Our Company

Founded in 1919 as a wholly owned subsidiary of General Motors Corporation (General Motors or GM), GMAC was originally established to provide GM dealers with the automotive financing necessary to acquire and maintain vehicle inventories and to provide retail customers the means by which to finance vehicle purchases through GM dealers. On November 30, 2006, GM sold a 51% interest in us for approximately \$7.4 billion (the Sale Transactions) to FIM Holdings LLC (FIM Holdings), an investment consortium led by Cerberus FIM Investors, LLC, the sole managing member. The consortium also includes Citigroup Inc., Aozora Bank Ltd., and a subsidiary of The PNC Financial Services Group, Inc. On December 24, 2008, GMAC s application to become a bank holding company under the Bank Holding Company Act of 1956, as amended, was approved by the Board of Governors of the Federal Reserve System. The terms GMAC , the company , we , and us refer to GMAC LLC and its subsidiaries as a consolidated entity, except where it is clear that the terms mean only GMAC LLC.

By investing in Demand Notes, you accept and agree to all provisions of the Program, as summarized in this Prospectus.

We may request a signature guarantee to add or change your registration, investment options or redemption options on your Demand Notes. A signature guarantee is obtainable from a bank or financial institution. The signature guarantee is designed to protect you and your Demand Notes from unauthorized changes by unauthorized persons. A notary stamp does not meet the requirement for a signature guarantee.

Administration

We have established a Demand Notes Committee consisting of persons appointed by the Executive Committee of GMAC's Board of Managers (the Demand Notes Committee). The members of the Demand Notes Committee do not receive any compensation for their services as such but they may be officers, directors or employees of GMAC or any of its subsidiaries. The Demand Notes Committee members serve at the pleasure of the Executive Committee of the Board of Managers until their resignation or removal from office by the Executive Committee.

Table of Contents

The Demand Notes Committee has the full power and authority to amend the Program, to interpret its provisions, to adopt rules and regulations in connection with the Demand Notes, and to set and adjust the rate of interest to be paid on the Demand Notes.

We have appointed the Bank of New York Mellon as Processing Agent to handle the day-to-day administration of the Demand Notes. See Processing Agent.

Interest Rate

The Demand Notes pay interest at a floating rate as determined by the Demand Notes Committee. The interest rate on the Demand Notes is subject to change on Friday of each week, with any change being effective the following Monday. In deciding on the interest rate, the Demand Notes Committee examines the level and the changes in interest rates that occur from time to time. However, at all times, the interest rate on the Demand Notes will be greater than the most recent seven-day average yield (simple) on taxable money market funds in the United States as published in the Money Fund Report Averages^(TM) All Taxable.³ You should note that Demand Notes are not a money market fund which is generally a diversified fund consisting of investments in short term debt securities of many companies. Demand Notes are solely the debt obligation of GMAC. The rate of interest paid for any period in the Demand Notes is not an indication or representation of future rates of interest to be paid on the Demand Notes. If in any week the Money Fund Report Averages^(TM) All Taxable is not available or publication of such seven-day average is suspended, the seven-day average yield at such time will be an approximately equivalent rate determined by the Demand Notes Committee. The Demand Notes Committee has the authority to provide for differing interest rates based on, among other criteria, the size of individual Demand Notes. The Demand Notes Committee has no present intention to have multiple interest rates; but if it decides to do so, you will be notified by mail.

Interest on the Demand Notes accrues in accordance with the provisions governing the different methods of investing in Demand Notes, as described under How to Invest. Interest on the Demand Notes is compounded daily, at the rate in effect each day, based on a 365-day year. During a leap year the interest on the Demand Notes is compounded daily, at the rate in effect each day, based on a 366-day year. Interest payable on the Demand Notes accrues daily and will be credited to your Demand Notes on the last day of each calendar month and, unless you have elected automatic monthly interest redemption, will be reinvested in additional Demand Notes. You may obtain the current interest rate at any time by calling 1-800-684-8823 or by accessing our website at www.demandnotes.com.

Fees

We will not charge you fees for checks, check redemptions or wire redemptions. You may, however, be charged a fee by your commercial bank or financial institution if you make an investment or receive a redemption amount by ACH or wire transfer. In addition, you may incur a charge in obtaining any applicable signature guarantee from the provider of the signature guarantee. We will charge you for fees for checks returned for insufficient funds, stop payment requests, the Bank of New York Mellon checks, checks written for less than the \$250 minimum requirement, statement processing, or similar administrative fees. These fees will be directly debited from your Demand Notes.

³ See Footnote 1 on the Prospectus Cover Page.

HOW TO INVEST

You may invest in Demand Notes at any time, without charge, by check, by wire transfer, by charge to your bank account (ACH) or by any other means permitted by the Demand Notes Committee. The minimum initial investment is \$1,000. To invest in a Demand Note, you must complete the required investment form and provide a personal check. The minimum amount for subsequent investments is \$50. You will be required to maintain a minimum \$1,000 investment balance in each of your Demand Notes see *Optional Redemptions By GMAC Investor Balance Below Demand Notes Minimum* on page 16 of this prospectus. All of your investments are required to be in U.S. dollars and investments by check must be drawn on a financial institution incorporated in the United States. We will reject all checks drawn on a foreign bank or a United States branch of a foreign bank.

The maximum balance of all your Demand Notes having the same social security or tax identification number cannot exceed \$15,000,000. We reserve the right to redeem at our sole discretion your Demand Notes for any amount in excess of \$15,000,000. Such amount redeemed will be in the form of a Bank of New York Mellon check (less a service fee) mailed to your address of record or an ACH transfer (using the designated bank instructions on file).

For purposes of the Demand Notes, a Business Day is a day on which the Bank of New York Mellon, Processing Agent, and the Federal Reserve Bank of Cleveland are fully open for business (a Business Day). We reserve the right at any time, and for any reason, to modify, suspend or terminate any of the investment methods described below.

Investments by Check

Your initial investment by check (personal checks only) must be accompanied by a properly completed investment form. Your subsequent investments by check must include your investor name and 14 digit Demand Notes number assigned to you by the Bank of New York Mellon. Initial and subsequent investments by check that are received and processed by the Processing Agent before 10 a.m. Eastern Time are invested in your Demand Notes on the same Business Day as your check is received. Your initial investment by check is to be made payable to GMAC Demand Notes and mailed to GMAC Demand Notes 154-0510, the Bank of New York Mellon, c/o Mellon Financial Corporation, P.O. Box 535030, Pittsburgh, PA 15253-5030. Box 535006, Pittsburgh, PA 15253-5006. Initial and subsequent investments by check that are received and processed by the Processing Agent after 10 a.m. Eastern Time are invested in your Demand Notes on the next Business Day after the date of the check's receipt. Interest begins to accrue on the day your check is invested. Neither the Processing Agent nor GMAC are responsible for delays in the receipt of checks mailed to the Bank of New York Mellon. **Your investment made by check is available for redemption on the sixth Business Day after the Processing Agent invests your check.** You can confirm the date your investment was made by calling the automated phone system of the Processing Agent at 1-800-684-8823 or by accessing the Demand Notes website at www.demandnotes.com.

Investments by Wire Transfer

Once you have made your initial Demand Notes investment, you may make subsequent investments by transferring funds via bank wire. You may instruct your bank to wire the funds to the Bank of New York Mellon (ABA No. 043000261). The bank wire must include the designation GMAC Demand Notes, your name (as registered on your Demand Notes) and address, your tax identification or social security number, and your 14-digit Demand Notes number. We charge no fees for the receipt of wire transfers or ACH credits; however, your commercial bank or financial institution may charge you a fee if you make an investment by wire transfer.

An investment by wire transfer of funds is invested in your Demand Notes on the Business Day the funds are received by the Processing Agent in proper form and begins to accrue interest on that day provided the funds have been received by the Processing Agent by 2:00 p.m. Eastern Time. Funds received after 2:00 p.m. Eastern Time are invested and begin to accrue interest on the next business day. Neither the Processing Agent nor GMAC is responsible for delays in the transfer and wiring of funds. **Your investment made by wire transfer is available for redemption on the same Business Day the Processing Agent invests your wire transfer into your Demand Notes.** You can confirm the date your investment was made by calling the automated phone system of the Processing Agent at 1-800-684-8823 or by accessing the Demand Notes website at www.demandnotes.com.

Table of Contents

Investments by Automatic Monthly, Periodic, or Adhoc Electronic Transfer from a Bank Account

You may elect to authorize the Processing Agent to make an automatic or adhoc monthly charge of \$50 or more from your personal banking account. Upon receipt of proper written authorization, the Processing Agent will prepare an electronic transfer drawn against your bank account for the amount authorized and on the Business Day you have requested. The proceeds from the electronic transfer are invested in your Demand Notes and begin to accrue interest on the same Business Day that the Processing Agent receives the electronic transfer. If the transfer day falls on a weekend, the transfer will be initiated on the next Business Day; provided, however, if such ACH auto investment is set for the last weekend of a month, the investment will be made on the last Business Day of that month.

You may elect up to two transfer dates for any amount of \$50 or more using up to two different bank accounts. **Your investments made by electronic transfer are available for redemption on the sixth Business Day after the Processing Agent invests your electronic transfer.** You can confirm the date your investment was made by accessing the Demand Notes website at www.demandnotes.com or by contacting the Processing Agent directly (or utilizing the available automated phone system) at 1-800-684-8823 (toll free).

To establish the automatic monthly or periodic charge to your checking account, you must elect this option(s) on your investment form or obtain the necessary authorization form directly from the Processing Agent or from our website at www.demandnotes.com. You may change the amount(s) or day of transfer of your automatic monthly investment (subject to the \$50 monthly minimum) or terminate your automatic or periodic investment entirely at any time by providing written notice to the Processing Agent. Your notice is effective as soon as practicable after its receipt by the Processing Agent. There is a 10 business day set-up period each time you add, change or terminate the banking instruction(s) for either of the above investment options.

A COMPLETE DISCUSSION OF YOUR RIGHTS AND RESPONSIBILITIES IF YOU USE ELECTRONIC FUNDS TRANSFERS IS CONTAINED IN APPENDIX A HERETO.

Investments by Direct Investment of Net Paycheck, Pension or Social Security Check

You may elect to invest in Demand Notes by instructing your place of employment, or the Social Security Administration, to invest your entire paycheck, pension, social security or other recurring check directly into your Demand Notes. Interest begins to accrue on the day your investment is received. **Your investment by direct investment of net paycheck, pension or social security check is available for redemption on the same Business Day the Processing Agent invests your recurring check.** To terminate your direct investments, you must notify the issuer(s) of such check(s). You may elect this option after you have made your initial investment in Demand Notes.

Investments by Deduction from GMAC or GM Payroll or Pension

This option is available to you only if you are an employee of a company participating in Demand Notes payroll deductions through any GMAC or General Motors Corporation compensation system. You may elect this option after you have made your initial investment in Demand Notes.

Your investments by GMAC and GM payroll or pension deduction must be specified as a fixed dollar amount. Your minimum investment by payroll deduction is \$50 per month. If you are paid weekly, the minimum investment is \$11.50 per week, your payroll deduction investment is invested in your Demand Notes on the last business day of the week in which the paycheck is issued, and interest begins to accrue on that day. If you are paid on other than a weekly basis, your payroll deduction investment, which must total \$50 or more per month, is invested in your Demand Notes and begins to accrue interest on the payday it was withheld. Your pension deduction investment is invested in your Demand Notes and begins to accrue interest on the first Business Day of each month you receive retirement benefits. **Your investment by deduction from GMAC and GM payroll or pension is available for redemption on the same Business Day the Processing Agent invests your recurring check.** The Demand Notes Committee may authorize changes in the minimum monthly and weekly investment from time to time.

Table of Contents

Unless otherwise permitted by the Demand Notes Committee, an employee may make investments by payroll or pension deduction in only one Demand Note. No deduction will be made in any period in which an employee is not receiving a salary, wage or pension benefit.

Subject to the foregoing provisions and this paragraph, the deduction amount authorized by an employee may be changed or stopped at any time through the automated phone system at 1-800-684-8823, or by any other procedure that is in place at the applicable time. Your change in deduction will be effective within a reasonable amount of time after the Processing Agent receives it.

In addition, a retiree is only entitled to receive pension benefits terminating with the last monthly payment preceding the retiree's death. We will refund any pension deduction(s) made subsequent to the retiree's death to the Trustee for the General Motors Pension Plan or other General Motors subsidiary pension plan and redeem an amount equal to such refund from the deceased retiree's Demand Notes. If the amount of the redemption exceeds the principal amount in the deceased retiree's Demand Notes, the retiree's estate will be liable to GMAC for the difference between the amount of the redemption and the amount of the pension deduction to be refunded to the retiree's pension plan.

HOW TO REDEEM

You may redeem all or part of your Demand Notes by following the procedures described below. **If the amount to be redeemed represents an investment made by check or charge to your bank account, the redemption instructions will not be honored if the instructions are received within five business days from the investment day of that investment check or electronic transfer.** We reserve the right at any time to modify, suspend or terminate any of the redemption methods described below. No redemption proceeds are paid in cash. Interest on a redeemed investment accrues to, but does not include, the date of redemption.

A signature guarantee may be required in certain circumstances in order for you to add or change your redemption options. Our purpose in requiring a signature guarantee is to prevent potential fraud or misrepresentation and is for your protection. A signature guarantee must be signed by an authorized signatory and the statement "Signature Guaranteed" must appear with the signature. A notarized signature is not a signature guarantee. In certain instances, additional documentation may be required including, but not limited to, copies of trust instruments, birth certificates, death certificates, or court appointments as executor or administrator. Any request for a change to your method of redemption or notice regarding your Demand Notes must be mailed to the Processing Agent's correspondence address at GMAC Demand Notes, the Bank of New York Mellon, c/o Mellon Investor Services, P.O. Box 358425, Pittsburgh, PA 15252-8425.

Redemption by Written Check

Each Demand Note will be provided with a free supply of checks. You may redeem your Demand Notes by writing a check, payable to the order of anyone, in an amount of \$250 or more. **If the amount of the redemption check is greater than the balance in your Demand Note or is for less than \$250, the check will not be honored and a fee will be debited from your Demand Note by the Processing Agent.** Checks are deposited and processed through normal bank clearing systems. There is no limit on the number of checks you may write. We will not accept facsimile signatures on checks.

Where there is more than one registered owner of a Demand Note, only the signature of one registered owner is required on the check. When your check is presented to the Processing Agent for payment, the Processing Agent redeems your Demand Note in an amount sufficient to cover the check. If you request a stop payment of a check, GMAC assesses a service charge for each stop payment request made and such fee will be debited from your Demand Note by the Processing Agent. The Processing Agent may review any Demand Note check to verify its validity. Your stop payment will be acted upon without verification or confirmation by the Company or the Processing Agent.

Redemption by Wire

If you select this option on the investment form, you may redeem your Demand Notes during the Processing Agent's regular business hours but prior to 2:00 p.m. Eastern Time, by having redemption proceeds of \$1,000 or more wired to a pre-designated bank account. By use of this option, you authorize the Processing Agent to act on telephone or written redemption instructions from any person or persons representing themselves to be the registered owners of the Demand Notes. The Processing Agent's record of your instructions is binding.

To select the Redemption by Wire option, you must designate on the investment form an account at a bank in the United States to receive the redemption proceeds. You must also provide the Processing Agent with a voided specimen check or deposit slip from such bank. Once established, you may utilize this option by accessing the Demand Notes website at www.demandnotes.com, or by contacting the Processing Agent directly (or utilizing the available automated phone system) at 1-800-684-8823 (toll free).

You may add or change the Redemption by Wire instructions only upon written request to the Processing Agent accompanied by a signature guarantee of each registered owner (including joint owners) of the Demand Notes.

Neither the Processing Agent nor GMAC is responsible for delays in the wiring of funds through the banking system or for the authenticity of redemption instructions.

Automatic Monthly or Quarterly ACH Redemption or Monthly Interest ACH Redemption

If you select this option on the investment form, you authorize the Processing Agent to automatically redeem (a) on a monthly or quarterly basis a specified part of your Demand Notes (minimum \$100) or (b) on a monthly basis, the interest accrued and posted to your Demand Notes. These options are available only if your Demand Notes has a balance of \$5,000 or more and there are designated bank account instructions for redemption by ACH on file. You can also select this option by accessing the Demand Notes website at www.demandnotes.com.

On the last day of each month or quarter, as you will have specified, the Processing Agent will redeem your Demand Notes by an amount equal to the redemption amount that you have specified (minimum \$100) or, if you have elected Monthly Interest ACH Redemption, the interest amount that would have been credited to your Demand Notes for that month. The Processing Agent will send, via ACH transfer, the funds to your designated bank account. The funds will settle on the second Business Day following the date of request. This option will only be available if you have designated bank account instructions on file.

If on the predetermined date for any Automatic Monthly or Quarterly ACH Redemption or Monthly Interest ACH Redemption, your Demand Notes does not have a principal balance of \$5,000 or more, the Processing Agent will not honor the redemption. You may terminate the Automatic Monthly or Quarterly ACH Redemption Option or Monthly Interest ACH Redemption Option by providing written notice to the Processing Agent. Such notice is effective as soon as practicable after receipt by the Processing Agent.

You may also request the Automatic Monthly or Quarterly ACH Redemption or Monthly Interest ACH Redemption Option after you have submitted the investment form by providing the Processing Agent with a written request to add the desired automatic

redemption option to the Demand Notes and by providing a set of bank account instructions. Your written request requires the signatures of all registered owners (including joint owners) of the Demand Notes exactly as the name(s) appear on the Demand Notes investment form and each signature must have a signature guarantee from a banking or financial institution.

Adhoc ACH Redemption

You can select this option by accessing the Demand Notes website at www.demandnotes.com, or by contacting the Processing Agent directly (or utilizing the available automated phone system) at 1-800-684-8823 (toll free). If you select this option, you authorize the Processing Agent to redeem your Demand Notes (minimum \$250) by an amount specified by you on that day. **If the ACH redemption request is received by 8:30 a.m. Eastern Time on any Business Day, then the funds will settle on the second Business Day following such request.** If the request is received by the Processing Agent after 8:30 a.m. Eastern Time on any Business Day, then the funds will settle on the third Business Day following the date of such request. By use of this option, you authorize the Processing Agent to act on telephone or written redemption instructions from any person or persons representing themselves to be the registered owners of the Demand Notes. The Processing Agent's record of your instructions is binding.

A COMPLETE DISCUSSION OF YOUR RIGHTS AND RESPONSIBILITIES IF YOU USE ELECTRONIC FUNDS TRANSFERS IS CONTAINED IN APPENDIX A HERETO.

Box 358425, Pittsburgh, PA 15252-8425.

The Processing Agent will send, via ACH, the redemption proceeds using the designated bank instructions for redemption on file for the Demand Notes. If there are no bank instructions on file, a Bank of New York Mellon check will be mailed to the registered address and you will be charged a service fee.

OPTIONAL REDEMPTIONS BY GMAC

Investor Misuse of Redemption Provisions

We reserve the right to redeem immediately any Demand Notes of an investor who we believe, in our sole judgment and discretion, is abusing or misusing the redemption provisions of the Demand Notes, i.e., the writing of multiple checks where the amounts of the checks are greater than the principal amount of the Demand Notes. A final Bank of New York Mellon check (less a service fee) or an ACH transfer (using the designated bank redemption instructions on file) will be sent to the investor in an amount equal to the principal amount of the redeemed Demand Notes, including accrued and unpaid interest. In the event that Demand Notes with a principal amount below \$0 are redeemed, the investor will be liable to us for the amount required to restore the principal amount to \$0 as of the date the Demand Notes were redeemed.

Investor Balance Below Demand Notes Minimum

We will redeem any particular Demand Notes that maintains a principal amount of less than \$1,000 for a period consisting of the two consecutive months immediately following the month in which the average principal amount of the Demand Notes falls below \$1,000. If your Demand Notes has an average principal amount of less than \$1,000, you will receive written notice from us reminding you of the minimum investment requirement and providing you with the proposed date of redemption of your Demand Notes. If your Demand Notes are redeemed, you will be mailed a Bank of New York Mellon check (less a service fee) or receive an ACH transfer (using the designated bank redemption instructions on file) in an amount equal to the

Table of Contents

principal amount of such redeemed Demand Notes, including accrued and unpaid interest. In the event that Demand Notes with a principal amount below \$0 are redeemed, you will be liable to GMAC for the amount required to restore the principal amount to \$0 as of the date the Demand Notes were redeemed.

Investor Balance Above Demand Notes Maximum

We may partially redeem any particular Demand Notes that exceeds \$15,000,000 where the Demand Notes have the same social security or tax identification number. If your Demand Notes is so partially redeemed by us, you will be mailed a Bank of New York Mellon check (less a service fee) or receive an ACH transfer (using the designated bank redemption instructions on file) in an amount equal to the principal amount above \$15,000,000.

Other GMAC Redemption Option

Other than as described above, we will give you prior written notice of at least thirty days but not more than ninety days if your Demand Notes are subject to full or partial redemption unless it is legally impractical or impossible to do so or unless otherwise required by law. Any partial redemption of Demand Notes will be effected by lot or pro rata or by any other method that is deemed fair and appropriate by the Trustee. The notice from us will specify the effective date of redemption, the amount being redeemed and the effective date the redeemed amount will become due and payable and that interest will cease to accrue as of that date. All partial redemption notices will list the remaining principal amount of your Demand Notes. The full or partial Demand Notes being redeemed, plus accrued and unpaid interest thereon to the date of redemption, will be paid by check mailed (less a service fee) to the registered owner(s) of the redeemed Demand Notes or by ACH transfer (using the designated bank redemption instructions on file). Interest on the redeemed amount will cease to accrue on and after the effective date the redeemed amount becomes due and payable.

THE INDENTURE

General Information

The Demand Notes are issued under an Indenture dated as of October 15, 1985 between GMAC and U.S. Bank National Association, as successor Trustee, and all supplemental indentures thereto (the Indenture). The summary description of the Demand Notes contained in this Prospectus does not purport to be complete and is subject to, and qualified in its entirety by, the detailed provisions of the Indenture, and to the complete text of the Program, copies of which are filed as exhibits to the Registration Statement filed with the SEC.

The Demand Notes constitute unsecured, unsubordinated, and unguaranteed debt obligations of GMAC. You do not have any priority or secured claim against any of the assets of GMAC with respect to the principal amount of your Demand Notes or accrued and unpaid interest. **Funds invested in the Demand Notes are not subject to the protection of the Federal Deposit Insurance Corporation or any other insurance.**

Limitation on Liens

GMAC will not at any time pledge or otherwise subject to any lien any of its property or assets without thereby expressly securing the due and punctual payment of the principal of and interest on the Demand Notes equally and ratably with any and all other obligations and indebtedness secured by such pledge or other lien, so long as any such other obligations and indebtedness shall be so secured. This restriction shall not apply to:

(a) the pledge of any assets to secure any financing by GMAC of the exporting of goods to or between, or the marketing thereof in, foreign countries (other than Canada), in connection with which GMAC reserves the right, in accordance with customary and established banking practice, to deposit, or otherwise subject to a lien, cash, securities or receivables, for the purpose of securing banking accommodations or as the basis for the issuance of bankers' acceptances or in aid of other similar borrowing arrangements;

Table of Contents

(b) the pledge of receivables payable in foreign currencies (other than Canadian dollars) to secure borrowings in foreign countries (other than Canada);

(c) any deposit of assets of GMAC with any surety company or clerk of any court, or in escrow, as collateral in connection with, or in lieu of any bond on appeal by us from any judgment or decree against it, or in connection with other proceedings in actions at law or in equity by or against GMAC;

(d) any lien or charge on any property, tangible or intangible, real or personal, existing at the time of acquisition of such property (including acquisition through merger or consolidation) or given to secure the payment of all or any part of the purchase price thereof or to secure any indebtedness incurred prior to, at the time of, or within 60 days after, the acquisition thereof for the purpose of financing all or any part of the purchase price thereof; and

(e) any extension, renewal or replacement (or successive extensions, renewals or replacements), in whole or in part, of any lien, charge or pledge referred to in the foregoing (a) to (d) inclusive of this paragraph; provided, however, that the amount of any and all obligations and indebtedness secured thereby will not exceed the amount thereof so secured immediately prior to the time of such extension, renewal or replacement, and that such extension, renewal or replacement will be limited to all or a part of the property which secured the charge or lien so extended, renewed or replaced (plus improvements on such property).

Merger and Consolidation

The Indenture provides that GMAC will not merge or consolidate with another corporation or sell or convey all or substantially all of its assets unless either GMAC is the continuing corporation or the new corporation shall expressly assume the interest and principal due under the Demand Notes. In either case, the Indenture provides that neither GMAC nor a successor corporation may be in default of performance immediately after a merger or consolidation. Additionally, the Indenture provides that in the case of any such merger or consolidation, either GMAC or the successor company may continue to issue Demand Notes under the Indenture.

Events of Default

The following events are defined in the Indenture as Events of Default :

failure to pay all or any part of the principal of or interest on any Demand Notes as and when the same will be due and payable (subject to certain exceptions described in the Indenture);

failure to perform or observe any other covenants or agreements in the Indenture or the Program for thirty days after written notice; and

certain events of bankruptcy, insolvency or reorganization.

The Indenture provides that the Trustee will, within ninety days after the occurrence of a default, give investors notice of all uncured defaults known to it (the term default to include the events specified above without grace periods); provided, however, that except in the case of default in the payment of the principal of or interest on any of the Demand Notes, the Trustee will be protected in withholding such notice if in good faith determines that the withholding of such notice is in the interests of the investors.

We are required to furnish to the Trustee annually a statement of certain officers of GMAC stating whether or not to their knowledge we are in default in the performance and observance of certain terms of the Indenture and, if we are in default, specifying each such default.

Investors holding a majority in aggregate principal amount of the Demand Notes then outstanding have the right to waive certain defaults and, subject to certain limitations, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. The Indenture provides that, in case an Event of

Table of Contents

Default will occur (which will not have been cured or waived), the Trustee is required to exercise such of its rights and powers under the Indenture, and to use the degree of skill and care in their exercise, that a prudent man would exercise or use under the circumstances in the conduct of his own affairs, but otherwise need only perform such duties as are specifically set forth in the Indenture. Subject to such provisions, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request, order or direction of any of the investors unless they will have offered to the Trustee reasonable security or indemnity.

Concerning the Trustee

U.S. Bank National Association is the Trustee under the Indenture. U.S. Bank National Association acts as depository for funds of, makes loans to, and performs certain other services for, GMAC and certain of its affiliates in the normal course of its business. As trustee of various trusts, it has purchased securities of GMAC and certain of its affiliates.

Modification of the Indenture

With certain exceptions, under the Indenture, the rights and obligations of GMAC and the rights of the investors may be modified by GMAC with the consent of investors holding not less than 66 ²/₃% in aggregate principal amount of the Demand Notes then outstanding; but no such modifications may be made which would:

extend the maturity of any Demand Notes or reduce the principal amount of any Demand Notes or the accrued and unpaid interest thereon or

reduce the stated percentage of the Demand Notes, the consent of the investors of which is required to modify or alter the Indenture, without the consent of investors holding all of the Demand Notes then outstanding.

MODIFICATION, SUSPENSION OR TERMINATION OF PROGRAM

The Demand Notes Committee may amend or modify the Program at any time as it deems necessary or appropriate. Written notice of any material amendment or modification will be provided to investors at least fifteen days prior to the effective date of such amendment or modification unless it is legally impractical or impossible to do so, or unless otherwise required by law. No such amendment or modification, however, will reduce the principal amount of any Demand Notes, or accrued and unpaid interest thereon, as of the effective date of such amendment or modification and no such amendment or modification will have a retroactive effect that would prejudice the rights of investors.

GMAC may terminate the Program in its entirety for any reason. We may, at our discretion, temporarily or permanently suspend the acceptance of investments in the Demand Notes without such a suspension amounting to a termination of the Program. Unless otherwise required by law, written notice of suspension or termination will be provided to investors at least thirty days prior to the effective date of such suspension or termination unless it is legally impractical or impossible to do so or unless otherwise required by law. We may omit, restrict, suspend or terminate the Program in any jurisdiction in which we, at our discretion, deem such action advisable in view of local law and regulations.

PROCESSING AGENT

GMAC has appointed the Bank of New York Mellon to act as the Processing Agent for the Demand Notes. Services performed by the Processing Agent include:

investment and redemption processing and accounting;

preparation of Demand Notes statements and other correspondence;

investor servicing;

Table of Contents

monthly reporting of the principal amount of Demand Notes, accrual of interest income and payment and reinvestment of interest accrued; and

required tax reporting and filings with the federal government.

Any determination rendered by the Demand Notes Committee in connection with the services performed by the Processing Agent is final and conclusive. For these services, we pay the Processing Agent a monthly agency and administrative fee based on the number of Demand Notes outstanding at the end of each month as well as its reasonable out-of-pocket costs (such as, but not limited to, postage, forms, telephone, and wire expenses). We pay all costs incurred by us in the offering of the Demand Notes and administration of the Program.

APPENDIX A

NOTICE TO USERS OF DEMAND NOTES

ELECTRONICS FUNDS TRANSFER

Electronic Fund Transfers:

As a consumer who uses electronic funds transfer (EFT) services, you have certain rights and responsibilities. These rights and responsibilities may be defined by the Electronic Fund Transfer Act (15 U.S.C. 1693, et seq.) and Regulation E of the Federal Reserve Board. One requirement of the Act and Regulation E is that all financial institutions as defined in Regulation E must make certain disclosures to all EFT users. **If the EFT transactions that you make are not from an account established primarily for personal, family or household purposes, or if the type of transaction is not otherwise governed by the Federal Electronic Funds Transfer Act, the rights described herein are not applicable to you.** From time to time, your rights and responsibilities may change. You will be notified of any changes as required by applicable law.

Transfers

Electronic transfers with respect to the Demand Notes include:

Transfers and withdrawals by Adhoc ACH redemptions.

Pre-authorized transfers and redemptions.

You may authorize a merchant or other payee to make a one-time electronic payment from your note using information from your check to pay for purchases and bills.

Limitations on Automatic Transfers and Redemptions

With respect to automatic transfers you arrange with us to be made from your bank account after your initial Demand Notes investment, you may elect up to two transfer dates for any amount of \$50 or more using up to two different bank accounts. With respect to investments by payroll deduction after your initial Demand Notes investment, your minimum payroll deduction is \$50 per month, or, if you are paid weekly, your minimum payroll deduction is \$11.50 per week.

If you elect to redeem your Demand Notes by wire, the minimum amount of a wire redemption to a designated bank account is \$1,000. If you arrange with us for Automatic Monthly or Quarterly ACH Redemptions, the minimum redemption amount is \$100, or, if you have arranged with us for Monthly Interest ACH Redemptions, the minimum redemption amount is the interest amount that would have been credited to your Demand Notes for that month. If you elect Adhoc ACH redemptions, the minimum redemption amount is \$250.

Stop Payments

If you have arranged for certain automatic payments, or if you have arranged for preauthorized transfers, such as payroll or pension deductions, the following applies:

1. You Have the Right to Stop Payment

If you have arranged in advance for automatic payments or preauthorized transfers initiated with us from your Demand Notes (and not initiated from a third party), you have the right to stop payment. Here s how:

You can call the Processing Agent at 1-800-684-8823 or write the Processing Agent at GMAC Demand Notes, the Bank of New York Mellon, c/o Mellon Investor Services, P.O. Box 358425, Pittsburgh, PA 15252-8425 so that the Processing Agent receives your request 3 Business Days

Edgar Filing: GMAC LLC - Form S-3ASR

or more before the payment or transfer is scheduled. If you call, we may also require you to present your request in writing and get it to the Processing Agent within 14 days after your call.

A-1

Table of Contents

If these regular payments or transfers may vary in amount, we will tell you, 10 days before each payment or transfer, when it will be made and how much it will be (other than Monthly Interest ACH Redemptions). (You may choose instead to get this notice only when the payment or transfer would differ by more than a certain amount from the previous payment or transfer, or when the amount would fall outside certain limits that you set.)

2. Liability for Failure to Stop Payment of a Transfer You Previously Authorized

If you order us to stop one of these payments 3 Business Days or more before the transfer is scheduled, and we do not do so, we will be liable to you for those losses or damages provided by law.

Our Business Days

For purposes of the Demand Notes Program, a Business Day is a day on which the Bank of New York Mellon, the Processing Agent, and the Federal Reserve Bank of Cleveland are open for business. In general, Business Days are Monday through Friday. Holidays are not included.

Documentation

You will receive a monthly statement from the Processing Agent with respect to your Demand Notes showing all electronic transfers that have been made.

If you have arranged to have transfers made at least once every 60 days from the same person or company, you can call us at the customer service number (1-800-684-8823, Monday thru Friday from 8am to 7pm ET) to find out whether the transfer has been made. In addition, you can also check your statement by accessing the Demand Notes website at www.demandnotes.com.

Our Liability for Failure to Make Transfers

If we do not complete a transfer on time or in the correct amount according to our agreement with you, we will be liable for those damages that the law allows in such cases.

However, there are some exceptions. We will not be liable, for instance, if, through no fault of ours, you do not have enough money to make the transfer, or if circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken. The list of examples set out in this paragraph is meant to illustrate circumstances under which we would not be liable for failing to make a transfer and is not intended to list all of the circumstances where we would not be liable.

Your Liability

If you believe your PIN or Password has been lost or stolen, or if your statement shows transfers that you did not make, tell us AT ONCE. If you do not tell us within 60 days after a statement showing a transfer you did not make was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from making the unauthorized transfer if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods. If you tell us within 2 business days after you learn of the loss or theft of your PIN or Password, you can lose no more than \$50 if someone used your PIN or Password without your permission. If you do NOT tell us within 2 business days after you learn of the loss or theft of your PIN or Password, and we can prove we could have stopped someone from using your PIN or Password without your permission if you had told us, you could lose as much as \$500.

Confidentiality

We will disclose information to third parties about the transfers you make: (i) where it is necessary for completing transfers, (ii) in order to verify the condition of your Demand Notes for a third party, (iii) in order to comply with government agency or court orders, or (iv) if you give us your written permission. In addition, under Massachusetts law, any documentation provided to a consumer which indicates that an electronic funds transfer was made to another person is admissible as evidence of such transfer and constitutes *prima facie* proof that the transfer was made. If we provide any documentation pursuant to Massachusetts law, we will send written notice within 10 days of disclosure that the information on the transfer was disclosed.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 14. Other Expenses of Issuance and Distribution.

Not applicable.

ITEM 15. Indemnification of Directors and Officers.

Under 6 Del. C. § 18-108 (2008) of the Delaware Code, we are empowered to indemnify our members, managers, and other persons in the circumstances therein provided.

Our Operating Agreement, as amended, pursuant to 6 Del. C. § 18-1101(c) (2008), provides that no Member shall owe any duties (including fiduciary duties) as a Member to the other Members or to GMAC LLC, provided that each Member shall have the duty to act in accordance with the implied contractual covenant of good faith and fair dealing.

Under Article XI of our Operating Agreement, to the fullest extent permitted by the Delaware LLC Act, GMAC LLC, to the extent of its assets legally available for that purpose, shall indemnify and hold harmless each person who was or is made a party or is threatened to be made a party to or is involved in or participates as a witness with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a manager or an officer, or is or was serving at the request of GMAC LLC as a manager, director, officer, employee, fiduciary or agent of another entity (collectively, the

Indemnified Persons) from and against any and all loss, cost, damage, fine, expense (including reasonable fees and expenses of attorneys and other advisors and any court costs incurred by any Indemnified Person) or liability actually and reasonably incurred by such Person in connection with such proceeding if such Person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of GMAC LLC, and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to GMAC LLC unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith or in a manner such person reasonably believed to be in or not opposed to the best interests of GMAC LLC.

We shall not be required to indemnify a person in connection with a proceeding initiated by such person against GMAC LLC or any of its subsidiaries if the proceeding was not authorized by our Board of Managers. We may pay in advance or reimburse reasonable expenses (including advancing reasonable costs of defense) incurred by an Indemnified Person who is or is threatened to be named or made a defendant or a respondent in a Proceeding; provided, however, that as a condition to any such advance or reimbursement, such Indemnified Person shall agree that it shall repay the same to GMAC LLC if such Indemnified Person is finally judicially determined by a court of competent jurisdiction not to be entitled to indemnification under Article XI.

The ultimate determination of entitlement to indemnification of any Indemnified Person shall be made by the Board of Managers in such manner as the Board of Managers may determine. The indemnification and other rights provided for in Article XI of our Operating Agreement inure to the benefit of the heirs, executors and administrators of any person entitled to such indemnification.

Unless otherwise agreed by the Board of Managers and the Joint Majority Holders, the Company shall maintain, at its expense, insurance (a) to indemnify Company for any obligations which it incurs as a result of the indemnification of Indemnified Persons under the provisions of Article XI, and (ii) to indemnify Indemnified Persons in instances in which they may not otherwise be indemnified by the Company under the provisions of Article X.

Table of Contents

The rights to indemnification and the payment of expenses incurred in defending any Proceeding in advance of its final disposition conferred in Article XI shall not be exclusive of any other right which any Person may have or hereafter acquire under any Law, provision of this Agreement, any other agreement, any vote of Members or disinterested Managers or otherwise.

Anything herein to the contrary notwithstanding, any indemnity by the Company relating to the matters covered in Article XI shall be provided out of and to the extent of Company assets only and no Member shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity of the Company.

Pursuant to resolutions adopted by the Board of Managers of GMAC LLC, GMAC LLC, to the fullest extent permissible under law, will indemnify, and has purchased insurance on behalf of, our members or officers, or any of them, who incur or are threatened with personal liability, including expenses, under the Employee Retirement Income Security Act of 1974 or any amendatory or comparable legislation or regulation thereunder.

ITEM 16. Exhibits.

A list of exhibits filed herewith or incorporated by reference is contained in the Exhibit Index that immediately precedes such exhibits and is incorporated herein by reference.

ITEM 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Table of Contents

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) (\$230.424(b)(3) of this chapter) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) (\$230.424(b)(2), (b)(5), or (b)(7) of this chapter) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) (\$230.415(a)(1)(i), (vii), or (x) of this chapter) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors and officers of the Company pursuant to the provisions discussed in Item 15 above, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director or officer of the Company in the successful defense of any action, suit or proceeding) is asserted by such director or officer in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
