(the Company) filed a Notification of Late Filing (Form 12b-25) to report its inability to timely file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2009 (the Quarterly Report) because certain issues had arisen that may require adjustments to the allowance for loan losses and the carrying value of certain assets. The Company anticipates that it may report a net loss for the quarter ended March 31, 2009 resulting from such adjustments.

The Company's results of operations are still being finalized by management and the Company was unable to file the Quarterly Report on or before the fifth calendar day following the prescribed due date. The Company intends to file its Quarterly Report as soon as the calculations are completed and management has reviewed the proposed adjustments with its independent auditors.
