**Item 1.01. Entry into a Material Definitive Agreement.**

Credit Agreement

On August 15, 2008 (the Closing Date), Allscripts Healthcare Solutions, Inc. (the Company) entered into an Amended and Restated Credit Agreement (the Credit Facility) among the Company, Allscripts, LLC, A4 Health Systems, Inc., A4 Realty, LLC and Extended Care Information Network, Inc. (ECIN), as Borrowers, and the other parties from time to time joined as additional Borrowers, JPMorgan Chase Bank, N.A., as the sole administrative agent (the Agent), J.P. Morgan Securities Inc., as sole lead arranger, and certain other financial institutions from time to time named therein. The Credit Facility amends and restates the credit facility entered into by the Borrowers on December 31, 2007 (the Original Credit Facility).

The Credit Facility provides for a total unsecured commitment of \$75 million, an increase of \$15 million from the Original Credit Facility, and matures on August 15, 2012. The Credit Facility is available in the form of letters of credit and revolving loans. As of August 15, 2008, \$50 million in borrowings were outstanding and \$0 million of letters of credit were outstanding under the Credit Facility. The \$50 million in borrowings were incurred on December 31, 2007 to finance the acquisition of ECIN. The interest rate for Credit Facility, including, if drawn, the Backstop (as defined below), will initially bear interest at LIBOR plus 1.625% and thereafter will be based upon the Company's leverage ratio as of the last day of the most recently ended fiscal quarter or fiscal year, commencing with the date of delivery of the Company's financial statements for the fiscal quarter ending after the Closing Date, pursuant to the terms of the Credit Facility.

The Credit Facility also provides a backstop facility of up to \$50 million (the Backstop) to be used to fund any repurchases of Allscripts 3.50% Convertible Senior Debentures arising by reason of the pending transactions with Misys plc (Misys). The Backstop, if drawn upon, will amortize in equal quarterly installments and mature on the second anniversary of such draw. The Credit Facility's lenders' obligation to provide the Backstop terminates upon the earliest to occur of: (i) the Business Day (as defined in the Credit Facility) immediately following the Change of Control Repurchase Date (as defined in the Indenture under which the Debentures were issued, which was filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on July 15, 2004), (ii) the date that is one-hundred and twenty (120) days after the date on which the Transactions (as defined below) are consummated, and (iii) if the Transactions have not been consummated on or before the Outside Date (as defined in the Credit Facility), the Outside Date.

The Credit Facility contains customary representations, warranties, covenants and events of default. The Credit Facility also contains certain financial covenants, including but not limited to, leverage and coverage ratios to be calculated on a quarterly basis.

A copy of the Credit Facility is attached to, and is incorporated by reference into, this Current Report on Form 8-K as Exhibit 10.1. The foregoing description of the Credit Facility is qualified in its entirety by reference to the full text of the Credit Facility.

The summary disclosure above is being furnished to provide information regarding certain of the terms of the Credit Facility. No representation, warranty, covenant or agreement

described in the summary disclosure or contained in the Credit Facility is, or should be construed as, a representation or warranty by Allscripts to any investor or covenant or agreement of Allscripts with any investor. The representations, warranties, covenants and agreements contained in the Credit Facility are solely for the benefit of the parties named or specified therein, may be subject to standards of materiality that differ from those that are applicable to investors and may be qualified by disclosures between the parties.

Relationship Agreement

As previously disclosed, on March 17, 2008, the Company and Misys plc ( Misys ) entered into a Relationship Agreement (the Relationship Agreement ) providing for certain governance matters prior to and after the consummation of the transactions (the Transactions ) contemplated by the Agreement and Plan of Merger dated as of March 17, 2008 by and among Misys, Misys Healthcare Systems, LLC, the Company and Patriot Merger Company, LLC. On August 14, 2008, Misys and Allscripts entered into a First Amendment to Relationship Agreement (the Relationship Agreement Amendment ). The Relationship Agreement contains anti-dilution protection for Misys in the event of issuances of Allscripts common stock, subject to limited exceptions, such as equity awards under Allscripts benefit plans up to a cap. The Relationship Agreement Amendment (i) increases the cap on the percentage of Fully Diluted Shares (as defined in the Relationship Agreement) available for equity awards by the Company after consummation of the Transactions to 1.8% (the Cap ) from 1.5%, (ii) clarifies that the measurement time for determining the number of shares available under the Cap is the close of business on the date the Transactions are consummated (the Misys Closing Date ) and (iii) clarifies that post-Transaction equity grants made be made following, but not prior to, the close of business on the Misys Closing Date.

A copy of the Relationship Agreement Amendment is attached to, and is incorporated by reference into, this Current Report on Form 8-K as Exhibit 10.2. The foregoing description of the Relationship Agreement Amendment is qualified in its entirety by reference to the full text of the Relationship Agreement Amendment.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth above in Item 1.01 of this Current Report on Form 8-K with respect to Credit Facility is incorporated by reference into this Item 2.03.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On August 15, 2008, the Company s Board of Directors amended Article II, Section 6 of the Company s by-laws to remove clause (b) thereof, relating to record dates for dividend payments, from the requirement that the record date for determining entitlement to a dividend be not more than sixty nor less than ten days, or in the case of a merger or consolidation, not less than twenty days prior to the date on which the particular action requiring such determination of stockholders is to be taken. In connection with the Transactions, Allscripts expects to pay a special cash dividend on the fifth business day following the Misys Closing Date to holders of record on the business day prior to the Misys Closing Date. If Allscripts stockholders approve the Transactions, this amendment was necessary for Allscripts to effect the special cash dividend

as contemplated. A copy of the amendment to the Company's By-Laws is attached to, and is incorporated by reference into, this Current Report on Form 8-K as Exhibit 3.1. The foregoing description of such amendment is qualified in its entirety by reference to the Exhibit 3.1.
