**Item 1.01 Entry into a Material Definitive Agreement.**

In connection with the issuance by Digital Realty Trust, Inc. of 13,800,000 shares of its 5.500% series D cumulative convertible preferred stock, par value \$0.01 per share, on February 6, 2008, and the concurrent issuance by Digital Realty Trust, L.P. to Digital Realty Trust, Inc. of 13,800,000 series D preferred units, or the preferred units, Digital Realty Trust, Inc. entered into the Seventh Amended and Restated Agreement of Limited Partnership of Digital Realty Trust, L.P. The preferred units have substantially similar rights, preferences and other privileges as the 13,800,000 shares of the series D preferred stock. The Seventh Amended and Restated Agreement of Limited Partnership of Digital Realty Trust, L.P., dated as of February 6, 2008, is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated in this report by reference.

**Item 3.03 Material Modifications to Rights of Security Holders.**

On February 6, 2008, Digital Realty Trust, Inc. sold 13,800,000 shares of its series D preferred stock (including 1,800,000 shares of the series D preferred stock solely to fulfill over-allotments) to Citigroup Global Markets Inc. and Credit Suisse Securities (USA) LLC (collectively, the Underwriters), pursuant to an underwriting agreement dated January 31, 2008 among Digital Realty Trust, Inc., Digital Realty Trust, L.P. and the Underwriters. The following is a summary description of the powers, preferences and privileges of the holders of the series D preferred stock and the general effect of the issuance of such shares on Digital Realty Trust, Inc.'s other classes of securities holders.

The series D preferred stock ranks, with respect to dividend rights and rights upon voluntary or involuntary liquidation, dissolution or winding up of Digital Realty Trust, Inc., senior to Digital Realty Trust, Inc.'s common stock and on parity with Digital Realty Trust, Inc.'s 8.50% series A cumulative redeemable preferred stock, 7.875% series B cumulative redeemable preferred stock and 4.375% series C cumulative convertible preferred stock.

Digital Realty Trust, Inc. will pay cumulative dividends on the series D preferred stock at a rate of 5.500% per year of the \$25.00 liquidation preference (equivalent to an annual rate of \$1.375 per share). Dividends on the series D preferred stock are payable quarterly in arrears on the last calendar day of each March, June, September and December, beginning on March 31, 2008. Dividends will accrue and be cumulative from and including February 6, 2008, the first date on which shares of the series D preferred stock were issued.

If Digital Realty Trust, Inc. is liquidated, dissolved or wound up, holders of shares of the series D preferred stock will be entitled to receive a liquidation preference of \$25.00 per share, plus any accrued and unpaid dividends, up to but excluding the date of payment, before any payments are made to the holders of shares of Digital Realty Trust, Inc.'s common stock or holders of other shares of Digital Realty Trust, Inc. ranking junior to the series D preferred stock as to liquidation rights. The rights of the holders of shares of the series D preferred stock to receive their liquidation preference will be subject to the proportionate rights of each other series or class of Digital Realty Trust, Inc.'s capital stock ranking on parity with the series D preferred stock as to liquidation, including Digital Realty Trust, Inc.'s series A preferred stock, series B preferred stock and series C preferred stock.

The series D preferred stock is subject to Digital Realty Trust, Inc.'s right to redeem shares of the series D preferred stock in order to preserve its status as a real estate investment trust for federal income tax purposes, in whole or in part, at any time or from time to time, for cash at a redemption price equal to 100% of the \$25.00 liquidation preference of the series D preferred stock to be redeemed, plus all accrued and unpaid dividends up to, but not including, the date fixed for redemption.

Holders of shares of the series D preferred stock will generally have no voting rights. However, if Digital Realty Trust, Inc. is in arrears on dividends on the series D preferred stock for six or more quarterly periods, whether or not consecutive, holders of shares of the series D preferred stock (voting together as a class with the holders of all other classes or series of preferred stock upon which like voting rights have been conferred, including Digital Realty Trust, Inc.'s series A preferred stock, series B preferred stock and series C preferred stock, and are exercisable) will be entitled to vote at a special meeting called by at least 10% of such holders or at Digital Realty Trust, Inc.'s next annual meeting and each subsequent annual meeting of stockholders, for the election of two additional directors to serve on Digital Realty Trust, Inc.'s board of directors until all unpaid dividends with respect to the series D

preferred stock and any other class or series of parity preferred stock have been paid or declared or a sum sufficient for the payment thereof set aside for payment. In addition, Digital Realty Trust, Inc. may not make certain material and adverse changes to the terms of the series D preferred stock without the affirmative vote of the holders of at least two-thirds of the outstanding shares of the series D preferred stock together with the holders of all other shares of any class or series of preferred stock ranking on parity with the series D preferred stock with respect to the payment of dividends and distribution of assets upon Digital Realty Trust, Inc.'s liquidation that are entitled to similar voting rights, including Digital Realty Trust, Inc.'s series A preferred stock, series B preferred stock and series C preferred stock (voting together as a single class).

Holders may convert their shares of the series D preferred stock into shares of Digital Realty Trust, Inc.'s common stock subject to certain conditions. The conversion rate will initially be 0.5955 shares of common stock per \$25.00 liquidation preference, which is equivalent to an initial conversion price of approximately \$41.98 per share of common stock (subject to adjustment in certain events). On or after February 6, 2013, Digital Realty Trust, Inc. may, at its option, cause some or all of the series D preferred stock to be automatically converted into shares of common stock at the then-applicable conversion rate if (1) the closing sales price of Digital Realty Trust, Inc.'s common stock equals or exceeds 130% of the then applicable conversion price of the series D preferred stock for at least 20 trading days in a period of 30 consecutive trading days and (2) on or prior to the effective date of the conversion, Digital Realty Trust, Inc. has either declared and paid, or declared and set apart for payment, any unpaid dividends that are in arrears on the series D preferred stock.

If holders of shares of the series D preferred stock elect to convert their shares of the series D preferred stock in connection with a fundamental change that occurs on or prior to February 6, 2015, Digital Realty Trust, Inc. will increase the conversion rate for shares of the series D preferred stock surrendered for conversion by a number of additional shares determined based on the stock price at the time of such fundamental change and the effective date of such fundamental change, as set forth in the Articles Supplementary.

On or prior to February 6, 2015, in the event of a fundamental change when the applicable price of Digital Realty Trust, Inc.'s common stock described in the Articles Supplementary is less than \$35.73 per share, then holders of shares of the series D preferred stock will have a special right to convert some or all of their series D preferred stock on the fundamental change conversion date (as defined in the Articles Supplementary) into a number of shares of Digital Realty Trust, Inc.'s common stock per \$25.00 liquidation preference equal to such liquidation preference, plus an amount equal to accrued and unpaid dividends to, but not including, the fundamental change conversion date, divided by 98% of the market price (as defined in the Articles Supplementary) of Digital Realty Trust, Inc.'s common stock. In the event that holders of shares of the series D preferred stock exercise the special conversion right, Digital Realty Trust, Inc. has the right to repurchase for cash all or any part of the series D preferred stock as to which the conversion right was exercised at a repurchase price equal to 100% of the liquidation preference of the series D preferred stock to be repurchased plus an amount equal to accrued and unpaid dividends to, but not including, the fundamental change conversion date. If Digital Realty Trust, Inc. elects to exercise its repurchase right, holders of shares of the series D preferred stock will not have the special conversion right described above.

The foregoing description of the Articles Supplementary is a summary and, as such, does not purport to be complete and is qualified in its entirety by reference to the Articles Supplementary filed with the Maryland State Department of Assessments and Taxation on February 5, 2008, which Articles Supplementary is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference. A specimen certificate for the series D preferred stock is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.
