Luxembourg / Rotterdam June 29, 2007 Mittal Steel Company N.V. (Mittal Steel) today announces the publication of the legal documentation for its merger with ArcelorMittal, a Luxembourg subsidiary. This is the first step of the previously-announced two-step merger process between Mittal Steel and Arcelor S.A.

In this first step, Mittal Steel will merge into its wholly-owned non-operating subsidiary ArcelorMittal. Mittal Steel shareholders will receive one ArcelorMittal share for each Mittal Steel class A or class B common share. Mittal Steel shareholders will be asked to vote on the merger at an extraordinary general meeting of shareholders to be held on Tuesday, August 28, 2007 in The Netherlands. If the merger is duly approved by Mittal Steel shareholders and all other conditions precedent have been satisfied or waived, the merger of Mittal Steel into ArcelorMittal is expected to be effected on or about Monday, September 3, 2007. Upon the effective date, the ArcelorMittal shares that will be issued in this first-step merger will be listed on the same exchanges as those on which Mittal Steel shares are currently traded.

The merger documentation comprises a merger proposal, an explanatory memorandum, a European Prospectus (for European shareholders) and a U.S. Proxy Statement / Prospectus (for U.S. shareholders).

The merger proposal and the explanatory memorandum are documents required by Dutch and Luxembourg corporate law. The two documents describe the terms and conditions of the merger, including the exchange ratio and include copies of the reports of the independent auditors. The European Prospectus and the U.S. Proxy Statement / Prospectus provide further detailed information on the background and rationale for the merger, the shares that are being issued by ArcelorMittal in the merger, the way in which Mittal Steel shareholders can cast their vote on the merger and financial and other disclosure relating to Mittal Steel. An unofficial English translation of the merger proposal, the official English version of the explanatory memorandum and copies of the reports of the independent auditors are included in both the European Prospectus and the U.S. Proxy Statement / Prospectus.

Mittal Steel shareholders are encouraged to obtain and read a copy of the European Prospectus or the U.S. Proxy Statement / Prospectus, and to vote at the extraordinary general meeting of shareholders on August 28, 2007.
