Item 1.01 Entry into a Material Definitive Agreement.

On November 18, 2004, the Company's insurance subsidiaries domiciled in the states of Maine, Massachusetts and Tennessee, as well as an insurance subsidiary domiciled in New York, the commissioners of insurance of the states of Maine, Massachusetts and Tennessee, the Superintendent of Insurance of New York, and the U.S. Department of Labor ("DOL") entered into substantially identical regulatory settlement agreements for the respective companies to resolve common matters pertaining to the multistate market conduct exam that began in 2003 and the DOL investigation of the benefit plans the Company provides to its employees and the products and services provided to third party plans. These settlement agreements are subject to obtaining consent of at least two-thirds of the 47 other states and two other jurisdictions, unless the Company consents to a lesser number. The NYAG, while not a signing party to the regulatory settlement agreements, participated in the settlement negotiations and provided the Company a statement that it supports the settlement agreements, is closing its investigation of past denials of disability claims, and will not be commencing litigation against the Company on this matter. The press release issued by the Company on November 18, 2004, summarizes the terms and conditions of the agreement including provisions requiring the Company to institute certain corporate governance changes, and provisions requiring the insurance subsidiaries to conduct a reassessment process relating to certain claims under the terms of the settlement agreements and to make certain changes to claims handling procedures. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
