Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Caitlin M. Larsen, Vice President and Assistant General Counsel of the Company, has delivered an opinion to the effect that the shares of Common Stock covered by this Registration Statement will be legally issued, fully paid and non-assessable.

As of June 23, 2008, Ms. Larsen did not beneficially own any shares of Common Stock, however, she held options to purchase 31,176 shares of Common Stock and held 23,129 restricted stock units, which represent the right to receive an equal number of shares of Common Stock in the future. Ms. Larsen is eligible to participate in the Plan.

Item 6. Indemnification of Directors and Officers.

Subsection 1 of Section 78.7502 of the Nevada Revised Statutes Annotated (the Nevada RSA) empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with the action, suit or proceeding if that person acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Subsection 2 of Section 78.7502 of the Nevada RSA empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by such person in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 78.7502 of the Nevada RSA further provides that to the extent a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections 1 and 2, or in defense of any claim, issue or matter therein, the corporation shall indemnify him or her against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection with the defense.

Section 78.751 of the Nevada RSA provides that any discretionary indemnification under Section 78.7502, unless ordered by a court or advanced, may be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances. The

determination must be made: (a) by the stockholders; (b) by the board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding; (c) if a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion; or (d) if a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion.

Section 78.751 of the Nevada RSA further provides that the indemnification provided for by Section 78.7502 shall not be deemed exclusive or exclude any other rights to which the indemnified party may be entitled and that the scope of indemnification shall continue as to directors, officers, employees or agents who have ceased to hold such positions, and to their heirs, executors and administrators. Section 78.752 of the Nevada RSA empowers the corporation to purchase and maintain insurance on behalf of a director, officer, employee or agent of the corporation against any liability asserted against such person or incurred by him or her in any such capacity or arising out of his or her status as such whether or not the corporation would have the power to indemnify such person against such liabilities under Section 78.7502.

The Company's Amended and Restated Articles of Incorporation (the "Articles") provide that no director or officer of the Company shall be personally liable to the Company or its shareholders for damages for breach of fiduciary duty as a director or officer, except for liability (i) for acts or omissions that involve intentional misconduct, fraud or a knowing violation of law or (ii) for the payment of dividends in violation of Section 78.300 of the Nevada RSA. The Articles further provide that if the Nevada RSA is amended to authorize the further elimination or limitation of the liability of directors or officers, then the liability of a director or officer of the Company shall be eliminated or limited to the fullest extent authorized by the Nevada RSA, as so amended.

The Company's Restated Bylaws (the "Bylaws") provide that the Company shall have the power to indemnify and hold harmless any current or former director, officer, agent or employee of the Company to the fullest extent authorized or permitted by Nevada law. Consistent with the power conferred to corporations under Section 78.751 of the Nevada RSA, the Bylaws further provide that Company shall have the power to pay the expenses of officers, directors, agents or employees incurred in defending a civil or criminal action, suit or proceeding as they are incurred and in advance of the final disposition of an action, suit or proceeding upon the receipt of an undertaking by or on behalf of the person seeking indemnification to repay the amount if it is ultimately determined by a court of competent jurisdiction that such person is not entitled to indemnification.

The Company also maintains indemnification agreements with its directors, indemnifying them against certain liabilities incurred by them in the performance of their duties, including liabilities under the Act. In addition, the Company has directors' and officers' liability insurance policies.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

A list of the exhibits included as part of this Registration Statement is set forth on the Exhibit Index and is hereby incorporated by reference thereto.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Act;

(ii)

Edgar Filing: TENET HEALTHCARE CORP - Form S-8

To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which,

individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
