Item 2.02. Results of Operations and Financial Condition.

On April 28, 2008, Cott Corporation issued a press release reporting financial results for the three month period ended March 29, 2008. This press release is furnished herewith as Exhibit 99.1 to this Form 8-K and is incorporated by reference into this Item 2.02 as if fully set forth herein.

This filing is being amended to include a reconciliation of non-GAAP measures on Exhibit 5 to the press release.

Non-GAAP Measures

In this report, we present certain information regarding changes in our revenue excluding the impact of foreign exchange. We believe that this is a useful financial measure for investors in evaluating our operating performance for the periods presented, as when read in conjunction with our changes in revenue on a U.S. GAAP basis, it presents a useful tool to evaluate our ongoing operations and provides investors with an opportunity to evaluate our management of assets held from period to period. In addition, these adjusted amounts are one of the factors we use in internal evaluations of the overall performance of our business. This information, however, is not a measure of financial performance under U.S. GAAP and should not be considered a substitute for changes in revenue as determined in accordance with U.S. GAAP.

Item 9.01. Financial Statements and Exhibits.

- (d) Exhibits
- 99.1 Corrected press release dated April 28, 2008.
