Minutes of the Board of Directors Meeting No. 200

(Relevant Part)

In the City of Buenos Aires, on March 28, 2006, at 10:30 AM, the acting Directors and acting members of the Surveillance Committee that sign below meet at the Corporate Building of Telecom Argentina S.A. (Telecom Argentina or the Company). The C.E.O. of the Company, Mr Carlos Felices, is also attending the meeting. The Chairman of the Board of Directors chairs the meeting that after checking the existence of quorum, submits for the consideration the following issues:

I. SUMMONS TO THE GENERAL ORDINARY AND EXTRAORDINARY SHAREHOLDERS MEETING AND SPECIAL MEETING OF CLASS C SHAREHOLDERS.

Mr. Vazquez states that it corresponds to set a date for the Shareholder Meeting that will deal with the documentation related to the seventeenth fiscal year closed on December 31, 2005, as well as to determine the Agenda, and proceed with the summons.

With respect to the Retained Earnings, the proposal to absorb losses with the Legal Reserve and the Adjustment of the Capital Stock Account, the treatment of this matter is competence of the Extraordinary Shareholders Meeting, as the Regulation of the *Comisión Nacional de Valores* determines that the Adjustment of the Capital Stock Account is part of the Capital Stock of the Company to the effects of the Article 206 of the Argentine Corporate Law.

Mr. Vazquez adds that the Executive Committee of the Employee Stock Ownership Program (the PPP or the Program) under which the Class C Shares of the Company are affected, has requested by means of a note received on March 20, 2006, to include in the Agenda of the Annual Shareholder Meeting *an item that allows to delegate to the Board of Directors the powers to convert the Class C Shares of the PPP into Class B Shares in accordance to the By-Laws of Telecom* , expressing that *such delegation in the Board of Directors would allow the liquidation of the Program in a more agile and orderly manner, in accordance to the need of both the Company and the Program* . Moreover, the Executive Committee of the Program has informed that it has called for a Federal Meeting of the PPP for March 31, 2006 in order to deal with a Report of the situation of the PPP, the course of action to be take with respect to the liquidation of the Guarantee and Repurchase Fund and the granting of a mandate to the Executive Committee to vote in the next General Ordinary Shareholders Meeting of Telecom Argentina.

The Chairman of the Board expresses that the Class C Shares that are included in the Capital Stock of Telecom Argentina amount to 45,932,738, of which the majority forms part of the Guarantee and Repurchase Fund of the PPP, and the rest is under the name of individual holders as registered in the Shareholders Registrar of the Company that is being managed by the Caja de Valores S.A.. These individual holders have also requested the Company to convert their shares into Class B .

With respect to the legal situation of the shares of the Guarantee and Repurchase Fund, reports have been requested to the Banco Ciudad de Buenos Aires (Trustee of the Program) and the Caja de Valores S.A., that in turn have responded on March 20, 2006 and March 21, 2006, where it arises that to such dates an amount of 41,328,611 Class C

Item 1

Shares are restricted due to legal actions. Mr. Vazquez adds that it must be noted that in March 2000 the Company received a note from the Overseer of the PPP where it was informed that a judicial resolution related to the case *Garcias de Vicchi, Amerinda y Otros c/Sindicación de Acciones Clase C del Programa de Participación Participada* where a precautionary action ordered **the suspension** of the Extraordinary And Special Shareholders Meetings of Class C Shares that the Board of Directors of Telecom had summoned for March 14, 2000 to deal with the conversion of the shares of Class C into Class B. This precautionary action was ordered on the amount of 45,932,738 Class C Shares that at that time were part of the Guarantee and Repurchase Fund, and the mentioned Meetings were able to deal with and approve the conversion of Class C Shares that were not part of the Guarantee and Repurchase Fund. Up to date, the Company has not received any notification with respect to the validity or the lifting of the mentioned precautionary action. With respect to this legal situation the Chairman adds that in the case the request of the Executive Committee of the PPP is accepted, the treatment of the item of the Agenda should be conditioned to the determination within the period that if left until the Shareholders Meeting is held, of the legal feasibility of the issue and in such case the item should be accepted. In this sense, consultation and legal opinions that the Board of Directors deems necessary must be requested or obtained.

The Directors exchange ideas with respect to the request of the Executive Committee of the PPP and resolve to accept such request under the condition expressed by the Chairman of the Board with respect to the need to determine the legal feasibility of the treatment of the issue by the Shareholders Meeting. Moreover, it is resolved by unanimous decision to inform the Executive Committee of the Program that the process of conversion and subsequent sale by the holders of the converted shares must be done in accordance to the best market practices and taking into account the interest of all shareholders.

After deliberation on all that expressed by the Chairman, the Board of Directors resolves by unanimous decision to summon the Shareholders of the Company to a General Ordinary and Extraordinary Shareholders Meeting and a Special Meeting of Class C Shares to be held on **March 27, 2006 at 10:00 AM, for the first call and 11:00 AM for the second call** (for those issues related to the Ordinary Shareholders Meeting) at the Corporate Building located at Ave. **Alicia Moreau de Justo 50, Ground Floor, Buenos Aires, Argentina**, in order to consider the following:

DATE OF MEETING:	March 28, 2006
<u>RELEVANT PART:</u>	

OPINION OF THE PROPOSALS THAT THE BOARD OF DIRECTORS HAS THE INTENTION TO PRESENT TO THE GENERAL ORDINARY ANNUAL SHAREHOLDERS MEETING

Mr Naveira states that the Board of Directors of the Company, in accordance with articles 13 and 15, sections a) and e) of the Decree 677/01, has requested the Audit Committee to issue an opinion of the proposals that the Board of Directors has the intention to present to the General Ordinary Annual Shareholders Meeting, with respect to:

Furthermore, the Board of Directors would propose to be authorized by the Shareholders Meeting to make advance payments up to a global amount of P\$1,900,000 to the directors that will perform as independent directors or those that perform technical-administrative or special tasks during the fiscal year that will closes in December 31, 2006, allowing to increase such amount in the case of inflation.
- c) The proposal to pay the sum of P\$890,000, without VAT, to Price Waterhouse & Co. S.R.L. for their services as External Auditors of the Financial Statements of Telecom corresponding to fiscal year 2005.

Mr. Naveyra adds that the Board of Directors has also requested an estimate of the amount of money that must be proposed for approval of the Shareholders Meeting, as a budget for the operation of the Audit Committee during fiscal year 2006.

Table of Contents

Item 1

1) Opinion of the proposal of designation of External Auditors for Fiscal Year 2006.

The Board of Directors will propose the designation of Price Waterhouse & Co. S.R.L. (Price) as Auditors to the Financial Statements of the fiscal year 2006, where Mr. Juan Carlos Grassi will act as Acting Certified Public Accountant while Mr. Carlos Nestor Martínez and Mrs. Patricia Giordano will act as alternates.

The Audit Committee discusses the firm's background and the performance of recent fiscal years and resolves by unanimous decision to pass to the Board of Directors a favorable opinion of its proposal to designate Price as External Auditors for the fiscal year 2006. In this regard, it must be noted that the reasons that support this opinion are the same to those expressed in the report dated March 17, 2005 issued at the time of the proposal to designate Price as External Auditors for the Financial Statements of the previous fiscal year, being:

Price is one of the most renowned and prestigious accounting firms, both locally and internationally, that has performed and continues to perform external audit functions in some companies and corporations, has vast experience in the matter.

Except for fiscal years 2001 and 2002, Price has performed as External Auditors of the Financial Statements of Telecom since its constitution (in some fiscal years as joint-auditor), without receiving any objection from regulators or shareholders. In fiscal years 2004 and 2005, Price was the exclusive External Auditor, having performed its activities in satisfactory form and with due independence, as expressed in the annual reports that this Committee has presented to the Board of Directors of the Company.

The professional solvency of the partners and working group of Price that has been performing the external audit in Telecom and the knowledge acquired of the Company, its accounts and internal controls, make advisable their continuity in the position, due to the accumulated experience, added to the proven independence and efficiency with which it has performed its functions, that constitute an important support for their performance in the new fiscal year.

2) Opinion of the proposal of compensation of the Board of Directors of Fiscal Year 2005 and advance payments for those to perform during Fiscal Year 2006.

The Board of Directors has the intention to propose to the Shareholders Meeting to allocate a total remuneration of P\$1,720,000 to be distributed among independent directors or those that have performed special tasks, in the manner to be decided by the Board of Directors, having to consider that the Directors Mr. Oscar C. Cristianci, Mr. Jorge Firpo and Mr. Gerardo Werthein, as well as Mr. Alberto Y. Messano that acted as Director up to August 2005 have resigned to perceive any remuneration for their performance during fiscal year 2005.

Furthermore, it would propose to the Shareholders Meeting to authorize the Board of Directors to make advance payments up to an amount of P\$1,900,000 to the directors that during the fiscal year that ends in December 31, 2006 perform as independent directors or that perform technical-administrative or special tasks, authorizing to increase such amount in the case of inflation.

Table of Contents

Item 1

In accordance to Article 15 Section e) of Decree N°677/01, the Audit Committee has to issue an opinion with respect to the reasonability of the proposal. In order to evaluate the proposal, a comparison of the amount proposed by the Board of Directors with remunerations paid to independent directors of other locally and internationally listed Argentine corporations, as the case of Telecom, having requested this information to a specialized firm. Based on this information, the remuneration proposed by the Board of Directors seems reasonable.

Notwithstanding, the three members of the Audit Committee are independent directors and have taking into account the resignation to perceive fees by the remaining directors, they would be receiving the entire amount of the fees determined by the Shareholders Meeting for the Board of Directors. Therefore, they have requested the Surveillance Committee to pronounce itself with respect to this issue, receiving an opinion in this manner:

Buenos Aires, March 27, 2006

Members of the Audit Committee

of Telecom Argentina S.A.

Dear Sirs;

In our role as acting members of the Surveillance Committee of Telecom Argentina S.A. (the Company) and with respect to your request, we have considered the reasonability of the amount of fees that the Board of Directors would propose to the Shareholders Meeting as remuneration for the independent directors as well as to the members of the Audit Committee for fiscal year 2005 (P\$1,720,000).

We have compared the proposed remuneration to that paid by the Company in previous fiscal years and with fees paid by other similar corporations, in accordance to the information received by a specialized independent firm.

Our evaluation indicates that the remuneration proposed by the Board of Directors for independent directors that acted during fiscal year 2005 seems adequate in the terms of the Article 2^a Subsection D) of Chapter III of the Comisión Nacional de Valores Regulation, taking into account the responsibilities, representations, technical tasks, dedication, competence and professional reputation of the independent directors that would perceive such fees and the market value of their services.

We also judge reasonable the proposal to empower the Board of Directors to perform advances to the independent directors or to those that perform special tasks during fiscal year 2006, up to an amount of P\$1,900,000.-, as it is the market practice.

Yours sincerely,

Signed by Enrique Garrido, Gerardo Prieto, Silvia G. Poratelli.

Due to the above mentioned, and to that expressed by the Surveillance Committee, we understand that in the case to be approved by the Shareholders Meeting as one of the points of the Agenda, in accordance to the Chapter III of the Regulation of the *Comisión Nacional de Valores*, the payment of the proposed fee by the Board of Directors will not violate any law, regulation or statute applicable to the Company, resulting reasonable and adequate to market levels.

S.R.L. for their services as External Auditors of the Financial Statements of Telecom Argentina S.A. corresponding to fiscal year 2005 of P\$890,000 , without VAT, and has requested the opinion of the Audit Committee regarding the reasonability of such proposal.

The Audit Committee considers that the fees are appropriate taking into account the importance, magnitude and quality of the tasks performed by the External Auditors, and the proposed fees are within the range of fees approved by other listed companies, with similar characteristics of Telecom; it concludes that the sum of P\$890,000 that the Board of Directors would propose to the Shareholders Meeting is deemed reasonable.
