Consolidated Notes to Financial Statements

March 31, 2007 and 2006

(Unaudited)

1. Nature of the Business

Alliance HealthCard is a national health-care savings organization that creates, markets, and distributes membership savings programs to predominantly underserved markets where individuals either have limited health benefits, or no insurance. These markets may vary widely, from senior populations with Medicare who have no prescription benefits to part-time employees and the uninsured looking for lower cost medical services and access to providers.

On February 28, 2007, Alliance HealthCard, Inc. (the Registrant) consummated the merger by and among the Registrant; AHC Benefit Marketing Acquisition, Inc., an Oklahoma corporation and a wholly-owned subsidiary of the Registrant (Merger Sub); BMS Holding Company, Inc., an Oklahoma corporation (BMS); the subsidiaries of BMS; and the stockholders of BMS (the BMS Stockholders). The Registrant previously filed a copy of the Merger Agreement as an exhibit to its Current Report on Form 8-K dated January 3, 2007. In connection with the Merger, BMS merged with and into Merger Sub, with Merger Sub continuing as the surviving entity as a wholly-owned subsidiary of the Registrant. The purchase was accounted for as a reverse merger with Alliance HealthCard as the legal acquirer and Merger Sub (BMS) as the accounting acquirer.

BMS was formed in February 2002 and is a national membership program benefits organization that designs, markets, and distributes membership programs for rental-purchase companies, financial organizations, employer groups, retailers and association-based organizations. These membership programs are sold as part of a point-of-sale transaction or through direct marketing efforts. BMS is the largest club provider in the rent-to-own (RTO) market space. The membership plans are sold through more than 4,500 locations in the U.S. and Puerto Rico.

2. Summary of Significant Accounting Policies

The accompanying financial statements are un-audited and have been prepared by management of the Company in accordance with the rules and regulations of the Securities and Exchange Commission. The un-audited financial information furnished herein in the opinion of management reflects all adjustments, which are of a normal recurring nature, that are necessary to fairly state the Company's financial position, the results of its operations and its cash flows. For further information, refer to the financial statements and footnotes for the year ended September 30, 2006 thereto included in the Company's Form 8K filed on March 6, 2007. Footnote disclosures, which would substantially duplicate the disclosure contained in those documents, have been omitted.

3. Principles of Consolidation

The financial statements presented for 2007 are inclusive of the BMS statements for the six months ended March 31, 2007 and Alliance HealthCard for the one month ended March 31, 2007. All significant inter-company accounts and transactions have been eliminated. The merger was accounted for as a reverse merger with BMS considered to be the acquirer. Therefore, the BMS financial statements are presented for the prior-year interim periods.

4. Goodwill and Intangible Assets

The Company accounts for acquisitions of businesses in accordance with SFAS No. 141, Business Combinations (SFAS 141). Goodwill in such acquisitions represents the excess of the cost of a business acquired over the net of the amounts assigned to assets acquired, including identifiable intangible assets and liabilities assumed. SFAS 141 specifies criteria to be used in determining whether intangible assets acquired in a business combination must be recognized and reported separately from goodwill. Amounts assigned to goodwill and other identifiable intangible assets are based on independent appraisals or internal estimates.

Table of Contents

The Company accounts for recorded goodwill and other intangible assets in accordance with SFAS No. 142, Goodwill and Other Intangible Assets (SFAS 142). In accordance with SFAS 142, the Company does not amortize goodwill. Management evaluates goodwill for impairment for each reporting period. If considered impaired goodwill will be written down to fair value and a corresponding impairment loss recognized. The Company has recorded \$9,193,789 for goodwill in connection with the merger consummated on February 28, 2007.

5. Stock Options

In accordance with the provisions of the Financial Accounting Standards Board (FASB) published Statement of Financial Standards No. 123 (revised 2004) Share-Based Payment (SFAS 123R), the Company measures stock-based compensation expense as the excess of the market price on date of grant over the amount of the grant. The Company grants stock-based compensation at the market price on the date of grant.

The provisions of SFA 123R became generally accepted accounting principles on January 1, 2006. As permitted, prior to the effectiveness of SFAS 123R, the Company elected to adopt only the disclosure provisions of SFAS No. 123, Accounting for Stock-based Compensation.

6. Notes Payable

In connection with the Merger, three promissory notes (the Notes and each a Note) were made and issued by Registrant to each of Danny C. Wright, Brett Wimberley and Susan Matthews in the aggregate amount of \$7,147,000. The notes have been recorded at a discount of 6.5% for a total of \$6,666,417. The Wright Note and the Wimberley Note were each in the principal amount of \$2,858,800 and the Matthews Note was in the principal amount of \$1,429,400. Commencing on March 1, 2007, the Notes bear interest on the unpaid principal balance at one percent (1%) per annum (the Contract Rate) with such interest payable quarterly. The principal and interest on the Notes is required to be paid in twelve equal quarterly installments, commencing on May 15, 2007, and payable on each August 14, November 14, February 14, and May 15 thereafter through February 14, 2010. However, if the Registrant s consolidated earnings before income taxes, depreciation, and amortization (Adjusted Earnings) for any of the fiscal years ending on September 30, 2007, 2008, or 2009 is less than \$4.2 million, then the principal amount of the Notes will be reduced by the same percentage by which Adjusted Earnings for such fiscal year falls short of the \$4.2 million amount. The reduced principal amount of the Notes will be due in equal payments due on the remaining installment payment dates. Payment of the outstanding balance of the Notes may be accelerated if any payment due thereunder is not made within five days of the due date.

ITEM 2. MANAGEMENT S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Certain information included in this Quarterly Report on Form 10-Q contains, and other reports or materials filed or to be filed by the Company with the Securities and Exchange Commission (as well as information included in oral statements or other written statements made or to be made by the Company or its management) contain or will contain, forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, Section 27A of the Securities Act of 1933, as amended and pursuant to the Private Securities Litigation Reform Act of 1995. Such forward-looking statements may relate to financial results and plans for future business activities, and are thus prospective. Such forward-looking statements are subject to risks, uncertainties and other factors that could cause actual results to differ materially from future results expressed or implied by such forward-looking statements. Among the important factors that could cause actual results to differ materially from those indicated by such forward-looking statements are competitive pressures, loss of significant customers, the mix of revenue, changes in pricing policies, delays in revenue recognition, lower-than-expected demand for the Company s products and services, business conditions in the integrated health care delivery network market, inability to, or delays in integrating the businesses of BMS and the former alliance HealthCard or a failure to realize the anticipated benefits of the merger, general economic conditions, and the risk factors detailed from time to time in the Company s periodic reports and registration statements filed with the Securities and Exchange Commission. Any forward-looking statements are made pursuant to the Private Securities Litigation Reform Act of 1995 and as such speak only as of the date made.

Results of Operations

Alliance is a national health-care savings organization that creates, markets, and distributes membership savings programs to predominantly underserved markets where individuals either have limited health benefits, or no insurance. These markets may vary widely, from senior populations with Medicare who have no prescription benefits to part-time employees and the uninsured looking for lower cost medical services and access to providers.

On February 28, 2007, Alliance HealthCard, Inc. (Alliance) consummated a merger (the Merger) by and among Alliance, AHC Benefit Marketing Acquisition, Inc., an Oklahoma corporation and a wholly-owned subsidiary of Alliance (Merger Sub); BMS Holding Company, Inc., an Oklahoma corporation (BMS). As a result of the Merger, BMS merged with and into Merger Sub, with Merger Sub continuing as the

Edgar Filing: ALLIANCE HEALTHCARD INC - Form 10QSB

surviving entity as a wholly-owned subsidiary of Alliance. Although in form Alliance acquired BMS, as a result of the Merger the outstanding shares of BMS common stock were converted into 10,000,000 shares of common stock of Alliance representing 69% of the total number of shares of common stock of Alliance outstanding following the Merger. Three promissory notes (the Notes and each a Note) were made and issued by Registrant to each of Danny C. Wright, Brett Wimberley and Susan Matthews in the aggregate amount of \$7,147,000. The notes have been recorded at a discount of 6.5% for a total of \$6,666,417. The Wright Note and the Wimberley Note were each in the principal amount of \$2,858,800 and the Matthews Note was in the principal amount of \$1,429,400. Commencing on March 1, 2007, the Notes bear interest on the unpaid principal balance at one percent (1%) per annum (the Contract Rate) with such interest payable quarterly. The principal and interest on the Notes is required to be paid in twelve equal quarterly installments, commencing on May 15, 2007, and payable on each August 14, November 14, February 14, and May 15 thereafter through February 14, 2010. However, if the Registrant's consolidated earnings before income taxes, depreciation, and amortization (Adjusted Earnings) for any of the fiscal years ending on September 30, 2007, 2008, or 2009 is less than \$4.2 million, then the principal amount of the Notes will be reduced by the same percentage by which Adjusted Earnings for such fiscal year falls short of the \$4.2 million amount. The reduced principal amount of the Notes will be due in equal payments due on the remaining installment payment dates. Payment of the outstanding balance of the Notes may be accelerated if any payment due thereunder is not made within five days of the due date. Accordingly, for accounting and financial statement purposes the Merger is being treated as an acquisition of Alliance by BMS under the purchase method of accounting. The assets and liabilities of Alliance as of the date of the Merger were recorded at their fair values and added to those of BMS, including \$9,193,789 for goodwill representing the difference between the deemed purchase price of Alliance and the fair value of identifiable net assets. Financial statements of the combined companies (referred to herein as the Registrant) issued after the Merger will be the historical statements of BMS, with inclusion of the operations of Alliance only in the periods subsequent to the Merger. BSM financial statements will not be restated retroactively to reflect the historical financial position or results of operations of Alliance for periods prior to the Merger. Although the historical statements are those of BMS, the Registrant will use Alliance's fiscal year which ends September 30.

BMS was formed in February 2002 and is a national membership program benefits organization that designs, markets, and distributes membership programs for rental-purchase companies, financial organizations, employer groups, retailers and association-based organizations. These membership programs are sold as part of a point-of-sale transaction or through direct marketing efforts. BMS is the largest club provider in the rent-to-own (RTO) market space. The membership plans are sold through more than 4,500 locations in the U.S. and Puerto Rico.
