Telenor ASA's subsidiaries, Telenor East Invest and Telenor Mobile Communications AS (Telenor Mobile), have been involved in a series of litigation proceedings against VimpelCom and litigation and arbitration proceedings against members of the Alfa Group, including Altimo, since November 2005, including the following actions:

1. Telenor East Invest commenced a litigation proceeding against VimpelCom in the Moscow Arbitration Court in January 2006, in which Telenor East Invest sought to have the Court invalidate a resolution adopted by the extraordinary general meeting of shareholders of VimpelCom held in September 2005 purporting to approve VimpelCom's acquisition of Closed Joint Stock Company Ukrainian Radio Systems (URS). The Moscow Arbitration Court, the Ninth Appellate Business (Arbitration) Court and the Federal Business (Arbitration) Court for the Moscow District subsequently ruled against Telenor East Invest. On February 5, 2007, Telenor East Invest filed an appeal with the Supreme Arbitration Court of the Russian Federation. In March 2007, this appeal was transferred to the Presidium of the Supreme Arbitration Court, the highest commercial court in the Russian Federation, for supervisory review. Telenor East Invest received a copy of an order dated March 13, 2007 of the Supreme Arbitration Court stating that the ... decisions [of the lower courts] taken in the case are inconsistent with the uniform interpretation and application of rules of law by business courts and this is a ground for referring the case to the Presidium . In June 2007, a hearing was held at the Presidium at which the Presidium, notwithstanding the prior finding by the

⁴ Phantom Shares are Phantom American Depositary Shares (ADSs), each representing one-twentieth of one share of VimpelCom common stock. Phantom Shares do not involve actual ADSs or shares of VimpelCom common stock but may be redeemed for cash under certain circumstances, as more fully described in Item 6. Directors, Senior Management and Employees B. Compensation of VimpelCom's Annual Report on Form 20-F for the year ended December 31, 2006.

⁵ Mr. Rusten receives in addition free local housing and has the use of a company car in Budapest. As an expatriate, Mr. Rusten's Norwegian taxes are covered by Telenor ASA. This cost is not reflected in the above figure.

Supreme Arbitration Court that the lower court rulings were incorrect, upheld the lower court rulings and dismissed Telenor East Invest's claim, but did not provide an explanation for its decision. In July 2007, the Presidium issued a written decision, in which it cited the principal of legal certainty and ensuring the stability of business as its principal rationale for affirming the lower court rulings challenged by Telenor East Invest.

2. Telenor East Invest commenced a litigation proceeding against VimpelCom, Karino Trading Ltd., Grovepoint Trading Limited, Densitron Enterprises Limited, Casburt Traders & Investors Limited, Agartek Investments Limited and Mordechai Korf, the purported sellers of URS, in the Moscow Arbitration Court in January 2006, in which Telenor East Invest sought to invalidate VimpelCom's acquisition of URS on the basis of various violations of Russian law and VimpelCom's charter. The Moscow Arbitration Court, the Ninth Appellate Business (Arbitration) Court and the Federal Business (Arbitration) Court for the Moscow District subsequently ruled against Telenor East Invest and, in December 2007, in light of the July 2007 ruling of the Presidium in the first of the three cases filed by Telenor East Invest in relation to VimpelCom's acquisition of URS and the Supreme Arbitration Court's April 2007 refusal to hear Telenor East Invest's appeal in a related case filed by Telenor East Invest, Telenor East Invest elected not to appeal the lower court rulings to the Supreme Arbitration Court.

3. Telenor East Invest commenced a litigation proceeding against VimpelCom in the Moscow Arbitration Court in January 2006, in which Telenor East Invest sought the invalidation of the decision of VimpelCom's General Director, Alexander Izosimov, to acquire URS. The Moscow Arbitration Court, the Ninth Appellate Business (Arbitration) Court and the Federal Business (Arbitration) Court for the Moscow District subsequently ruled against Telenor East Invest. Telenor East Invest filed an appeal with the Supreme Arbitration Court of the Russian Federation in March 2007. In April 2007, a three judge panel of the Supreme Arbitration Court denied Telenor East Invest's request that the case be referred to the Presidium for review.

4. In November 2005, Telenor East Invest commenced an arbitration proceeding against Alfa Group members, Eco Telecom, Eco Holdings Limited (Eco Holdings) and CTF Holdings Limited (CTF), in respect of Eco Telecom's breaches of the VimpelCom Shareholders Agreement, and Eco Holdings and CTF's breaches of the Guarantee Agreement dated as of May 30, 2001 between Eco Holdings, CTF, VimpelCom, OAO VimpelCom-Region and Telenor East Invest. The arbitration proceeding has been conducted under the UNCITRAL Arbitration Rules, and the seat of arbitration is Geneva, Switzerland. The arbitration tribunal rendered an interim award in Telenor East Invest's favor on January 25, 2007 and clarified certain aspects of its interim award on January 29, 2007. The arbitration tribunal rendered a final award in Telenor East Invest's favor on December 22, 2007 and clarified certain aspects of its final award on December 31, 2007. The parties are currently awaiting a further clarification of the final award, which the arbitration tribunal has indicated it intends to issue on January 18 or January 21, 2008.

5. In February 2006, Telenor Mobile commenced an arbitration proceeding (the Kyivstar Arbitration) against Alfa Group subsidiary, Storm LLC (Storm), in respect of Storm s breaches of the Shareholders Agreement dated January 30, 2004 between Telenor Mobile, Storm and Closed Joint Stock Company Kyivstar G.S.M. (Kyivstar). The Kyivstar Arbitration was conducted under the UNCITRAL Arbitration Rules, and the seat of arbitration was New York, New York. On October 25, 2006, the arbitration tribunal issued an interim award, holding that it had jurisdiction to hear the dispute. During the period in which the Kyivstar Arbitration was ongoing, various Alfa Group affiliates engaged in litigation proceedings in Ukraine aimed at preventing the Kyivstar Arbitration from going forward. The arbitration tribunal issued a final award in Telenor Mobile s favor on August 1, 2007. Telenor Mobile thereafter sought an order from the United States District Court for the Southern District of New York (the Court) confirming the final award, and Storm sought an order vacating that award. On November 2, 2007, the Court granted Telenor Mobile s motion, and denied Storm s cross motion, confirmed the final award in its entirety and ordered Storm to comply with it, stating that Storm had made repeated efforts to renege on its agreement and to torpedo the proceeding by collusive and vexatious litigation. Telenor Mobile Communications AS v. Storm LLC, 2007 WL 3274699 at *33 (S.D.N.Y. Nov. 2, 2007). On November 6, 2007, Storm appealed to the United States Court of Appeals for the Second Circuit from the Court s November 2 order. On November 28, 2007, Storm moved before the Court of Appeals for a stay pending appeal of the Court s November 2 order. On November 29, 2007, a single judge of the Court of Appeals granted a temporary stay until Storm s motion for a stay pending appeal could be heard by a three judge panel of the Court of Appeals. That motion was heard on December 18, 2007, and on December 20, 2007, Storm s motion for a stay pending appeal was denied.

6. In November 2006, Storm filed a claim in Supreme Court, New York County, seeking, among other things, to enjoin the Kyivstar Arbitration. Telenor Mobile immediately removed this case to the Court and subsequently counterclaimed against Storm and its affiliates, Alpren Limited (Alpren) and Altimo, seeking a preliminary anti-suit injunction against Storm, Alpren and Altimo, prohibiting them from hindering, disrupting or delaying the Kyivstar Arbitration. The Court granted Telenor Mobile a temporary restraining order against Storm, Alpren and Altimo on December 7, 2006, and on December 15, 2006, granted Telenor Mobile the preliminary anti-suit injunction that it sought. On December 18, 2006, the Court issued a formal order in respect of its injunction against Storm, Alpren and Altimo, in the form requested by Telenor Mobile. Alpren and Altimo appealed the Court s decision and order to the United States Court of Appeals for the Second Circuit. The parties subsequently agreed that, in view of the Court s November 2 order, Alpren and Altimo s appeal was moot, and the appeal and the underlying action were dismissed on consent in January 2008.

7. In June 2007, Telenor East Invest commenced a litigation proceeding against Altimo, Eco Telecom, CTF and two other Alfa Group members, Crown Finance Foundation and Rightmarch Limited, (collectively, the Alfa Defendants) in the United States District Court for the Southern District of New York, alleging that the Alfa Defendants had, among other things, violated various United States securities laws and engaged in open market purchases of VimpelCom securities while in possession of

material non-public information concerning VimpelCom's financial results, Telenor East Invest AS v. Altimo Holdings & Investments Limited et al., 07 CV 4829 (S.D.N.Y.). That proceeding is ongoing.

Golden Telecom and Telenor provide telecommunications services to one another in the ordinary course of their respective businesses, as is reflected in Note 13 to Golden Telecom's Consolidated Financial Statements attached to Golden Telecom's Form 10-K for the year ended December 31, 2006. Telenor and Altimo have engaged in transactions that could be considered related party transactions with respect to VimpelCom, as is disclosed in VimpelCom's Form 20-F for the year ended December 31, 2006 under the caption "Item 7 Major Shareholders and Related Party Transactions B. ITEM 7. PURPOSES, ALTERNATIVES, REASONS AND EFFECTS.

(a) PURPOSES

The information set forth in the Offer to Purchase under the captions SUMMARY TERM SHEET ; SPECIAL FACTORS Background of the Offer and the Merger ; SPECIAL FACTORS Position of the Company Regarding the Fairness of the Offer and the Merger ; SPECIAL FACTORS Purposes and Reasons of Parent, Merger Sub and VimpelCom ; SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger is incorporated herein by reference.

The Offer and the Merger may be deemed to constitute a going private transaction under the Commission's regulations, and any exercise by Merger Sub of the Top-Up Option, if granted, and any open market purchases effected by Parent or Merger Sub following completion of the Offer may be considered steps in a going private transaction. If the Merger is completed, the Company will become a subsidiary of Parent and an indirect subsidiary of VimpelCom. To the extent that the Offer and the Merger may be deemed to constitute a going private transaction, Telenor, as a significant stockholder of both the Company and VimpelCom, could be deemed to be engaged in the going private transaction and may be required to express its reasons for the Offer, the

Merger and any of the other described transactions to the Company's unaffiliated stockholders (meaning the Company's stockholders other than Telenor, Altimo and their respective affiliates). Telenor is making the statements included under this Item 7(a) solely for the purposes of complying with the requirements of Rule 13e-3 and the related rules under the Exchange Act.

Telenor has not yet formed an intention as to whether it will tender its shares of the Company's common stock in the Offer, nor has Telenor made any recommendation in support of or in opposition to the transaction. It is Telenor's intention that, prior to the expiration of the Offer, it will determine whether to tender its shares. Upon making a determination regarding tendering its shares of the Company's common stock in the Offer, Telenor will provide disclosure concerning the purpose and reasons for Telenor's decision to participate in the Offer.

(b) ALTERNATIVES

The information set forth in the Offer to Purchase under the captions "SPECIAL FACTORS Background of the Offer and the Merger"; "SPECIAL FACTORS Position of the Company Regarding the Fairness of the Offer and the Merger"; "SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger" and "SPECIAL FACTORS Effects on the Company if the Offer is Not Consummated" is incorporated herein by reference.

Telenor has not considered alternative means to accomplish the Offer or the Merger.

(c) REASONS

The information set forth in the Offer to Purchase under the captions "SUMMARY TERM SHEET"; "SPECIAL FACTORS Background of the Offer and the Merger"; "SPECIAL FACTORS Position of the Company Regarding the Fairness of the Offer and the Merger"; "SPECIAL FACTORS Purposes and Reasons of Parent, Merger Sub and VimpelCom"; and "SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger" is incorporated herein by reference.

Telenor has not yet formed an intention as to whether it will tender its Shares in the Offer, nor has Telenor made any recommendation in support of or in opposition to the transaction. It is Telenor's intention that, prior to the expiration of the Offer, it will determine whether to tender its Shares. Upon making a determination regarding tendering its Shares in the Offer, Telenor will provide disclosure concerning the purpose and reasons for Telenor's decision to participate in the Offer. As discussed in response to Item 7(a) above, Telenor is making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and the related rules under the Exchange Act.

(d) EFFECTS

The information set forth in the Offer to Purchase under the captions SUMMARY TERM SHEET ; SPECIAL FACTORS Background of the Offer and the Merger ; SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger ; SPECIAL FACTORS Certain Effects of the Offer and the Merger ; SPECIAL FACTORS Effects on the Company if the Offer is Not Consummated ; SPECIAL FACTORS The Merger Agreement ; and THE TENDER OFFER 5. Certain United States Federal Income Tax Considerations is incorporated herein by reference. In addition, the Merger Agreement is incorporated herein by reference to Exhibit 2.1 of Golden Telecom's Form 8-K filed with the Commission on December 21, 2007.

ITEM 8. FAIRNESS OF THE TRANSACTION.

(a) FAIRNESS

The information set forth in the Offer to Purchase under the captions SPECIAL FACTORS Background of the Offer and the Merger ; SPECIAL FACTORS Position of the Company Regarding the Fairness of the Offer and the Merger ; SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger ; SPECIAL FACTORS Purposes and Reasons of Parent, Merger Sub and VimpelCom ; and SPECIAL FACTORS Position of Parent, Merger Sub and VimpelCom as to Fairness is incorporated herein by reference.

Telenor, through its affiliates, is a significant stockholder of both the Company and VimpelCom and Telenor's officers serve on both the Company's board of directors and the VimpelCom's Board. Accordingly, if the Offer and the Merger are deemed to constitute a going private transaction, then Telenor could be deemed to be engaged in the going private transaction and may be required to express its beliefs as to the fairness of the Offer and the Merger to the Company's unaffiliated stockholders. Telenor is making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and the related rules under the Exchange Act.

Telenor's views as to the fairness of the Offer and the Merger should not be construed as a recommendation to any stockholder as to whether to tender its shares of the Company's common stock into the Offer. Telenor has interests in the Offer and the Merger that are different from, and in addition to, the Company's unaffiliated stockholders generally, as described in more detail in the Offer to Purchase under the caption SPECIAL FACTORS Interests of Altimo and Telenor in the Offer and the Merger, which is incorporated herein by reference. The interests of the Company's stockholders that are unaffiliated with Parent, Merger Sub, VimpelCom or VimpelCom's affiliates (including Telenor and Altimo) were represented by the Company's special committee of independent directors that negotiated with Parent, Merger Sub and VimpelCom on an arm's-length basis on their behalf, with the assistance of independent legal and financial advisors.

Telenor did not participate in the deliberation process of the Company's special committee of independent directors, nor did it participate in the conclusions of the special committee of independent directors that the Offer and the Merger were fair to the Company's unaffiliated stockholders. Further, Telenor did not engage a financial advisor to independently evaluate the fairness of the Offer or the Merger. Although officers of Telenor who serve on the Company's board of directors participated in meetings at which the Company's and the special committee's legal advisors and the special committee's financial advisors made presentations, Telenor did not receive advice from the Company's or the special committee's legal or financial advisors as to the substantive and procedural fairness of the proposed Offer or the proposed Merger. However, Telenor believes that the Offer and the Merger are substantively and procedurally fair to the stockholders unaffiliated with Parent, Merger Sub, VimpelCom or VimpelCom's affiliates (including Telenor), based upon the factors described in Item 8(b) below.

(b) FACTORS CONSIDERED IN DETERMINING FAIRNESS

Telenor's belief stated in Item 8(a) above is based upon the following factors:

Telenor's internal financial analysis of the fairness of the Offer to unaffiliated stockholders;

the factors considered by, and the findings of, the special committee of independent directors and the Company's board of directors with respect to the substantive fairness of the Offer and the Merger to such unaffiliated stockholders

as set forth in the Schedule 14D-9 under Item 4. The Solicitation or Recommendation Reasons for the Recommendation, which is incorporated herein by reference and which Telenor adopts (notwithstanding the fact that Telenor is not entitled to rely on the financial presentation or opinion of the Company's special committee's financial advisor);

the factors considered by, and the findings of, the Company's special committee of independent directors and the Company's board of directors with respect to the procedural fairness of the Offer and the Merger to such unaffiliated stockholders as set forth in the Schedule 14D-9, including the approval of the Offer and the Merger by the special committee of independent directors, the absence of a requirement that a majority of the Company's unaffiliated stockholders tender their shares of the Company's common stock into the Offer and the determination of the special committee of independent directors not to retain an unaffiliated representative to act on behalf of the Company's unaffiliated stockholders, as described in the Schedule 14D-9 under the caption Item 4. The Solicitation or Recommendation Reasons for the Recommendation, which is incorporated herein by reference and which findings and related analyses Telenor adopts (notwithstanding the fact that Telenor is not entitled to rely on the financial presentation or opinion of the special committee's financial advisor);

the \$105.00 per share in cash merger consideration contemplated by the Merger Agreement, and the other terms and conditions of the Merger Agreement, resulted from extensive arm's-length negotiations between the Company's special committee and its advisors, on the one hand, and Parent, Merger Sub and VimpelCom and their respective advisors, on the other hand;

the fact that the Company's special committee of independent directors consists solely of directors who are not officers of or affiliated with any of the Company's significant stockholders, including Nye Telenor and Sunbird Limited, an indirect subsidiary of Altimo;

the fact that the Company's special committee of independent directors received an opinion from its financial advisor as to the fairness, from a financial point of view, and as of the date of the opinion, of the offer price to be received in the Offer and the Merger, taken together, to holders of the Company's common stock (other than VimpelCom, Parent, Merger Sub, Telenor, Altimo, and their respective affiliates) (notwithstanding the fact that Telenor is not entitled to rely on the financial presentation or opinion of the special committee's financial advisor);

the fact that Parent, Merger Sub, VimpelCom, Telenor and Altimo did not participate in the deliberative process of, or the conclusions reached by, the Company's special committee of independent directors or the negotiating positions of the special committee; and

the Offer and the Merger will provide consideration to the Company's unaffiliated stockholders entirely in cash, which provides certainty of value.

The Company's special committee of independent directors and the Company's board of directors did not consider the net book value or liquidation value of the Company, the recent purchase prices paid by officers, directors and affiliates of the

Company for shares of the Company's common stock or any firm offers made for the Company during the last two years, for the reasons described in the Schedule 14D-9 under the caption "Item 4. The Solicitation or Recommendation - Reasons for the Recommendation," and, accordingly, Telenor did not consider these factors.

In addition, under a potential interpretation of the applicability of the rules governing "going private" transactions, any exercise by Merger Sub of the Top-Up Option, if granted, and any open market purchases effected by Parent, Merger Sub or VimpelCom following completion of the Offer could be deemed to be steps in a "going private" transaction. If such exercises by Merger Sub of the Top-Up Option were deemed to be steps in a "going private" transaction, Telenor believes that these exercises would be substantively and procedurally fair to the Company's unaffiliated stockholders based upon:

the Top-Up Option having been fully negotiated on an arm's-length basis with the Company's special committee and its advisors;

the fact that the exercise of the Top-Up Option would facilitate the earlier payment of the merger consideration to holders of the shares of the Company's common stock who did not tender their shares into the Offer;

the fact that the Top-Up Option would only be exercised at a time when Merger Sub owns at least 80% of the outstanding shares of the Company's common stock and, accordingly, would not affect the outcome of any vote of stockholders on the approval of the Merger;

the acquisition of the shares underlying the Top-Up Option would be made directly from the Company and not from any stockholder of the Company, and at a price equal to the offer price; and

the fact that such option is being fully disclosed in the Offer to Purchase.

If any open market purchases effected by Parent, Merger Sub or VimpelCom following completion of the Offer were deemed to be steps in a "going private" transaction, Telenor believes that these purchases would be substantively and procedurally fair to the Company's unaffiliated stockholders based upon:

the fact that these purchases would be made with the goal of facilitating the earlier payment of the merger consideration to holders of the shares of the Company's common stock that did not tender their shares into the Offer;

these purchases would be made in accordance with applicable law;

these purchases would be made at prevailing market prices and would be fully disclosed in accordance with applicable law; and

the possibility of such purchases being fully disclosed in the Offer to Purchase.

The foregoing discussion of the information and factors considered and given weight by Telenor in connection with the fairness of the Offer and the Merger, any exercise by Merger Sub of the Top-Up Option contemplated by the Merger Agreement and any open market purchases effected by Parent, Merger Sub or VimpelCom following completion of the Offer, is not intended to be exhaustive but is believed to include all

material factors considered by Telenor. Telenor did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching its position as to the fairness of these transactions. Telenor believes that these factors provide a reasonable basis for its belief that these transactions are fair to the Company's unaffiliated stockholders.
