ELECTION OF DIRECTORS

Four directors are to be elected at the meeting to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified. It is the intention of the persons named in the accompanying proxy to vote FOR the election of the nominees listed below. It is not expected that any of the nominees will become unavailable for election as a director, but, if any nominee should become unavailable prior to the meeting, proxies will be voted for such persons as the Company's Board of Directors shall recommend.

The Board of Directors has unanimously approved all of the nominees whose names and certain information supplied by them to the Company, are as follows:

Ernst A. Burri

Cornelius B. Prior, Jr.

Charles J. Roesslein

Henry U. Wheatley

All of the nominees are incumbent directors and Mr. Prior is an executive officer of the Company.

Ernst A. Burri, 60, retired as president of CODETEL, the leading telecommunications carrier in the Dominican Republic and a subsidiary of GTE Corporation, on December 31, 1997. Mr. Burri served in GTE Corporation for 25 years in many domestic and international assignments

Edgar Filing: ATLANTIC TELE NETWORK INC /DE - Form DEF 14A

and was president of CODETEL since January 1991. He is currently an independent consultant in the areas of leadership, business planning and organization development and is actively engaged in education and training, with special focus on telecommunications, energy, environment and health. Mr. Burri has been a director of the Company since May 18, 1998 and is the Chairman of the Board's Compensation Committee and a member of the Audit Committee.

Cornelius B. Prior, Jr., 70, became Co-Chief Executive Officer, President, and a director of the Company upon its founding in 1987 and since December 30, 1997 has been Chief Executive Officer and Chairman of the Board. From 1980 until June 1987, Mr. Prior was a managing director and stockholder of Kidder, Peabody & Co. Incorporated, where he directed the Telecommunications Finance Group. Mr. Prior was a Fulbright Scholar following graduation from Holy Cross College and the Harvard Law School. He is also currently the Chairman of the Caribbean Association of National Telephone Organizations (CANTO). Mr. Prior is the father of Michael T. Prior, the Chief Financial Officer and Treasurer of the Company.

Charles J. Roesslein, 55, retired as an officer of SBC Communications, Inc. in December 2000. During his last ten years with SBC, Mr. Roesslein held a wide variety of network, public affairs, strategic planning, corporate development, and finance assignments for SBC and its subsidiary companies, including vice president-chief financial officer and treasurer of Southwestern Bell Telephone Company and president and chief executive officer of companies responsible for the operation of SBC's cable television businesses and internet service provider business. Mr. Roesslein is a member of the Engineering Foundation Advisory Council of the University of Texas at Austin's College of Engineering and is also a member of the College of Engineering's Dean's Engineering Advisory Council of the University of Missouri. He was, during 1998-99, a member of Texas Governor George W. Bush's Science & Technology Council, and he serves on the board of directors of National Instruments Corporation, a manufacturer of automated test and manufacturing equipment and Quovadx, a medical software company. Mr. Roesslein was elected to the Board of Directors on April 8, 2002, and is the Chairman of the Board's Audit Committee and a member of the Compensation Committee.

Henry U. Wheatley, 72, has been the President of Wheatley Realty Corporation since 1973 where he manages the development of shopping centers. Mr. Wheatley is also Chairman of the Board of Coral World (Virgin Islands), Inc., and has been vice president and trustee of Islands Resources Foundation since 1972. Mr. Wheatley has been a director of the Company since December 30, 1997. He was a director of the Virgin Islands Telephone Corporation from 1994 to December 30, 1997 and is a member of the Board's Audit and Compensation Committees.

Meetings and Committees of the Board of Directors

During 2003, there were five meetings of the Board of Directors. No director serving on the Board of Directors in 2003 attended fewer than 75% of such meetings of the Board of Directors and the Committee(s) on which he serves. Although the Company does not have a policy requiring its directors to attend the Annual Meeting of Stockholders, all of the then-current directors attended last year's Annual Meeting of Stockholders held on May 12, 2003.

Until late 2003, the Board had a combined Audit and Compensation Committee. In 2003, the Board created separate Audit and Compensation Committees whose functions are described in the reports of each committee set forth below. The Audit and Compensation Committees are both comprised of three members, each of whom is independent as defined in the listing standards of the American Stock Exchange. The current members of each committee are Messrs. Burri, Roesslein and Wheatley. The charters of the Audit and Compensation Committees, as amended and restated and adopted by the Board of Directors by unanimous written consent on December 1, 2003, can be found in Appendices A and B respectively.

The Board does not have a standing nominating committee or any other committee performing similar functions or a charter governing the nomination process. In deciding not to form a nominating committee at this time, the Board considered the following facts: (1) the Chairman of the Board holds and typically votes more than a majority of the outstanding shares of Common Stock of the Company and therefore he has the ability to ensure that his choice of director be elected, (2) three of the four directors of the Company are independent, as defined in the listing standards of AMEX, and (3) the independent directors are each members of the audit and compensation committees and, other than the Chairman, there are no other directors of the Company. Given those facts, the Board felt that there was no significant benefit to the Company or any of the stockholders for the creation of a nominating committee at this time. Each of the independent directors participates in consideration of director nominees and the board nominees listed above were selected by unanimous approval of the directors, including all independent directors.

It is the Board's policy, when developing the slate of directors, to consider stockholder recommendations for candidates for the Board. The name of any recommended candidate for director, together with a brief biographical sketch and a document indicating the candidate's qualifications and willingness to serve, if elected,

should be sent to the attention of the Secretary of the Company. Candidates for director should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of stockholders of the Company. There are no differences in the manner in which the Board of Directors evaluates nominees for director based on whether the nominee is recommended by a stockholder.

The Audit Committee met eight times during 2003. The functions of the Audit Committee include:

Appointing, compensating, evaluating and overseeing the Company's independent auditors;

Reviewing with the Company's independent auditors the plan and scope of the audit, its status during the year and any recommendations the independent auditors may have for improving or changing the audit and control environment;

Pre-approving any non-audit services the independent auditors perform in accordance with specific procedures adopted by the Committee during 2003;

Discussing with management and the independent auditors and the Company's internal auditors the adequacy of internal accounting controls and, if deemed necessary or appropriate, discussing with each of them, independently of the other, any recommendations on matters that any of them considers to be of importance;

Reviewing the Company's accounting principles, policies and practices and financial reporting policies and practices;

Reviewing, prior to publication or filing, the Company's annual audited financial statements, quarterly earnings releases and the disclosures that are to be included in the Company's reports on Form 10-Q and Form 10-K, as well as such other information as the Committee deems desirable; and

Undertaking other duties as assigned by the Board of Directors.

The Board has approved an amended charter for the Audit Committee that complies with the new corporate governance rules of the American Stock Exchange (AMEX). The charter is included in this proxy statement as Appendix A.

Under current AMEX rules, members of the Audit Committee must be financially literate able to read and understand fundamental financial statements. The Board of Directors, exercising its business judgment, has determined that each member of the Audit Committee is so financially literate. The Company is required to disclose whether the Board's Audit Committee includes an audit committee financial expert as defined in the applicable regulations of the SEC. In the exercise of its business judgment, the Board has determined that Mr. Charles Roesslein, who is re-nominated as a director and who currently is the Chairman of the Audit Committee, qualifies as an audit committee financial expert. The AMEX rules also require members of the Audit Committee to be independent, which the rules define as having no material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company. The Board of Directors, in the exercise of its business judgment and consistent with AMEX rules, has determined that the members of the Company's Audit Committee Messrs. Burri, Roesslein, and Wheatley meet the AMEX's standard for independence. In making these determinations, the Board considered the fact that none of these directors had (i) any relationships with the Company of the types set forth in the AMEX's corporate governance rules nor (ii) any other relationships that in the Board's judgment would interfere with the director's independence.

The Audit Committee has adopted specific procedures for pre-approval of audit and non-audit services. These procedures are set forth in Appendix A and include reviewing with management and the independent auditors the proposed scope of services to be provided, the proposed

fees associated with such services and formally approving the engagement letter covering the services.

The Compensation Committee met once during 2003. The functions of the Compensation Committee include:

Determining, after consultation with the Board: (1) the compensation of the chief executive officer and (2) upon the recommendation of the chief executive officer, the compensation of the Company's other executive officers;

Administering and taking all action required or permitted to be taken by the Board under any Company stock-based incentive plans (including the approval of management recommendations for grants of options under any such plans and determination of the appropriate grants for the Company's chief executive officer);

Reviewing the compensation of members of the Board for service both on the full Board and any committees thereof, and recommending to the Board any changes to compensation of Board members;

Reviewing and making recommendations to the Board regarding the level, coverage, and competitiveness (based on industry data) of the Company's compensation (including salary and bonus), incentives (both current and long-term), benefits (including profit sharing, group health coverage, disability coverage and life insurance benefits, and use of Company stock in option, bonus, or appreciation arrangements), and other perquisites; and

undertaking such other functions as are assigned to the Committee by the Board.

Executive officers of the Company, as well as all other management personnel, receive annual compensation that may consist of (1) base salary, (2) variable pay under the bonus plan, and (3) incentive stock options granted under the 1998 Stock Option Plan. The amount paid under the bonus plan is based upon the employee's or officer's base salary, and the achievement of certain pre-established performance criteria each year.

(2) The plan not approved by the stockholders is the Director's Remuneration Plan adopted by the Board in 1999, which permits Directors, who are not officers or employees, to defer either 50% or 100% of their annual retainer in the form of common stock of the Company.

Board of Directors Remuneration Plan

Directors who are not officers or employees of the Company have the option under a director's remuneration plan (Directors' Plan), adopted by the board of directors in 1999, of electing to receive either 50% or 100% of their annual retainer in the form of company common stock on a deferred basis. For purposes of these elections, such stock is valued at the mean between the high and low reported sales prices of such stock in the last trading day in the month preceding the date of the election. Directors' annual retainers relate to their terms of office that run from one annual stockholders' meeting to the next. The following table shows for each of the three calendar years the aggregate amounts of annual retainer which participating directors have elected to take in stock units under the Directors' Plan and the number of stock units allocated to them under the Plan:

Section 16(a) Beneficial Ownership Reporting Compliance

Edgar Filing: ATLANTIC TELE NETWORK INC /DE - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires the Company s directors and officers, and persons who own more than ten percent of a registered class of the Company s equity securities, to file with the Securities and Exchange Commission (the SEC) initial reports of ownership and reports of changes in ownership of the Company s Common Stock. Directors, officers and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company s knowledge, during the Company s fiscal year ended December 31, 2003, all Section 16(a) filing requirements applicable to its directors, officers and ten-percent stockholders have been satisfied except as follows: A Form 3 for Christopher Burns, Chief Accounting Officer, to report his appointment as an officer of the Company in September 2003, and for each of Douglas J. Minster, Vice President and General Counsel and Steven J. Parrish, Vice President of Operations, to report the appointment of each of these

individuals as an officer of the Company in December 2003, was filed tardy in April 2004. A Form 4 for each of Ernst A. Burri, Charles J. Roesslein and Henry A. Wheatley, each a director of the Company, reporting the acquisition of 1,171, 1,171 and 2,343 phantom stock units, respectively, of the Company under the Company's Directors' Remuneration Plan, which was due to be filed by May 14, 2003, was filed tardy on June 30, 2003. A Form 5 for Cornelius B. Prior, Jr., Chief Executive Officer and Chairman of the Board, reporting two dispositions by gift of 1,000 shares of common stock each, which was due to be filed on February 16, 2004, was filed tardy on February 17, 2004. A Form 5 for Michael T. Prior, reporting the acquisition by gift of 785 shares of common stock, directly, and 11,775 shares of common stock, indirectly as distribution agent, which was due to be filed on February 16, 2004, was filed tardy on February 26, 2004.

In making these statements, the Company has relied upon written representations of its directors, officers and ten-percent stockholders and copies of reports they have filed with the SEC.

Benefit Plans

Until December 30, 1997, Company employees were covered by the Atlantic Tele-Network, Inc. Defined Benefit Plan for Salaried Employees; however, as of the consummation on that date of the spin-off of Emerging Communications, Inc. (ECI) with the U.S. Virgin Islands operation of the Company and its subsidiaries, all obligations for that plan were assumed by ECI. From 1998 to 2002, the Company provided a Simplified Employee Pension Plan, commonly known as SEP-IRA, for its employees. The plan provided for contribution percentages of 0% to 15% of compensation, up to a maximum contribution of \$24,000 per participant. This plan was discontinued in 2002 and was replaced in 2003 by the Atlantic Tele-Network, Inc. Employee Savings Trust, a 401(k) retirement savings plan. Under the plan, employees with more than six months of continuous service may enroll in the plan and elect to defer a portion of their earnings (up to \$14,000 in 2003 including a \$2,000 catch up allowance for employees who are at least 50 years of age) into their plan account. Presently the Company makes a contribution to each participant's account of a percentage of the participating employee's salary. This contribution is made regardless of whether an employee elects to defer a percentage of his compensation. It is in the Company's sole discretion whether to modify the Company contribution or terminate the plan.

Pursuant to Mr. Prior's employment contract with a subsidiary of the Company, he was entitled upon retirement from that subsidiary to a supplemental pension benefit over and above the benefits provided under a defined benefit plan maintained by that subsidiary. In the split-up of the Company in December 1997, that subsidiary became a subsidiary of ECI and Mr. Prior retired from the employ of that subsidiary. Mr. Prior has brought suit against that subsidiary for payment in a lump sum of his supplemental pension benefits that have been calculated to be approximately \$775,000 as of October 1, 1998. The ECI subsidiary has denied responsibility for payment of Mr. Prior's supplemental pension and, among other things, has asserted that in the split-up of the Company in December 1997, the obligation for Mr. Prior's supplemental pension became an obligation of the Company. If the subsidiary succeeds with its defense against Mr. Prior's claim, the Company may be obligated to pay the supplemental pension benefit to Mr. Prior.

Compensation Committee Interlocks and Insider Participation

The members of the Company Compensation Committee in 2003 were Charles Roesslein, Ernst Burri and Henry Wheatley. During or prior to the Company's fiscal year ended December 31, 2003, none of these members was an officer or employee of the Company or its subsidiaries or, to the Company's knowledge, had relationships requiring disclosure under the SEC Rules. In making these statements, the Company has relied upon written representations of its directors.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee (the Committee) establishes and administers the Company's executive compensation program.

Executive compensation policy

The Committee seeks to provide an appropriate level of base salary to the Company's executive officers and to supplement the executives' base salaries with two types of benefits:

Cash- and stock-based compensation programs that reward the Company's executives for achieving operational targets and increasing stockholder value; and

Benefit programs comparable to those offered to executive officers at companies with whom ATN competes for executive talent.

Base salary

The Committee reviewed the compensation of the chief executive officer and the other executive officers of the Company in light of the Committee members' own business experience, and the chief executive officer's recommendation as to compensation for each of the officers. The Committee determined that no adjustment should be made in the current compensation level of the chief executive officer and agreed with the chief executive officer's recommendation to increase the annual salary of Michael T. Prior, the Company's chief financial officer, from \$175,000 to \$195,000 effective January 1, 2004. The committee agreed to maintain the salaries of the remaining officers at their current levels. In making this recommendation, the Committee considered: (i) overall financial, strategic and operational company performance; (ii) individual performance; (iii) market data for peer companies; and, (iv) certain additional factors within the Committee's discretion. These factors were not independently assigned specific weights.

Bonus plan

A key portion of an executive officer's variable pay at ATN is the Company's Bonus Plan. The Bonus Plan rewards executive officers by awarding as a bonus, a percentage of the executive's base salary. The bonus is variable and is based upon the Company's operating earnings for the year and individual performance against specific goals, among other things.

The Committee determined that no performance bonus compensation was earned during 2003.

Stock Option Plan

Edgar Filing: ATLANTIC TELE NETWORK INC /DE - Form DEF 14A

The 1998 Stock Option Plan permits the Company to award stock-based incentives to its employees. The Company's executive officers and other key employees have occasionally received grants of options under the plan in previous years. There were no stock option awards during 2003 and there are no outstanding options at December 31, 2003.

Tax deductibility of compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a \$1 million cap on the amount that a publicly traded corporation may deduct for compensation paid to each of its top five most highly compensated executive officers employed by the Company on the last day of the Company's fiscal year. Performance-based compensation—compensation approved by the Company's stockholders and administered by the Committee in accordance with IRS regulations—is excluded from the \$1 million cap.

The Committee's goal is to ensure that awards paid under the bonus plan qualify as performance-based compensation and are therefore fully deductible by the Company for income tax purposes.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

At their meeting on March 22, 2004, members of the Audit Committee unanimously approved the following report to stockholders:

As members of the Audit Committee of the Board of Directors of Atlantic Tele-Network, Inc., we have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2003.

We have discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and have discussed with the auditors the auditors' independence. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Based on the reviews and discussions referred to above, we have recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

We have also considered whether the provision of services by PricewaterhouseCoopers LLP not related to the audit of the financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q for the quarters ended March 31, 2003, June 30, 2003, and September 30, 2003, is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

Compensation of Directors

Directors who are not officers or employees of the Company (each an Eligible Director) are paid an annual retainer of \$40,000 plus \$3,000 for each meeting of the Board of Directors they attend, \$1,500 for each telephonic Board meeting in which they participate, and \$1,500 for each Principal meeting of the Audit Committee (limited to a maximum of three Principal meetings per year). In addition to the retainers and meeting fees, the Chairman of the Audit Committee receives \$5,000 and the Chairman of the Compensation Committee receives \$2,500 annually. All Eligible Directors have the option under a Director's Remuneration Plan adopted by the Board in 1999 of receiving either 50% or 100% of their annual retainer in the form of Company Common Stock on a deferred basis. For purposes of these elections, such stock is valued at the mean between the high and low reported sales prices of such stock in the last trading day in the month preceding the date of the election. In addition, future Eligible Directors will be given a one time grant of 1,000 shares of Company Common Stock upon their initial election or appointment to

Edgar Filing: ATLANTIC TELE NETWORK INC /DE - Form DEF 14A

the Board which will vest (i) two years after such grant based on continuous service on the Board, (ii) upon termination of service on the Board by reason of death or permanent disability or (iii) upon a change of control, as defined under the Directors Remuneration Plan (the Plan).

Certain Directors have elected to defer a portion of their unpaid annual retainer for 2004-2005 in the form of Company Common Stock under the Directors Remuneration Plan.

In 2003, the Company entered into indemnification agreements with its Directors that include procedures for reimbursement by the Company of liabilities and expenses which may be incurred in connection with service as a director. The Company also expects to enter into indemnification agreements with individuals who become directors in the future.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In January 2000 the Company bought from the Chairman of the Board and Chief Executive Officer of the Company (the Chairman) certain licenses and a company called Antilles Wireless Cable T.V. (Antilles Wireless). The Company was represented by its outside directors, who hired independent counsel and Corporate Valuation Advisory, Inc. to advise them. One of the provisions of the sale contract was that the Chairman would reimburse the Company up to \$1.5 million if certain licensed business activities of Antilles Wireless did not generate gross profits of \$6 million cumulatively in calendar years 2000, 2001 and 2002. At the end of 2002 the Chairman would have owed the Company approximately \$1.2 million pursuant to this provision. The contract also provided that the Chairman pledge the 242,424 shares of the Company which constituted part of the consideration paid by the Company for Antilles Wireless as security for his obligations under the contract.

The independent directors of the Company, after consulting independent counsel and corporate counsel, by a majority vote decided to extend the time period for measuring the cumulative gross profits of the specified businesses through 2004, to increase the target profit to \$6.5 million and to extend the period of the aforementioned pledge. The primary reason for this amendment was the view of the majority of the independent directors that the intention of establishing a period for reimbursement was to confirm the fair value of Antilles Wireless and that unforeseen circumstances made the 2000 to 2002 period an unfair measuring period. The unforeseen circumstances included siting problems, technical problems on the conversion to digital technology, and additional business acquisitions approved by the Board of Directors which were combined with Antilles Wireless and impeded development of the licensed activities. The amendment also continues the provision which allows the Chairman to earn an additional payment if gross profits during the five year period exceed a specified amount, which amount was increased from \$12 million to \$13 million.

INFORMATION CONCERNING INDEPENDENT AUDITORS

PricewaterhouseCoopers LLP has audited the Company's accounts since 2002. The Audit Committee has appointed PricewaterhouseCoopers LLP to be the Company's independent auditors for 2004.

The services provided by PricewaterhouseCoopers LLP in 2004 will include, in addition to performing the consolidated audit, audits of certain domestic and foreign subsidiaries; review of quarterly reports; issuance of letters to underwriters in connection with registration statements, if any, the Company may file with the SEC and consultation on accounting, financial reporting, tax and related matters. Representatives of PricewaterhouseCoopers LLP will be at the meeting, will have an opportunity to make a statement, and will be available to respond to questions.

Arthur Andersen LLP audited the Company's accounts for 1998, 1999, 2000 and 2001. On July 22, 2002, the Board of Directors, upon the recommendation of its Audit Committee, decided not to re-engage Arthur Andersen LLP (Andersen) as the Company's principal public accountants and engaged PricewaterhouseCoopers LLP to serve as the Company's principal public accountants for fiscal year 2002.

Andersen's reports on the consolidated financial statements of the Company and its subsidiaries for the two most recent fiscal years ended December 31, 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal years ended December 31, 2001 and the subsequent interim period through July 22, 2002, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their reports; and there were no reportable events as described in Item 304(a)(1)(v) of

Regulation S-K.

At that time, the Company provided Andersen with a copy of the foregoing disclosures. Andersen informed the Company that it was unable to provide a letter stating whether it is in agreement with such statements.

During the Company's two most recent fiscal years ended December 31, 2001 and the subsequent interim period through July 22, 2002, the Company did not consult PricewaterhouseCoopers LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

PERFORMANCE GRAPH

On December 30, 1997, the Company was split into two separate public companies. One, Emerging Communications, Inc. (ECI), contained all of the Company's telephone operations in the U.S. Virgin Islands. The other, the Company, continued all of the Company's operations in Guyana. In connection with the transaction, the Company's Common Stock was reduced by 60% (in effect a 1:2.5 reverse stock split).

The graph set forth below compares the cumulative total stockholder return on the Company's Common Stock from December 31, 1998 through December 31, 2003 with the cumulative total return of the Standard and Poor's 500 Index, the NASDAQ Telecommunications Index, the common stock of a peer groups of companies, identified in the C.A. Turner Utility Reports on small telephone companies. In the March 2004 report these telephone companies are: CT Communications, Inc., D&E Communications, Inc., Hector Communications Corp., Hickory Tech Corp., North Pittsburgh Sys, Inc., Surewest Communications Company, US LEC Corp., and Warwick Valley Telephone Company (The Peer Group Index). Prior years' peer group also included Ntelos, Inc. which filed for Chapter 11 bankruptcy protection in 2003. The comparative data assumes \$100.00 was invested on December 31, 1998 in the Common Stock and in each of the indices referred to above and assumes that dividends, if any, were reinvested.

* \$100 invested on 12/31/98 in stock or index-including reinvestment of dividends. Fiscal year ending December 31.
