PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD THURSDAY, MAY 12, 2005

INFORMATION ABOUT THE ANNUAL MEETING

Our 2005 Annual Meeting of Stockholders will be held at the Mobile Convention Center, One South Water Street, Mobile, Alabama 36602 on Thursday, May 12, 2005 at 9:00 a.m., Central Time.

Solicitation of Proxies

Our Board of Directors has sent you this proxy statement to solicit your vote at the annual meeting (including any adjournment or postponement of the annual meeting). In this proxy statement we summarize information that we are required to provide you under the rules of the Securities and Exchange Commission. This proxy statement is designed to assist you in voting your shares. On or about April 11, 2005, we began mailing this proxy statement and the 2004 Annual Report to all stockholders of record at the close of business on March 31, 2005.

We will bear the cost of the solicitation of proxies. We will request brokers or nominees to forward this Proxy Statement to their customers and principals and will reimburse them for expenses so incurred. If deemed necessary, we may also use our officers and regular employees, without additional compensation, to solicit proxies personally or by telephone.

Stockholders Entitled to Vote

The Board of Directors has set March 31, 2005 as the record date for the annual meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the annual meeting. At the close of business on March 31, 2005, there were 10,489,849 shares of the common stock of the Company, par value \$.001 per share, outstanding. Each stockholder is entitled to one vote in person or by proxy for each share of common stock held on all matters properly to come before the annual meeting.

Proposals to be Considered at the Annual Meeting

At the annual meeting, we will ask you to:

- Proposal 1: Elect four Class III directors to serve on the Board of Directors of the Company for a three-year term expiring at the 2008 annual meeting;
- Proposal 2: Approve the adoption of the Computer Programs and Systems, Inc. 2005 Restricted Stock Plan; and
- Proposal 3: Ratify the appointment of Grant Thornton LLP as independent registered public accountants for the year ending December 31, 2005.

Information About a Quorum

At the annual meeting, the presence of a majority of the shares of common stock entitled to vote, represented in person or by proxy, shall constitute a quorum for the transaction of business. If a quorum is not present or if we decide that more time is necessary for the solicitation of proxies, we may adjourn the annual

Table of Contents

meeting. We may do this with or without a stockholder vote. If there is a stockholder vote to adjourn, the named proxies will vote all shares of common stock for which they have voting authority in favor of adjournment.

Votes Necessary for Each Proposal to be Approved

Assuming the presence of a quorum, the four Class III director nominees receiving the most votes, whether cast in person or by proxy, will be elected (Proposal 1). Proposal 2 (approval of the adoption of the Restricted Stock Plan) and Proposal 3 (ratification of auditors) each requires for adoption the affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote on the proposal at the annual meeting.

A stockholder may abstain or withhold his or her vote (collectively, "abstentions") with respect to each item submitted for stockholder approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting in favor of any proposal brought before the annual meeting. Since the election of directors (Proposal 1) is determined by the votes cast at the annual meeting, abstentions will not affect the outcome of this matter. An abstention as to the approval of the adoption of the Restricted Stock Plan (Proposal 2) or the ratification of the appointment of independent registered public accountants (Proposal 3) will have the same effect as voting against the proposal.

Generally, a broker is entitled to vote shares held in "street name" on routine matters without instructions from the beneficial owner of such shares. On the other hand, a broker may not be entitled to vote shares held in "street name" on certain non-routine items absent instructions from the beneficial owner of such shares (a "broker non-vote"). Broker non-votes, if any, are counted for general quorum purposes, but are not deemed to be present with respect to any matter for which a broker does not have authority to vote.

Submission of Proxies

Please complete, sign, date and return the proxy card in the enclosed envelope so the common stock you own will be voted in accordance with your wishes. If you desire to revoke your proxy, you may do so either by attending the annual meeting in person or by delivering written notice of revocation so that it is received by the Company or its transfer agent, Wachovia Bank, N.A., on or before May 11, 2005. The address for Wachovia Bank, N.A. is Shareholder Services Group, 1525 West W. T. Harris Boulevard 3C3, Charlotte, North Carolina 28262-1153, Attention: Nathan Stanford.

PROPOSAL 1

ELECTION OF CLASS III DIRECTORS

Board Structure

Our Certificate of Incorporation provides that the number of directors of the Company shall be fixed by resolution of the Board of Directors and divided into three classes. We currently have eleven directors. Upon the expiration of their initial terms, directors in each class will be elected for three-year terms. The initial term of the Class III directors expires at the 2005 annual meeting. The current Class I directors will serve until the 2006 annual meeting and until their successors are elected and qualified. The current Class II directors will serve until the 2007 annual meeting and until their successors are elected and qualified.

Voting of Proxies

The persons named as proxies in the enclosed proxy card, unless a contrary direction is indicated on the enclosed proxy card, intend to vote the shares for which they serve as proxy in favor of the nominees named herein. If any of the nominees should be unable to serve, which the Board of Directors does not anticipate will occur, the proxies will be voted for a substitute selected by the Board of Directors, or the Board of Directors may decide not to select an additional person as a director.

Unless otherwise specified in the enclosed proxy card, it is intended that votes will be cast for the election of all of the nominees as Class III directors. Proxies cannot be voted for a greater number of persons than the number of actual nominees so named. Vacancies that occur on the Board of Directors may be filled by remaining directors until the next election of directors for the class in which the vacancy occurred.

Information About the Nominees

The Board of Directors has nominated John Morrissey, Ernest F. Ladd, III, David A. Dye and Hal L. Daugherty for election as Class III directors to serve a three-year term until the 2008 annual meeting of stockholders and until their successors are elected and qualified. CORPORATE GOVERNANCE AND BOARD MATTERS

Governance Guidelines

We are committed to having sound corporate governance principles. Having such principles is essential to running our business efficiently and to maintaining our integrity in the marketplace. The Board of Directors has adopted corporate governance guidelines that set forth the fundamental corporate governance principles of the Company in order to demonstrate the Board's accountability and its desire to achieve superior business results. We have adopted a Code of Business Conduct and Ethics that is applicable to all of our directors, officers (including our Chief Executive Officer and senior financial officers) and employees. We have also adopted a separate code of ethics with additional guidelines and responsibilities applicable to our Chief Executive Officer and senior financial officers, known as the Code of Ethics for CEO and Senior Financial Officers. Copies of the Code of Business Conduct and Ethics and the Code of Ethics for CEO and Senior Financial Officers are exhibits to our Annual Report on Form 10-K for the year ended December 31, 2003, as filed with the Securities and Exchange Commission (SEC).

Board Independence

Our Board of Directors currently has eleven members. The Board has determined that the following six directors have no relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) that would interfere with the exercise of their independent judgment in carrying out their responsibilities, and such persons are independent within the meaning of the Company's independence standards, which reflect the Nasdaq director independence standards currently in effect: Hal L. Daugherty, Charles P. Huffman, John C. Johnson, Ernest F. Ladd, III, W. Austin Mulherin, III and William R. Seifert, II. Therefore, a majority of the members of the Board of Directors are independent under the Nasdaq director independence standards.

Board Structure and Committee Composition

Our Board of Directors is divided into three classes, with one class of directors being elected at each annual meeting of stockholders. Each director serves for a term of three years or until his successor is elected and qualified. The Board of Directors oversees the business and affairs of the Company and monitors the performance of its management. Although the Board of Directors is not involved in the Company's day-to-day operations, the directors keep themselves informed about the Company through meetings of the Board, reports from management and discussions with the Company's executive officers. Directors also communicate with the Company's outside advisors, as necessary. The Board of Directors met five times in 2004.

During 2004, the Company had four standing committees of the Board of Directors: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Two of these committees, the Compensation Committee and the Nominating and Corporate Governance Committee, were created effective at the conclusion of the 2004 annual meeting in response to new rules of Nasdaq and the SEC. The Board of Directors may from time to time form other committees as circumstances warrant. Such committees will have the authority and responsibility as delegated by the Board.

Only members of the Board of Directors can be members of a committee, and each committee is required to report its actions to the full Board of Directors. The Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee each operates under

Edgar Filing: COMPUTER PROGRAMS & SYSTEMS INC - Form DEF 14A

a written charter adopted by the Board. The committee charters of the Compensation Committee and the Nominating and Corporate Governance Committee were attached as appendices to our Proxy Statement for the 2004 annual meeting, and the Audit Committee Charter was included as an appendix to our Proxy Statement for the 2003 annual meeting. Copies of these three committees' charters are available on our website at www.cpsinet.com in the Investors' section under Financial Information.

Table of Contents

None of the incumbent directors attended less than 75% of the aggregate of (a) the total number of meetings of the Board of Directors and (b) the total number of meetings held by all committees of the Board of Directors on which he served. Absent extenuating circumstances, directors are expected to attend annual meetings of the Company's stockholders. All of our directors attended the 2004 annual meeting of stockholders.

The following describes the functions and sets forth the current membership of each Committee of the Board of Directors. The number of meetings that each Committee held in 2004 is also listed.

Executive Committee

The members of the Executive Committee are John Morrissey, Chairman, Dennis P. Wilkins and M. Kenny Muscat. The Executive Committee met once in 2004.

Between meetings of the Board of Directors and while the Board of Directors is not in session, the Executive Committee has all the powers and can exercise all the duties of the entire Board of Directors relating to the management of the business and affairs of the Company. The Executive Committee, however, is prohibited from taking certain actions, including, but not limited to, approving dividends and filling vacancies on the Board.

Audit Committee

The current members of the Audit Committee are Ernest F. Ladd, III, Chairman, William R. Seifert, II and Charles P. Huffman, all of whom are independent directors as defined under existing Nasdaq rules. One of our directors, W. Austin Mulherin, III, served on the Audit Committee in 2004 until the 2004 annual meeting. However, because he was not deemed to have satisfied the heightened independence requirements applicable to audit committee members under Nasdaq's independence rules that took effect at the time of the 2004 annual meeting, he resigned from the Audit Committee at the 2004 annual meeting and was replaced on the Audit Committee by Mr. Huffman. The Audit Committee met eight times during 2004.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: the financial reports and other financial information provided by the Company to its stockholders and others; the Company's financial policies and procedures; the Company's system of internal controls; and the Company's auditing, accounting and financial reporting processes. The Audit Committee is directly responsible for appointing and overseeing the independent auditor of the Company.

The Board of Directors has carefully evaluated the backgrounds of the members of the Audit Committee and has determined that such members qualify as independent under applicable Nasdaq listing standards and SEC rules for Audit Committee membership. Furthermore, in accordance with SEC rules, the Board has determined that Ernest F. Ladd, III and Charles P. Huffman both qualify as an audit committee financial expert as defined by the applicable SEC rules. The Report of the Audit Committee appears in this proxy statement at page 18.

Compensation Committee

The current members of the Compensation Committee are William R. Seifert, II, Chairman, W. Austin Mulherin, III and John C. Johnson. The Board of Directors has determined that each of these members is independent under the Nasdaq director independence standards. The Board of Directors authorized the creation of a Compensation Committee in March 2004, effective as of the conclusion of the 2004 annual meeting. The Compensation Committee did not meet during 2004, but has met three times in 2005 in connection with current compensation matters.

The Compensation Committee is authorized to approve and recommend to the Board of Directors the compensation to be paid to officers, directors and committee members of the Company. Executive compensation may include, but is not limited to, salary, bonus, stock options, other annual compensation and any combination thereof as the Compensation Committee deems appropriate in light of the performance of the Company.

Table of Contents

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are W. Austin Mulherin, III, Chairman, Hal L. Daugherty, Jr. and Charles P. Huffman. The Board of Directors has determined that each of these members is independent under the Nasdaq director independence standards. The Board of Directors authorized the creation of the Nominating and Corporate Governance Committee in March 2004, effective as of the conclusion of the 2004 annual meeting. The Nominating and Corporate Governance Committee did not meet during 2004, but has met once in 2005.

The purpose of the Nominating and Corporate Governance Committee is to (a) identify individuals qualified to become members of the Board and to recommend director nominees to the Board for election by the stockholders, (b) monitor, oversee and evaluate the corporate governance principles applicable to the Company and (c) oversee the evaluation of the Board and management.

Consideration of Director Nominees

Director Qualifications

Criteria that will be used by the Nominating and Corporate Governance Committee in connection with evaluating and selecting new directors include factors relating to whether the director candidate would meet the definition of independence required by the Nasdaq listing standards, as well as skills, occupation and experience in the context of the needs of the Board. The Company's *Guidelines of Significant Governance Issues* (the Governance Guidelines) also set forth certain factors that should be considered by the Nominating and Corporate Governance Committee in recommending a nominee to the Board, including relevant experience, intelligence, independence, commitment, integrity, diligence, conflicts of interest, age, compatibility with the Company's management team and culture, prominence, understanding of the Company's business, the ability to act in the interests of all stockholders and other factors deemed relevant. The Board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Process for Evaluating Nominees for Director

The process that will be followed by the Nominating and Corporate Governance Committee to identify and evaluate director candidates will include requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members.

Director Nominees Proposed by Stockholders

Edgar Filing: COMPUTER PROGRAMS & SYSTEMS INC - Form DEF 14A

The Nominating and Corporate Governance Committee will consider stockholder-recommended director candidates for inclusion in the slate of nominees that the Board recommends to the stockholders for election. In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by stockholders, the Nominating and Corporate Governance Committee will apply the selection criteria described above. The Nominating and Corporate Governance Committee will not assign specific weights to its various criteria and no particular criterion is necessarily applicable to all prospective nominees.

Stockholders may recommend individuals for the Nominating and Corporate Governance Committee to consider as potential director candidates by submitting the following information to the Nominating and

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairman of the Nominating and Corporate Governance Committee considers to be important for the directors to know.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Board of Directors of the Company had no compensation committee until the 2004 annual meeting. In addition to the other directors, Mr. Wilkins, Mr. Muscat and Mr. Morrissey, all former executives of the Company, participated in deliberations of the Board of Directors regarding executive officer compensation until the creation of the Compensation Committee. Neither Mr. Dye nor Mr. Douglas participated in decisions regarding his own compensation. Furthermore, no member of the Compensation Committee or the Board of Directors is, or was during 2004, an executive officer of another company whose board of directors has a compensation committee on which one of our executive officers serves.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

To Our Stockholders

Effective as of the conclusion of the 2004 annual meeting, the Compensation Committee of the Board of Directors became responsible for overseeing and administering the executive compensation program of the Company. Prior to that time, the full Board of Directors oversaw and administered the executive compensation program. Cash compensation determinations made by the Committee are still subject to approval by the entire Board. The Compensation Committee consists of three directors, William R. Seifert, II, W. Austin Mulherin, III and John C. Johnson, each of whom is independent, as determined by the Board, within the meaning of applicable Nasdaq listing standards. The specific duties and responsibilities of the Compensation Committee are described above under **CORPORATE GOVERNANCE AND BOARD MATTERS** Board Structure and Committee Composition, and in the Compensation Committee Charter that is attached as an appendix to the 2004 proxy statement.

The following report provides details and background information regarding our executive compensation program for 2004.

Compensation of the CEO and other Executive Officers

Total compensation for the executive officers is reviewed and set annually and currently includes two primary types of compensation:

Base salary; and

Annual bonuses.

The following discussion is applicable to executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers.

Base Salary. Executive officers' base salaries are determined by several factors, but principally by the responsibilities required by the position. In establishing base salaries, the Committee reviews recommendations by the Chief Executive Officer. Individual competence, length of service in a position, and comparisons to salaries for similar positions in other comparable companies guide the determination of the appropriate level of an executive officer's salary. Company performance may also be a factor in determining the amount of any base salary increase. The Committee's compensation strategy for executive officers is to pay salaries at or near the median compensation paid by comparable companies. Based on these factors, Mr. Dye's base salary for calendar year 2004 was set at \$240,000.

Annual Bonus. In 1999 and 2001, our executive officers purchased common stock in the Company from certain of our stockholders. These officers financed their purchases with bank loans. In order to allow these officers to service the principal and interest payments on their loans, the Board approved the payment to these officers of annual cash bonuses, which historically have been paid bi-weekly along with the officers' salaries. In December 2004, certain of the executive officers sold stock in order to reduce or eliminate the amounts outstanding under their loans. Currently, substantially all of these loans have been satisfied in full. Therefore, while the Committee expects that it will continue to pay cash

Edgar Filing: COMPUTER PROGRAMS & SYSTEMS INC - Form DEF 14A

bonuses to executive officers in the future as part of the Company's overall executive compensation program, the Committee intends to re-evaluate how and when cash bonuses will be paid, as well as the conditions under which they will be paid. The bonus structure has been, and will continue to be, designed to ensure that our overall compensation structure is competitive.

The Committee believes that the current compensation levels of its key executives, including the bonus amounts, are consistent with our objective of rewarding, retaining and providing incentives for outstanding performance to the executives who contribute most to the operating results of the Company. The Committee specifically reviews and approves, subject to final approval of the full Board, each annual bonus paid to the executive officers, including the Chief Executive Officer.

Table of Contents

Proposed Adoption of Restricted Stock Plan. The Committee believes that the caliber and motivation of our executive officers, and their leadership, are critical to our success in a competitive marketplace. Effective and motivational compensation programs are essential ingredients to success. The Committee believes that our compensation programs have been effective in serving us and our stockholders in the short and long term. However, the Committee believes that it is important to the long-term success of CPSI to provide additional long-term, equity based incentive compensation to CPSI's senior executive officers.

Upon the Committee's recommendation, the Board has adopted, subject to stockholder approval, a new restricted stock plan, which is designed to attract, retain and motivate senior executive officers of CPSI by providing them with additional equity-based incentives. CPSI's stockholders are being asked to approve this restricted stock plan, as described in detail in PROPOSAL 2 APPROVAL OF 2005 RESTRICTED STOCK PLAN on page 19 below. Should the restricted stock plan be approved by the stockholders, the Committee will consider awards of restricted stock under such plan to those executive officers who the Committee believes are critical to the continued success of CPSI.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We lease the majority of our corporate headquarters campus from CP Investments, Inc., an Alabama corporation, the stockholders of which include John Morrissey and the children of Dennis Wilkins and M. Kenny Muscat. Prior to January 31, 2003, Mr. Muscat and Mr. Wilkins were officers and directors of CP Investments, Inc. In 2004, we paid total lease payments in the amount of \$1,344,492 to CP Investments, Inc. During 2003, we entered into one new lease with CP Investments, Inc., which expires in 2013. Under these lease agreements, we make annual lease payments in the aggregate amount of \$1,350,888, subject to annual adjustment based on the Consumer Price Index. The annual rents payable under these leases have been determined by an independent, third-party appraisal firm. The lease agreements provide for a subsequent third-party appraisal of the rental amounts at the conclusion of the fifth year of each lease.

We lease the remainder of our headquarters facilities, which is comprised of one building that houses our dedicated research and development staff, from DJK, LLC, a limited liability company owned by Dennis Wilkins. In 2004, we paid total lease payments in the amount of \$40,581 to DJK, LLC. The lease payments will be subject to annual adjustment based on the Consumer Price Index. The annual rent payable under this lease has been determined by an independent, third-party appraisal firm. The lease agreement provides for a subsequent third-party appraisal of the rental amount at the conclusion of the fifth year of the lease.

During 2004, we engaged the law firm of Frazer, Greene, Upchurch & Baker, LLC in connection with certain litigation matters. One of our directors, W. Austin Mulherin, III, is a partner of this firm. Total payments to this firm did not exceed 5% of the firm's gross revenues in 2004. We expect to continue to use the legal services of this firm in the future.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is currently composed of three directors who are independent directors as defined under existing Nasdaq rules and SEC rules. One of our directors, W. Austin Mulherin, III, served on the Audit Committee in 2004 until the 2004 annual meeting. However, because he was not deemed to have satisfied the heightened independence requirements applicable to audit committee members under Nasdaq's independence rules that took effect at the time of the 2004 annual meeting, he resigned from the Audit Committee at the 2004 annual meeting and was replaced on the Audit Committee by Charles P. Huffman. The Audit Committee operates under a written charter, as amended by the Board of Directors on April 1, 2003.

The Audit Committee hereby submits the following report:

We have reviewed and discussed with management the Company's audited financial statements as of, and for, the year ended December 31, 2004.

We have discussed with the independent registered public accountants, Grant Thornton LLP, the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent registered public accountants required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended by the Independence Standards Board, and have discussed with the registered public accountants their independence. We considered whether the provision of non-financial audit services was compatible with Grant Thornton LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004. It should be noted that management is responsible for the Company's financial reporting process, including its system of internal controls, and of the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent registered public accountants are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures.

PROPOSAL 2

APPROVAL OF 2005 RESTRICTED STOCK PLAN

The Board of Directors of the Company has adopted the Computer Programs and Systems, Inc. 2005 Restricted Stock Plan (the Plan), subject to the approval of the Company's stockholders. If the stockholders approve the Plan, it will become effective on May 12, 2005. If stockholders do not approve the Plan, the Plan will have no effect.

The purpose of the Plan is to promote the interests of the Company by attracting, retaining and motivating executive officers by providing them with additional equity-based incentives for their continuing relationship with the Company and aligning their interests and compensation with the long-term interests of stockholders. Executive officers will be eligible to receive awards (Awards) under the Plan, which consist of grants of Restricted Stock. Awards may be made under the Plan until May 12, 2015.

The following is a summary of the material terms and provisions of the Plan and the tax consequences to the Company and to those executive officers who receive Awards of Restricted Stock under the Plan. This summary is qualified in its entirety by reference to the Plan, a copy of which is attached to this Proxy Statement as *Appendix A*. To the extent that there is a conflict between this summary and the Plan, the terms of the Plan will govern.

Description of the Restricted Stock Plan

Administration. The Plan will be administered by the Compensation Committee (the Committee) of the Board of Directors. The Committee shall have power and authority to manage and control the operations and administration of the Plan including (i) selecting which executive officers to whom Awards will be made, (ii) determining the number of shares of Restricted Stock to be awarded to an executive officer, (iii) determining the form, terms and conditions of each award agreement, including without limitation the length of the restricted period and the performance criteria, if any, to be satisfied, (iv) determining whether to designate if an Award is intended to be performance-based compensation as such term is used in Section 162(m) of the Internal Revenue Code, (v) interpreting and administering the Plan and any instrument or agreement relating to, or grant made under, the Plan, (vi) establishing, amending, suspending, rescinding or waiving any rules and regulations relating to the Plan, (vii) appointing such agents as it shall deem appropriate for the proper administration of the Plan; and (viii) making any other determination and taking any other action that the Committee deems necessary to or desirable for the administration of the Plan.

Eligibility. Only persons who are executive officers of the Company shall be eligible to receive grants of Restricted Stock and become participants under the Plan. The Committee in its discretion will determine those executive officers of the Company who are eligible to participate in the Plan. As of March 31, 2005, the Company had seven executive officers who would be eligible to receive Awards under the Plan.

Awards. Awards under the Plan will be in the form of grants of shares of common stock, par value \$0.001 per share, of the Company that are subject to certain transfer restrictions (Restricted Stock). The Committee may, in its sole discretion, issue Restricted Stock to executive officers as compensation for services rendered or to be rendered to the Company or for such consideration as the Committee may determine, including cash. The Committee determines who receives Restricted Stock and the number of shares of Restricted Stock subject to an Award.

Vesting; Performance Criteria. The terms and conditions of each Award, including those related to vesting, will be determined by the Committee and set forth in a written agreement executed by the Company and the executive officer. The Committee may subject the vesting of the Restricted Stock to any restrictions it deems appropriate, including the achievement of certain performance criteria. The performance criteria that the Committee may select from include the following: (i) annual growth in net income, (ii) annual cash collections

Table of Contents

on sales, (iii) annual growth in new system installation contracts, (iv) annual growth in the average size of installation contracts, (v) annual growth in revenue, (vi) annual growth in the number of hospital clients, (vii) net income per diluted share, or (viii) any other reasonable basis that the Committee selects; provided that, to the extent the Committee determines that it is necessary to qualify compensation under Section 162(m) of the Internal Revenue Code, the performance criteria shall be based on one or more of the criteria listed in (i) through (vii) above. Additionally, the Committee has the discretion to select the length of the vesting period; provided, however, that each Award will be subject to a minimum restricted period of three years from the date of the Award.

Transfer Restrictions. No Restricted Stock awarded under the Plan may be transferred, sold, exchanged, pledged or otherwise disposed of by an executive officer during the restricted period, other than by the executive officer's last will and testament, by the applicable laws of descent and distribution, or as otherwise determined by the Committee. The Committee may, in its sole discretion, waive, in whole or in part, any or all remaining restrictions with respect to any executive officer's Restricted Stock.

Accelerated Vesting; Forfeiture. Each outstanding Award shall become immediately vested and unrestricted upon the occurrence of a change in control of the Company, upon the death, disability, or retirement of the executive officer, or if the executive officer is terminated without cause. Shares of Restricted Stock shall be forfeited in the event the executive officer voluntarily resigns or is terminated for cause during the restricted period, or if any performance criteria established by the Committee are not satisfied. If the Restricted Stock fails to vest as specified in the applicable award agreement, the shares of Restricted Stock will be canceled and forfeited by the executive officer. All shares of Restricted Stock that are canceled or forfeited will be available for future Awards under the Plan.

Voting and Dividend Rights. The holders of Restricted Stock will have the same voting and dividend rights as the Company's other stockholders, unless and until such shares of Restricted Stock are forfeited.

Reservation of Shares. 300,000 shares of the Company's common stock will be reserved for issuance under the Plan. As discussed below under **Reduction of Shares Reserved Under the 2002 Stock Option Plan**, subject to the Company's stockholders approval of the Plan, the Board has approved a corresponding reduction in the number of shares of common stock reserved under the Company's 2002 Stock Option Plan.

Other Provisions. The Plan is not qualified under 401(a) of the Internal Revenue Code (the Code) and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974. The Plan contains provisions to prevent dilution in the case of stock dividends, stock splits, and changes in the structure of the common stock. The Plan may be amended, modified, or discontinued at any time by the Committee, except that the Committee does not have the ability to adversely affect or impair any outstanding Award without the consent of the executive officer holding that award of Restricted Stock. Under NASDAQ listing standards, certain amendments to the Plan may require stockholder approval.

Federal Income Tax Consequences

The following discussion of the Federal tax consequences of the Plan is based on the provisions of the Internal Revenue Code currently in effect, current regulations, and administrative rulings of the Internal Revenue Service. The discussion is limited to the tax consequences on United States citizens and does not consider the potential impact of state or local tax laws. It is not intended to be a complete discussion of all of the United States income tax consequences of the Plan or of all of the requirements that must be satisfied to qualify for the tax treatment described in this discussion. Changes in the law and the regulations may modify the discussion, and, in some cases, changes may be retroactive. In addition, tax consequences may vary depending upon the personal circumstances of individual holders of stock and the tax requirements applicable to residents of countries other than the United States.

Table of Contents

With respect to an Award, unless an executive officer makes an election under Section 83(b) of the Internal Revenue Code (an 83(b) election), as described below, the executive officer will generally recognize ordinary compensation income in an amount equal to the fair market value of the shares subject to the grant of Restricted Stock at the time the Restricted Stock ceases to be subject to forfeiture. Dividends paid to an executive officer on the shares of Restricted Stock where no 83(b) election is made are treated as compensation income of the executive in the year received. The executive officer's holding period for long-term capital gains purposes will not begin to run until the stock becomes unrestricted.

With respect to an Award, an executive officer may make an 83(b) election only with the prior approval of the Committee. If an executive officer makes an 83(b) election within the required period of thirty days after receipt of the Restricted Stock, the executive officer will be immediately taxed, as compensation income, on the fair market value of the Restricted Stock issued to such executive officer, valued on the date of grant. Any dividends received on stock subject to an 83(b) election will be treated as ordinary dividend income. Where an 83(b) election is made, an executive officer's holding period for long-term capital gains purposes begins to run on receipt of the Restricted Stock. A forfeiture of Restricted Stock after an 83(b) election is made, even though the executive officer has included the stock as income, does not entitle the executive to a tax deductible loss if no amount was paid for the Restricted Stock by the executive officer.

Subject to the limitations on deductibility contained in Section 162(m) of the Code, the Company will receive a deduction for Federal income tax purposes equal to the compensation income recognized by the executive officer receiving the Award.

Reduction of Shares Reserved under the 2002 Stock Option Plan

In order to ensure that the Restricted Stock Plan does not create the possibility for additional dilutive effect to the Company's existing stockholders, the Board has approved an amendment to the Company's 2002 Stock Option Plan that will reduce the number of shares reserved under the 2002 Stock Option Plan by 300,000 shares. This amendment to the 2002 Stock Option Plan shall become effective upon the Company's stockholders' approval of the Restricted Stock Plan.

PROPOSAL 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

At the direction of the Audit Committee, the ratification of the appointment of Grant Thornton LLP (Grant Thornton) as the Company s independent registered public accountants for the year ending December 31, 2005 is being presented to the stockholders for approval at the annual meeting. If the appointment of independent registered public accountants is not ratified, the Audit Committee will reconsider its appointment of independent registered public accountants.

General

The Audit Committee has approved the engagement of Grant Thornton as the Company s independent registered public accountants for the year ending December 31, 2005. Effective August 6, 2004, the Audit Committee dismissed Ernst & Young LLP (Ernst & Young) as the Company s independent registered public accountants and engaged Grant Thornton as its independent registered public accountants for the 2004 fiscal year. Grant Thornton has audited the financial statements of the Company for the year ended December 31, 2004.

It is expected that a representative of Grant Thornton will be present at the annual meeting to respond to appropriate questions, and will be given the opportunity to make a statement if he so desires.

The reports of Ernst & Young on the Company s financial statements for the years ended December 31, 2003 and 2002 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2003 and 2002, and through August 6, 2004, there were no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the matter in their report. During the years ended December 31, 2003 and 2002, and through August 6, 2004, there were no reportable events as that term is described under Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC.

During the Company s two most recent fiscal years ended December 31, 2003, and the subsequent interim period through August 6, 2004, the Company did not consult with Grant Thornton regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Grant Thornton LLP and Ernst & Young LLP

The following table presents the fees paid or accrued by the Company for the audit and other services rendered by Grant Thornton for the year ended December 31, 2004, and by Ernst & Young for the years ended December 31, 2004 and 2003.

In the event that shares of Restricted Stock are issued under the Plan and thereafter are forfeited, such forfeited shares may again be issued under the Plan.

3.2 Type of Shares Distributable. Restricted Stock may consist, in whole or in part, of authorized and unissued Stock, of Stock reacquired by the Company through purchase in open market or private transactions, or of Stock that was forfeited, as provided for in Section 3.1 above.

3.3 Adjustments. In the event of any merger, reorganization, consolidation, recapitalization, stock dividend or other distribution (whether in the form of cash, shares of stock, other securities or other property), stock split, reverse stock split, combination, repurchase, or exchange of shares of Stock or other securities of the Company, or other similar corporate transactions or events or change in corporate structure affecting the Stock such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits and potential benefits intended to be made available under the Plan, then the Committee, in such a manner as it deems equitable, shall make an appropriate substitution or adjustment in (i) the aggregate number of shares reserved for issuance under the Plan, and (ii) the kind, number and price of shares subject to outstanding Restricted Stock Awards granted under the Plan; provided that the number of shares subject to any Award shall always be a whole number. Such substitutions or adjustments shall be made as may be determined by the Committee, in its sole discretion, and shall be conclusive and binding for purposes of the Plan.

ARTICLE IV

Plan, the Committee shall have full power and authority to: (i) select which Executives may receive Award under the Plan, (ii) determine the number of shares of Restricted Stock to be awarded to an Executive, (iii) determine the form, terms and conditions of each Award Agreement, including, without limitation, the length of the Restricted Period and the applicable Performance Criteria, if any, (iv) determine whether to designate if an Award is intended to be performance-based compensation as such term is used in Section 162(m) of the Code, (v) interpret and administer the Plan and any instrument or agreement relating to, or grant made under, the Plan, (vi) establish, interpret, amend, suspend, rescind or waive any rules and regulations relating to the Plan, (vii) appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (viii) make any other determination and take any other action that the Committee deems necessary to or desirable for the administration of the Plan. Other provisions of the Plan notwithstanding, the Board may perform any function of the Committee under the Plan, including for the purpose of ensuring that transactions under the Plan by Executives who are then subject to Section 16 of the Exchange Act in respect of the Company are exempt under Rule 16b-3 under the Exchange Act. In any case in which the Board is performing a function of the Committee under the Plan, each reference to the Committee herein shall be deemed to refer to the Board, except where the context otherwise requires.

6.2 Committee Discretion Binding. Unless otherwise expressly provided under the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan shall be within the sole discretion of the Committee, may be made at any time, and shall be final, conclusive, and binding upon all persons, including the Company, any Executive, any holder or beneficial owner of Restricted Stock and any stockholder of the Company.

6.3 Limitation of Liability. No member of the Committee and no Executive shall be liable for any act or failure to act hereunder, except in circumstances involving his or her bad faith, gross negligence or willful misconduct, or for any act or failure to act hereunder by any other member or Executive or by any agent to whom duties in connection with the administration of the Plan have been delegated.

6.4 Indemnification. The Company shall indemnify members of the Committee against any and all liabilities or expenses to which they may be subjected by reason of any act or failure to act with respect to their duties on behalf of the Plan, except in circumstances involving such person's bad faith, gross negligence or willful misconduct.

Article VII

Restricted Stock

7.1 Award of Restricted Stock; Award Agreement. The Committee may grant an Award of Restricted Stock to an Executive. Any Award of Restricted Stock granted to an Executive shall include a Restricted Period of at least three (3) years. After the Committee determines that it will offer an Award to an Executive, it will advise the Executive in writing, by means of an Award Agreement, of the terms, conditions, and restrictions, if any, related to the Award, including the terms under which the Restricted Stock may become vested and the number of shares the Executive shall be entitled to receive. The Award shall be accepted by the Executive upon execution of an Award Agreement in the manner determined by the Committee.

7.2 Maximum Award. The maximum number of shares of Restricted Stock that can vest to any Executive in any one calendar year, determined as of the date of the grant of the Award, shall be that number of shares the Fair Market Value of which is equal to fifty percent (50%) of Executive's annual base salary in effect on the date of the Award. For purposes of calculating the number of shares of Restricted Stock that can vest under this provision of Section 7.2, the Restricted Stock will be valued at Fair Market Value as of the close of business on the date of the grant of such Award.

7.3 Purchase Price. Restricted Stock shall be offered under the Plan for such consideration in cash, other property or services as is determined by the Committee and set forth in the Award Agreement.

A-4

Table of Contents

7.4 Restricted Period. At the time an Award of Restricted Stock is made, the Committee shall establish a period of time during which the transfer of shares of Restricted Stock shall be restricted and be subject to forfeiture, as provided in Section 7.5 (the Restricted Period). The duration of the Restricted Period and the limitations on transferability will be set forth in the Award Agreement. The minimum Restricted Period, however, shall be three years from the date of the Award. Each Award may have a different Restricted Period.

7.5 Risk of Forfeiture. In the event of the termination of an Executive's employment or affiliation with the Company, or in the event that the recipient of an Award no longer satisfies the definition of an Executive, for any reason other than those set forth in Section 7.10, the Executive, or former Executive, as the case may be, shall, for no consideration, forfeit to the Company all shares of Restricted Stock issued pursuant to this Plan that have not previously vested.

7.6 Transferability of Awards. Except as otherwise provided by the Committee, no Restricted Stock awarded under this Plan shall be transferred, sold, exchanged, pledged or otherwise disposed of by an Executive during the Restricted Period, other than (i) by the Executive's last will and testament, (ii) by the applicable laws of descent and distribution, or (iii) as otherwise determined by the Committee.

7.7 Stock Certificate Representing Restricted Stock. The Company shall issue stock certificates that evidence Restricted Stock pending the lapse of applicable restrictions, and that bear a legend making appropriate reference to such restrictions substantially in the form provided below:

The transferability of this certificate and the shares of stock represented by this certificate are subject to the terms and conditions (including forfeiture) of the Computer Programs and Systems, Inc. 2005 Restricted Stock Plan and an Award Agreement entered into by the registered owner and Computer Programs and Systems, Inc. Copies of such Plan and Agreement are on file in the offices of Computer Programs and Systems, Inc.

7.8 Escrow of Stock. To facilitate the enforcement of the transfer restrictions prior to vesting, the Company may require that the stock certificate(s) evidencing shares of Restricted Stock be held in custody by a designated escrow agent (which may, but need not be, the Company) until the restrictions thereon have lapsed. The Company may require the Executive to execute a stock power endorsed in blank related to the shares covered by the Award.

7.9 Issuance of Shares Upon Vesting. Upon the expiration or termination of the Restricted Period and the satisfaction of any other conditions prescribed by the Committee, including without limitation a determination by the Committee that the Performance Criteria have been met, the restrictions applicable to the Restricted Stock shall lapse and a stock certificate for the number of shares of Restricted Stock with respect to which the restrictions have lapsed shall be delivered as soon as administratively possible, free of all such restrictions and legends, except any that may be imposed by law. A new stock certificate for the balance of any shares that remain Restricted Stock shall be issued with appropriate restrictive legends and may be held in escrow pursuant to Section 7.8 above, pending the lapse of such restrictions with respect to those shares.

7.10 Accelerated Vesting. In the event of (i) a Change in Control of the Company, (ii) the death of the Executive, (iii) the Disability of the Executive, (iv) the Retirement of the Executive, or (v) the termination of the Executive's employment or affiliation with the Company without Cause, the Restricted Period will be deemed to have lapsed and all conditions, including without limitation the Performance Criteria, will be deemed to have been satisfied, and all Awards granted to such Executive under this Plan shall become 100% vested as of the date of the Change in Control, the death, the Disability, the Retirement, or the termination of employment or affiliation without Cause, as the case may be, and a stock certificate shall be delivered in accordance with Section 7.9 above.

7.11 Voting and Dividend Rights. The Executive will be entitled to voting rights and dividend rights during the Restricted Period. The Executive will be entitled to retain cash dividends even if the shares of Restricted Stock are later forfeited.

ARTICLE VIII

Performance Criteria

The Committee may condition the lapse of restrictions under an Award Agreement on the achievement of certain financial goals or measurements (the Performance Criteria). Such Performance Criteria may include the following: (i) annual growth in net income, (ii) annual cash collections on sales, (iii) annual growth in new system installation contracts, (iv) annual growth in the average size of installation contracts, (v) annual growth in revenue, (vi) annual growth in the number of hospital clients, (vii) net income per diluted share, or (viii) any other reasonable basis that the Committee selects; provided that, to the extent the Committee determines that it is necessary to qualify compensation under Section 162(m) of the Code, the Performance Criteria shall be based on one or more criteria listed in (i) through (vii) above. The Committee shall make all determinations as to whether the selected Performance Criteria has been satisfied and shall reserve the right to modify or amend the Performance Criteria, in accordance with Article X. For Awards expressly intended to comply with Section 162(m) of the Code, discretion used by the Committee pursuant to this Article may only be used if permissible under Section 162(m).

ARTICLE IX

Withholding of Tax; 83(b) Election

9.1 Withholding of Tax. To the extent that the receipt of the Restricted Stock or the lapse of any restrictions results in income to an Executive for federal or state income tax purposes, the Executive shall deliver to the Company at the time of such receipt or lapse, as the case may be, such amount of money or shares of unrestricted Stock as the Company may require to meet its withholding obligation under applicable tax laws or regulations, and, if Executive fails to do so, the Company is authorized to withhold from any cash or Stock remuneration then or thereafter payable to Executive any tax required to be withheld.

9.2 83(b) Election. Section 83(b) of the Code allows a recipient of Restricted Stock to elect to immediately recognize ordinary compensation income in an amount equal to the Fair Market Value of the Restricted Stock on the date of the grant (an 83(b) Election). An Executive of the Company may make an 83(b) Election only with the prior written approval of the Committee.

ARTICLE X

Amendment; Termination

Unless applicable laws, regulations, or Nasdaq listing standards provide otherwise, the Committee may at any time terminate the Plan or make such changes in or additions to the Plan as it deems advisable without further action on the part of the Company's stockholders, provided that no such termination or amendment shall adversely affect or impair any then outstanding Award without the consent of the Executive holding that Award.

ARTICLE XI
