percentage of shares of common stock owned, as of April 15, 2013, by (a) each person who, to our knowledge, is the beneficial owner of more than 5% of the outstanding shares of common stock, (b) each of our present directors and director nominees, (c) each of our executive officers and (d) all of our named executive officers and directors as a group. CORPORATE GOVERNANCE

Our Board of Directors and Its Committees

Our common stock is listed on the NYSE under the symbol **RSO** and we are subject to the NYSE's listing standards. The Board has determined that each of Messrs. Beach, Fore, Hart, Ickowicz, Levin and Neff satisfy the requirement for independence set out in Section 303A.02 of the rules of the NYSE and that each of these directors has no material relationship with us (other than being a director and/or a stockholder). In making its independence determinations, the Board sought to identify and analyze all of the facts and circumstances relating to any relationship between a director, his immediate family or affiliates and our company and our affiliates and did not rely on categorical standards other than those contained in the NYSE rules.

The Board held a total of 9 meetings during fiscal 2012. Each of the directors attended at least 75% of the meetings of the Board and of the committees on which he served during fiscal 2012.

The Board has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Investment Committee. All of the members of each committee, other than the Investment Committee, are independent directors as that term is defined in the NYSE's listing standards.

As set forth in our Corporate Governance Guidelines and in accordance with NYSE listing standards, the non-management directors meet in executive sessions quarterly without management. Interested parties wishing to communicate directly with the non-management directors may contact the chairman of the Audit Committee, P. Sherrill Neff, at Quaker BioVentures, Cira Centre, 2929 Arch Street, Philadelphia, Pennsylvania 19104.

Audit Committee. The Audit Committee reviews the scope and effectiveness of audits by the internal and independent accountants, is responsible for the engagement of independent accountants, and reviews the adequacy of our internal financial controls. Members of the committee are Messrs. Neff (Chairman), Beach and Hart. The Board has determined that each member of the committee meets the independence standards for audit committee members set forth in the NYSE listing standards and in the Securities Exchange Act of 1934, as amended, and that Messrs. Beach and Neff each qualifies as an audit committee financial expert as that term is defined in the NYSE and Exchange Act rules and regulations. The committee held four meetings during fiscal 2012. The Audit Committee charter is available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who requests it.

Compensation Committee. The principal functions of the Compensation Committee are to:

review the compensation payable to our directors;

review the compensation and fees payable to the Manager under our management agreement; and

Edgar Filing: Resource Capital Corp. - Form DEF 14A

administer the issuance of any stock or stock options issued to the employees of the Manager or Resource America who perform services for us.

Under our management agreement with the Manager and Resource America, the Manager assumes principal responsibility for managing our affairs and providing the personnel that we need to conduct our operations. The Manager and Resource America are responsible for paying the compensation of all such personnel and, consequently, such personnel do not receive separate compensation from us. However, we reimburse the Manager for all of the wages, salary and benefits established and paid by the Manager to our Chief Financial Officer, who is exclusively dedicated to our operations, 50% of the wages, salary and benefits established and paid by the Manager to our director of investor relations, who is 50% dedicated to our operations, and the proportionate share of the wages, salaries and benefits of other accounting professionals dedicated to our operations and approved by our Board. We also reimburse Resource America for all of the wages, salary and benefits established and paid by Resource America to Steven J. Kessler, our Chairman of the Board.

The members of the committee are Messrs. Beach (Chairman), Levin and Neff. The committee held four meetings during fiscal 2012. The Compensation Committee Charter is available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who requests it.

Nominating and Governance Committee. The Nominating and Governance Committee is appointed by the Board to:

assist it and us maintain an effective and knowledgeable Board, including assisting the Board by identifying individuals qualified to become directors and recommending to the Board the director nominees for the next annual meeting of stockholders and the directors to be appointed to the Audit, Compensation and Nominating and Governance Committees; and

develop and recommend for the Board's consideration governance guidelines for us.

The committee has not adopted specific, minimum qualifications or specific qualities or skills that must be met by a recommended nominee. The committee seeks to insure that the membership of the Board and each committee satisfies all relevant NYSE listing standard requirements, applicable laws and requirements of our governance documents. The committee seeks to achieve a mixture of skills which are all related to our business. The nature of the specific qualifications, qualities or skills that the committee may look for in any particular director nominee is dependent on the qualifications, qualities and skills of the rest of the directors at the time of any vacancy on the Board.

The committee identifies director nominees by first evaluating the current members of the Board willing to continue in service. Current members with skills and experience that are relevant to our business and are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, if the nominating and governance committee or Board decides not to re-nominate a member for re-election, or if we decide to expand the Board, the committee identifies the desired skills and experience of a new nominee consistent with the nominating and governance committee's criteria for Board service. Current members of the Board and management are polled for their recommendations. Research may also be performed or third parties retained to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate potential nominees; however, we may in the future choose to do so.

The members of the committee are Messrs. Levin (Chairman), Beach and Hart. The committee held one meeting during fiscal 2012. Our Corporate Governance Guidelines and Nominating and Governance Committee charter are both available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who so requests it.

Stockholder Recommendations for Director Nominees. The Nominating and Governance Committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third party search firms and other sources. In evaluating candidates, the committee considers the attributes of the candidate (including skills, experience, international versus domestic background, diversity, age, and legal and regulatory requirements) and the mixture of skills and experience of the members of the Board, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying candidates beyond being committed to ensuring that no

person would be excluded from consideration for service as a director of ours as a result of their gender, race, religion, creed, sexual orientation or disability. The committee will consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described under Stockholder Proposals for the 2014 Annual Meeting. Recommendations should include the following:

such information as may be reasonably necessary to determine whether the recommended director candidate is independent from the stockholder that has recommended the candidate;

such information as may be reasonably necessary to determine whether the director candidate is qualified to serve on the Board; and

such information as may be reasonably necessary to determine whether the director candidate meets the independence standards of the NYSE.

The Board may also request such additional information concerning the proposed nominee as may be reasonably required to determine whether each person recommended by a stockholder meets the criteria discussed above and to enable us to make appropriate disclosures to stockholders.

Investment Committee. The Investment Committee was established in March 2007 to review and consider all proposed investments by our company equal to or in excess of \$12.5 million. The Board as a whole reviews and considers proposed investments equal to or in excess of \$30.0 million, and all credit facilities or financing with recourse to us in excess of the amount of equity invested. The members of the committee are Messrs. J. Cohen (Chairman), Beach, Ickowicz and Kessler. The committee held sixteen meetings during fiscal 2012.

Communication with the Board. The Board has established a process for stockholders to send communications to it. Stockholders may communicate with the Board, or any director or committee chairperson, by writing to such parties in care of Michael S. Yecies, Senior Vice President, Chief Legal Officer and Secretary, Resource Capital Corp., 712 Fifth Avenue, New York, NY 10019. Communications addressed to the Board generally will be forwarded either to the appropriate committee chairperson or to all directors. Communications may be submitted confidentially and anonymously. Under certain circumstances, we may be required by law to disclose the information or identity of the person submitting the communication. There were no material actions taken by the Board as a result of communications received during fiscal 2012 from stockholders. Certain concerns communicated to the Board also may be referred to our internal auditor or our Chief Legal Officer. The Chairman of the Board or the Chairman of the Audit Committee may direct that concerns be presented to the Audit Committee, or to the full Board, or that they otherwise receive special treatment, including retention of external counsel or other advisors.

Attendance at Annual Meetings. We do not have a formal policy regarding Board member attendance at our annual meeting of stockholders. All of our Board members attended last year's annual meeting of stockholders and we anticipate that all of them will attend the Meeting.

Board Leadership Structure and Role in Risk Oversight

We have no specific policy with respect to the separation of the offices of Chairman and the Chief Executive Officer. This issue is part of the succession planning process and is within the scope of the Board's authority to decide. Currently, Steven J. Kessler serves as Chairman of the Board and Jonathan Z. Cohen serves as Chief Executive Officer. The Board believes that our Corporate Governance Guidelines provide it with appropriate flexibility to determine from time to time the leadership structure that best enables us to pursue our business strategies and goals. The Board believes that its current leadership structure is appropriate in that it gives us the benefit of the significant expertise that both Messrs. Kessler and J. Cohen have in finance and real estate, as well as the working relationship they have developed in the past sixteen years.

Risk management, led by our officers and the Board, is a company-wide function that is responsible for an integrated effort to identify, assess and manage risks that may affect our ability to execute on our business strategy and fulfill our business objectives. The Board's role is to oversee this function. The Audit Committee enhances the Board's oversight of risk management. The Audit

Committee's role is also one of oversight, recognizing that management is responsible for executing our risk management policies. The Audit Committee's responsibilities include discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The Audit Committee also discusses guidelines and policies to govern the process by which risk assessment and management is undertaken.

Code of Ethics

We have adopted a code of business conduct and ethics applicable to all directors, officers and employees. We will provide to any person without charge, upon request, a copy of our code of conduct. Any such request should be directed to us as follows: Resource Capital Corp., 712 Fifth Avenue, New York, NY 10019, Attention: Secretary. Our code of conduct is also available on our website at www.resourcecapitalcorp.com. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of this code of conduct by posting such information on our website, unless otherwise required by applicable law or regulation.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Messrs. Beach, Levin and Neff during fiscal 2012. None of such persons was an officer or employee of ours or any of our subsidiaries or affiliated companies during fiscal 2012 or was formerly an officer or employee of ours. None of our executive officers was a director or executive officer of any entity of which any member of the Compensation Committee was a director or executive officer during fiscal year 2012.

Report of the Audit Committee

The Audit Committee has approved the following report.

In connection with its function of overseeing and monitoring our financial reporting process, the Audit Committee has done the following:

reviewed and discussed our consolidated financial statements for the fiscal year ended December 31, 2012 with our management;

discussed with our independent registered public accounting firm, Grant Thornton LLP, or Grant Thornton, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board, or the PCAOB, in Rule 3200T; and

received the written disclosures and the letter from Grant Thornton required by applicable requirements of the PCAOB regarding Grant Thornton's communications with the audit committee concerning independence, and has discussed with Grant Thornton the independence of Grant Thornton and satisfied itself as to Grant Thornton's independence.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements be included in the 2012 Form 10-K.

2012 NON-EMPLOYEE DIRECTOR COMPENSATION

Our 2012 compensation package for independent directors was comprised of cash (annual retainer) and restricted stock awards. The annual pay package is designed to attract and retain highly-qualified, independent professionals to represent our stockholders. Our compensation package is also designed to create alignment between our directors and our stockholders through the use of equity-based grants. For 2012, the Board approved compensation for each independent director consisting of an annual cash retainer of \$52,500 and an annual stock award valued at \$22,500 on the date of grant, which is the anniversary of the date each of them became a director. In addition, the members of the investment committee, Messrs. Beach and Ickowicz, received an additional \$50,000.

We also reimburse Resource America for all of the wages, salary and benefits established and paid by Resource America to our Chairman of the Board. In fiscal 2012, we reimbursed Resource America \$456,162 for Mr. Kessler's compensation and related business expenses, since Resource America employs Mr. Kessler; Mr. Kessler, however, is dedicated exclusively to his service as our Chairman. In addition, in January 2012, we awarded Mr. Kessler 8,865 shares of restricted stock with a grant date fair value of approximately \$50,000, and in December 2012, we awarded Mr. Kessler 16,977 shares of restricted stock with a grant date fair value of approximately \$100,000. Mr. Kessler had 6,422 shares vest in 2012 and realized \$35,963 upon vesting. In addition, in December 2012, we awarded Mr. E. Cohen, the Chairman of the Board of Resource America, 50,933 shares of restricted stock with a grant date fair value of approximately \$300,000.

COMPENSATION DISCUSSION AND ANALYSIS

We are required to provide information regarding the compensation program in place for our Chief Executive Officer, Chief Financial Officer and the three other most highly-compensated executive officers. In the following discussion, we refer to our Chief Executive Officer, Chief Financial Officer and the other most highly-compensated executive officers whose compensation for fiscal 2012 exceeded \$100,000 as our Named Executive Officers or NEOs.

Objectives of Our Compensation Program

We have no employees. We are managed by our Manager pursuant to a management agreement between our Manager, Resource America, and us. All of our NEOs are employees of our Manager or one of its affiliates. We have not paid, and do not intend to pay, any cash compensation to our NEOs, although we reimburse the Manager for the wages, salary and benefits established and paid by the Manager to our Chairman and Chief Financial Officer. However, our Compensation Committee may, from time to time, grant equity awards in the form of restricted stock, stock options or performance awards to our NEOs and certain other employees of our manager pursuant to our Amended and Restated 2007 Omnibus Equity Compensation Plan. These awards are designed to align the interests of our NEOs and certain other employees of our Manager with those of our stockholders, by allowing them to share in the creation of value for our stockholders through stock appreciation and dividends. These equity awards are generally subject to time-based vesting requirements designed to promote the retention of management and to achieve strong performance for our company. These awards further provide us flexibility in our ability to enable our Manager to attract, motivate and retain talented individuals at our Manager.

Setting Executive Compensation

Our NEOs are employees of Resource America, which determines the base salary, cash incentive compensation and, for grants of Resource America equity securities, equity incentive compensation that is paid to our NEOs. A portion of the base salary and cash incentive compensation paid to them is derived from the fees paid by us under the management agreement. We do not control how such fees are allocated by Resource America to its employees. For a description of our management agreement, see Item 1: Business-Management Agreement. We disclose the cash amounts paid by Resource America to our Chief Financial Officer (for which we reimburse Resource America), our only NEO who devotes his full business time to our affairs, in the Summary Compensation Table below.

When Resource America makes its determination of the amount of compensation it will award to one of our NEOs, including in particular the amount of Resource America securities that Resource America will grant as equity incentive compensation, Resource America also considers, but does not determine, the amount of our securities we propose to grant as equity incentive compensation to that NEO. Similarly, in determining the amount of equity incentive compensation we grant to one of our NEOs, our Compensation Committee considers, but does not determine, the compensation that Resource America proposes to grant to that NEO, including Resource America's grant of Resource America securities as equity incentive compensation. Our respective Compensation Committees base their analyses and determinations upon recommendations submitted by Jonathan Z. Cohen, who is chief executive officer of both companies, for all of our NEOs other than himself. Resource America's Compensation Committee determines the amount of compensation Resource America will award Mr. J. Cohen, while our Compensation Committee determines the amount of any Resource Capital equity incentive compensation we award to Mr. J. Cohen. These analyses and determinations are not based upon any particular compensation matrix or formula, but instead are based upon qualitative evaluations by Mr. J. Cohen and the Compensation Committee. Our Compensation Committee does not make recommendations to Resource America as to the amount of compensation Resource America grants to our NEOs, nor does Resource America's Compensation Committee make recommendations to us regarding the amount of equity incentive compensation awarded by us to our NEOs.

Our Compensation Committee operates under a written charter adopted by our Board of Directors, a copy of which is available on our website at www.resourcecapitalcorp.com. Our Compensation Committee determines compensation amounts after the end of Resource America's fiscal year and makes equity awards near or after our fiscal year end. Awards made after our fiscal year end are reflected in our Summary Compensation Table but not our Grants of Plan-Based Awards table until our following fiscal year. Our Compensation Committee has the discretion to issue equity awards at other times during our fiscal year.

Elements of Our Compensation Program

As described above, our NEOs do not receive cash compensation from us, although beginning in October 2009, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Financial Officer. In addition, we began reimbursing Resource America for the wages, salary and benefits of our Chairman in February 2010. However, our Compensation Committee may, from time to time, grant equity awards in the form of restricted stock, stock options or performance awards to our NEOs pursuant to our Amended and Restated 2007 Omnibus Equity Compensation Plan as follows:

Stock Options. Stock options provide value to the executive only if our stock price increases after the grants are made. Stock options typically vest 33.3% per year.

Restricted Stock. Restricted stock units reward stockholder value creation slightly differently than stock options: restricted stock units are impacted by all stock price changes, both increases and decreases. Restricted stock units generally vest 33.3% per year and include a right to receive dividends on unvested shares.

Supplemental Incentive Arrangement with David Bloom. In December 2007, Resource America entered into an agreement with David Bloom, our Senior Vice President - Real Estate Investments, which provides for awards to him of our restricted stock and Resource America restricted stock. With respect to our restricted stock, Mr. Bloom was awarded 120,000 shares, 60,000 of which were subject to vesting over time and 60,000 of which were to vest based on the achievement of predetermined, objective performance goals over a multi-year performance period. We paid dividends on unvested awards. With respect to the shares that vested over time, 15% vested on June 30, 2008, 15% vested on June 30, 2009 and 70% vested on March 9, 2011. Performance-based shares were to be earned on achievement of performance goals over the performance period beginning July 1, 2007 and ending June 30, 2010, with one-third of the shares potentially being earned at the end of each 12-month measurement period. At the end of the measurement period, one-third of such shares had been earned and two-thirds of such shares had been forfeited.

How We Determined 2012 Compensation

As discussed above, our Compensation Committee believes that it is important for our NEOs, who are employees of our Manager, to remain significantly aligned to our shareholders. Accordingly, we have traditionally made grants of restricted stock to such NEOs.

For 2012, such stock awards were more substantial than in the past and will vest 33.33% per year over three years and included dividend equivalent rights. Our Compensation Committee analyzed the management agreement and reviewed how our operating costs compared to other REITs' operating costs. Our Compensation Committee noted our growth and success. In particular, the Compensation Committee desired to strengthen the alignment between employees of the Manager and our stockholders, provide meaningful incentive for the retention of key employees, reward the performance of such employees that has resulted in a consistent meaningful cash dividend to stockholders and improved Company performance and ensure that total compensation paid to the Manager and its employees is consistent with similar companies. For 2012, our Compensation Committee approved the awards discussed below, based upon our performance. Among the factors considered by our Compensation Committee were our continued growth, distributions to our shareholders and our ability to raise and deploy capital. Our Compensation Committee considered these stock awards in addition to considering the total compensation that Resource America proposed for our NEOs.

Upon our CEO's recommendation, other than for himself, our Compensation Committee approved the following awards for fiscal 2012:

Mr. J. Cohen was awarded 466,893 shares of restricted stock for fiscal 2012, as compared to 62,056 shares of restricted stock for fiscal 2011.

Mr. Blomstrom was awarded 135,823 shares of restricted stock for fiscal 2012, as compared to 17,452 shares of restricted stock for fiscal 2011.

Mr. Bloom was awarded 135,823 shares of restricted stock for fiscal 2012, as compared to 21,815 shares of restricted stock for fiscal 2011. See - Elements of Our Compensation Program-Supplemental Incentive Arrangements with David Bloom.

Mr. Brotman was awarded 135,823 shares of restricted stock for fiscal 2012, as compared to 35,460 shares of restricted stock for fiscal 2011.

Mr. Bryant was awarded 67,911 shares of restricted stock for fiscal 2012, as compared to 0 shares of restricted stock for fiscal 2011. Mr. Bryant was also awarded 7,256 shares of restricted Resource America stock for fiscal 2012, as compared to 0 shares of restricted Resource America stock for fiscal 2011.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Relationships and Related Party Transactions

Relationship with Resource America and Certain of its Subsidiaries. Resource America, entities affiliated with it and our executive officers and directors collectively beneficially own 6,350,078 shares of common stock, representing approximately 5.86% of our common stock on a fully-diluted basis. Our executive officers and Chairman are also officers of our Manager and/or of Resource America or its subsidiaries.

We have entered into a management agreement under which the Manager receives substantial fees. We describe these fees in Item 1 Business Management Agreement in our Annual Report on Form 10-K for the year ended December 31, 2012. For the year ended December 31, 2012, Resource Capital Manager, or the Manager, earned base management fees of approximately \$8.3 million and incentive management fees of \$9.6 million (including \$1.4 million paid in the form of 257,173 shares of common stock). We reimburse the Manager and Resource America for expenses and employees of Resource America who perform legal, accounting, due diligence and other services that outside professionals or consultants would otherwise perform. The Management Agreement, as amended, also provides that the Manager must furnish us with a director of investor relations who will be 50% dedicated to our operations. We bear the expense of the wages, salaries and benefits of the Chairman, Chief Financial Officer and several accounting professionals and 50% of the salary and benefits of the director of investor relations. For the year ended December 31, 2012, we reimbursed the Manager \$3.6 million and were indebted to the Manager for \$3.8 million, comprised of base management fees of \$833,000, incentive management fees of \$2.6 million and expense reimbursements of \$307,000.

On November 24, 2010, we entered into an Investment Management Agreement with Resource Capital Markets, Inc., or RCM, a wholly-owned subsidiary of Resource America. The initial agreement provides that: (a) RCM may invest up to \$5.0 million of our funds, with the investable amount being adjusted by portfolio gains/(losses) and collections, and offset by expenses, taxes and realized management fees, and (b) RCM can earn a management fee in any year that the net profits earned exceed a preferred return. On June 17, 2011, we entered into a revised Investment Management Agreement with RCM which provided an additional \$8.0 million of our funds. The management fee is 20% of the amount by which the net profits exceed the preferred return. During the year ended December 31, 2012, RCM earned \$3.7 million in management fees. We have reinvested gains from its activity and hold \$24.8 million in fair market value of trading securities as of December 31, 2012. In addition, we and RCM have established an escrow account that allocates the net profit or net losses of the portfolio on a yearly basis based on the net asset value of the account. During the year ended December 31, 2012, RCM earned \$552,000 as its share of the net profits as defined in the Investment Management Agreement. At December 31, 2012, we were indebted to RCM, under our Investment Management Agreement for \$4.3 million, comprised of incentive management fees of \$4.3 million and expense reimbursements of \$48,000.

As of December 31, 2012, we had executed seven CDO or CLO transactions, which were structured for us by the Manager. Under the Management Agreement, the Manager was not separately compensated by us for executing these transactions and is not separately compensated for managing the CDO or CLO entities and their assets.

Relationship with LEAF Financial. On March 5, 2010, we entered into agreements with Lease Equity Appreciation Fund II, L.P., or LEAF II, pursuant to which we provided an \$8.0 million credit facility to LEAF II, of which all \$8.0 million has been funded. The credit facility had a one year term at 12% per year, payable quarterly, and was secured by all the assets of LEAF II, including its entire ownership interest in LEAF II Receivables Funding, LLC. We received a 1% origination fee in connection with arranging the facility. The facility originally matured on March 3, 2011 and was extended until September 3, 2011 with a 1% extension fee paid on the outstanding loan balance. On June 3, 2011, we entered into an amendment to extend the maturity to February 15, 2012 and decrease the

interest rate from 12% to 10% per annum resulting in a troubled-debt restructuring under current accounting guidance. On February 15, 2012, the credit facility was further amended to extend the maturity to February 15, 2013 with a 1% extension fee accrued and added to the amount outstanding. On January 11, 2013, we entered into another amendment to extend the maturity to February 15, 2014 with an additional 1% extension fee accrued and added to the amount outstanding. The loan amount outstanding at December 31, 2012 was \$6.8 million.

On November 16, 2011, we, together with LEAF Financial and LEAF Commercial Capital, Inc., or LCC, subsidiaries of Resource America, entered into a Stock Purchase Agreement, or SPA, with Eos Partners, L.P., a private investment firm, and its affiliates. In exchange for our prior interest in LCC, we received 31,341 shares of Series A Preferred Stock, 4,872 shares of newly issued 8% Series B Redeemable Preferred Stock and 2,364 shares of newly issued Series D Redeemable Preferred Stock, collectively representing, on a fully-diluted basis, a 26.7% interest in LCC. Our resulting interest is accounted for under the equity method. For the year ended December 31, 2012, we recorded a loss of \$3.3 million which was recorded in equity in earnings of unconsolidated subsidiaries on the consolidated statement of income. Our investment in LCC was valued at \$33.1 million as of December 31, 2012.

In accordance with the SPA, we, together with Resource America, have undertaken a contingent obligation with respect to the value of the equity on the balance sheet of LEAF Receivables Funding 3, a wholly-owned subsidiary of LCC which owns equipment, equipment leases and notes. To the extent that the value of the equity on the balance sheet of LEAF Receivables Funding 3 is less than approximately \$18.7 million (the value of the equity of LEAF Receivables Funding 3 on the date it was contributed to LCC by us), as of the final testing date within 90 days of December 31, 2013, we and Resource America have agreed to be jointly and severally obligated to contribute cash to LCC to make up the deficit. We do not believe it is probable or estimable that we will be required to fund LCC in accordance with the SPA.

Relationship with CVC Credit Partners, LLC, or CVC Credit Partners, formerly Apidos Capital Management, or ACM. On April 17, 2012, ACM, a former subsidiary of Resource America, was sold to CVC Credit Partners, a joint venture entity in which Resource America owns a 33% interest. CVC Credit Partners manages internally and externally originated bank loan assets on our behalf.

On February 24, 2011, one of our subsidiaries purchased 100% of the ownership interests in Churchill Pacific Asset Management LLC, or CPAM, from Churchill Financial Holdings LLC for \$22.5 million. CPAM subsequently changed its name to RCAM. Through RCAM, we are entitled to collect senior, subordinated and incentive fees related to five Collateralized Loan Obligation issuers, or CLO, holding approximately \$1.9 billion in assets managed by RCAM. RCAM is assisted by CVC Credit Partners in managing the five CLOs. CVC Credit Partners is entitled to 10% of all subordinated fees and 50% of the incentive fees received by RCAM. For the year ended December 31, 2012, CVC Credit Partners earned subordinated fees of \$800,000. In October 2012, we purchased 66.6% of the preferred equity in one of the RCAM CDOs.

Relationship with Resource Real Estate. Resource Real Estate, a subsidiary of Resource America, originates, finances and manages our commercial real estate loan portfolio, including whole loans, A notes, B notes, mezzanine loans, and investments in real estate. We reimburse Resource Real Estate for loan origination costs associated with all loans originated. At December 31, 2012, we had no indebtedness to Resource Real Estate for loan origination costs in connection with our commercial real estate loan portfolio.

On August 9, 2006, our subsidiary, RCC Real Estate, originated a loan on Lynnfield Place, a multi-family apartment property, in the amount of \$22.4 million. The loan was then purchased by RREF CDO 2006-1. The loan, which matures on May 9, 2018, carries an interest rate of LIBOR plus a spread of 3.50% with a LIBOR floor of 2.50%. On June 14, 2011, RCC Real Estate converted this loan to an equity position. The loan was kept outstanding and continues to be used as collateral in RREF CDO 2006-1. Resource Real Estate Management, LLC, or RREM, an affiliate of Resource America, was appointed as asset manager as of August 1, 2011. RREM performs lease review and approval, debt service collection, loan workout, foreclosure, disposition and/or entitlements and permitting, as applicable. RREM is also responsible for engaging third parties to perform day-to-day property management, property leasing, rent collection, maintenance, and capital improvements. RREM is entitled

to a monthly asset management fee equal to 4.0% of the gross receipts generated from the property. For the year ended December 31, 2012, we incurred management fees payable to RREM in the amount of \$136,000.

On December 1, 2009, we purchased a membership interest in RRE VIP Borrower, LLC (an unconsolidated VIE that holds our interests in a real estate joint venture) from Resource America at book value. This joint venture, which is structured as a credit facility with Värde Investment Partners, LP, acting as lender, finances the acquisition of distressed properties and mortgage loans and has the objective of repositioning both the directly-owned properties and the properties underlying the mortgage loans to enhance their value. We acquired the membership interests for \$2.1 million. The agreement requires us to contribute 3% to 5% (depending on the terms of the agreement pursuant to which the particular asset is being acquired) of the total funding required for each asset acquisition as needed up to a specified amount. RREM acts as asset manager of the venture and receives a monthly asset management fee equal to 1.0% of the combined investment calculated as of the last calendar day of the month. For the year ended December 31, 2012, we paid RREM management fees of \$45,000. For the year ended December 31, 2012, we recorded income of \$683,000, which was recorded in equity in earnings of unconsolidated subsidiaries on the consolidated statement of income. Our investment balance of \$2.3 million at December 31, 2012 is recorded as an investment in unconsolidated entities on our consolidated balance sheet using the equity method.

On June 19, 2012, we entered into a joint venture with Värde Investment Partners, LP acting as lender, to purchase two condominium developments. We purchased a 7.5% equity interest in the venture. RREM was appointed as the asset manager of the venture to perform lease review and approval, debt service collection, loan workout, foreclosure, disposition and permitting, as applicable. RREM is also responsible for engaging third parties to perform day-to-day property management, property leasing, rent collection, maintenance, and capital improvements. RREM receives an annual asset management fee equal to 1% of outstanding contributions. We incurred fees payable to RREM of \$39,000 during the year ended December 31, 2012. For the year ended December 31, 2012, we recorded losses of \$135,000, which were recorded in equity in earnings of unconsolidated subsidiaries on the consolidated statement of income. The investment balance of \$526,000 at December 31, 2012 is recorded as an investment in unconsolidated entities on our consolidated balance sheet using the equity method.

On January 15, 2010, we loaned \$2.0 million to Resource Capital Partners, Inc., or RCP, a wholly-owned subsidiary of Resource America, so that it could acquire a 5.0% limited partnership interest in Resource Real Estate Opportunity Fund, L.P., or RRE Opportunity Fund. RCP is the general partner of the RRE Opportunity Fund. The loan is secured by RCP's partnership interest in the RRE Opportunity Fund. The promissory note bears interest at a fixed rate of 8.0% per annum on the unpaid principal balance. In the event of default, interest will accrue and be payable at a rate of 5.0% in excess of the fixed rate. Interest is payable quarterly. Mandatory principal payments must also be made to the extent distributable cash or other proceeds from the partnership represent a return of RCP's capital. The loan matures on January 14, 2015, and RCP has options to extend the loan for two additional 12-month periods. Principal payments of \$107,000 were made during the year ended December 31, 2012. The loan balance was \$1.6 million at December 31, 2012.

On June 21, 2011, we entered into a joint venture with an unaffiliated third party to form CR SLH Partners, L.P., or SLH Partners, to purchase a defaulted promissory note secured by a mortgage on a multi-family apartment building. We purchased a 10% equity interest in the venture and also loaned SLH Partners \$7.0 million to finance the project secured by a first mortgage lien on the property. The loan had a maturity date of September 21, 2012 and bore interest at a fixed rate of 10.0% per annum on the unpaid principal balance, payable monthly. On May 23, 2012, SLH Partners repaid the \$7.0 million loan in its entirety. We received a commitment fee equal to 1.0% of the loan amount at the origination of the loan and received a \$70,000 exit fee upon repayment. RREM was appointed as the asset manager of the venture. RREM performs lease review and approval, debt service collection, loan workout, foreclosure, disposition and permitting, as applicable. RREM is also responsible for engaging third parties to perform day-to-day property management, property leasing, rent collection, maintenance, and capital improvements. RREM receives an annual asset management fee equal to 2.0% of the gross receipts generated from the property. We hold a \$1.2 million preferred equity investment in SLH Partners as of December 31, 2012.

On August 1, 2011, our subsidiary, RCC Real Estate, entered into an agreement to purchase Whispertree Apartments, a multi-family apartment building, for \$18.1 million. RREM was appointed as asset manager. RREM performs lease review and approval, debt service collection, loan workout, foreclosure, disposition and permitting, as applicable. RREM is also responsible for engaging third parties to perform day-to-day property management, property leasing, rent collection, maintenance, and capital improvements. RREM is entitled to a monthly asset management fee equal to the greater of 4.0% of the gross receipts generated from the property or \$12,600. We incurred fees payable to RREM of \$167,000, during the year ended December 31, 2012.

Relationship with The Bancorp. The Bancorp, Inc. (Nasdaq: TBBK), or TBBK, is a bank holding company that was organized in 2000 with Resource America's participation. Mr. Daniel G. Cohen, or Mr. D. Cohen, is the chairman of the board and Mrs. Betsy Z. Cohen, or Mrs. B. Cohen, is the Chief Executive Officer of TBBK and its subsidiary bank. Mrs. B. Cohen is the wife of Mr. E. Cohen, and Mr. E. Cohen and Mrs. B. Cohen are the parents of Messrs. J. Cohen and D. Cohen. On March 14, 2011, we paid Bancorp a loan commitment fee in the amount of \$31,500 in connection with Bancorp's commitment to establish a credit facility for our benefit. On July 7, 2011, we and RCC Real Estate entered into a \$10.0 million revolving credit facility with Bancorp. The facility provided bridge financing for up to five business days, which enabled us and RCC Real Estate to fund real estate loans to third parties prior to their sale to our CRE CDOs. The facility was evidenced by a Revolving Judgment Note and Security Agreement by and among the borrowers and Bancorp and was secured by a pledge of \$32.9 million of the Class A-1 notes of RREF CDO 2006-1 owned by RCC Real Estate. The note matured on June 30, 2012 and was not renewed. There were no outstanding borrowings as of December 31, 2012.

Relationship with Law Firm. Ledgewood is a law firm that has provided legal services to us since our formation. Mr. E. Cohen, who was of counsel to Ledgewood until April 1996, receives certain debt service payments from Ledgewood related to the termination of his affiliation with Ledgewood and its redemption of his interest in the firm. From 1995 until March 2006, Mr. Jeffrey F. Brotman was the managing member of Ledgewood. Mr. Brotman remained of counsel to Ledgewood through June 2007, at which time he became an Executive Vice President of Resource America. In connection with his separation, Mr. Brotman received payments from Ledgewood through 2012.

Policies and Procedures Regarding Related Transactions

Under our Management Agreement with the Manager and Resource America, we have established policies regarding the offer of potential investments to us, our acquisition of those investments and the allocation of those investments among other programs managed by the Manager or Resource America. We have also established policies regarding investing in investment opportunities in which the Manager or Resource America has an interest and regarding investing in any investment fund or CDO structured, co-structured or managed by the Manager or Resource America.

The Manager and Resource America must offer us the right to consider all investments they identify that are within the parameters of our investment strategies and policies. If the Manager and Resource America identify an investment that is appropriate both for us and for one or more other investment programs managed by them, but the amount available is less than the amount sought by all of their investment programs, they will allocate the investment among us and such other investment programs in proportion to the relative amounts of the investment sought by each. If the portion of the investment allocable to a particular investment program would be too small for it to be appropriate for that investment program, either because of economic or market inefficiency, regulatory constraints (such as REIT qualification or exclusion from regulation under the Investment Company Act) or otherwise, that portion will be reallocated among the other investment programs. Investment programs that do not receive an allocation will have preference in future investments where investment programs are seeking more of the investment than is available so that, on an overall basis, each investment program is treated equitably.

To equitably allocate investments that the Manager or Resource America has acquired at varying prices, the Manager and Resource America will allocate the investment so that each investment program will pay approximately the same average price.

The Manager and Resource America may make exceptions to these general policies when other circumstances make application of the policies inequitable or uneconomic.

The Manager has also instituted policies designed to mitigate potential conflicts of interest between it and us, including:

We will not be permitted to invest in any investment fund or CDO structured, co-structured or managed by the Manager or Resource America other than those structured, co-structured or managed on our behalf. The Manager and Resource America will not receive duplicate management fees from any such investment fund or CDO to the extent we invest in it.

We will not be permitted to purchase investments from, or sell investments to, the Manager or Resource America, except that we may purchase investments that have been originated by the Manager or Resource America within 60 days before our investment.

Any transactions between entities managed by the Manager or Resource America and us must be approved by a majority of our independent directors.

Except as described above or provided for in our management agreement with the Manager and Resource America, we have not adopted a policy that expressly prohibits transactions between us or any of our directors, officers, employees, security-holders or affiliates. However, our code of business conduct and ethics prohibits any transaction that involves an actual or potential conflict except for transactions permitted under guidelines which may be adopted by our Board of Directors. No such guidelines have been adopted as of the date of this report. In addition, our Board of Directors may approve a waiver of the code of ethics and business conduct for a specific transaction, which must be reported to our stockholders to the extent required by applicable law or NYSE rule.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the appointment of Grant Thornton, LLP, or Grant Thornton, as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2013. Although approval is not required by our bylaws or otherwise, the Board of Directors is submitting the appointment of Grant Thornton to our stockholders for ratification as a matter of good corporate practice. The Audit Committee anticipates engaging Grant Thornton to review our financial statements for fiscal 2013. If the selection of Grant Thornton is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if Grant Thornton is approved, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON TO AUDIT OUR FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2013.

We expect that representatives of Grant Thornton will be present at the annual meeting. These representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

Audit Fees. The aggregate fees billed by our independent auditors, Grant Thornton LLP, for professional services rendered for the audit of our annual financial statements for the years ended December 31, 2012 and 2011 (including a review of internal controls for December 31, 2012 and 2011 as required under Section 404 of the Sarbanes-Oxley Act of 2002) and for the reviews of the consolidated financial statements included in our Quarterly Reports on Form 10-Q during each of the years then ended were \$595,000 and \$700,000, respectively.

The aggregate fees billed by Grant Thornton LLP for audit services in connection with the filing of our registration statements with the Securities and Exchange Commission were approximately \$245,000 and \$93,000 for the years ended December 31, 2012 and 2011, respectively.

Audit-Related Fees. We incurred \$24,000 for audit-related services including consulting on accounting issues, for the year ended December 31, 2012. We did not incur any fees for audit-related services for the year ended December 31, 2011.

Tax Fees. There were \$51,000 and \$44,000 fees paid to Grant Thornton LLP for professional services related to tax compliance, tax advice or tax planning for the years ended December 31, 2012 and 2011.

All Other Fees. We did not incur fees in 2012 and 2011 for other services not included above.

Audit Committee Pre-Approval Policies and Procedures. The Audit Committee, on at least an annual basis, reviews audit and non-audit services performed by Grant Thornton LLP as well as the fees charged by Grant Thornton LLP for such services. Our policy is that all audit and non-audit services must be pre-approved by the Audit Committee. All of such services and fees were pre-approved during the year ended December 31, 2012.
