**Item 9. REGULATION FD DISCLOSURE**

On November 4, 2003, MBIA Inc. (the Company) issued a press release (the Earnings Release) announcing its financial results for the quarter ended September 30, 2003. A copy of the November 4, 2003 press release was furnished as Exhibit 99.1 to the Company's Report on Form 8-K (the Original Form 8-K) which was filed with the Securities and Exchange Commission on November 4, 2003. This report on Form 8-K/A amends the Original Form 8-K to correct certain statements described below.

In its Earnings Release the Company included the following statement:

In addition, the Port Authority of NY and NJ reached an agreement with New York City extending the lease that governs the two New York City airports for an additional 35 years. Once the agreement is finalized, the Authority will be in a position to renegotiate and extend the sub-leases with airlines at JFK Air Terminal 4. The extension of the sub-lease will allow for a refunding of all or part of the existing bond debt. The expectation of the Port Authority and its advisor is that such an offering will receive an investment

grade rating and/or restore any remaining outstanding bonds to an underlying investment grade status.

The purpose of this 8-K/A is to correct the second and the last sentences in the paragraph quoted above. The second sentence should have indicated that the JFK International Air Terminal LLC will be in a position to renegotiate and/or extend its contracts with its airline customers. The last sentence should have indicated that it was the expectation of the JFK International Air Terminal LLC and the Company, rather than the Port Authority s and its advisor s, that such an offering will receive an investment grade rating and/or restore any remaining outstanding bonds to an underlying investment grade status

This information, is being furnished pursuant to Item 12 - Results of Operations and Financial Condition of Form 8-K and is being presented under Item 9 of Form 8-K in accordance with interim guidance issued by the Securities and Exchange Commission in Release Nos. 33-8216 and 34-47583.

This information is not deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 and is not incorporated by reference into any Securities Act registration statements.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
