**Item 5. Other Events and Regulation FD Disclosure**

On June 10, 2004, certificates representing shares of Common Stock, no par value ( Common Stock ) of Hawaiian Electric Industries, Inc. (the Company ) were distributed to stockholders of record on May 10, 2004 (the Record Date ) to implement the 2-for-1 stock split (the Stock Split ) of the Company s Common Stock effected by means of a share dividend of one share of Common Stock for every share of Common Stock issued and outstanding on the Record Date. Since the New York Stock Exchange will be closed for business on June 11, 2004, the Company s Common Stock will begin trading on a split-adjusted basis on June 14, 2004.

The number of Rights (the Rights ) associated with each share of Common Stock pursuant of the terms of the Rights Agreement, dated as of October 28, 1997, as amended, between the Company and Continental Stock Transfer & Trust Company, as Rights Agent (the Rights Agreement ), automatically adjusts as a result of the Stock Split, so that one-half of one Right (subject to future adjustment) is now attached to each outstanding share of Common Stock (including pre-split shares, shares issued pursuant to the Stock Split and additional shares of Common Stock issued prior to the Distribution Date, as defined in the Rights Agreement). The Rights are registered on a Form 8-A filed with the Securities and Exchange Commission on November 5, 1997 (File No. 1-8503), as subsequently amended on May 8, 2003 and June 10, 2004. The amendment to the Form 8-A filed on June 10, 2004, reflects certain other automatic adjustments under the Rights Agreement that resulted from the Stock Split.

As a result of the Stock Split, the number of shares of Common Stock that are registered and not yet issued as of June 10, 2004, under currently effective registration statements under the Company s Dividend Reinvestment and Stock Purchase Plan (the DRIP ), Retirement Savings Plan (the HEIRSP ), and 1987 Stock Option and Incentive Plan (the SOIP ), and the number of shares of Common Stock that are listed on the NYSE, and the number of shares that are listed with the NYSE and not yet issued as of June 10, 2004 under the Company s 1990 Nonemployee Director Stock Plan (the NDSP ), will be increased by a ratio of 2-for-1 in order to reflect the Stock Split.

Pursuant to Rule 416 of the Securities Act of 1933, as amended (the Securities Act ), effective on June 10, 2004, the Company s Registration Statement on Form S-3 relating to the DRIP (Registration No. 333-108110) and the Company s Registration Statements on Form S-8 relating to the SOIP (Registration Nos. 333-05667 and 333-105404) will be deemed to cover the additional securities available for issuance thereunder as a result of the Stock Split. Upon the filing of a post-effective amendment thereto, the Company s Registration Statement on Form S-8 relating to the HEIRSP (Registration No. 333-02103) will cover the additional securities available for issuance thereunder as a result of the Stock Split.

This filing constitutes notice of the foregoing to the holders of securities of the Company, including the Rights and for purposes of the Rights Agreement.
