This prospectus supplement relates to the possible issuance of 1,398,068 shares of common stock of Kilroy Realty Corporation, a Maryland corporation (the "Company"), to the holders of common units representing limited partnership interests in Kilroy Realty L.P. and the possible resale of shares of common stock by these holders. Of the shares, 1,368,455 shares of common stock of the Company have been issued as of the date of this prospectus supplement. The holders identified in this prospectus supplement owned or currently own common limited partnership units and have tendered or may tender their common units to Kilroy Realty, L.P. for cash redemption. We will not receive any of the proceeds from the issuance of the common stock to the holders or from the resale of the shares by the holders.

Our common stock is listed on the New York Stock Exchange under the symbol "KRC". On October 19, 2007, the last reported sales price of our common stock on the New York Stock Exchange was \$61.76 per share.

Before you invest in our common stock, you should consider the risks discussed in "Risk Factors" included in the prospectus dated September 16, 2003 (the "base prospectus"), as amended or supplemented by our periodic reports and other filings with the Securities and Exchange Commission subsequent to that date and incorporated by reference into the registration statement of which the base prospectus is a part.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved these securities, or determined if this prospectus supplement is truthful or complete. Any representation to the contrary is a criminal offense.

SELLING STOCKHOLDERS

The selling stockholders are the persons who have received or may receive shares of our common stock registered pursuant to this registration statement in exchange for common units. The following table provides the names of the selling stockholders, the maximum number of shares of common stock issued or issuable to the selling stockholders in the exchange and the aggregate number of shares of common stock that will be owned by the selling stockholders after the exchange. The number of shares on the following table represents the number of shares of common stock into which common units held by the selling stockholders are exchangeable, including those shares that have been issued in exchanges effected to date. Since the selling stockholders may sell all, some or none of their shares, we cannot estimate the aggregate number of shares that the selling stockholders will offer pursuant to this prospectus supplement and the base prospectus or that the selling stockholders will own upon completion of the offering to which this prospectus supplement and the base prospectus relates.
