Item 4.01 Changes in Registrant's Certifying Accountant

As of November 19, 2008, the Registrant dismissed Pannell Kerr Forster of Texas, P.C. (PKF) as its independent registered public accounting firm as approved by the Audit Committee of the Board of Directors.

PKF had been or principal independent accountants and had reported on the financial statements for the fiscal years ended December 31, 2007 and 2006 and the interim periods through September 30, 2008. The audit report of PKF on the consolidated financial statements of Maxim Tep, Inc. as of and for the fiscal years ended December 31, 2007 and 2006 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to audit scope or accounting principles.

In connection with the audits of the Company's consolidated financial statements for the fiscal years ended December 31, 2007 and 2006 and through the date of this current report, there were: (1) no disagreements between Maxim and PKF on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of PKF, would have caused PKF to make reference to the subject matter of the disagreement in their report on Maxim's consolidated financial statements for such year, and (2) no reportable events within the meaning set forth in Item 304 of Regulation S-K.

Maxim provided PKF with a copy of this Current Report on Form 8-K/A before it was filed and requested that they furnish us a letter, addressed to the Securities and Exchange Commission, stating whether they agree with the information disclosed in this Current Report. A copy of the letter dated November 25, 2008, furnished by PKF in response to that request is filed herewith as Exhibit 16.1.

The Company is currently evaluating several qualified registered independent public accounting firms as their replacement which the Company expects to make a selection in the near term.
